THE BUSINESS OF CHILD CARE, 3E

Kearns
ISBN: 9781486002122
284pp, Paperback/eBook/
eChapters, ©2015

Table of Contents

1. Managing the Organisation
2. Managing for Compliance and Quality
3. Managing for Health and Safety
4. Managing for Innovation and Sustainability
5. Managing Teams for Quality Outcomes
6. Skills for Leadership
7. Managing Information Needs

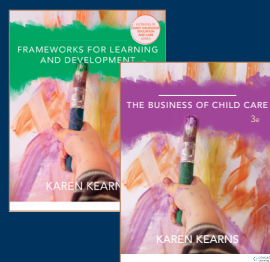

Written to support delivery of the CHC50113 Diploma of Early Childhood Education and Care, these textbooks explore children's development, and the skills and philosophies needed to design programs for individual children and groups.

Covering topics such as:

- Managing the organisation – with focus on the role of the manager in education, care and long term sustainability
- Compliance – keeping compliant with government and regulatory requirements through policies and procedures
- Health and Safety – ensuring current WHS legislation is enforced throughout the centre
- Innovation and Sustainability – responding to changes and demands by both legislation and service users, being flexible, adaptable and innovative where possible
- Manage teams for quality outcomes – providing direction, support, training and mentoring to the team
- Leadership skills – exploring challenges, regulations and day-to-day management skills.

Introduces students to the business side of planning, supervising and co-ordinating the day to day operation of a children's service. With its easy-to-read style and engaging full-colour presentation, this series is an excellent resource for students.
