Fun, fresh and healthy – Press + Chill creates a nourishing community and dining experience

*Opening May 2019, juicery and foodbar adds
to the collection of thoughtful wellbeing
experiences at Destination Kohler*

KOHLER, Wis. – Kohler Co. is pleased to announce today the highly anticipated juicery, Press + Chill, opening this May at the Shops at Woodlake at Destination Kohler. Nourishing the mind, body and spirit, the new business offers a fresh and healthy dining option in an approachable and community-driven space overlooking the serene Wood Lake.

Press + Chill's menu encompasses healthful options with the focus on cold-pressed organic juices available in 8 oz. and 16 oz. Guests can delight in one-, three- or five-day Juice Cleanses that can be ordered and purchased onsite. In addition to juices, Press + Chill offers a variety of smoothie bowls, paninis, salads, toasts and pizzas with vegetarian, vegan and gluten-free varieties. Further, extra juice pulp will be reused by the Kohler Bake Shop for breads

made for the restaurant.

"Press + Chill is more than just a cold-pressed juicery and foodbar. We are thrilled to bring this to our community of Kohler Associates, locals and hotel guests. This is truly a community space to be creative, inspired and happy," explains Ashley Kohler, Senior Manager Fitness Studios at Destination Kohler. "Juice is cold-pressed to retain

enzymes, vitamins and minerals, giving people the best, most nourishing options. It's an amazing refresh after a hot yoga class, ride in the studio or walk around Wood Lake."

The opening of Press + Chill comes as Destination Kohler continues its commitment to thoughtfully expanding wellbeing experiences, providing

Highlights from the Kohler PAO "Be Our Guest" dinner & auction

On Saturday, April 6, the Performing Arts Organization held their twenty-second annual dinner and auction. It was an evening of laughter, fun and excitement. The event raised funds to be used toward future scholarships and performance tours for the band and choir.

The successful evening is due to the tremendous support and charitable donations offered by many local corporations and individuals. Please visit the music department website to view all of our generous sponsors as well as a listing in this issue of the Kohler Times.

A very special thank you to the enthusiastic and dedicated auction committee and performers for donating their time and talents to create a successful event!

Dogs will be banned from Kohler cemetery

The Kohler Village Board approved a new ordinance banning dogs in Kohler's portion of the cemetery (including on Memorial Day) due to increasing noncompliance of an existing Village-wide ordinance requiring that dog owners pick up and dispose of their dog's waste. A member of the Cemetery Committee said dog waste is Kohler DPW's number one problem in the cemetery. Village lawn mower tires caked with dog waste often have to be power washed. Bags provided for picking up waste are often left laying around. People visiting loved ones buried at the cemetery often have to endure smelly dog waste laying near their sacred spaces.

Signs banning dogs will be posted on or around May 1. The

citation will be \$10, plus court costs, for a total of \$73.63. Residents should call the Kohler Police Department if they see an infraction. (Service dogs are exempt).

Potential offenders should be aware that it's within the legal rights of citizens to photograph them or their dog for evidence.

For a map of the Kohler cemetery boundaries, visit kohler.news/dogban.

Winter cemetery decorations should be removed by May 1

Christmas/winter decorations placed at graves in the cemetery should be removed by May 1.

Decorations that are not removed will be placed next to the Village shed in the cemetery.

Electrical failure leads to house fire on School Street

An electrical failure sparked a fire in the bathroom of a home at 631 School Street on Tuesday, April 2.

According to a release from the Kohler Police Department, Kohler Police officers and Sheboygan County Sheriff's deputies arrived within a couple of minutes of the 911 call from a resident in the home. The officers observed smoke and flames coming from one of the bathroom walls, and used hand-held fire extinguishers in an attempt to stop the fire from spreading. Kohler Fire Department personnel arrived to find an active working fire extending into surrounding walls. An aggressive

attack stopped the fire from spreading any further.

There were no injuries, and fire crews also were able to rescue several family pets.

Agencies assisting the Kohler Fire Department included the City of Sheboygan Falls Fire Department, the Town of Sheboygan Fire Department, the Haven Fire Department, and Orange Cross Ambulance Paramedics.

Assisting Kohler police with traffic control were officers from the Sheboygan County Sheriff's Office and the City of Sheboygan Falls Police Department.

SCTA Family Challenge Cup Tennis Fundraiser Results

The Sheboygan County Tennis Association held the 17th Annual SCTA Family Challenge Cup Saturday, March 9 at Sports Core in Kohler. The Family Challenge Cup consisted of round robin doubles play with teams made up of family members – Mother/

Son, Father/Daughter, Brother/Sister, Husband/Wife, etc. – and tennis trivia as well as raffle prizes. This year, 18 teams were competing for the traveling Family Challenge Cup trophy. Fun was had by all!

This year's results were as follows:

1 st Place:	Ashu & Anushka Mangal (father/daughter team)	176 points
2 nd Place:	Dean & Sam Delasanta (father/son team)	152 points
3 rd Place:	Dharmesh & Ashwini Murthy (father/daughter team)	144 points
4 th Place:	Mei & George Phillips (brother/sister team)	143 points
5 th Place:	Jason & Alex Unger (father/son team)	135 points

The SCTA would like to thank their partners, sponsors, and donors who helped make the event a huge success and who support youth tennis in Sheboygan County: The Sports Core, Whistling Straits & Blackwolf Run golf courses, Babolat, USBank, The Blend Family, Wisconsin Tennis Association, and Tietz's Piggly Wiggly.

Kohler Elementary earns fourth consecutive School of Recognition Award

Kohler Elementary School earned a 2018-19 Wisconsin Title I School of Recognition Award for the fourth year in a row. Only 11 schools in the state earned this award in the category of high achievement this year. Superintendent Quynh Trueblood and Principal Lisa Greene delivered cookies and coffee to staff as a gesture of gratitude for their hard work and dedication. Principal Greene and Laurie Turner will accept the award at a public ceremony at the Capitol Rotunda in Madison on May 20.

Kohler middle school teacher earns award

Kohler middle school teacher Matt Bayens earned the title of Wisconsin National History Day 2019 Teacher of the Year. Bayens moves forward as a nominee for the national Hannah E. (Liz) MacGregor Teacher Award.

NHD nationals will be held at the University of Maryland - College Park on June 13.

Kohler names new football coaches

Ryan Eigenberger has been named as the new football coach to lead the Kohler/Lutheran/Christian Football Program.

During the interview process, it was determined that Ryan has a complete understanding of the importance and responsibility that goes along with bringing three high schools together to compete as one program.

Eigenberger is a faculty member on staff at Kohler and has been with the KLC program for the last three years as an offensive coordinator and JV Head Coach.

Mike Nikson has been named Associate Head Coach for KLC.

- Officer Chad Gross responded to the Tractor Supply store where the employees were concerned for their safety. The employees' cars became surrounded by vehicles and people who were loitering in the parking lot near closing time. Officer Gross found that nearly 50 vehicles were parked in the lot. The vehicles were associated with a group of young people that "cruise" together. The group has been monitored in the past by the Sheriff's Department for street racing on various county roads. The officer mediated the situation and later followed up with the manager of the store regarding lot posting requirements if they expect any law enforcement action to be taken.
- Officer Chad Gross responded to the 500 block of Washington Square where a resident reported hearing a single gunshot outside their home. No other reports were received. The officer checked the area and did not locate anything suspicious.
- Officer Katie Schoch responded to the roundabout at CTH PP and CTH A for a vehicle crash. A driver drove through the median, across the merging lane and over the curb before striking and knocking down a light pole. The 43 year-old Sheboygan woman was arrested for OWI. A preliminary breath test showed the driver's blood alcohol level at .242. The legal limit is .08. Alliant Energies replaced the light pole the next day. This is the first documented crash at the new roundabout.

Drunk driver crashes at PP & A roundabout. See video online kohler.news in the March archives.

- Officer Todd Reinemann responded to the 500 block of School Street where a resident reported a suspicious male going door-to-door, possibly soliciting. The officer was not able to locate the subject.
- Officer Chad Gross was dispatched to Interstate 43 regarding a driver possibly operating while impaired. The officer observed the vehicle in question and stopped the vehicle at the request of the Sheriff's Department. A deputy later took over the investigation and ultimately arrested the driver for OWI.
- Officer Katie Schoch and Officer Chad Gross responded to the Target store at Deer Trace regarding a retail theft. Ultimately, their investigation determined that a 40 year-old Sheboygan woman had stolen more than \$520 worth of merchandise over three separate occasions. The woman was arrested and transported to the Sheboygan County jail for misdemeanor charges.
- Officer Katie Schoch assisted the Kohler Fire Department in extinguishing a chimney fire at The American Club.
- Proactively: Officers monitored over 30 residences where the owners had filed "house check" requests while on spring vacation.

Montes Earns Music Honors

The Kohler band department is proud to announce that Lily Montes was selected to the 2019 Wisconsin School Music Association State High School Honors Band. This honor recognizes Lily as one of the top eight high school French horn players in the state of Wisconsin.

The WSMA State Honors Band comprises of 80 of the top high school band musicians throughout the state. The WSMA State Honors Band will rehearse in June and perform at the Wisconsin State Music Conference in October at the Overture Hall in Madison. Lily

will have the opportunity to work with guest conductor Dr. John Oelrich, Director of Bands at the University of Tennessee. Lily is the daughter of Arvin and Rachel Montes. Congratulations Lily.

Kohler High School music trip was magical

By Hannah Neist

It was the end of the school day on March 20th and most of the high school were rushing to grab all of their luggage and get ready to go on the trip of a lifetime. Once we loaded the buses we were finally free from school work and ready to have fun. 168 students and adults entered the airport and after a few hours of getting everyone through security, we were ready to be on our way to Florida, people were too excited to even sleep on the plane. At last, we arrived at Disney Pop Century Resort.

The next morning everyone was ready to go embark on journeys with their friends and go to any of the parks of their choice. Whether they had visited many times, or their first time it was still magical. On our second day, the band and choir had the opportunity of performing at the Marketplace Stage in Disney Springs. The band and the choir performed in beautiful weather and we sounded great. We were surprised to see so many people from Kohler who surprised us and came to our concerts.

On our third day it was time for the workshops. The choir learned how to make sound effects and sang a medley from the movie Tangled, while the band learned how professional soundtrack recording works, and we finished our workshop by recording a Moana medley. With our workshops done, we had the rest of the day for the parks or the pools at the hotel.

So soon after arriving, our final day in Florida was upon us. We all took the buses to a park of our choice and made the most out of the last of our trip. Once arriving back from the parks it was finally time to go home.

We got on the buses and headed to the airport. Everyone this time was worn out and people slept most of the way back, but they had the memories of their most recent adventure to dream about.

The Kohler High school band and choir students would like to thank the chaperones, parents, teachers, and anyone else involved in helping us make it all the way to Florida and for the memories we were able to make with each other. It was a truly magical experience.

Wolf's Cycling and Fitness donates patrol bike to Kohler police

Submitted by Kohler's interim chief David Darin

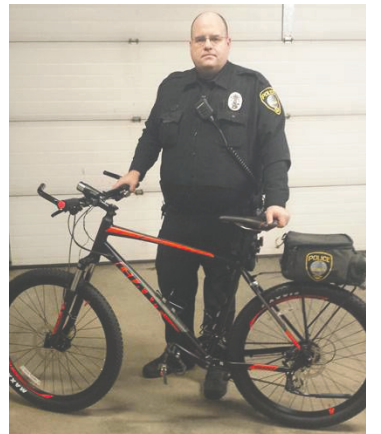

Kohler Police Officer Todd Reinemann displays a brand new Giant Brand, Talon Model, off-road bicycle to be used in patrol activities by officers when the weather improves.

The bicycle was donated by Harley Leikam – owner of Wolf's Cycling and Fitness at 1702 S. 12th Street Sheboygan

(www.wolfcycle.com).

Wolf's Cycling and Fitness has been supporting law enforcement bicycle patrols for decades by supplying state-of-the-art bikes for the officers, according to Kohler's interim police chief Dave Darin.

The Kohler Police Department extends their thank you to Harly Leikam and Wolf's Cycling and Fitness.

INSIDE OUT: Using House Plants in the Garden

Discover the growing trend that finds people using foliage and blooming house plants in their outdoor spaces.

On Thursday, April 25, Rob Zimmer will present a program titled "INSIDE OUT: Using House Plants in the Garden." Sponsored

by Sheboygan County Master Gardeners the program will start at 6:30 p.m. in UWEX Room 5020.

Master Gardener volunteers will also be at the UW-Green Bay Sheboygan Campus, Tuesday and Thursday afternoons

from 1:00 – 4:00 p.m. to answer horticultural calls or consult in person with homeowners who have yard and garden care questions. Master Gardener Volunteers staff the horticultural hotline from May through September.
