

Edexcel IAL Important Information:

Newly developed Edexcel's International Advanced Level is an international alternative to Edexcel's Ofqual-regulated A level qualifications which is regulated by Pearson. The qualifications have been written to the same rigorous standard as all Edexcel qualifications and Edexcel International Advanced level qualifications are already recognized by many leading universities in the UK and Internationally. All students who sit examinations in January will automatically be awarded an IAL in each subject.

- **Cash-in:** You will not receive a certificate for IAL if Cash-in code box is not selected. Cash-in is free during the time of registration, but late cash-in costs KD 10.000 per qualification per subject.
