Potentate
Jerry Blevins & Lady Shelli

Dear Nobles:

Membership is a great duty that all Shriners can take part in. The members of this great organization will lead our fraternity and philanthropy for years to come. Strong membership can be obtained by adhering to the 3 R's; recruitment, retention, and restoration.

Recruitment is necessary to fill the voids that are left when that black camel comes to carry our worthy brethren into the great hereafter, as it will for all of us one day. We all know those Masonic brethren that have that desire to do more for their communities, as so many of us have. Promotion of our great philanthropy is a wonderful tool in promoting the good works our fraternity is involved in.

Retaining the members we have is essential to our success. Retention of our members means that there are more nobles to share in our labors and reap the rewards of an honorable service. Being a strong brotherhood where good men can work and have fun is a key to this success as emulated in our Potentate's theme, "Helping Kids While Having a Ball". Let's make sure all our nobles are having fun, whether it be at a business meeting, a parade, a paper drive, or a fundraiser. We have many different activities and I am sure we can fit everyone in somewhere.

Sometimes a noble will drop his membership by simply not paying his dues. They may do this for several reasons, whether it be hardship, age, illness, or loss of interest. If you know of a brother that has dropped his membership, simply talk to them, find out the reason. You may be the brother that is able to help a worthy brother or promote the good works that are being accomplished and bring another brother back into the flock.

Membership is vital to our continued success and the aid to so many deserving children. El Hasa is committed to promoting membership and all the nobility can be a part of the accomplishment.

Fraternally Yours,
Patrick Leighty
Assistant Rabban/Membership Chairman

Petition for Membership

Shriners International

beashrinernow.com

Shriners International is a fraternity that developed out of Freemasonry more than a century ago. Because of its history and tradition, the fraternity is dedicated to fun, fellowship and the Masonic principles of brotherly love, relief and truth.

There are many worthwhile reasons to join this well-known, respected fraternal organization:

Fun. A variety of activities and events – including parties, parades, trips, special-interest groups and community service projects – provide plenty of opportunities for Shriners and their families to spend time together and enjoy life.

Fellowship. Membership in the Shriners fraternity offers the invaluable opportunity to build camaraderie and lifelong friendships with other men of character and upstanding values.

Philanthropy. Supporting Shriners Hospitals for Children®, a pediatric health care system founded by the Shriners fraternity, offers a sense of personal fulfillment and satisfaction.

- Learn how to become a Shriner.
- Connect with your own Virtual Mentor who will walk you through the membership process step-by-step.
- Sign up to receive ongoing communication about community events and opportunities to interact with local Shriners.
