

**FEATURED ITEMS IN ELECTRICAL**

**American Autowire "Highway" Modular Panel Systems**

The most user friendly and technically advanced panel system available today, the Highway 22 and Highway 15 complete packages include color coded and labeled panel/wires for gauges, dash lighting, steering column, and engine compartment. You'll also get a gauge cluster disconnect harness, alternator leads, accessory wires, all necessary fuses, flashers, and relays, dimmer, headlight, and ignition switches and connectors. Wires plug in to the block individually, allowing you to use only what you need for a customized panel. In addition, you'll also get the "How to Wire Your Street Rod From Start to Finish" book.

Highway 22-Circuit Package: **\$429.00**  
 Highway 15-Circuit Package: **\$319.00**

Electrical

**SPAL Remote Entry System & Door Actuator Kit**

Kit includes a SPAL remote entry system and two 30 lb pull solenoids to release your door latches. 30 lb door actuators are recommended for stock door latches.

SSDHK-1

**\$150.00**

**Dakota Digital 10K & 4K Remote Kits**

10 function kit includes receiver, two 6-button transmitters, completely assembled harness with relays, and comprehensive wiring instructions. Limited lifetime warranty. 4 function kit includes four channel remote entry system, complete with receiver, emergency switch, and instructions. Limited lifetime warranty.

DDCMD-10 **\$189.95**

DDCMD-4001 **\$130.95**

### American Autowire Classic Update Series Wiring Harnesses

A complete 21-circuit kit that replaces and updates your stock wiring harness. Allows use of factory original or aftermarket components with room to add extras like A/C and power doors and windows.

'55-'57 Chevy Cars	<b>\$449.00</b>
'47-'59 Chevy Trucks	<b>\$449.00</b>
'60-'66 Chevy Trucks	<b>\$499.00</b>
'67-'69 Camaros	<b>\$529.00</b>
'69-'72 Novas	<b>\$529.00</b>
'67-'68 Firebirds	<b>\$529.00</b>

### EZ Wire Wiring Harnesses

Kits are pre-wired into the fuse block for universal applications. Harness includes fuses, flashers, breaker, convertors, terminals, horn relay, and headlight plugs. All wires are color coded and labeled. Mini kits use mini fuses and a smaller fuse panel for mounting in tight spaces.

EZWK17	17 circuit full size	<b>\$185.00</b>
EZWK20M	20 circuit mini	<b>\$155.00</b>
EZWK12M	12 circuit mini	<b>\$150.00</b>

### Haywire Deluxe Wiring System

Harness comes complete with GM color coded and labeled wire, high temp GXL moisture resistant wire, head light, ignition, and dimmer switch, and a large selection of butt and ring terminals. Wire harness unplugs from fuse panel.

HWDWH7	7 fused wiring system	<b>\$295.00</b>
HWDWH14	14 fused wiring system	<b>\$335.00</b>
HWDWH21	21 fused wiring system	<b>\$399.00</b>
HWE19	19 fused block & wiring sys.	<b>\$399.00</b>

**Ron Francis Wiring Bare Bonz™ Wiring Harness**

**BARE BONZ™**

This kit has 8 fuses and 10 circuits and plenty of wire needed to take care of your basic engine, dash, lighting, gauges, and some accessories, yet built well enough to be compatible with electronic fuel injection. This panel measures only 7-1/2" L x 3-1/8" W x 2-7/8" H.

RFWBB-99	GM Wiring Kit	\$359.95
RFWBB-78	Ford Wiring Kit	\$359.95
RFWBB-68	Mopar Wiring Kit	\$369.95

**Ron Francis Wiring Gauge Wiring Kits**

Allows you to unplug your gauge cluster for easy wiring. The kit includes a special disconnect plug that eliminates the need for most splicing.

RFWDK-6 \$84.95

**Dakota Digital Cruise Control**

Advanced electric servo cruise control requires no vacuum. Includes unit, mounting hardware, wiring harness, and choice of control handle. Includes a 36 month / 36,000 mile warranty.

**DDCRS-2000** \$250.00  
*For vehicles with cable driven speedometers. Speed sensor attaches in-line with speedometer cable.*

**DDCRS-3000** \$215.00  
*For vehicles with electric speedometers. Compatible with 2,000 to 40,000 pulse per mile speed signals.*

**Aluminum Covers**  
 •Most DD handles can be equipped with an aluminum cover. Call for info.  
 Polished: \$32.00  
 Brushed: \$26.00

Electrical

**CRUZ CONTROL by Ron Francis Wiring**

Includes cruise control unit and lever with covered dress up rings. For aftermarket columns and '81 and earlier GM, Jeep, and Chryslers.

RFWCC-57  
RFWCC-59

Unit with TILT lever.

\$299.95  
\$299.95

**Dakota Digital Linear Actuators**

Provide 110 lbs. of pulling or pushing force and come in 6", 8", 10", and 12" lengths. Each unit has built-in limit switches and comes complete with machined billet aluminum mounting brackets, control switch, and wiring harness.

**Dakota Digital Linear Motor Control**

- DDLACT-6 6" actuator: 11" retracted to 17" extended \$199.95
- DDLACT-8 8" actuator: 13" retracted to 21" extended \$199.95
- DDLACT-10 10" actuator: 15" retracted to 25" extended \$199.95
- DDLACT-12 12" actuator: 17" retracted to 27" extended \$199.95

The system can learn three user adjustable heights, so the trunk/cover will automatically move to a desired position with the push of a button. Intended for use with Dakota Digital linear actuators only.

**Dakota Digital Door Actuator Kit**

Rated at 35 lbs of pull, 3/4" of travel. Guaranteed for life. Includes relay and mounting hardware.

DDPDR-2 \$69.95 each

- DDPAC-3100 \$89.95  
Controls one motor
- DDPAC-3200 \$109.95  
Controls two motors

**Dakota Digital Door Actuator**

12 lbs of pulling or pushing power and 1" of travel. Guaranteed for life.

DDPDR-1 6" x 1-7/7" x 1" thick \$35.00 each

**Dakota Digital Relay Packs**

Available in single or double packs. Single packs give you a 40 amp relay complete with socket, while double packs give you a dual 40 amp reversing polarity pack with socket.

- DDRLY-1 Single Relay \$7.00 each
- DDRLY-2 Double Relay \$18.00 each

**Headlight Switch**  
With brushed mounting nut and knob.

HCS \$25.00

**Dimmer Switch**  
Universal floor model.

- DS-02 Switch \$8.00
- DSP Optional Plug \$4.00

Electrical

**Synergy Series™  
Accent Ignition Switches  
by Ron Francis Wiring**  
Polished billet bezel, color accent ring, and coordinated colored key. Uses 3/4" or 1" mounting hole.

PART NO.	COLOR	3/4"	1"
RFWIS-BL	Blue	\$41.95	\$57.95
RFWIS-BK	Black	\$41.95	\$57.95
RFWIS-TN	Tan	\$41.95	\$57.95
RFWIS-RD	Red	\$41.95	\$57.95

**Ron Francis Wiring  
Polished Billet  
Ignition Switch**  
Deep threaded with stud terminals. Includes polished bezel, accent ring, and key fob. Uses 1" or 3/4" mounting hole.

RFWIS-08	1" mounting hole	\$37.95
RFWIS-07	3/4" mounting hole	\$36.95

**Ron Francis Wiring Headlight Switch with Built-in Dimmer**  
4-position switch with polished bezel and accent rings. Requires external circuit protection and a 7/16" mounting hole.

RFWHL-16

\$36.95

**Ron Francis Wiring  
Standard Ignition Switch**  
Includes plug.

RFWIS-02 \$25.00

Electrical

**Ron Francis Wiring Headlight Switch**  
Includes polished bezel and accent rings. Includes dome light or interior light circuit, headlights, running lights, and dimmer switch for dash lights. Requires a .435" mounting hole.

RFWHL-07 \$39.95

**Ron Francis Wiring  
Push-Pull Heater  
Switch**

3 position switch knob includes polished bezel and accent rings. Requires a 7/16" mounting hole.

RFWHS-31 \$33.95

**Ron Francis Wiring Steering Column & Other Knobs**

All use set screw except Flasher knob.

PART #	DESCRIPTION	PRICE
RFWMK-3	Emergency Flasher Button	\$13.50
RFWMK-4	Radio Knob 1/4" shaft w/ set screw	\$13.50
RFWMK-5	For switches 3/16" hole w/ set screw	\$13.50
RFWMK-55	For switches w/ 10-24 thread	\$13.50
RFWMK-6	For switches 1/4" hole w/ set screw	\$13.50
RFWMK-7	Shifter Knob (may require trimming lever length)	\$18.95

### Ron Francis Wiring 2-Speed Wiper Switch

Includes polished bezel and accent ring. Converts simple street rod wiper motors to two speeds. Does not work with Mighty Wiper brand motors. Requires a 7/16" mounting hole.

RFWWS-31      \$33.95

### Ron Francis Wiring Extra Heavy Duty Toggle Switches

Include polished bezel and accent ring. Features die cast housings, 35 amp rating. Requires a 7/16" mounting hole.

- |  |               |         |

### Ron Francis Wiring Heavy Duty Push-Pull

Includes polished bezel and accent rings. Simple heavy duty on/off capable of 20 amps. Requires a 1/2" mounting hole.

RFWPS-32      \$33.95

### Ron Francis Wiring Master Battery Disconnect Switch

Designed to be installed right in your battery cable. Heavy duty.

RFWMS-1      \$32.95

### Ron Francis Wiring Remote Master Battery Disconnect Switch

This unit allows the heavy disconnect switch to be hidden in the battery cable circuit while allowing a small switch to operate the disconnect.

RFWMS-21      \$92.95

### Ron Francis Waterproof Push-Button Switch

Weatherproof for use under the vehicle for door releases. Requires a 5/8" mounting hole.

RFWED-41      \$29.95

### Ron Francis Wiring Firewall Stud Insulator

Perfect for passing battery cables through the firewall or other panels. Hole size 1-1/4".

RFWFS-7      \$20.95

### Ron Francis Wiring Ground Junction Block

Five connection points. Includes 10 gauge main ground.

RFWJB-58      \$31.95

### Lokar Back-Up Light or Neutral Safety Switch Kit

Fits TH-350, TH-400, 700-R4, TH-200, 200-R4, 4L60, 4L60E, and 4L80E. Single trigger for back-up, double trigger for neutral safety. Kit not intended to function as both.

LKBL-1400U  
\$30.00

### Ron Francis Jumper Cable Connectors

For emergency jumping of remote or hidden battery. Mounting hole size 1-1/4".

| RFWFP-5 | Black | \$25.95 |

**Ron Francis Wiring  
Battery Cable Set**

This high-temperature cross-link cable includes 20' of positive cable and 15' of negative cable as well as color-coded rubber boots.

- RFWTP-35 **\$129.95**  
*Top Post Set*
- RFWSP-35 **\$129.95**  
*Side Post Set*

**Ron Francis Wiring  
Closed Loop Ground Wire Kit**

Complete grounding kit to address the entire vehicle with front, interior, and rear grounds.

- RFWGW-55 **\$82.95**

**Ron Francis Wiring  
Insulated Power Stud**

Stud type junction, has 3/8" diameter, 7/8" long. Max current of 250 amps.

- RFWJB-47 *Red* **\$16.95**
- RFWJB-48 *Black* **\$16.95**

**Drop Out Stainless  
Battery Box**

Mounts on side of frame rail. Measures 10-5/16" wide, 9-1/8" tall, 7-1/16" deep.

- BDBO **\$130.00**

**Hella Battery Disconnect**

Keyed battery disconnect. Key can be removed.

- HCTOF **\$22.00**

**Billet Specialties  
Battery Mount**

Engineered to hold an Optima battery in place with style.

- BS248910 *Black Anodized* **\$79.95**
- BS248910 *Fully Polished* **\$99.95**

Electrical

**Dakota Digital  
Door Contacts**

Spring loaded brass adjustable door contacts that eliminate those ugly wires in the door jamb. Sold in pairs for one door.

- DDMS61 *One Function* **\$10.95**
- DDMS62 *Two Function* **\$14.95**
- DDMS63 *Three Function* **\$19.95**
- DDMS64 *Four Function* **\$24.95**
- DDMS65 *Five Function* **\$29.95**

**Carolina Custom Door Jamb Wire Eliminators**

Spring loaded stainless adjustable door contacts with flat contact, allowing for a tight fit. Sold in pairs for one door.

- CCWEK13 *3 contacts* **\$34.95**
- CCWEK17 *7 contacts* **\$44.95**
- CCWEK15 *5 contacts* **\$39.95**
- CCWEK19 *9 contacts* **\$49.95**
