Editing Existing Carts

To add parts to an existing cart, select the cart name from the list then add parts. Remember, if an item appears in green, it is not assigned to a cart.

To delete a cart and all of its contents, click the **trash can icon** next to the date field 

Customizing your cart view

Using the  icon, you can customize the fields visible in your shopping cart.

Is Visible? To hide any fields in your Shopping Cart, untick the check box next to that item.

Sequence No: Assign a sequence number to determine the order your field names display. In this example, MFG_Code is listed as 1 in the Sequence No. column, so it will display first in the shopping cart list.
