ELIAH SAHIL natural cosmetics combine nature with exquisite ingredients and precious care ingredients. Only let the most precious and natural active substances penetrate your skin and your hair. With the best nature has to offer.

In 2008 Silvio Perpmer created ELIAH SAHIL Beauty in Austria and dedicated it to his son Eliah. Inspired by his son's purity and innocence, Silvio set out to create a beauty brand that would reflect all the things that are important to him: family, authenticity, and purity.

Discover true nature with ELIAH SAHIL Beauty. Powered by nature's exquisite and precious ingredients, our beauty products are formulated with natural active substances that retain the strength and purity from the life force of plants in its natural state, alive.

Our mission at ELIAH SAHIL Beauty is to provide efficacious and authentic all natural lifestyle products that are effective and enhance our consumers experience while understanding the natural resources, people and everything that interconnects us.

ELIAH SAHIL Beauty delivers maximum nourishment to your skin. Our products contain the highest concentrations of essential vitamins, minerals, antioxidants, oils and other nutrients due to our unmodified extraction process.

Our oils are extracted through cold press, keeping its virgin state. Our powders are dry plants, and herbs which are milled to a super fine powder base, never compromised.

OUR VALUES

ICADA - AUTHENTICALLY NATURAL: International Natural Certification seal only for authentic natural cosmetics companies claiming sustainability of ingredients, renewable resources, and ethical treatment of environment.

POWERFULLY FORMULATED WITHOUT: Parabens, Pesticides, Petroleum, Propylene Glycols, Phthalates, Sulfates, Silicones, PEG's, GMO, TEA, DEA, Artificial dyes, and Synthetic fragrance.

QUALITY ESSENCE: aromas are natural and from natural essential oils. No artificial fragrances.

all purpose shampoo

AMLA

Nourish the hair and scalp, and prevent premature grey hair with this powder shampoo. Formulated with Amla, also called "fruit of youth and beauty" for its rejuvenation properties, to help add texture and volume to hair. It protects and strengthens the roots, prevents hair loss and minimizes and prevents dandruff.

powder shampoo for hair loss

GUARANA & REETHA

A revitalizing shampoo formulated with a blend of Guarana and Reetha to prevent hair loss, invigorate scalp and promote hair growth while making hair strong and shiny. Cleanses without stripping hair of natural oils.

powder shampoo for volume & shine

KERATIN PROTEIN

This volume boosting powder shampoo that removes dulling dirt, oil, and product buildup that weigh hair down without stripping hair of its natural oils. Rich in Shikakai, Reetha and Keratin Protein to nourish, strengthen, promote hair growth, and build volume.

natural hair shampoo

COCONUT & BAOBAB OIL

This extra mild, moisture-rich cleanser helps rid the scalp and follicles of build-up improving the condition of the scalp and aiding in the delivery vitamins and nutrients to the hair root. Infused with Coconut Oil to provide deep moisturization, smoothness and shine.

natural hair conditioner

AVOCADO & BAOBAB OIL

This moisture-rich conditioner is formulated with Avocado Oil to treat dry, brittle, and damaged hair by adding and locking in moisture to strengthen hair. Nutrients, proteins and folic acid are easily absorbed into the hair and scalp to improve elasticity, and minimize frizz and breakage. Leaves hair healthy and shiny.

facial scrub & mask powder

COCOA & MACA

This natural scrub and mask contains Cocoa and Maca extracts, rich with beauty - enhancing nutrients, anti-oxidants and vitamins that help reduce the effects of aging. Helps speed skin's cell turn-over. Exfoliates and moisturizes skin for renewed glow and radiant complexion.

powder body scrub

ROSE & ARGAN

A potent blend of Himalayan salt, minerals, and botanicals will help detoxify and provide deep cleansing of the body skin. Delivers a unique 4-phase scrub effect - removes dead skin cells promoting faster skincell turnover; opens and cleanses pores; prepares skin for optimal intake of active ingredients and their benefits; tightens the skin that appears smoother, and feels silky-soft.

natural power mask

LAMINARIA & AMLA

Formulated with Laminaria, and Amla extracts, advanced antioxidants that help cleanse and free skin from impurities, oil and dead skin cells. Rich in Vitamin C, it has strong anti-oxidant properties that help combat wrinkle-causing free radicals. Helps to absorb the excess oil on skin, reducing the chances of breakouts and maintaining clear and healthy complexion. Skin is left hydrated, nourished, and rejuvenated.

natural power mask

MORINGA

With an impressive oleic acid content of 72% and Vitamins A, B, C, D, and E, this Moringa powder mask penetrates deeply into the skin to rid it of impurities, build ups and dead skin cells while delivering vital nutrients. Combats dryness, rough skin and signs of aging. Exfoliates and moisturizes skin for renewed complexion.

MORINGA OIL

Tiny leaves. Enormous benefits.

7 times
the Vitamin C of Oranges

4 times
the Vitamin A of Carrots

4 times
the Calcium of Milk

3 times
the Potassium of Bananas

2 times
the Protein of Yogurt

ELIAH SAHIL incorporates one of the most desirable and sought after Moringa Oil in its product line. Native to Himalayas, Moringa Tree can be used in all its parts: roots, seeds, leaf, bark, thus earning the name 'Tree of Life'. One of the most nutrient-dense oils in the world, Moringa overflows with vitamins, minerals, amino acids, protein and anti-oxidants.

natural anti-aging foaming cleanser MORINGA OIL

A rich foaming face wash removes and delivers at the same time. Rich, leathery foam will gently dissolve daily worth of makeup, impurities and build ups, while its anti-oxidants packed formula provides hydration and protects the skin. Free from soaps, and harsh chemicals, it won't strip away skin's natural moisture. Rich in soothing extracts of Moringa and green tea, this facial wash helps calm, smooth, and clarify the skin, uncovering fresh and naturally beautiful skin, with restored vitality and complexion.

natural anti-aging face moisturizer MORINGA OIL

A perfect anti-wrinkle moisturizing crème that will awaken skin from dull and tired, to deeply hydrated and silky - soft. Enriched with pure and natural Moringa extract, one of the nature's most powerful anti-oxidant, this elegant formula will help protect your skin against constant environmental assaults and free radicals that can cause dehydration, dullness, surface wrinkles, and premature aging. Contains botanical sources of vitamins A, B, C, D, & E and other skin-beneficial nutrients to help optimize skin's collagen and elastin. Delicately scented with the essential oils, it will soften the complexion and provide long lasting hydration for younger, radiant looking skin.

natural anti-aging eye moisturizer MORINGA OIL

All - natural creamy texture of this unique formulation is specially designed for delicate skin around the eyes. Enriched with potent skin-perfecting benefits of Moringa extract, this crème promotes firmer appearance and smoother eye contours, reduced puffiness and minimized dark circles. Moisture-replenishing natural hydrators help soften the appearance of lines and wrinkles for beautiful, younger looking eyes that appear refreshed and rejuvenated.

organic body oil ARGAN OIL

Known as Moroccan Gold, Argan Oil is one of the most precious and richest oils in the world, prized for its ability to improve the quality of skin. Rich in vitamin E, phytosterols, and essential fatty acids it helps reduce wrinkles and fine lines. Contains powerful antioxidants to neutralize free radicals that cause premature aging. Argan oil improves skin hydration and elasticity leading to a firmer, smoother complexion. In hair care it penetrates deep to moisturize, replenish nutrients, and help fight breakage to promote soft, silky hair with a lustrous, beautiful shine. The nutrients found in argan oil also promote hair growth.

organic body oil COCONUT & OLIVE OIL

Coconut Oil is a great moisturizer, rich in natural fats that is easily absorbed when rubbed into the skin, revealing a smoother, more radiant complexion with a healthy glow. When blended with Olive Oil it forms a breathable film that prevents loss of internal moisture. Its composition is very similar to that of human skin and does not block the natural functions of the skin. Rich in nutrients with skin-beneficial properties, this potent blend will rejuvenate the skin leaving it silky, smooth and supple.

organic baby oil ALMOND OIL

Almond oil is moisturizing, nourishing and is easily absorbed, leaving the skin soft and smooth without the greasy feel. It is rich in essential fatty acids, vitamins A, B1, B2, B6, and E to help nourish the skin and hair. Mild and suitable for sensitive baby skins.

organic body oil JOJOBA & ROSE OIL

Jojoba Oil is a liquid wax. The structure of jojoba oil resembles that of your own skin and it is considered one of nature's most effective natural moisturizers for skin, hair and nails. It penetrates the skin easily, has anti-inflammatory actions and can be used to treat acne. In hair care, Jojoba provides deep conditioning, promotes hair growth and improves the overall health of the scalp and hair. One of the most expansive oils in the world, Rose oil helps retain moisture, refines skin texture, and has excellent emollient properties especially suitable for moisturizing.

organic body oil ALMOND & SANDALWOOD OIL

Highly concentrated and packed with essential elements to moisturize and nourish hair and skin. Rare & precious, sandalwood is believed to have valuable medicinal benefits to physical body as well as mind attributed to its divine essence and calming properties. It is antiseptic, anti-inflammatory, and astringent, helping tighten the skin, to name the few of its valuable effects. Almond & Sandalwood together work as excellent skin & hair moisturizers, penetrate deep into the skin leaving it soft and supple, and provide double dose of skin-lightening benefits.

ORGANIC BODY OIL JOJOBA OIL

One of the most used skin & haircare ingredients due to its remarkable versatile benefits, Jojoba Oil is a superb treatment for dry skin and hair. Thriving in a harsh climate conditions, jojoba plant is rich in oils that are almost identical to those found in human body. It is excellent for uses on scalp to relieve dryness, and strengthen the roots, as well as overall hair for deep conditioning and reducing split ends and frizz. In skincare, it is the ultimate emollient, moisturizer, and skin softener. Its ability to penetrate deep into the skin, makes it ideal for mixing with cremes and lotions to help deliver their nutrients into the skin.

ORGANIC BODY OIL BAOBAB OIL

Baobab oil is cold pressed from the seeds of the baobab fruit trees that grow in Africa. This exotic, enriching oil nourishes and improves skin elasticity and soothes dry skin. Baobab oil contains moisturizing Vitamins A, D, E and F, which help to rejuvenate and maintain healthy skin. Also rich in Omega 3,6 and 9 amino acids, baobab oil does anti-aging wonders for skin by supporting skin's natural production of collagen and elastin. It absorbs into skin and hair seamlessly, without leaving any greasy residue. It is intensely hydrated, and is especially beneficial for dry skins, and can be used on hair and scalp.

ORGANIC BODY OIL MORINGA OIL

Known as a "Tree of Life" or a "Miracle Tree", Moringa tree delivers extraordinary benefits for human sustenance, health, and beauty. Highly concentrated, nutrient-dense oil, it is most beneficial when cold pressed to deliver potent regenerative and protective properties to skin and hair. Contains over 70% of oleic and penetrates deeply into the skin, delivering potent anti-aging actives and nutrients to maintain its health and radiance. Rich in antioxidants, especially vitamin C, it helps stabilize skin's natural supply of collagen and elastin and helps fight free radicals that can cause premature signs of aging. Acts as skin purifier as it counter fights the effects of pollutants from the environment. Rich in plant hormone cytokinins, it helps promote cell growth and delay in skin tissue damage. Helps clarify and brighten skin, leaving it feeling hydrated and with flawless, radiant complexion. It can be used of hair to alleviate dry scalp, and promote healthy hair without split ends, and with natural shine and strength.
