How has your day been so far? I have prayed for this book to be so saturated in peace that when you open its pages, you actually take a deep, cleansing breath, feel your shoulders drop, and forget your deadlines and distractions for a while. It may be your one daily act of self-care, and I want you to feel as if you are having a conversation with a good friend devoted to seeing you happy and healthy. Imagine having someone just waiting to sit with you and help you manage the day's challenges, guiding you toward a less stressful and more productive tomorrow.

Well, you do. While I am not he, I know I am called to help you practice his presence. Since one of the Holy Spirit's names is *Helper*, just think of me as the Helper's helper.

Here is my vow to you: I am devoting myself to you to help change the way you process your daytime stresses and nighttime burdens. If you will glance over the chapter titles, you will notice that each one contains a preposition: "The Monsters *in* Your Closet." "The Weapons *under* Your Pillow." "The Writing *on* the Wall." The entire book is set in your bedroom, where we are going to tuck you in, get you to sleep, revive your dream life, and fill your prayer life with purpose. So whatever your *pre*-position, prepare yourself for a new position altogether.

The entire book takes place in your bedroom, with chapters like

- Perfect for followers of Patricia King, Lisa Bevere, Beth Moore, and Joyce Meyer

The day comes when your kids are grown and you find yourself sitting in the middle of the tidy nest you have spent years feathering. You have encouraged your children that “you can do anything, be anything, and go anywhere,” but now you cannot help but ask, “Does God have something more for *me*?”

Writing for those who have a dream but feel too old, too invisible, too unqualified, or as if they missed their opportunity somewhere along the way, Wendy Peter provides both the inspiration and the blueprint to

- move past your false finish line and reimagine the next season of your life
- identify and awaken your true purpose and step with courage into your calling
- create a road map to get your dreams off the ground and running

The culmination of your life experiences—the reason you are uniquely you—is exactly what God will use for such a time as this. Don’t believe the lie that you need to be young to launch your dreams. EXCERPT

The genesis for this book came as I sought a biblical precedent for yearning for hope amid dark times, and seeing God respond with an outpouring of his prophetic power in the lives of his people.

I have always been inspired by the story of Elijah and Elisha—the diligence, dedication, and devotion they displayed during one of the most corrupt and immoral times in Israel’s history. They remained faithful to God and experienced his power and provision in the face of impossible odds.

Their example demonstrates a fundamental principle of God’s Kingdom: “Whoever can be trusted with very little can also be trusted with much, and whoever is dishonest with very little will also be dishonest with much” (Luke 16:10 NIV). Jesus emphasized this truth in the parable of the shrewd manager (Luke 16:1–13) and in the parable of the talents (Matthew 25:14–28).

The message of these two parables emerges vividly in the first meeting between our two prophets: “So Elijah went and found Elisha son of Shaphat plowing a field. There were twelve teams of oxen in the field, and Elisha was plowing with the twelfth team. Elijah went over to him and threw his cloak across his shoulders and then walked away” (1 Kings 19:19 NLT).

Simply put, the plow precedes the mantle.

Remember the TV show *Gilligan's Island*? Skipper and Gilligan and their five passengers sailed off in a charter boat under blue skies in crystal blue waters. No one anticipated the typhoon ahead, the storm that would shipwreck them on an unknown Pacific island and change their lives forever. Each week the castaways devised a plan to get off the island. Not one worked.

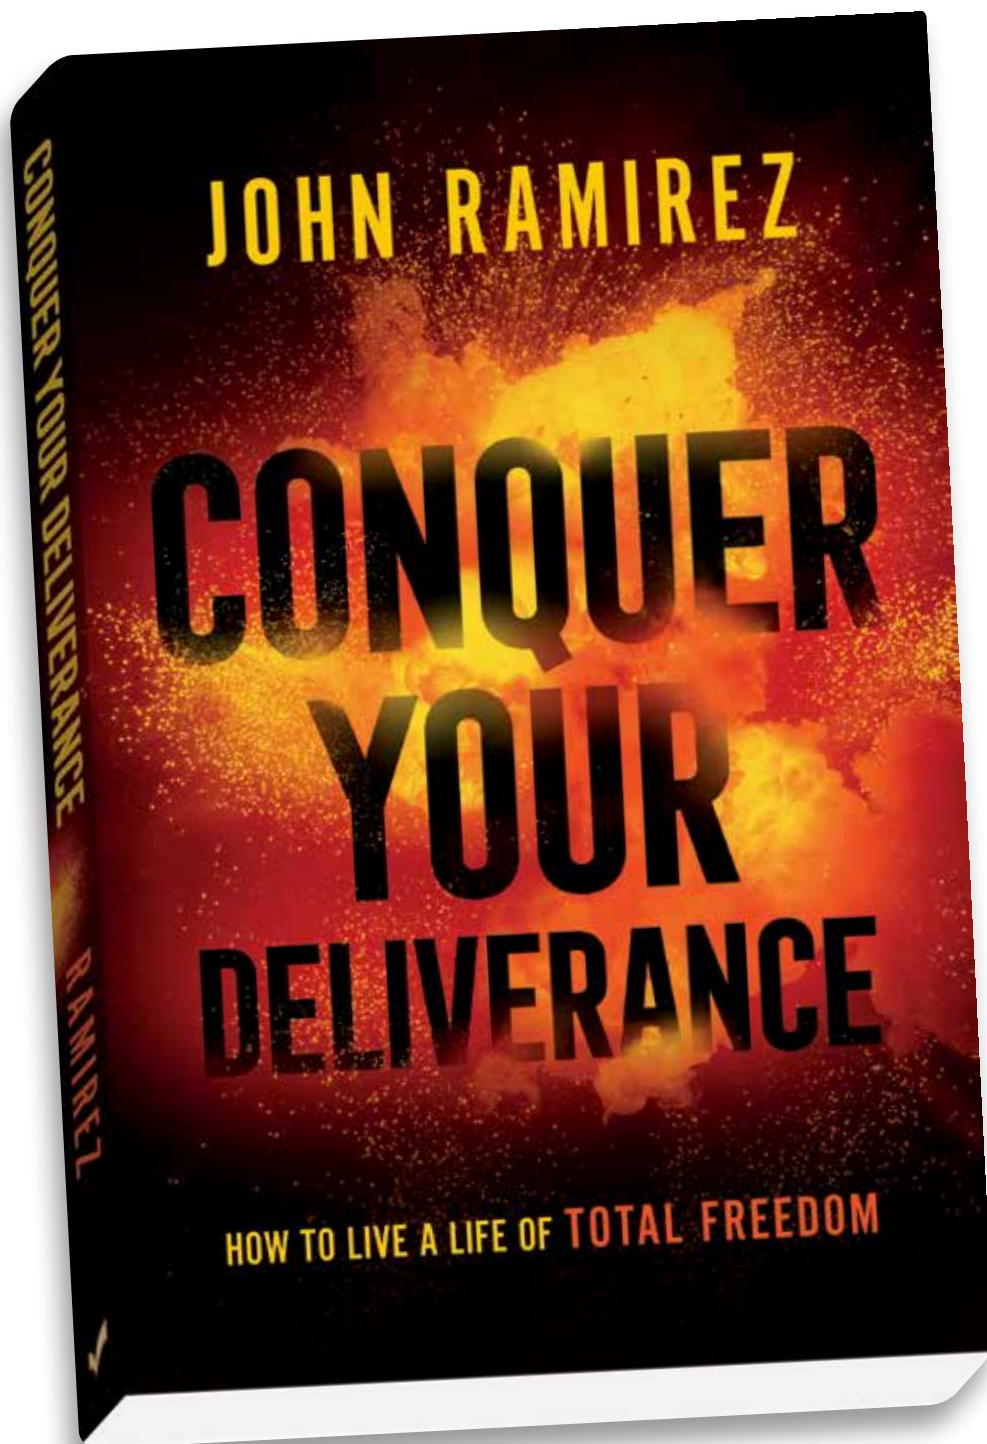

Gilligan's Island is a metaphor for believers who are shipwrecked on their own island, just like the castaways, unable to devise a plan of escape.

What is the name of your island? Despair, torment, unforgiveness, rejection, molestation, rape, generational curses, witchcraft, infirmity? The list is endless. You find no lasting breakthrough, healing, or deliverance.

There are three voices that speak to us: our own voice of reason, the voice of the Holy Spirit, and the voice of the devil. Which one has your attention? Conquering your deliverance requires you to hear the voice of the Holy Spirit to learn how to maintain the spiritual freedom Jesus purchased for you on the cross.

Now is the time to accept that gift and use your weapons—the power of the Holy Spirit, declarations and decrees partnered with targeted prayers, and the faith deposited in your own heart. This threefold combination, a God-given strategy, is his plan to set you free once and for all.

It's time to get off the island.

Ex-Satanist High Priest Teaches Believers How to Maintain Spiritual Freedom

- Ramirez's first two books, *Armed and Dangerous* and *Destroying Fear*, have sold over 100,000 copies combined
- Author's interviews include *Sid Roth's It's Supernatural!*, *Today with Marilyn & Sarah*, and *The 700 Club*
- Social media following of 137,000+

Being delivered and set free from sin and bondage does not mean that the enemy now considers you off limits. He will surely attempt—again and again—to wrap those old chains back around you.

Focusing on key biblical strategies, ex-satanic high priest and bestselling author John Ramirez teaches you how to shore up your defenses after winning a battle and how to put your life back in order. Insights from the author's own experiences reveal principles on moving forward and growing in Christ so that when the next attack comes, you are stronger, wiser, and more knowledgeable than ever.

You will be equipped with strategies, Scriptures, and deliverance prayers so you can

- understand how the devil tries to trap you
- focus on biblical examples to make your faith unshakable
- determine which fights are yours and which are not
- pray for deliverance during spiritual combat
- learn how to maintain your new freedom in Christ
- and more

Be prepared for the next encounter with the enemy, to gain the upper hand and hold fast the victory!
