

# BEST-SELLER

**Penguin Readers** are a series of adapted novels and original stories written for adult and young adult students. These graded readers are written at seven language competency levels, each with carefully controlled vocabulary, grammar, and narrative content. The series provides language practice while promoting an enjoyment of reading. The varied selections include classics, biographies, and popular culture, offering a topic of interest for every learner!

# **Categories**

### Classics American/Traditional

A variety of well-known classic novels and short stories in simplified versions, all with carefully graded language. American authors include Louisa May Alcott, Jack London, and Mark Twain.

### Biographies Movies/Television

From historical figures to famous athletes and entertainment icons, students love reading about people! These titles allow students to read and understand at their own language level while learning about celebrities and popular media.

### **Originals**

New and provocative stories from our own authors provide a reading selection to students from the Easystart Level through Level 5.

### Contemporary

Social issues, business, science fiction, thrillers, and humor are just a few subject areas featured in this array of adapted contemporary literature and non-fiction stories.

### **Audio Readers**

Book *plus* audiocassette packages are ideal for language labs, school libraries, and for students wanting to improve their English on their own. Hearing the stories on audiocassette while reading provides the opportunity to improve pronunciation and listening skills.

### **Collected Classics**

A collection of some of the best and most famous stories from the *Penguin Readers* for students to enjoy in one volume.

# *"Penguin Readers* with accompanying audiocassettes are invaluable in improving reading fluency.

The controlled vocabulary and grammar offer students enjoyable books at the appropriate reading level, while the audiocassette familiarizes students with pronunciation, intonation, and the speed at which the book should be read.

Together the book and audiocassette promote efficient and motivating reading."
