

2019 Medicare HMO Dental Directory

2019 Medicare HMO Dental Provider Directory

This directory is current as of September 2018.

This directory provides a list of EmblemHealth Medicare HMO's current dental network providers. To get detailed information about your dental coverage, please see your Evidence of Coverage.

To access EmblemHealth Medicare HMO's online dental provider directory, you can visit **emblemhealth.com/medicare**. For any questions about the information contained in this directory, your dental coverage, or for help finding dental providers, please call our Customer Service Department at **877-344-7364**, 8 am to 8 pm, seven days a week. TTY users should call **711**.

How to use this directory

EmblemHealth contracts with DentaQuest to provide you with dental benefits. The network providers listed in this directory have agreed to work with DentaQuest to provide you with your dental services. You may go to any of our network providers listed in this directory. To help you make the best choice, practitioner names are listed alphabetically, by county, and by specialty. Each listing includes the practitioner's name, street address, city, ZIP code, and telephone number. When you call to make an appointment, please be sure to ask if the dentist still participates in the DentaQuest dental network.

What is the service area for the EmblemHealth Medicare HMO Dental Plan?

This directory is for EmblemHealth Medicare HMO Dental Plan members residing in the following counties in New York State:

Bronx, Kings, New York, Orange, Queens, Richmond, Rockland, Nassau, Suffolk, Westchester, Dutchess, Sullivan, Ulster and Putnam.

You need to use dental network providers to get your dental services. If you see an out-of-network provider, your plan may not pay for dental services. If you receive a bill from an out-of-network provider, submit it to us. Do not pay the bill. We will review the bill and make a decision on whether we will cover it and how much you will pay for the services you received.
