17th ANNUAL MEETING

IN COLLABORATION WITH FLORIDA SOCIETY OF INTERVENTIONAL PAIN PHYSICIANS

APRIL 9-11, 2015 | LOEWS ROYAL PACIFIC RESORT AT UNIVERSAL ORLANDO® | ORLANDO, FLORIDA

JOIN US!

It is our distinct pleasure and honor to invite you to the American Society of Interventional Pain Physicians' (ASIPP®) 17th Annual Meeting, **STRATEGY DEFICIT FOR INTERVENTIONAL PAIN MANAGEMENT: OVERCOMING THE OBSTACLES**, in collaboration with the Florida Society of Interventional Pain Physicians (FSIPP). The meeting will take place in Orlando, Florida on Thursday, April 9 through Saturday, April 11, 2015 at the **Loews Royal Pacific Resort at Universal Orlando®**.

Because of the success of the 16th Annual Meeting we are again departing from our tradition of meeting in Washington, with the Capitol Hill advocacy activities, for the Annual Meeting to focus solely on our Annual Meeting. In an effort to meet the needs of interventional pain physicians and other providers as well, we have created an educational program of the highest caliber, tailored to the needs of physicians, mid-level providers, and staff.

This year's program should be one of our most exciting, educational, and enlightening of any meeting we have ever held. This year's educational events will include evidence-based medicine, practice management, drug therapy, refinement in evidence synthesis, advocacy in IPM, abstract presentations, Resident/Fellow session for emergence into practice, and much more.

We offer an extensive practice management session with multiple and intensive coding and compliance lectures. This session is ideal for physicians but is invaluable for staff. Consider it a valuable investment for your practice. They will walk away armed with the information they need to better understand the billing and coding issues they face.

The faculty comprises experts in the field of Interventional Pain Management, drug therapy, practice management, and current affairs that impact you. Whether you are a member of ASIPP or have yet to become a member, we are confident that this event will provide the information needed to help you in the evolving specialty of interventional pain management.

We have invited **John J. Nance** to provide this year's **Manchikanti Distinguished** lecture. John is an ABC Analyst, Professional Speaker, Author & Consultant. His programs for healthcare on creating patient safety, surviving financially, avoiding medical malpractice disasters, and the establishment of Accountable Care Communities in the brave new world of the Affordable Care Act, have all been characterized as game changers for doctors, nurses, hospitals, healthcare systems, C-suites and boards alike.

Laxmaiah Manchikanti, MD and **Devi E. Nampiaparampil, MD**, will present the **Raj-Racz Distinguished** lectures. Dr. Manchikanti is the Chairman of the Board and CEO of ASIPP. He is a sought after source by national media and government on IPM issues. He is the author of numerous books and hundreds of articles, as well as a leading advocate for IPM. 'Doctor Devi' is an American physician whose research in developing strategies to prevent and treat chronic pain has been most helpful to the specialty of IPM. She has published numerous articles and comments on medical issues for various platforms, and has appeared on CNN, CBS, The Dr. Oz Show, and even General Hospital.

We are also honored to have best-selling Author, International Speaker, Founder of The Private Practice Millionaire® and Econologics® Results-Based Financial Planning®, **P. Christopher Music** to provide a lecture titled "*Survival of Independent Practice of Interventional Pain Management: Strategies for Present and Future.*"

We are excited to present the ASIPP 17th Annual Meeting in the great city of Orlando, Florida. On behalf of the Board of Directors of ASIPP and FSIPP, we welcome you to join us for one of the most exciting, distinguished, and beneficial meetings all year. Don't miss this unique opportunity.

GENERAL INFORMATION

ACCREDITATION STATEMENT

This CME activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) thru the joint providership of The Institute for Medical Studies and the American Society of Interventional Pain Physicians (ASIPP). The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

AUDIENCE

The courses are intended to present interventional pain management specialists, nurses, and other healthcare providers an in-depth review of multiple areas of interventional pain management.

OBJECTIVES

- Consider and discuss uncommon therapies for common conditions through emerging technology.
- Consider and discuss the importance of evidence-based medicine to interventional pain management.
- Consider and discuss the uncertainties in today's healthcare environment including the ACA.
- Identify, consider and discuss fraud and abuse and various compliance issues.
- Learn and discuss ways to prevent medical errors.
- Consider the importance of research and learn how to implement it in your practice.
- Identify, consider, and discuss various aspects of the utilization of drug therapy in your practice, including opioid and non-opioid prescribing, addiction management, urine drug testing compliance, and the DEA perspective.
- Consider and discuss various neuromodulation techniques both common and cutting-edge.

OUTCOME

Participants in the ASIPP 17th Annual Meeting will learn to operate comprehensive interventional pain care centers more efficiently, so that patients will receive the best care available. They should leave with the knowledge to Embrace The Future and to have survival strategies for Interventional Pain Management.

CATEGORY I CREDIT

The Institute for Medical Studies designates this live activity for a maximum of 23 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Physicians of Osteopathic Medicine — the American Osteopathic Association (AOA) accepts *AMA PRA Category 1 Credits™* as AOA Category 2-B credit.

RN, NP, AND PA CREDIT

Nurses: Most State Nursing Boards accept educational activities designated for *AMA PRA Category 1 Credits™* towards recertification requirements. Check with your BRN to determine whether they will accept this CE activity towards your recertification.

Nurse Practitioners: The American Academy of Nurse Practitioners (AANP) accepts *AMA PRA Category 1 Credits™* from organizations accredited by the ACCME. IMS is accredited to provide continuing medical education for physicians and will provide nurse practitioners who successfully complete each activity with a certificate of participation indicating that the activity was designated for the category 1 credits listed above.

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts *AMA PRA Category 1 Credits™* from organizations accredited by the ACCME. The provider of this program, the Institute for Medical Studies, is accredited by the ACCME and designates this educational activity for a maximum of 23 *AMA PRA Category 1 Credits™*. Physician assistants should only claim credit commensurate with the extent of their participation in the activity.

CODING CREDIT

ASIPP has applied for approval of the American Academy of Professional Coders for the appropriate Continuing Education Units. Granting of this approval in no way constitutes endorsement by the Academy of the program, content or any sponsors.

AMERICANS WITH DISABILITIES ACT AND SPECIAL SERVICES

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to the conference.

PREREGISTRATION

For your convenience ASIPP will offer preregistration on Wednesday, April 8 from 4pm-7pm.
