STRATEGIC WARFARE PRAYER!!!!

Father God in the name of Jesus Christ we nullify, dismantle, cancel and forcefully oppose all satanic operations, maneuvers, manipulations, subversions, strategies, tactics, plots, plans and ploys, which are designed to hinder, prevent, frustrate, foil, deny or delay God's original plans and purposes, from their quick, swift and speedy manifestation taking place in their correct time and season. (Daniel 7:25) **We rebuke and dismantle all satanic alliances and confederations worldwide. Let every evil covert and clandestine effort and endeavor fail. Cause the news media to be caught in their lying and manipulation so that only the truth is manifested.** (Nehemiah 4:7-8; Esther 3:1-9:32; Job 5:12-14; Psalm 83:5; 2 Chronicles 20:35) 2. We decree that every satanic strategy of inhibition, prohibition and limitation placed upon the Body of Christ (by the dark side) shall not prevail. We declare all invisible and visible walls of opposition; restriction and delay will be exposed and destroyed. (Colossians 1:16; Joshua 6:1) **Oh God confound the devices and evil plans of the**

enemy that they have crafted, so that their hands are not able to perform their evil enterprise. Save those that can be saved O' Lord, but those that cannot be saved; overtake them in their own crafty and devious ways; let them fall into their own pits that they have dug for the righteous, let the Fire of God devour them, let them turn on and consume one another and have them in total confusion & derision. (Psalm 35:4; 50:3, 55:9; 70:2; 83:17; John 8:32). **We loose the hosts of heaven to war against the hosts of darkness and bring an end to all deceptive, secret and destructive measures designed destroy all of God's creation and defile the world. For this reason, was the Son of God made manifest, that He would destroy the works of the enemy.** (John 2:15-17; Acts 16:16-19; 1 John 3:8) **We overrule all strategies, tactics and curses of the enemy by the power of the Name of Jesus Christ and His shed Blood.** (1 Timothy 1:18-20) **We overthrow spoken words, enchantments, divinations, spells, hexes, vexes, curses, witchcraft prayers and every idle word spoken contrary to God's original plans and purposes according to Isaiah 54:17. We reverse the curses** associated with all these ceremonies, rituals, utterances and their plans to bring about a chaotic bloody revolution in America & to usher in Martial Law and the New World Order. **We decree and declare that: Their plans shall be uncovered and shall not prevail; & their plans shall be frustrated and unable to achieve any impact; & their threatening's and violent verbal dealings are returned to them one hundredfold.** **FATHER, WE HUMBLY ASK YOU TO: Reveal every hidden agenda, plan and cover-up in the secret shadow government regarding their attempts to manipulate end time events, leading to the destruction of Your Christians & the innocent.** (Isaiah 44:25; 2 Timothy 3:8) **Send divine, powerful angelic forces against their diabolical plans to frustrate and expose them, so that they will be dismantled. Dispatch legions of warring angels (and any other kinds of angel's necessary) to enforce Your perfect will on the United States of America and on all the earth.** (Joshua 5:13-14; Psalm 103:20-22; Colossians 2:14, 15; Ezekiel 9:9-11) **Release your divine strategies and revelations upon any righteous person in government worldwide. Fill them with Your Holy Spirit and cause Your divine wisdom to come upon them.** (James 1:5) **Cause them to be a holy trumpet shedding light upon the dark hidden secrets of the wicked. Send a spirit of confusion amongst the camp of the enemy. Let their tongues be divided & when they communicate let it be incoherent and misunderstood.** (1 Samuel 10:27) **Arrest those that operate in the spirit of Jezebel or Belial (and all other wicked spirits) and cause them to be caught in their own lies and conspiracies. Let them not be able to resist the Spirit of Truth or gain any ground in the natural or spiritual realm. Cause every evil spirit that is released from their diabolical assignments to be cast into the abyss, until which time they be cast into the lake of fire AND THAT NONE WOULD BE ABLE TO COME TO TAKE THEIR PLACE..** (Psalm 110:1; 1 Kings 19:1-5; 21:1-16) **Please cause these prayers and all future prayers to take on the characteristics of divine projectiles in the realm of the spirit, so that they hit the bull's eye.** (Psalm 57:4) **Let the laws that govern this prayer and all spiritual warfare strategies and tactics, be binding by the Word, the Blood and by the Holy Spirit.** (1 John 5:7) **WE SEAL THIS PRAYER IN THE NAME OF JESUS CHRIST AND THE BLOOD OF THE LAMB, AMEN!**

PRAYER TO NEUTRALIZE OCCULT RITUALS

Beloved Holy Savior, Lord Jesus, you are the sacrifice, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father. We honor your sacrifice on the cross, your resurrection and transfiguration volunteered for our salvation. We worship you, exalt you and magnify your name above every name. You are sovereign, supreme over all. You are worthy. You alone are worthy. We pledge our faith and love to serve you alone, forever. We claim your Word: James 4:7: "Submit yourselves therefore to God. Resist the devil, and he will flee from you." 2 Timothy 1:7: "For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind." We come in the authority given to us in Christ Jesus. We cover ourselves with the Blood of the Lamb. We place a hedge of warring angels with flaming swords of fire around us and our families continuously. We put on the whole armor of God. We lift our shields of faith to interlock, standing foot to foot and shoulder to shoulder—a solid wall that cannot be breached or penetrated. We resist and renounce Satan, the god of this earth. We rise to war in the Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of your warring angels in full battle array, fiery swords drawn to enforce our petitions and intercessory prayers. Rout your enemy on all fronts. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others. We nullify, dismantle, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agenda and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people meant for evil, you will turn it around and use it for the good of your people. We close every evil portal that has been opened. We break every curse, hex, spell, vex, enchantment, decree spoken or unspoken sent against the Body of Christ and your intercessors by every witch, warlock, Satanist, sorcerer, voodoo priest, shaman, brujo, bruja, soothsayer, medium, coven and every minion of the devil working iniquity; and send it back upon their own heads seven fold that they may repent and turn from their evil ways. Lord Jesus, reveal your love to them. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

This is a very powerful prayer against Witchcraft...with fasting even more powerful

Father, In the name of the Lord Jesus Christ, we plead the precious uncorruptable blood of Jesus over the Body of Christ, the innocent, ourselves, our families and everything that belongs to us. We ask for giant warrior Angels (or whatever kinds of angels are necessary) to be loosed from Heaven to surround and protect us. As your war club and weapons of war we break down, undamn, and blow up all walls of protection around all witches, warlocks, wizards, satanists, and the like that are attacking us; and by the Blood of the Lord Jesus Christ we break their power & all their curses, hexes, vexes, spells, charms, fetishes, psychic prayers, psychic thought, all witchcraft, sorcery, magic, voodoo, all mind control, jinxes, potions, bewitchments, death, destruction, sickness, pain, torment, physic power,

psychic warfare, prayer chains, and everything else being sent our way or our family members way, to the Body of Christ & the innocent; and we return it and the demons, devils, evil entities and fallen angels to the senders right now!, SEVENFOLD, and we BIND it to them by the blood of Jesus Christ! Father, we pray that these lost souls will find the light of your Son Jesus.. Their own snares and traps have now been set against themselves.. In the name of Jesus Christ of Nazareth we now loose them from all mind control of Satan!.. Father we also ask that you Bind the Holy Spirit to their hearts as a guide to your Son Jesus.. So that they may be set free from the bondages of Satan. In Jesus name we pray...Amen

++ In 1981 William Casey (CIA Director) Told the Newly Elected President Ronald Reagan:

Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect.**"

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not ignorant** of his devices."

II Chronicles 7:14: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Psalms 101:3: I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me.

Psalms 11:5: The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.

1 Cor 15:33: Be not deceived: evil **communications** corrupt good manners.

Lexicon Strong's G3657--Outline of Biblical Usage of the Word:
"Communications": companionship, communion

"It does not take a majority to prevail... but rather an irate, tireless minority, keen on setting brushfires of freedom in the minds of men." Samuel Adams

"The average age of the world's great civilizations has been two hundred years. These nations have progressed through the following sequence: from bondage to spiritual faith, from spiritual faith to great courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to complacency from complacency to apathy, from apathy to dependency, from dependency back to bondage." Alexander Fraser Tytler

[Satanic Temple in Texas Files Lawsuit Demanding 'Religious Right' to Sacrifice Babies Through Abortion](#)

The leaders in charge of the Satanic Temple in Texas are suing the Lone Star State for not allowing them to perform abortions on demand, which they claim is their "religious right."

Texas' informed consent laws, these Satanists claim, are a violation of religious freedom because part of worshipping Satan means aborting human babies as a sacrament, similar to how Christians take communion or get baptized.

Murdering unborn children is what Satan demands, but Satanists in Texas are prohibited from performing abortions without an abortion facility first providing informed consent to women at least 24 hours prior to the procedure.

"This includes requiring abortion facilities to do an ultrasound and share the unborn baby's image with the mother as well as provide an informational packet about the abortion, fetal development, abortion risks and resources for parenting and adoption," Harbingers Daily explains.

The lawsuit was filed on behalf of an anonymous Texas woman who is pregnant, and who claims that Texas' abortion laws infringe on her religious beliefs.

"I'm particularly interested to see how your a***** Attorney General Ken Paxton replies to this because he likes to march around the nation taking issue with other states' issues," said Satanic Temple spokesperson Lucien Greaves.

Back in August, the Satanic Temple of Texas proudly admitted that part of its belief system involves murdering babies as a sacrament to Satan. That same month, it also held a raffle to raise money for this and other planned lawsuits.

The winner of the raffle was given a free abortion as part of a “ritual” that affirmed the “choice” of women who get pregnant to murder their unborn children in the name of “women’s health.”

“The ritual goes like this: Before the abortion takes place, surgically or medically, a member of The Satanic Temple will look at her reflection, be reminded of her personhood and responsibility to herself, take deep breaths, focus on her intent and make herself comfortable,” Greaves added.

“When ready, she will say the third and fifth tenet of the temple aloud.”

The third tenet affirms a key platform of Satanism, “do as thou wilt,” except in the context of women getting an abortion. The fifth honors “science” as the be all, end all source of “truth” in the world, urging Satan worshippers not to “distort scientific facts to fit one’s beliefs.”

It is the same platform of the Democrat Party, which worships “science,” abortion, and lawlessness. In fact, the Satanic Temple might as well be the Democrat Party, as the two entities share the same beliefs.

Babies are Aborted for Vaccines!!! Placed in refrigerators alive until they are ready to be murdered—This is done to harvest cell lines used in many vaccines, including almost all the Covid-19 Satanic Vaccines!!!

February 19, 2021 ([LifeSiteNews](#)) – Cell lines derived from aborted babies used in the production or testing of various vaccines, including a number of COVID vaccines, most likely came from babies who were aborted alive, and according to the general practice as outlined in medical literature, may have been placed in a fridge while still living where they awaited dismemberment before having their organs harvested, a researcher has found.

Biologist Pamela Acker, who has a master’s degree in Biology from the Catholic University of America and who recently authored a book titled [Vaccination: A Catholic Perspective](#), related what the literature says about how babies were aborted to obtain cell lines used in a number of vaccines.

“A number of these abortions that were done in that way were termed ‘abdominal hysterectomies’ in the medical literature. So in some cases, the women were actually being sterilized in the process as well,” she said.

“They had to maintain a sterile environment because you don’t want any contamination of the tissue with any kind of foreign agents, any bacteria, or viruses, or anything like that. The babies were — and, in some cases, the uterus as well — removed from the woman and, without even puncturing the amniotic sac, placed directly into the refrigerator where it was kept for no more than 24 hours.”

“So these babies were literally placed into the fridge alive and then stored between one and 24 hours until they could be dismembered, basically. And this is right there in the scientific literature,” she said.

Acker made these comments during her Feb. 19 presentation at an online conference hosted by LifeSiteNews titled “[Unmasking COVID-19: Vaccines, Mandates, and Global Health](#).”

Acker spent about nine months in a lab a decade ago working on a project to develop an HIV vaccine with a grant provided by The Bill & Melinda Gates Foundation. It was

when her team decided to use HEK-293 cells for the project that she began to question her involvement.

MICROBIOLOGY NOTES

DIPLOID CELL CULTURE

Viruses are obligate intracellular parasites that require living cells in order to replicate. Cultured cells, eggs and laboratory animals may be used for virus isolation. Although embryonated eggs and laboratory animals are very useful for the isolation of certain viruses, cell cultures are the sole system for virus isolation in most laboratories.

Cell cultures are separated into 3 types: -

1. **Primary cells** - prepared directly from animal or human tissues and can be subcultured only once or twice e.g. primary monkey or baboon kidney
2. **Semi-continuous diploid cells** - which are derived from human fetal tissue and can be subcultured 20 to 50 times e.g. human diploid fibroblasts such as MRC-5
3. **Continuous cells** - derived from tumours of human or animal tissue e.g. Vero, Hep2

cells (aborted fetus cells) can only be subcultured 20-50 times before they no longer produce the viable cells needed for a vaccine.

• Don't let the liars tell you that cells from only 1 aborted baby was ever used. That's just another lie.

• After every 50th vaccine is given, another aborted baby's cells are used to produce this vaccine ingredient.

• Know what they're secretly putting inside your body that is an abomination to our Heavenly Creator.

• Regarding the aborted baby fetal cells, Stanford University says "The limbs were minced....."

Preparation of cell layers:

To prepare cell cultures, tissue fragments are first dissociated, usually with the aid of trypsin or collagenase. The cell suspension is then placed in a flat-bottomed glass or plastic container (petri dish, a flask, a bottle, test tube) together with a suitable liquid medium, e.g. Eagle's, and an animal serum. After a variable lag, the cells will attach and spread on the bottom of the container and then start dividing. Attachment to a solid support is essential for the growth of normal cells. The cells in primary culture generally have two sets of chromosomes. Normal diploid cells then reach contact inhibition and stop growing until they are detached by protease treatment and subcultured. For human diploid cell cultures, the growth rate declines after about 50 duplications. Semi-continuous cell cultures are established by subcultures of primary cell monolayers. Most of the cells are fibroblasts. Cell cultures that are used frequently stored in duplicate in liquid nitrogen and subcultured.

Examples of diploid cells are WI-38 ((Wistar Institute)), MRC-5 (Medical Research Council), HMT-3522, VIT1, DBS-FRHL-2

WI-38: The WI-38 human diploid cell line was derived (by Leonard Hayflick in July 1962) from normal embryonic (3 months gestation, female) lung tissue. This line was the first human diploid cell line to be used in human vaccine preparation. Virus susceptibility includes vesicular stomatitis, herpes simplex, poliovirus 1 etc.

MRC-5: It is a human fetal lung fibroblast established from normal lung tissue of a 14 week old male foetus. The cells undergo between 60-70 population doublings before senescence. The virus susceptibility of this line is similar to WI-38.

New Startup BiteLab Harvests Human Tissue To Make Meat Products Like Salami In Stunning Harbinger Of The Cannibalism

It may sound like the makings of a bad science fiction movie: A company that harvests human tissue to make meat products such as salami. But a new start-up called BiteLabs is claiming to want to make human test-tube meat a reality. And they want to use celebrities to do it. Here's how it will work, according to the BiteLabs website. A sample of tissue containing myosatellite cells (the type of cells that help repair and regrow damaged muscle) will be taken from a person during a biopsy. Those cells are multiplied in a lab using a medium that acts as an artificial blood to grow muscle. Once the cells are mature enough, they will be ground and mixed with different kinds of meat, spices, fats and oils for flavor using one of the company's "time-honored recipes for the creation of fine cured meats." It will then be stuffed into casings, seasoned again then dry aged and cured before packaging for distribution.

FROM THE LA TIMES: "At the moment, our primary goal is to provoke discussion and

debate around topics of bioethics and celebrity culture," said Martin from the BiteLabs team. He says he wishes to remain anonymous at this time, due to the controversy surrounding the focus of the company. "We see inefficiencies, environmental hazards, and ethical problems in the world's food production and distribution. There are exciting

opportunities to disrupt these industries while opening new ways to consume celebrity culture."

The company outlines how this type of test-tube meat would eliminate environmental and ethical concerns associated with livestock production, claiming its celebrity meat production would require less than 1% of the land used in traditional farming. The site also notes, the lab meats will not be affected by growth hormones or come into contact with any pesticides or chemicals. **And as far as the celebrity angle, BiteLabs is hoping they can use celebrities to warm people up to the idea of consuming the meat.**

Cannibalism, Kuru, Creutzfeldt Jakob Disease(CJD), Prions, Papua New Guinea & Mad Cow Disease

This film tracks the remarkable personal journey of Michael Alpers and tells the fascinating medical detective story that led to the discovery of the fatal brain diseases Kuru and Creutzfeldt Jakob Disease(CJD) and the pathogens called prions that cause them.

Play: <https://www.youtube.com/watch?v=ZHOy6hiUcyA>

Mad cow disease, more correctly known as bovine spongiform encephalopathy (BSE), is a transmittable disease that affects the nervous systems of cows. The human version of this disease, known as (vCJD), **is thought to be contracted by consuming beef products that contain parts of an affected animal's nervous system, such as the spinal cord and brain. As cattle processors seek to maximize their profits, the possibility of seeing a rise in the incidences of mad cow disease increases greatly.**

Loss of coordination and depression are early signs of vCJD, the result of exposure to contaminated animal nervous system tissue.

EMERGENCY ALERT--Mass Murdering of Humans In Progress NOW--COVID-19 RNA Based Vaccines and the Risk of Prion Disease

[COVID-19 RNA Based Vaccines and the Risk of Prion Disease](#)

The vaccine is a bioweapon and even more dangerous than the original infection. Analysis of the Pfizer vaccine against COVID-19 identified two potential risk factors for inducing prion disease in humans.

Creutzfeldt-Jakob (KROITS-felt YAH-kobe) disease (CJD) is a degenerative brain disorder that leads to dementia and, ultimately, death.

Individuals experience problems with muscle coordination

Personality changes (including impaired memory, judgment, and thinking), and impaired vision. Insomnia, Depression, Unusual sensations

As the illness progresses, peoples' mental impairment becomes severe. They often develop involuntary muscle jerks called myoclonus, and they may go blind.

They eventually lose the ability to move and speak, and enter a coma. Pneumonia and other infections often occur in these individuals and can lead to death.

Some symptoms of CJD can be similar to symptoms of other progressive neurological disorders, such as Alzheimer's and Huntington's disease.

CJD causes unique changes in brain tissue which can be seen at autopsy.

It produces more rapid deterioration of a person's abilities than Alzheimer's disease or most other types of dementia.

<https://scivisionpub.com/pdfs/covid19-rna-based-vaccines-and-the-risk-of-prion-disease-1503.pdf>

From this above report we read: Finally, others working in the field have published additional support that COVID-19 vaccines could potentially induce prion disease. Authors [18] found prion related sequences in the COVID-19 spike protein which were not found in related coronaviruses. Others [19] have reported a case of prion disease, Creutzfeldt-Jakob disease, initially occurring in a man with COVID-19.

There is an old saying in medicine that “the cure may be worse than the disease.” The phrase can be applied to vaccines. In the current paper the concern is raised that the RNA based COVID vaccines have the potential to cause more disease than the epidemic of COVID-19. This paper focuses on a novel potential adverse event mechanism causing prion disease which could be even more common and debilitating than the viral infection the vaccine is designed to prevent. While this paper focuses on one potential adverse event there are multiple other potential fatal adverse events as discussed below.

What are human prion diseases?

CJD captured public attention in the 1990s when some people in the United Kingdom developed a form of the disease — variant CJD (vCJD) — after eating meat from diseased cattle.

Scientific America

Prion diseases are caused by misfolded forms of the prion protein, also known as PrP. These diseases affect a lot of different mammals in addition to humans – for instance, there is scrapie in sheep, mad cow disease in cows, and chronic wasting disease in deer.

Even though prion diseases do come in slightly different forms, they have a whole lot in common. In each disease, the prion protein (PrP) folds up the wrong way, becoming a prion, and then causes other PrP molecules to do the same. **Prions can then spread “silently” across a person’s brain for years without causing any symptoms.**

Eventually prions start to kill neurons, and once symptoms strike, the person has a very rapid cognitive decline. Most prion diseases are fatal within a few months, though some can last a few years [Pocchiari 2004].

NIH

Prion diseases, also known as transmissible spongiform encephalopathies or TSEs, are a group of rare, fatal brain diseases that affect animals and humans. They are caused by an infectious agent known as a prion, which is derived from a misfolded version of a normal host protein known as prion protein.

Prion diseases are a significant public health concern and have been known to spread from animals to people and, in the case of variant Creutzfeldt-Jakob disease, from human to human through blood. Prion diseases in people are difficult to diagnose and,

when they are diagnosed, there are no effective treatments available. As a result, they are inevitably fatal.

Ebola--Watch Papua New Guinea—Listener Comment Regarding Ebola & COVID IMPOSED MARTIAL LAW HAS LESSENERED THE RESISTANCE TO THE TAKEOVER! HOWEVER, EBOLA COULD BE THE REAL KILL SHOT! What would you say if it could be demonstrated that the Center for Disease Control owns the patent on Ebola and all Ebola treatment?

Play to 8:09: <https://youtu.be/skxeJeB1KJk?t=202>

The World Health Organization (WHO) recently published the following:

On 14 February 2021, the Ministry of Health (MoH) of Guinea informed WHO of a cluster of Ebola Virus Disease (EVD) cases in the sub-prefecture of Gouéké, Nzérékoré Region, Guinea between 18 January and 13 February 2021. The cases showed symptoms of diarrhea, vomiting and bleeding after attending the burial of another relative (a 51 year-old nurse) on 1 February 2021.

The WHO went on to say that they expect the current Ebola outbreak to spread to other countries.

It is my contention that Covid was the destabilizing factor that put the world and the United States under a crushing form of martial law. However, the kill shot will be the dreaded Ebola. The suffering, pain and misery cannot be over exaggerated.

I warned about Ebola, first in 2014 and then, again, in 2019. After reading this article, it will become much harder for the cognitive dissonance crown in America to deny that the globalist kill shot, Ebola, will soon be here.

Amazingly, the CDC owns "the" patent on Ebola and all future strains. The "SUMMARY OF THE INVENTION" section of the patent document also clearly claims that the U.S. government is claiming "ownership" over all Ebola viruses that share as little as 70% similarity with the Ebola it "invented": **Why would a government organization claim to have "invented" this infectious disease and then claim a monopoly over its exploitation for commercial use? It is clear that the CDC plans to claim royalties on Ebola vaccines. This certainly increases the likelihood that the vaccines will become mandatory, thus increasing the profit potential for the patent holders.**

I NOTED THE FOLLOWING BACK IN 2014 AND AGAIN IN 2015: Clearly, and what has been suspected for decades, **Ebola is man-made and this patent proves this intention of the CDC to profit from a future pandemic. First, how do I know that Ebola is man-made? It is illegal to own something from nature and no patent would be granted. With that established, we then have to ask the question "why does the CDC need to own the patent on Ebola"? Perhaps, we should ask Bill Gates why he previously donated \$50 million to the UN and the CDC in the name of fighting Ebola and even though most of the published evidence has been scrubbed there still remains the abovementioned patent and other documents in which I preserved hard copies.**

Please allow me a digression about Bill Gates:

- Gate was behind the polio distribution to third world in which hundreds of thousands of children were paralyzed/killed from his sponsored vaccine.

- Gates was the driving force behind the failed Common Core education program. His computers were exclusively used in the administration of this failed education experiment.
- The Gates minions of Fauci and Birx led America down the primrose path of national destruction of the economy, small business, civil liberties, long-range military spending, etc., through the incessant fear mongering of Covid in which, for the first time in history, we quarantined the healthy. Most of the country is still under medical martial law without rhyme or reason.
- America is facing enormous food inflation and encroaching shortages. Fuel costs resulting from the illegitimate regime inhabiting the White House have been greatly increased with an unavoidable catastrophe coming in the grocery stores since all of our food is shipped. Bill Gates is now the largest owner of farm land in America. What could possibly go wrong?
- Now we have the new Covid, Ebola! Give it a few months, Bill and Linda Gates will rear their ugly head once again, as they always do, and misery will surely follow.

One can always find the lovely couple, Bill and Melinda Gates, in which place that suffering will soon visit. I call this incarnate evil.

I do not claim to "cure" disease, my goal is to help you to make physical and nutritional changes in your own body so that your body can heal itself.

Update From Invive Silver: (Comment: I recommend you print this whole section below)

The 10,000 PPM is MANDATORY, meaning the correct protocol in a life and death situation where death is "IMMINENT" within 72 hours. If you do not think you will die in 72 hours, then take the 5,000 PPM. Some Ebola patients die in 48 hours and some die in 21 days. If you are already bleeding from orifice, then the Ebola has advanced and you MUST use the 10,000 PPM.

Tell your people: Ebola Can kill within 48 hours to 21 days,

It takes a minimum of 3 days to ship the Invive from our factory because our Manufacturing is in a small town where it is delayed by USPS for 1 day; for the Silver to travel to the Airport in the next larger City. That is why we ship Priority, because if we shipped Express overnight it would "still" take 2-3 days to arrive. In the case of a worst case Ebola infection by the time the Silver is delivered to them in 3 days, they could be dead.

So they must purchase in advance and have the silver on hand to be safe. That is just a plain actual fact.

I myself have 3 bottles of 10,000 PPM with me wherever I am/travel.

That is barely enough meaning the minimum to attack the Ebola, while waiting for more silver to arrive.

So they should have at least 3 bottles of 10,000 stockpiled in advance. (Assuming the USPS trucks are still running during an Ebola outbreak and that the Cities are not locked down with no one allowed to enter or leave, including the Courier Trucks.

EBOLA

(Note 5000ppm is mentioned here but in an advanced case 10,000ppm should be used- see above for more clarification)

Invive 5000ppm Mild Silver Protein ++ When combating an advancing presentation of Ebola within the subject individual, it is "MANDATORY" to maintain a "STEADY STATE" of Silver in your bloodstream every 4 hours = 6 times per day for adults of 120 lbs and up, (but reduced for children via percentage of their bodyweight in relation to 120 lbs.).

"UPDATED '2014' PROTOCOL"

1) If you have been (or suspect you have been) exposed to Ebola take this dosage:

*** 5,000 ppm 5 cc/1tsp. 4 times a day or every 6 hours.

2) If you are starting to display symptoms take this dosage:

*** 10,000 ppm 5 cc/1tsp. 4 times a day or every 6 hours.

3) If you are in full blown Ebola symptoms going to terminal take this dosage:

*** 10,000 ppm 5cc/1 tsp of 10,000 every hour.

They talk about **Ebola being a "viral selenoprotein"** and "Biosynthesis of this protein **could impose an unprecedented selenium demand on the host**, potentially, leading to severe lipid peroxidation and cell membrane destruction, and **contributing to hemorrhagic symptoms.**" It is well documented **that selenium plays a significant role in the regulation of blood clotting** via its effects on the thromboxane/prostacyclin ratio, and effects on the complement system.

Subject: Fw: Vitamin C & the Ebola treatment - trade fear for knowledge

Importance: High

In addition to the Invive Silver, a Ebola patient need high doses of Vitamin C.

The Invive Silver stops the Ebola Virus, **but you MUST put the Vitamin C back in their body, that the Ebola has taken away.**

Again for clarity: The INVIVE Medical Journal Silver wipes out/eradicates the Ebola Virus but *excerpt: **Here is what Ebola does that is fatal: It causes the complete removal of all vitamin C from the body. No one actually knows what mechanism is involved in doing this, other than a malfunction that is not permanently destructive to whatever is triggered to remove all vitamin C. All the researchers know is that vitamin C drops to zero and all the symptoms of ebola are consistent with a complete loss of vitamin C.***

From the report at: <http://jimstonefreelance.com/> we read:

The actual way ebola kills is by causing a severe cytokine release in blood vessel walls, which if already irritated by a viral assault, will rupture from the irritation caused by a strong cytokine release. With regard to ebola, the exact cytokine is called IL-6, which is inhibited by 41 percent with adequate vitamin C present. This means, that from this mode of action alone, vitamin C will reduce the impact of ebola by 41 percent. If you combine this with the fact that vitamin C will strengthen the blood vessel walls as well, the two ways vitamin C helps will work in combination to prevent death from

ebola, especially if ebola, which removes all vitamin C weakens the blood vessel walls by removing vitamin C to begin with.

Comment: So taking a true, natural, vitamin C is a major factor in fighting off Ebola especially considering Ebola chief action of fatality is causing the blood vessels to rupture through the body where you bleed out of every orifice. Vitamin C (full spectrum source with the bioflavonoids, from a plant source) strengthens the blood vessels.

[Is Selenium Deficiency Behind Ebola, AIDS and Other Deadly ...](#) ★★

Ebola and other deadly viruses, including the human immunodeficiency virus 1 (HIV-1), might be stimulated by deficiencies in the mineral selenium.

Zaire-where the Ebola and HIV-1 viruses first appeared-may be a viral "hot zone" because of low selenium levels in the soil and widespread selenium deficiencies among people living off that land.

Too strange to be true? To the contrary, a similar connection has been established in China, where a common virus mutates into a dangerous form when it infects people deficient in selenium.

Selenium, an essential mineral, functions as an antioxidant and a component of another antioxidant, glutathione peroxidase. Deficiencies of either substance impair the body's immune system and ability to fight infections. But if recent research is any indication, the role of selenium in disease prevention may be much more profound than previously imagined.

"It is certainly intriguing that a number of viruses have emerged from these regions in Africa, which appear to be selenium deficient," said E. Will Taylor, Ph.D., a viral researcher at the University of Georgia, Athens.

[Selenium - prevents retroviruses HIV, Cocksackie, Ebola ...](#)

Low Selenium levels lead to weakened antioxidant defenses, reduced immune surveillance, higher viral replication rates and thus conditions favoring viral mutation. It is also known that Selenium prevents a number of Retroviruses like HIV, Cocksackie, Ebola, Marburg and Flu viruses from replicating in the host cells.

It interferes with the reverse transcription of the viral RNA to viral DNA thus preventing virus replication.

Research shows it prevents the progression of HIV to AIDS. Professor Luc Montagnier of the Pasteur Institute (one of the discoverers of HIV) states that "Selenium was currently the most realistic hope for those infected with HIV in the world's impoverished nations, of the slowing of the progression of HIV to AIDS..."

Subject: Previous Post--Listener Comment: TRIPLE HELIX NEPHILIM DNA

Possibly in the Covid-19 Vaccines!!! *Now that you referenced the **HEK 293 fetal cell line**, a few months ago, I heard some very interesting information regarding that from a Christian constitutional attorney in Washington who is currently leading a class action lawsuit against the state of Washington to stop the unlawful lockdowns and the forced vaccinations.*

He said that on conducting research on this vaccine, I believe as part of his lawsuit, he discovered that this particular cell line contained a **TRIPLE HELIX DNA** rather than the normal double-stranded DNA. And he therefore, very sternly warned the listeners never to take this vaccine as the DNA it will inject into us is obviously non-human but hybrid.

If this is true, it confirms what many of us, including yourself, suspected in that they're trying to infect us with their nephilim DNA to make us unredeemable nephilim hybrids as well.

I didn't send you this information at the time because he didn't provide the source for his discovery, as I'm assuming he didn't want to publicly release too much information from his "defense arsenal" to use in the court. He's currently in the middle of this lawsuit and he said it's going bad for him, as is to be expected when the righteous are battling the beast system.

However, in light of all of these new wicked developments, I thought it would be an interesting piece of information for you to be aware of. God

[Scientist Urges Fellow Christians: Love Your Neighbor By Getting A COVID-19 Vaccine](#)

Religion Reporter, [HuffPost](#) Fri, March 5, 2021--**[Dr. Francis Collins, director of the National Institutes of Health, appeared on a popular evangelical news network this week to present a Christian case for the COVID-19 vaccines.](#)**

As a public health official who played a key role in aiding the vaccines' development — and a Christian himself — Collins urged fellow believers to be part of the largest vaccination effort in U.S. history.

“This is a ‘love your neighbor’ moment, where we all have a chance to do something not just for ourselves but for everybody around us,” Collins said in an interview with the conservative evangelical Christian Broadcasting Network published Thursday.

Loving your neighbor means signing up to take whatever vaccine is available, Collins suggested — including the newly authorized Johnson & Johnson single-dose vaccine, which some pro-life activists have targeted for being developed using cell lines distantly linked to a 1985 elective abortion.

It's up to individuals to sort through the morality of taking the J&J vaccine, Collins said. At the same time, people should realize that they're probably not going to be able to go to a vaccination center and pick from a menu of vaccine options, he added.

“I would be reluctant to suggest that anybody just wait until they get the one they like, because that might be waiting a while and in the meantime, people can still get sick,” he said.

As NIH director, Collins is in charge of the largest supporter of biomedical research in the world (and also acts as infectious disease expert Dr. Anthony Fauci's boss). A former atheist who embraced

Christianity in his 20s, Collins has spent years trying to bridge gaps between the scientific community and the evangelical Christian community. He's the founder of BioLogos, a faith-based advocacy group that promotes the idea that science and religion are compatible.

During the coronavirus pandemic, Collins been working to convince fellow believers to take COVID-19 seriously, follow public health protocols and, now, to get one of the three available vaccines as soon as possible.

President Trump tells His Followers to “Go get the Shot” – Same as His NAR Spiritual Advisor Evangelical Team tells the Church

President Trump in his speech at CPAC once again told his followers to get the shot. He made it very clear again on his position on receiving the vaccine. However, this is not surprising considering he is the one who started it all with the Operation Warp Speed agenda. In this agenda he assigned a million-man military army to give the kill shots, pressured the FDA to approve those first vaccines, and told everyone that the vaccines are great. He often expressed just how “precise” the technology was that is involved with this vaccine. He also stated very clearly that these type of vaccines have never been done before. He also said he had the virus and was miraculously cured within a few days by the treatment medicine he received.

The evangelicals that are partnered with President Trump are encouraging their congregation to get the jab too.

Samuel Rodriguez president of the National Hispanic Christian Leadership Conference signed the statement to tell Christians to partner with science and to take the jab. This article states, "To date, the statement has been signed by 2,500 Christians; among them are theologians N.T. Wright and Richard Mouw, and the presidents of several seminaries, including Mark Labberton of Fuller Theological Seminary and Michael Le Roy of Calvin University. Signatories also include Lisa Sharon Harper, a popular writer and activist."

While Paula White said: "*Do not delay god. I declare no more delays to deliverance from COVID-19. No more delays to healing and a vaccination*"

Thank the Lord for Israel and their medical technology. Watch Israel! Research there has an approach that will treat multiple flu viruses with a simple pill, eliminating the need for less effective vaccinations.

Two other evangelicals wrote an article... This article in the Washington Post by two evangelicals, "*And, at the same time, we can express our love for neighbor — especially the sick and elderly — by reducing the chance that we might inadvertently pass along a virus that could kill them. The men on the rooftop took a risk of, at best, looking like fools or, at worst, falling through an unstable roof. But they loved their friend and wanted to get him to Jesus. We don't need to make ropes or tear up roof tiles to love our friends and neighbors. All we are asked to do is to get a shot. As evangelical Christians, we should all hear that challenge and say "Amen."*

What is Transhumanism?

We must remember that President Trump installed 5G across the world in 2020. If it wasn't for his great achievement in this, we wouldn't have the surveillance to roll out the vaccine, transhumanism, or robots loaded with weapons for the near future.

Where does this leave the non-vaxxers?

We have a whole bunch of people out there who do not want this technology or aborted fetal parts inside their system. Many true Christians believe this goes against God and His word. So, where does that leave them? Well, the world we are in now is causing us to be considered a virus to humanity by not participating in this agenda. Since their beloved President is telling them all to do it, they feel like we are now the evil people who will not participate in this agenda. President Trump is globalist and has partnered with the UN in this agenda. Their agenda will make the non-vaxxers criminals in the very near future. They are presenting it to society that we are not "loving thy neighbor".

Pro 3:5 Trust in the LORD with all thine heart; and lean not unto thine own understanding.

Pro 3:6 In all thy ways acknowledge him, and he shall direct thy paths.

Pro 3:7 Be not wise in thine own eyes: fear the LORD, and depart from evil.

Trump claims total credit for vaccines almost exactly a year after saying Covid would disappear 'like a miracle'

Donald Trump claimed total credit for the Covid-19 vaccines in a speech to the conservative CPAC conference in Florida almost exactly a year after saying the virus would disappear 'like a miracle.'

The ex-president said that his administration was responsible for a "modern day medical miracle" and that **Republicans** should get all the praise for fighting the coronavirus.

"As conservatives and Republicans, never forget that we did it, never let them take the credit, they don't deserve the credit, they are following our plan, this is something they call an absolute miracle," said Mr Trump.

"Joe Biden is implementing the plan that we put in place. "

The Biden administration has said that when they entered the White House there was no federal plan for distributing the much-needed vaccines.

But Mr Trump told the audience at CPAC on Sunday that he was responsible for ensuring the country developed the vaccine and for saving lives.

"When I left office and we are very proud of this, it was something they said could not be done, the FDA said it, everybody said it, couldn't be done, would be years and years.

Vaccine depopulation weapons and the GOP's pro-vaccine stance against humanity--The GOP is all-in with the vaccine industry, even knowing that mRNA vaccines are *euthanasia shots* designed to carry out genocide on a global scale--With Trump touting his "success" with vaccines during his CPAC speech yesterday, it's abundantly clear the GOP is now pro-genocide, just like the Dems

No political party values human life anymore, and everyone in the swamp has signed up for the mass killing of billions of human beings. The Dems carry out mass killings via *abortion*, calling it "women's health." The GOP carries out mass killings via *vaccines*, calling it "public health."

It's the same policy, and it's all rooted in Satanism, destruction and evil intent. In today's podcast, I cover the truth about vaccines as global depopulation weapons, asking why any rational person would vote for any candidate that continues to push vaccines.

I have reached the point where I will no longer support any candidate that promotes vaccines, period. Their party affiliation doesn't matter, and I'm not playing the game of voting "for the lesser of two evils.", especially when both parties are evil.

Any candidate — including Trump — who promotes deadly vaccines will never get my support. These dangerous, "emergency authorization" vaccines that have already been injected into 50 million Americans are nothing more than a dangerous medical experiment that will have devastating consequences in the years ahead. Those who promote these dangerous, largely untested vaccines are mass murderers, plain and simple.

I will not vote for any mass murderer, and you shouldn't either.

Today's podcast provides all the details:

Introduction

The goal of this Family Financial Form is to ensure that an adverse event or death of one family member does not translate into long-lived or permanent financial destruction for the entire family.

This form was created to assist families to communicate regarding and to prepare for the family-wide financial impact of adverse events, if any, resulting from a Covid-19 injection. Examples of adverse events from Covid-19 injections include

Covid-19 infection; anaphylaxis; neurological disorders; autoimmune disorders; other long-term chronic diseases; blindness and deafness; infertility, fetal damage, miscarriage, and stillbirth; and death (see Table 1 for examples of each). Traditionally, informed consent forms for vaccination do not provide disclosure or statistics related to financial costs of possible injury, disability, or death, nor do they discuss the impact on family time, resources, health, and wealth—impacts that may include reduced career potential, divorce, and effects on siblings' education and future plans.

Consequently, it is essential that prior to receiving a Covid-19 injection, parents and family members with financial responsibility for children and spouses not only perform thorough due diligence—providing adequate disclosures to their families regarding the potential costs to family members of adverse events or death—but also take steps to protect themselves and family members from the material adverse financial consequences of an adverse event or death.

[Death Rates Skyrocket in Israel Following Pfizer Experimental COVID 'Vaccines'](#)

"This is a new Holocaust" - Haim Yativ and Dr. Seligmann

We have previously reported how Israel rapidly vaccinated the highest percentage of their population with experimental COVID vaccines after the Israeli government struck a bargain with Pfizer to secure millions of doses of their mRNA COVID vaccines.

Vera Sharav wrote:

It is astonishing that the government of Israel entrusted the health of the people to Pfizer; by entering into a secret contract that enrolled the Israeli population to become research subjects, without their knowledge or consent.

See:

[Are More People Being Harmed by the Pfizer Experimental "Vaccine" than from COVID? Israeli Population Now the World's Lab Rats Sold Out to Pfizer](#)

To date, Israel has vaccinated over 53% of their population, twice the percentage of the next closest nation, Britain, with 26.9%

Source.

The "official news" published by the corporate media claiming that the vaccines have been effective in reducing rates of COVID in Israel has been scrutinized and examined by Aix-Marseille University Faculty of Medicine Emerging Infectious and Tropical Diseases Unit's Dr. Seligmann and engineer Haim Yativ, who published their results on a discussion forum website called "[Nakim](#)." The information quickly went viral, and has now been translated into several languages and addressed on various news sites around the world, including [Arutz Sheva](#) [7](#), [IsraelNationalNews.com](#).

Mordechai Sones writes:

A front-page article appeared in the *FranceSoir* newspaper about findings on the *Nakim* website regarding what some experts are calling "the high mortality caused by the vaccine."

They claim that Pfizer's shot causes "mortality hundreds of times greater in young people compared to mortality from coronavirus without the vaccine, and dozens of times more in the elderly, when the documented mortality from coronavirus is in the vicinity of the vaccine dose, thus adding greater mortality from heart attack, stroke, etc."

Dr Hervé Seligmann has written over 100 scientific publications.

The authors of the article declare they have no conflicts or interests other than having children in Israel.

After a presentation, the authors discussed their data analysis, the validations carried out, limitations, and above all, their conclusions that they compare with data received via a Health Ministry Freedom of Information Act request.

Their findings are:

- **There is a mismatch between the data published by the authorities and the reality on the ground.**
- **They have three sources of information, besides the emails and adverse event reports they receive through the Internet. These three sources are Israeli news site Ynet, the Israeli Health Ministry database, and the U.S. federal Vaccine Adverse Event Reporting System (VAERS) database.**
- **In January 2021, there were 3,000 records of vaccine adverse events, including 2,900 for mRNA vaccines.**
- **Compared to other years, mortality is 40 times higher.**

Will Israel become the first country to make the COVID vaccine mandatory?

Human rights lawyer tells ALL ISRAEL NEWS nation is headed for "a bad situation" as the government unveils a litany of threats - and sanctions - for those who have not gotten their KILL shots

[Nicole Jansezian](#) | February 11, 2021-- JERUSALEM — **With a recent dive in what has been the fastest rate of vaccination in the world, Israel has taken new approach to the vaccine campaign that falls just short of mandating inoculation: severely restricting access to normal life and services for those who are not vaccinated when the country begins reopening.**

At the same time, the government will limit access to testing so as to make it more difficult for a person to enter any venues without a “green passport” that will be used to prove vaccination. At the moment, 2 million Israelis are eligible for the green pass, as it has been renamed.

That means no entry to malls, cafes, restaurants, gyms, theaters, sports games and cultural events when the economy begins to open up, possibly on Feb. 23. And that is just the beginning.

Lawmakers have been floating the idea of sanctions for those who are not vaccinated, including creating new laws including one that would enable employers to bar or fire unvaccinated workers and another law requiring all Israelis to be forced to vaccinate.

Here are just some examples:

1. Health Minister **Yuli Edelstein** is pushing legislation “which will allow employers to prevent the unvaccinated from coming in to work.” This is after he backed off from a bill to force every citizen to get the COVID vaccine — an idea now being picked up by Energy Minister Yuval Steinitz.
2. **Ayelet Shaked**, the No. 2 in Yamina, told an interviewer that her party’s plans to deal with COVID include designating cities according to infection rates, sealing off “red” cities with police or military and “throwing into jail” anyone who tried to leave.
3. **Aryeh Deri**, of the ultra-Orthodox Shas party, suggested compiling the names of the unvaccinated and going **door to door** to inoculate them.
4. **Betzalel Smotrich** of the Religious Zionist party said the government should **pass a law** that “those who do not get vaccinated will bear the costs of medical treatment if they fall ill with coronavirus.... Life should be returned to routine only for the vaccinated.”
5. Mayor of Lod, **Yair Revivo**, said that children of unvaccinated **cannot attend** school in his city or access municipal services. He later retracted this threat.
6. The mayor of Rishon Letzion told Channel 12, “I know how to get them to come running for a vaccine” — by blocking entry to malls and restaurants, he said.
7. Ra’anana Mayor **Haim Broide** told Channel 13 his city would prevent non-vaccinated workers from coming into contact with vaccinated ones and that municipal workers that haven’t been vaccinated will need to come to work in a full protective suit.
8. Jerusalem Mayor **Moshe Lion** said unvaccinated Muslims will be **barred** from mosques and all residents who don’t get the COVID shot will not be able to attend school.

The Ministry of Health is also checking into whether it can force teachers to be vaccinated.

Knesset passes law to give Israeli cities personal info on unvaccinated residents
The Knesset gave final approval on Wednesday to controversial legislation allowing the Health Ministry to give local authorities personal details of residents who have not been vaccinated against the coronavirus.

The proposal passed into law in its second and third readings, 30-13, after a Knesset panel amended the legislation so that details of those who are fully vaccinated will not be given to the municipalities.

Under the terms of the bill, for a three-month period the Health Ministry will be permitted to provide the local authorities and the Education Ministry with personal and contact details of residents for the purpose of promoting inoculation.

Information will include data on those who have had the first of the two-shot vaccination but did not turn up for the second dose three weeks later, as well as those who had no injections at all.

<<Israelis wait for COVID-19 vaccine injections in a mobile Magen David Station at the Mahane Yehuda Market in Jerusalem on February 22, 2021

In addition to possibly swaying the opinion of those who are against being vaccinated, the program would enable local authorities to locate and provide assistance to those who need help leaving home to get to vaccination centers.
