STRATEGIC WARFARE PRAYER!!!!

Father God in the name of Jesus Christ we nullify, dismantle, cancel and forcefully oppose all satanic operations, maneuvers, manipulations, subversions, strategies, tactics, plots, plans and ploys, which are designed to hinder, prevent, frustrate, foil, deny or delay God's original plans and purposes, from their quick, swift and speedy manifestation taking place in their correct time and season. (Daniel 7:25) **We rebuke and dismantle all satanic alliances and confederations worldwide. Let every evil covert and clandestine effort and endeavor fail. Cause the news media to be caught in their lying and manipulation so that only the truth is manifested.** (Nehemiah 4:7-8; Esther 3:1-9:32; Job 5:12-14; Psalm 83:5; 2 Chronicles 20:35) 2. **We decree that every satanic strategy of inhibition, prohibition and limitation placed upon the Body of Christ (by the dark side) shall not prevail. We declare all invisible and visible walls of opposition; restriction and delay will be exposed and destroyed.** (Colossians 1:16; Joshua 6:1) **Oh God confound the devices and evil plans of the enemy that they have crafted, so that their hands are not able to perform their evil enterprise. Save those that can be saved O' Lord, but those that cannot be saved; overtake them in their own crafty and devious ways; let them fall into their own pits that they have dug for the righteous, let the Fire of God devour them, let them turn on and consume one another and have them in total confusion & derision.** (Psalm 35:4; 50:3, 55:9; 70:2; 83:17; John 8:32). **We loose the hosts of heaven to war against the hosts of darkness and bring an end to all deceptive, secret and destructive measures designed destroy all of God's creation and defile the world. According to 1 John 3:8 for this reason, was the Son of God made manifest, that He would destroy the works of the enemy.** (John 2:15-17; Acts 16:16-19) **We overrule all strategies, tactics and curses of the enemy by the power of the Name of Jesus Christ and His shed Blood.** (1 Timothy 1:18-20) **We overthrow spoken words, enchantments, divinations, spells, hexes, vexes, curses, witchcraft prayers and every idle word spoken contrary to God's original plans and purposes according to Isaiah 54:17. We reverse the curses associated with all these ceremonies, rituals, utterances and their plans to bring about a chaotic bloody revolution in America & to usher in Martial Law and the New World Order. We decree and declare that: Their plans shall be uncovered and shall not prevail; & their plans shall be frustrated and unable to achieve any impact; & their threatening's and violent verbal dealings are returned to them one hundredfold.**

FATHER, WE HUMBLY ASK YOU TO: Reveal every hidden agenda, plan and cover-up in the secret shadow government regarding their attempts to manipulate end time events which would lead to the destruction of Your Christians & the innocent. (Isaiah 44:25; 2 Timothy 3:8) **Send divine, powerful angelic forces against their diabolical plans to frustrate and expose them, so that they will be dismantled. Dispatch legions of**

warring angels (and any other kinds of angel's necessary) to enforce Your perfect will on the United States of America and on all the earth. (Joshua 5:13-14; Psalm 103:20-22; Colossians 2:14, 15; Ezekiel 9:9-11) **Release your divine strategies and revelations upon any righteous person in government worldwide. Fill them with Your Holy Spirit and cause Your divine wisdom to come upon them.** (James 1:5) **Cause them to be a holy trumpet shedding light upon the dark hidden secrets of the wicked. Send a spirit of confusion amongst the camp of the enemy. Let their tongues be divided & when they communicate let it be incoherent and misunderstood.** (1 Samuel 10:27) **Arrest those that operate in the spirit of Jezebel or Belial (and all other wicked spirits) and cause them to be caught in their own lies and conspiracies. Let them not be able to resist the Spirit of Truth or gain any ground in the natural or spiritual realm. Cause every evil spirit that is released from their diabolical assignments to be cast into the abyss, until which time they be cast into the lake of fire AND THAT NONE WOULD BE ABLE TO COME TO TAKE THEIR PLACE..** (Psalm 110:1; 1 Kings 19:1-5; 21:1-16) **Please cause these prayers and all future prayers to take on the characteristics of divine projectiles in the realm of the spirit, so that they hit the bull's eye.** (Psalm 57:4) **Let the laws that govern this prayer and all spiritual warfare strategies and tactics, be binding by the Word, the Blood and by the Holy Spirit.** (1 John 5:7) **WE SEAL THIS PRAYER IN THE NAME OF JESUS CHRIST AND THE BLOOD OF THE LAMB, AMEN!**

PRAYER TO NEUTRALIZE OCCULT RITUALS

Beloved Holy Savior, Lord Jesus, you are the sacrifice, the Lamb that was slain before the foundation of the earth, seated at the right hand of the Father. We honor your sacrifice on the cross, your resurrection and transfiguration volunteered for our salvation. We worship you, exalt you and magnify your name above every name. You are sovereign, supreme over all. We pledge our faith and love to serve you alone, forever. We claim your Word: James 4:7: "Submit yourselves therefore to God. Resist the devil, and he will flee from you." 2 Timothy 1:7: "For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind." We come in the authority given to us in Christ Jesus. We cover ourselves with the Blood of the Lamb. We place a hedge of warring angels with flaming swords of fire around us and our families continuously. We put on the whole armor of God. We lift our shields of faith to interlock, standing foot to foot and shoulder to shoulder—a solid wall that cannot be breached or penetrated. We resist and renounce Satan, the god of this earth. We rise to war in the Spirit against witchcraft, occult maneuvers and devices sent against Your Will and the Body of Christ. We ask you to dispatch legions of your warring angels in full battle array, fiery swords drawn to enforce our petitions and intercessory prayers. Rout your enemy on all fronts. Turn their hatred, anger, accusations, conflict, arrogance and wicked schemes upon themselves so that they become caught in their own snares and fall into the pits that they intended for others. We nullify, dismantle, cancel and oppose every satanic operation, scheme, maneuver and strategy. Cause secret plans, agenda and motivation of the enemy to be revealed for everyone to see. We decree and declare that what these evil people meant for evil, you will turn it around and use it for the good of your people. We close every evil portal that

has been opened. We break every curse, hex, spell, vex, enchantment, decree spoken or unspoken sent against the Body of Christ and your intercessors by every witch, warlock, Satanist, sorcerer, voodoo priest, shaman, soothsayer, medium, coven and every minion of the devil working iniquity; **and send it back upon their own heads seven fold that they may repent and turn from their evil ways.** Lord Jesus, reveal your love to them. Show them the truth about who they are serving, and their eternal destination if they continue in their present path. Open their minds, eyes and ears to receive supernatural insight and knowledge to understand the truth of the Gospel. Bring them to salvation. We seal this prayer by the Blood of the Lamb and in the name of the LORD Jesus Christ. Amen.

This is a very powerful prayer against Witchcraft...with fasting even more powerful

Father, In the name of the Lord Jesus Christ, we plead the precious uncorruptable blood of Jesus over the Body of Christ, the innocent, ourselves, our families and everything that belongs to us. We ask for giant warrior Angels (or whatever kinds of angels are necessary) to be loosed from Heaven to surround and protect us. As your war club and weapons of war we break down, undamn, and blow up all walls of protection around all witches, warlocks, wizards, satanists, and the like that are attacking us; and by the Blood of the Lord Jesus Christ we break their power & all their curses, hexes, vexes, spells, charms, fetishes, psychic prayers, psychic thought, all witchcraft, sorcery, magic, voodoo, all mind control, jinxes, potions, bewitchments, death, destruction, sickness, pain, torment, physic power, psychic warfare, prayer chains, and everything else being sent our way or our family members way, to the Body of Christ & the innocent; and we return it and the demons, devils, evil entities and fallen angels to the senders right now!, SEVENFOLD, and we BIND it to them by the blood of Jesus Christ!

Father, we pray that these lost souls will find the light of your Son Jesus.. Their own snares and traps have now been set against themselves.. In the name of Jesus Christ of Nazareth we now loose them from all mind control of Satan!.. Father we also ask that you Bind the Holy Spirit to their hearts as a guide to your Son Jesus.. So that they may be set free from the bondages of Satan.

In Jesus name we pray...Amen

++ In 1981 William Casey (CIA Director) Told the Newly Elected President Ronald Reagan:

Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines: "**Reprove**": To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt. "**Circumspectly**": Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive the very elect."

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

II Chronicles 7:14: "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Luke 21:36 Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.

Matthew 24:13 But he that shall endure unto the end, the same shall be saved.

Psalm 101:3: I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me.

Psalm 11:5: The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.

1 Cor 15:33: Be not deceived: evil communications corrupt good manners.

Lexicon Strong's G3657--Outline of Biblical Usage of the Word:

"Communications": companionship, communion

"The average age of the world's great civilizations has been two hundred years. These nations have progressed through the following sequence: from bondage to spiritual faith, from spiritual faith to great courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to complacency from complacency to apathy, from apathy to dependency, from dependency back to bondage." Bible Study: Isaiah 8 & 1st Peter 2

Isa 8:13 Sanctify the LORD of hosts himself; and let him be your fear, and let him be your dread.

Isa 8:14 And he shall be for a sanctuary; but for a stone of stumbling and for a rock of offence to both the houses of Israel, for a gin and for a snare to the inhabitants of Jerusalem.

1Pe 2:7 Unto you therefore which believe *he is precious*: but unto them which be disobedient, the stone which the builders disallowed, the same is made the head of the corner,

1Pe 2:8 And a stone of stumbling, and a rock of offence, even to them which stumble at the word, being disobedient: whereunto also they were appointed.

1Pe 2:9 But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvellous light:

1Pe 2:10 Which in time past were not a people, but are now the people of God: which had not obtained mercy, but now have obtained mercy.

Isa 8:15 And many among them shall stumble, and fall, and be broken, and be snared, and be taken...

Isa 8:19 And when they shall say unto you, Seek unto them that have familiar spirits, and unto wizards that peep, and that mutter: <<(Comment: Most modern day false prophets would fall into this category) should not a people seek unto their God? for the living to the dead?

Isa 8:20 To the law and to the testimony: if they speak not according to this word, it is because there is no light in them.

Isa 8:21 And they shall pass through it, hardly bestead and hungry: and it shall come to pass, that when they shall be hungry, they shall fret themselves, and curse their king and their God...

Isa 8:22 And they shall look unto the earth; and behold trouble and darkness, dimness of anguish; and they shall be driven to darkness.

Beyond Sick and Vile Children's Cartoon In Denmark!

Denmark has some evil up TV shows aimed at defiling children. It's clearly a testing bed for the brave new world. The hyper-sexualization of the youth is a depopulation method to redirect sex away from its purpose (reproduction) and steer it towards pleasure only.

Play to 2:24: <https://www.youtube.com/watch?v=SSef0jC95U>

Comment: [tosca donna](#) *This is so evil that I can't even process it. How on earth did this get approved? It's literally grooming in plain sight. And those two "women" who are defending this monstrosity and saying their children watch it are reprehensible demons in skin suits. Who in their right mind allows their child to watch this sort of trash?...Is there anything more vile than hurting and programming a child into debauchery and perversion?*

+2+ The FDA could be preparing to unleash an anti-supplement policy as early as next year that could eliminate tens of thousands of products from the market—in the middle of a pandemic. **Action Alert!**

Recently, the FDA **announced** that, by the end of June 2022, it plans to release drafts or final versions of a number of policies, and among them is the "new dietary ingredient" (NDI) guidance ("new supplement" guidance, in plain English). It is no exaggeration to say that this is the most dangerous threat to supplements we've seen in decades. We must continue to vehemently oppose the guidance as currently written and demand that substantial changes are made before the final version is released.

Senator Durbin (D-IL) is planning to include an amendment to a must-pass appropriations bill that would give the FDA enormous power to eliminate food supplements we need to stay healthy, especially during the pandemic. His deadline is early next week, so we have no time to lose. **Urgent Action alert!** Senator Durbin's goal is to create a **mandatory product listing** with the FDA, which seems innocuous but is far from it. The problem is that FDA is separately completing a process to eliminate every supplement from the market that doesn't meet "**new supplement**" **notification requirements**, which are akin to new drug requirements, and the FDA needs Sen. Durbin's list to locate and pull an **estimated** 41,700 supplements from the market.

Such notification requirements may seem reasonable, **but they will restrict consumer access to supplements. Drugs can afford these types of requirements because they are patentable in a way natural food supplements are not, which means that supplements do not have the ability to recoup the costs of complying with additional regulations.** This will either force companies to go out of business or it will make supplements so expensive that they are priced out of the market.

This is a ridiculous proposal as we know supplements consistently have a [sterling record of safety](#).

[MEDIA BLACK-OUT: Muslim Jihad US Representative Ilhan Omar Brags at Global Communist Meeting, 'Biden is Giving Us Everything We Want!'](#)

By: [Renee Nal](#), RAIR Foundation, July 13, 2021

During a [discussion](#) held in June titled "Strengthening Public Sector in the Post-Pandemic Era" Omar bragged that "progressives" like herself have had to do "almost little to zero work" in getting their agenda items passed under the Biden Administration.

The conference featured members of [Die Linke](#), an ally of Antifa that is the "direct descendant of the former East German Communist Party". One of the speakers, Manon Aubry, expressed excitement over the massive amounts of money being printed by the Biden administration. "I do believe that Biden's significant move toward a [progressive agenda](#) – that has been forced by the left wing of the democrats – is a game changer for us," she said during the discussion.

If there is one takeaway from the conference, it is that European communists are barely containing their excitement over Joe Biden's concessions to America's radical left.

Manon Aubry dropped a bombshell during her presentation, stating in part that "...we are working together on a Green New Deal proposal and also a Green New

Deal Alliance together with Ilhan Omar that will be launched in a couple of weeks...”

Ilhan Omar, who is supposed to be representing her constituents in Minnesota, praised Manon Aubry for spearheading the global Green New Deal coalition. “Manon Aubry has been an incredible partner already in building a global coalition to push for a Global Green New Deal,” Omar gushed. Manon Aubry stressed that collaboration between American leftists and European leftists will help push the European Union in a “progressive” direction, such as been achieved under the installed puppet Joe Biden. She also mentioned that Bernie Sanders’ campaign in America gave European leftists “a lot of hope.” Where are the Republicans? Where is the Media?

It is not as if Ilhan Omar is hiding her treasonous ambition to form an “internationalist” communist movement or her collaboration on a Global Green New Deal. She tweeted about it last month. The media, her party and the Republicans should be calling out her behavior, but as always, they remain silent.

Biden Has Opened the Door for the UN to Move On America Prior to the Outbreak of WW III

Submitted by Dave Hodges on Wednesday, July 21, 2021 -

In the previous article on the CSS, it was detailed how close (to an apocalyptic World War III) the world is currently at. There is a domestic component to the World War III scenario and that is what the CSS is going to focus on in this article.

The American military and government is in a perpetual state of chaos. For example,

most of America's military is operating without the approval of Biden and this is understandably true because our Generals would like to live to retirement. Our military leaders understand that if they acquiesce to the Marxist-Communist takeover of our country, they will all be put to death by CHICOM occupation forces.

Biden's handlers are not going to idly sit by and allow their Marxist takeover go up in smoke. And go up in smoke it will because it is apparent that when the war with China begins, that the legitimate military will conduct a counter-coup, under the Insurrection Act, and restore our Constitutional government. <Gesara/Nesara?

However, Biden's people are not going to allow that to happen without a fight.

Over the years, I have written extensively about the United Nations. As announced on Fox News last week, Biden's handlers have asked the UN to review America's level of racism. This is a prelude to UN intervention under the guise of restoring order under the Kigali Principles. My insider sources tell me that there are already plans to rollout the United Nations "Peacekeeping" force both Canada and the United States. Look at what has surfaced in Canada in the past few days. We don't have to worry about the UN forces coming to oppose any counter coup, they are already here and our military leadership knows it.

As a prelude to UN involvement inside the United States, designed to bolster and to protect the Biden Administration; cartels, trained and equipped by the CHICOMS are crossing border in great numbers.

The CSS knows all about the nature and the mission of these border-jumping interlopers from a number of insiders. One insider, a senior-level Federal LEO, just told me in an interview on The Common Sense Show.tv that these cartel members are hit teams and they are presently murdering American citizens in Texas and they plan to spread their operation throughout the country. This source is well-known by both myself and Steve Quayle. In our media interview, I refer to him simply as "Wrecker." However, Wrecker is not alone. For the past several years I have been warning America about what is coming through our southern border as well as the bad intentions that they bring with them. The interview with Wrecker on this matter airs, today, on The Common Sense Show.tv.

The Common Sense Show has received consistent information regarding the threat to US citizens at the border. I have solid and reliable communication on

two sides of this issue. This country is not just dealing with an impending border breach by tens of thousands of migrants. We are looking at a paramilitary guerrilla force that will be inserted into this country with predesigned acts of terrorism to be carried out on US soil. America is indeed at war! And the architect of it all, is none other than George Soros.

One rancher reached out to me through email and informed me that DHS and a local Sheriff's Deputy visited his ranch and informed of major border breaches:

Dear Mr. Hodges I have followed your work for some time. I thought you would like to know that DHS was here today along with a Deputy. I was told that law enforcement might not be able to protect me from splinter groups that would be entering the country. I was further told that these splinter groups likely have an agenda to inflict mass casualties on Americans on this side of the border. I was advised to consider leaving the area, but that a mandatory evacuation order will not likely be given. I was also told that I cannot talk to the media so please do not copy and paste this email. The splinter group was described as being well trained and armed. I have a friend who is an ex-military sniper. Thinking options at this point. not sure what we are going to do. We are thinking about defending the ranch with our friends and allies. Thought you should know. Name withheld by request

Along these same lines, I have been informed by an FBI agent that this type of border incursion has been anticipated. They expect that the terrorists and military types (traveling with the caravans) will be breaking off from the main group of migrants and entering the United States as a series of guerrilla forces in 6 to 8 man squads, each with a predetermined mission.

As far as authenticity for the email, I cannot offer any. However, the latter statement from FBI contact is highly reliable. And from six years ago, I received a widely publicized communications from a Texas Ranger which contained the following excerpts which serves to validate the point that this globalist-George Soros-option has been on the table for quite some time:

...The main reason that I am writing to you is to encourage you to keep writing on the growing threat of infiltration in Texas and I suspect other states as well. The infiltration I am writing about is not just Special Forces that are going to conducting covert drills in our state; that is concerning and I agree with you this involves martial law. For now I am talking about ISIS and the danger that they pose to all of us. Our intelligence indicates that they have enough manpower & firepower to subdue a small town. The Walmart takeover by DHS is a national security move in which we have been told falls under the Continuity of Government provisions. The Threat Fusion Centers are providing related information on what it is we are facing but the information sharing is only in one direction and that is very concerning. We expecting an attack on more than one Texas city or town by ISIS and/or any of their partners. I believe the information to be accurate...

When Biden invites the UN to "investigate" America for racism, this will quickly culminate in domestic civil war between these UN forces versus the American

people and their friends in the various branches of the military. Both domestic and foreign interests will be further investigated in the next article in this series.

It's sickening that healthcare providers hide the real scope of potential side effects from these experimental COVID-19 vaccines.

Many of you have been praying for Jummai and Philip Nache during these difficult days. Their faith in the Lord has continued strong despite the difficulty of their journey. As most of you know, Jummai has undergone the amputation of her two legs below the knee and will later lose most of her two hands. What lies ahead is an expensive and painful journey of healing that will include costly prosthetics, additional surgery, and necessary modifications to their lifestyle including modifications to their home and a different vehicle. And Big Pharma companies cannot be sued and aren't held liable for any damages that occur. I've reported on numerous heartbreaking cases of vaccine-related injuries. And this one is among the most gut-wrenching.

["PINGDEMIC" Smart Phone Insanity!!! UK government commits nation to starvation suicide by commanding food sector workers to self-quarantine... supply chain "at risk of collapse"](#)

Friday, July 23, 2021 by: [Mike Adams \(Natural News\)](#) [After centuries of global rule, the United Kingdom is committing societal suicide by ordering millions of its workers across food, retail and medicine sectors to self-quarantine in their homes. Grocery store shelves are going bare across the nation, and industry leaders warn that the food supply chain is, "at risk of collapse."](#)

[How did this happen? The UK government requires every individual to carry a mobile phone installed with NHS covid-19 software that tracks and records their movements and locations in real time. When any person is found to be "covid positive" via a fraudulent PCR test \(that grossly amplifies false positives among other things\), the entire history of that person's movements is analyzed to determine what other people may have been near that person at any time. All those who ever came close to that "positive" person are then pinged on their phone app and ordered to self-quarantine, removing them from the labor pool. In the last week alone, more than 500,000 Britons were "pinged" and ordered to stay home. At this rate, within a few more weeks there will be very few people left to run much of anything. This phenomenon is being called a "pingdemic."](#)

[The result is an accelerating collapse of the food sector as there are no longer enough workers to staff grocery stores, food production plants or to drive transportation trucks \("lorries"\).](#)

[The entire scheme is a massive fraud, of course, since the PCR tests on which it's all based are nothing but quack science. PCR tests can never be legitimately used to determine a quantitative viral load, which means no diagnosis of "infection" or "sickness" can come from a PCR test.](#)

[But that doesn't stop the government from using PCR tests to order millions of workers into self-imprisonment in their own homes. This is true even if the original "positive"](#)

person they are claimed to have encountered shows no symptoms themselves (and therefore isn't "sick").

Governments are using credit card purchase data as "contact tracing" COVID surveillance

The ongoing "war on cash" (whose goal is to steer people towards using traceable forms of payment) is coming in very handy in the COVID era, precisely for the reason this policy was criticized in the first place – it makes it easy for authorities to keep tabs on individuals who use card transactions.

Reports now mention instances of Australian residents receiving a mandate to quarantine after using their credit card to pay at an establishment, where somebody known to be infected with the virus had stayed.

Credit card receipts led back to the person that was then forced to self-isolate (although they did not have coronavirus) – and apparently led the person to consider what, if anything, is left of their privacy in a world where more and more people leave long "data trails" behind them.

The takeaway is that the only way to regain some privacy (in the world of mass surveillance and tracking) is to turn to alternatives – but do it consistently, and be prepared to pay for the privilege of removing oneself from the closed ecosystems like those ruled with an iron fist by Google, Apple, or Microsoft.

As for using card transactions to do COVID contact tracing, Australia is far from being the only country that is doing it. In fact, those lauded as most successful in even getting their contact tracing efforts off the ground, like South Korea, pioneered the practice. Data surveillance, reports said, was used by authorities there to make sure that people who were either unable or unwilling to share their every move, are eventually forced into doing it.

Australia goes down under the boot as citizens in Sydney are ordered to avoid casual conversation – even with a mask and vaccine — RT Op-ed

Five-Eye member state Australia has just solidified its reputation as the most draconian place on the planet by ordering citizens not to speak to one another. You'd have to see it to believe it but, even then, it's hard to fathom. After reporting an infinitesimal rise in new Covid cases in New South Wales – 78 to be precise, and one death – Chief Health Officer Dr. Kerry Chant took the precautionary anti-Covid measures to a level that can only be described as insane, as she advised people to end 'small talk.'

After admitting that it's "*human nature to engage in conversation with others, to be friendly,*" Chant (with just the right amount of quiver in her voice) chanted a warning that was indistinguishable from a command: "*this is not the time to do that.*"

"So, even if you run into your next-door neighbor in the shopping center ... don't start up a conversation. Now is the time for minimizing your interactions with others."

With all the urgency her contorted brow could convey, Chant went on to remind the citizens Down Under how critical it is to continue practicing those "Covid-safe behaviors of staying at home, not visiting friends and family."

Laboratory Alert: Changes to CDC RT-PCR for SARS-CoV-2 Testing

Audience: Individuals Performing COVID-19 Testing

Level: Laboratory Alert

After December 31, 2021, CDC will withdraw the request to the U.S. Food and Drug Administration (FDA) for Emergency Use Authorization (EUA) of the CDC 2019-Novel Coronavirus (2019-nCoV) Real-Time RT-PCR Diagnostic Panel, the assay first introduced in February 2020 for detection of SARS-CoV-2 only. BREAKING NEWS - URGENT: PCR TESTS TO BE WITHDRAWN; "UNFIT" TO DIAGNOSE COVID

23 July 2021-- The FDA announced today that the CDC PCR test for COVID-19 has failed its full review. The

Emergency Use Authorization (EUA) granted to allow PCR tests for diagnosing COVID, is REVOKED. The PCR Test is now part of a Class 1 Recall (The most serious type of recall) by the Food & Drug Administration (FDA) as it is UNFIT for the purpose intended; too many false positives.

The entire country faced lockdowns and business interruptions explicitly BECAUSE these tests were allowed, and the tests returned so many FALSE "positives."

Now, even the Centers for Disease Control (CDC) is advising they intend to "withdraw the Request for Emergency Use Authorization for these PCR tests."

So as we have stated over and over, the tests they relied upon as the basis to lock everything down were no good from the beginning; but they used them anyway and wrecked countless businesses, ruined people's credit as they couldn't pay their bills (being out of work), destroyed commerce throughout the entire nation and more.

The mass-presstitute media were telling people for months they should be tested with these PCR tests; countless videos and images of nasal swabs bombarded the general public from the media titans.

Now we see, NONE of these media outlets ever seemed to investigate what they were reporting to the public! They just repeated what they were told by these so-called "Medical Professionals" whom it now seems, are mostly Quacks! The media bigshots never even challenged these folks; instead the media reported the PCR testing was "safe and effective" when it wasn't. Media Quackery is now, apparently, in full swing as well.

Those of us in alternative media have been vilified, smeared as "conspiracy theorists" and "the tin foil hat crowd." We have been censored, kicked-off media platforms, and worse, for our reporting that these tests, and the disease itself, were all being overblown, and that the test results in particular were totally unreliable. Instead, we were ridiculed. "Fake News" they said. "Misinformation" they said.

For our reporting of the truth, we were thrown off FACEBOOK and TWITTER, banned from places like REDDIT . . . and now it turns out we were right and they were all wrong.

The PCR test is a complete waste. The actual fake news was the mass-media telling you the tests were "safe and effective." The "misinformation" was from the mass-media via the medical pharma cartels.

So, now what?

Well, the first thing is STOP BEING TESTED; it's a total fraud.

You want more proof. OK, here, look . . . here's your "science:"

[Listener/Doctor of Pharmacy Comment About the PCR Tests](#)

I'm a PharmD (Comment: A Doctor of Pharmacy (PharmD) is a professional doctorate degree needed to become a pharmacist.) and I saw 1 flu case this past season at my facility. This is absolutely unheard of!! Everyone had Covid. I asked a few of my other colleagues at other hospitals and they confirmed the same results. From the information that I know, most US labs were using 35-45 cycle threshold (ct) with their PCR test. A ct of 35 would produce 97% false positives. I called the lab at my hospital to see what ct they were using and after I was transferred to 3 different lab personnel, no one knew what I was talking about and was told to call back later and ask the lab manager. From the beginning the CDC recommended a ct of 40.

Now we see that:

"CDC encourages laboratories to consider adoption of a multiplexed method that can facilitate detection and differentiation of SARS-CoV-2 and influenza viruses."

So, does this mean everyone really had influenza? I've been working in hospitals for the past 20 years and I've never seen a season with basically zero influenza cases.

I have a couple other colleagues that I can discuss this information intelligently with. Everyone else has lined up and received the shot. There were a couple of pharmacists that were actually teasing me about using the faith-based option at work. That goes to show how demon infested they are. They are the ones that have children that are on the autism spectrum and refuse to think vaccines could be the cause.

**Praise the Lord for He has shown me great and mighty things!
Thanks For all you Dr. Scott. You were a significant part of how I was able to
break free from my medical indoctrination.**

Scott Johnson's Reply: Yes I thank God I could help! What I do not understand about this move by the FDA, **is why?** I mean the PCR test has served its Satanic purpose well. So why (at this point) would you want to start differentiating between Covid and Influenza viruses? **As if they did this it would potentially expose the whole scam.** They didn't care before it was all a lie, so why now (**right when they want to bring us back into more restrictions, lockdowns and extreme kill shot compliance**) would they kill the Goose that has laid their Golden Satanic eggs? Maybe the other tests are just as bad? I just don't know. Now I will say if you read that announcement the CDC says it won't go into effect until after Dec. 31st 2021, so that is 5 long months away and a lot can happen between now and then. God bless!

This is up from 9,125 reported deaths from the COVID-19 vaccinations total from last week. The number of deaths linked to vaccines this year has absolutely skyrocketed. According to the CDC's own data,

Then on Wednesday the CDC posted on its own website that there were 12,313 reported deaths from the COVID Vaccine since December.

This number would track with the VAERS website number.

But then a strange thing happened. After the CDC posted this number they went back hours later and switched it to 6,079 reported deaths in the US from the COVID Vaccine.

UK Lets Contract for Temporary Dead Body Storage Services "In case of excess deaths event"

Temporary Body Storage Service

Westminster City Council

Publication reference: 2021/S 000-013120

Publication date: 10 June 2021

F02: Contract notice

23 July 2021--**The local government in London, England (UK) is offering a contract valued at 6 Million British Pounds Sterling, for Temporary Dead Body Storage.**

The Westminster City Council is seeking: **"The Authority seeks to procure a framework agreement for temporary body storage in the event of an excess deaths situation for the 32 London boroughs and the City of London, led by Westminster City Council. The framework agreement will appoint a single provider and will be for a period of 4 years. This will be a contingency contract, only called upon in the event that an excess deaths situation arises in the future and existing local body storage capacity needs to be augmented."**

the Request for Bids also outlines:

...The deceased will be stored with dignity and respect, at locations to be determined based on local London needs at the time and will require some design elements to accommodate local site conditions and constraints, while being capable of rapid deployment, construction and commissioning to an agreed standard...

Naturally, one wonders what "excess deaths situation" the London City government is anticipating? Oh, and why does the contractor need to be able to provide "rapid deployment?"

Two potential situations come readily to mind: War and/or COVID VACCINE DEATHS.

Here is a [direct link](#) to the actual London Tender Request on the official government web site.

If government is looking to spend money for "dead body storage" it is not unreasonable to think they KNOW something, or are planning something that will require that capacity.

Either way, this is a very bad sign.

"And, by the way — you know the old expression — you notice a lot of our very conservative friends have finally had an 'altar call,'" Biden said Friday, referencing a tradition among some Christian churches to invite people forward during services to make a public commitment to their faith in Jesus Christ.

"They've seen the Lord, whether it's on [Fox News](#) or whether it's the most conservative commentators or governors," the president continued.

Biden, a practicing Catholic, has made several Christian and Biblical references in order to describe how many Republicans and conservative pundits have recently flipped their stances toward vaccinations.

Apparently if you tag fb creator or say the Covid word or certain vaccines, it won't even upload. But here is the truth. Don't be scared into getting the vaccine. They are far worse things that can happen that just getting Covid. My dad is the strongest man I've ever met in my life. Always healthy no health problems. He got the 2 Pfizer shots. He has had over 20 seizures in the past 2 days. Started with real bad nerve pain. If you know my dad you know how active and healthy he has always been. Dont let him know I shared this pic. But it needs to be seen and hopefully it might keep you or family members from getting this bulls*** vaccine . He thought he was doing the right thing, the smart thing. They are people having all kinds of different neurological problems all over the world from it. We are all being lied to. And it's going to come

Calcium & Vitamin D-3 Is Vital For Your Immune System

Most people are not aware of the role that **calcium** plays in our immune system. It is actually one of the chief fuels upon which our immune system runs on. White blood cells are the main tool our immune systems use to destroy foreign infectious invaders. **White blood cells use calcium as the main fuel to propel themselves and destroy these invaders through a process called Phagocytosis. If we don't have enough usable calcium in our body, our immune system cannot ramp up, get to and kill these foreign infectious invaders. It's like having a guided missile, with no way of getting it off the ground. Consequently, if you have a low amount of usable calcium in your system, forget about having a strong immune system. It won't happen because it can't happen. And calcium is not something that can be manufactured in the body unless we leach it from our own bones, which over time would lead to osteoporosis. One of the main signs we are deficient in Calcium during the throws of an infection, is a high body temperature or fever.** One of the things that got me into the alternative health field was a poorly functioning immune system. I have found one of the main components in building a strong immune system is keeping calcium reserves high in the body. As sufficient stomach acid is essential for the breakdown of not only calcium but protein, iron and several other trace minerals. If low stomach acid is a factor, [Hydro-Zyme \(90 T\)](#) or [Hydro-Zyme \(250 T\)](#) should be taken with the Calcium and with food. Or as an alternative taking 1-2 tsp. with the calcium should do the trick. One other thing that is important when talking about calcium is the Omega-3 fatty acids which are high in flaxseed oil. You see the omega-3 fatty acids in flaxseed oil are necessary for healthy cell membranes and to transport calcium into the white blood cells, where the calcium is used to support cell motility (movement) and phagocytosis (killing the foreign infectious invaders). Of the Omega 3 good fats, flax seed oil is very important. For this I recommend [Genestra Organic Flax Oil Capsules 90 Softgels](#), as flax is a very

volatile oil and spoils very easily. It is a risky proposition buying flax oil off the shelf as usually there is no way to verify quality. This is also an excellent protocol for skin protection as Calcium and Omega 3 fatty acids are essential in preserving and protecting the skin. Now if I feel I may be getting run down, I will increase my dosage of these two products until my system is back in balance. If these products are taken in conjunction with a good whole food multi-vitamin mineral product like **Intramax or the Innate Once Daily formulas** you should be in pretty good shape.

Dr. J. Comment: While supplies last I will be offering the **5000ppm silver** at 95.00 per bottle for quantities from 1-5 bottles and 85.00 per bottle for quantities of 6 or more bottles (this is also 5.00 off regular price per bottle). I will be offering the **5700ESppm silver** at 160.00 per bottle (which is 10.00 off the regular price) for any quantity plus free shipping.

I will be offering the **10,000ppm silver** at 220.00 per bottle (this is 10.00 off regular price per bottle) for quantities from 1-5 bottles and 200.00 per bottle for quantities of 6 or more bottles (this is also 10.00 off regular price per bottle). Lastly I will be offering the **10700ESppm silver** for the special price of 245.00 per bottle for any quantity plus free shipping.

For these specials the **shipping is free (Sorry US orders only)** which would be anywhere from a 15.00 to 40.00 savings over factory shipping; as when you order off my website, the order goes through the Invive factor). These are the lowest prices for Invive Silver you will be able to find. This special is **not available off my website**. If you are **outside the US** you can still order the silver at: www.dr-johnson.com but it will **not be** at the special price.

If interested just let me know what you would like to get (with a shipping address) and I will ship your order with a receipt & a self-addressed stamped payment envelope or I can invoice you via PayPal (whichever one is better for you). **Please include your shipping address as well.** God bless!

For **lung infections** nebulize 100ppm Invive Mild Silver Protein directly into the lung fields for 3-4 minute intervals several times per day. If you want to make a 100ppm solution (and you have a 5000ppm bottle) just divide 5000 by 100 to get: 50. So you would add 50 parts distilled water to 1 part 5000ppm to make a 100ppm solution.

Now with a **sinus infection** the best way to directly go after this is to get any nasal spray atomizer bottle (**Like this one:** <http://sparknaturals.com/index.php/accessories/1oz-blue-glass-nasal-sprayer.html>) and add 500ppm silver to the bottle. Now to make the 500ppm just add 10 parts distilled water to one part 5000ppm. This will be the strength you use in a nasal spray bottle. One drop of eucalyptus oil to this 500ppm solution is also very good for nasal use. When you use the 500ppm in the nasal spray bottle make sure you tip your head back and spray 3-5 times per nasal passage. You can do this several times per day. You would also want to take 1/4 tsp. of the 5000ppm held under the tongue 3 times a day until you are doing better.

For **Otitis Media (ear infections)** (if your ear drops are not ruptured) you need to dilute the Invive Silver to 500ppm for the ear drops. To make this strength from 5000ppm just add 10 drops of distilled water to every one drop of 5000ppm. Use 3-4 drops in each ear 2-3 times per day till better. In reality I really like just plain old 3% Hydrogen Peroxide for ear infections 2-3 drops in each ear. Tilt the head and hold this dose in each ear for 1-2 minutes before tilting your head back. It will bubble and be quite loud and may burn a little so sometimes children are afraid of the Hydrogen Peroxide whereas the silver should not bubble or hurt at all.

For an 8 year old I would administer the 5000ppm silver under the tongue 15-20 drops 3 times a day (hold for 2-3 minutes then swallow) to treat the ear infection internally as well.

For an **eye infection like Pink Eye** only use the 50ppm Invive Mild Silver Protein Strength. One drop in each eye 3-4 times a day typically works wonders.

To make the AG Cream (AKA Silver Cream) get some Aloe Vera gel and add drops of the 5,000 ppm silver to the gel to the point just before it starts to liquefy.

Invive Silver Dosing Chart for children/babies

Maximum dosage in case of a severe infection: 5 cc's of the 5000ppm Invive Mild Silver Protein per 30 lbs Bodyweight. 5cc = 1tsp. That means a 30 lb. child receives 5 cc in total per day, **in divided doses** of 1.2 cc q.i.d. (or 4 times a day)

A 10 lb. baby receives 2 cc **in total per day**, in divided doses of 1.6 cc total per day.

In this case (2cc's) that means 7 (drops) Q.I.D. (or 4 times a day)

Q.I.D.= 28 drops total per day divided by 4 = 7 minims (drops) sublingually every 6 hours.

Subject: Hey bro, I'd like another bottle of 5000ppm silver at same strength...I did the nebulizer last night and when I woke up so much flem came out of my lungs, it helped so much to get it up and out to avoid pneumonia. It litterly cleared my lungs in one 5 min use last night. I mixed it at 500ppm and did 2 5 min sessions before bed spread it out. Another thing I notice is after this morning my shivers are gone... I love this silver and want to tell everyone I can about it. People have to have this product its better than any antibiotic I've taken, even intravenously. This silver if mixed and taken right can save ur life, no joke. U can treat the problem area directly!!! Praise the lord I am healed!!!

5 cc (1 teaspoon) of the Invive Mild Silver Protein 5000 ppm, per 30 lbs. of bodyweight (split up dosages), per day. 5000 ppm is the "General" rule in the DDR Doctors Desk Reference for the Practitioners.

These are GUIDELINES and are not carved in stone, BECAUSE each case is different. But you have to start somewhere with a Guideline, and then Tailor the dosage to the event PRESENTION.

BUT it is ALWAYS necessary to "TAILOR" the dosage to the SYMPTOMOLOGY though, especially when dealing with life and death situations.

Hence one 71 year old man last week who was suffocating on his mucous from the Covid-19 and getting worse, had his Dosage upped from 1 teaspoon of 10,700 every 4 hours (as per the typed "Guidelines"), to 1 teaspoon of 10,700 EVERY HOUR, which (Praise the Lord! "Coincidentally") SAVED HIS LIFE and he is totally well (asymptomatic) now.

Therefore always "TAILOR" the dosage to the Symptomatology of the PRESENTATION. Use at least a 6 pack of the 5000 or better yet a 6 pack of the

10,700 if you can afford it. PS: We haven't raised our prices in 25 years, and only wish to continue SAVING LIVES.

Symptoms of the Coronavirus can be very similar to the flu, BUT what to keep an eye out for "IS":

Symptoms of coronavirus can include:

- Fever (100.4°F/38°C or higher)
- Cough
- Shortness of breath

Incubation Period (Before you get sick):

Will be 1-14 days "before" you have/show symptoms.

That means 2-9 days on average "before you have/show symptoms.

Once you are sick:

10 days is length of sickness (unless you succumb/die/pass away first).

Total length of Sickness:

14 days incubation

10 days of actual sickness/being ill

=====

24 days total length of sickness.

30 days "still" in your bloodstream

=====

For a total of 54 days

Damage still remaining after Recovery from the Corona Virus in many individuals:

No sense of smell.

GI problems.

Loss of weight during the illness, with difficulty putting weight back on.

Struggle breathing as in shortness of breath from damage to your lungs.

After 24 days/once you recover, you are to take measures to:

- 1.) Build up/build back your lung capacity/oxygen capacity.
- 2.) Build up your whole body muscle capacity.
- 3.) Because you got "KNOCKED OUT" with a Sledgehammer.

Editor's Note:

Unless they break their own laws, they cannot stop us from distributing it as a Dietary Supplement BECAUSE our particular product is "**Grandfathered In**" as the **IDENTICAL pre-1938 Mild Silver Protein** that **was in all the pre 1938 Medical Journals and paper publications** And indeed **WAS used by most the MDs pre 1938** "before" the FDA took over/stole our food and drug supply, for the benefit of the multinational corporations.

see <https://en.wikipedia.org/wiki/Argyrol>

From Wikipedia:

Argyrol [Mild Silver Protein] was manufactured by A.C. Barnes Company until the [Zonite Products Corporation](#) acquired the firm in 1929.^[5] Argyrol products were compounded by pharmacists at various concentrations and dispensed to the public in pharmacy-labelled bottles. It was also sold in A.C. Barnes Company packaging in solutions of various strengths. A succession of pharmaceutical entities acquired Argyrol over the decades.

Yet your MD's/legislators/politicians will not tell you about it.

Wikipedia further states:

The silver protein molecule in Argyrol has been in use for over 100 years to date, with ample clinical data supporting the benefits and versatility of the silver protein molecule in medicine without the detriment of drug resistance. Although *Argyrol* is used as a synonym for the chemical descriptions *silver vitelline* and *mild silver protein*.

Symptoms of coronavirus infections almost perfectly mirror symptoms of zinc deficiency

Writing for LewRockwell.com, [Bill Sardi writes](#) that all the most prominent signs of COVID-19 almost perfectly mirror symptoms of zinc deficiency. From his article: *...[M]odern medicine is so steeped in its pharmacy of prescription drugs, with its blinders toward nutritional medicine, that it can't see the obvious evidences of a trace mineral deficiency that results in the same signs and symptoms produced by COVID-19 coronavirus.*

He publishes this list of COVID-19 symptoms vs. symptoms of zinc deficiency:

| Symptoms of COVID-19 Reported by Emergency Room Physician | Symptoms of Zinc Deficiency |
|---|--|
| Dry cough | Chronic cough |
| Nausea w/o vomiting | Nausea |
| Fever | Fever |
| Back pain (kidney?) | Chronic pain (low back, neck) |
| Abdominal discomfort | Abdominal cramping |
| Diarrhea | Loose stool |
| Loss of smell | Altered/loss of taste and smell |
| Loss of appetite | Anorexia (loss of appetite), weight loss |
| Fatigue | Apathy |
| Atrial fibrillation (new) | Atrial fibrillation |
| Low lymphocytes (white blood cells) | Decreased immunity |
| Lower platelets (blood clotting factor) | Low platelets |
| Neutrophil count/lymphocytes | Lymphocytes decline (white blood cells) |
| Interleukin-6 (inflammation) | Increased interleukin-6 |
| Pneumonia (fluid filled lung) | Pneumonia |
| Inflammatory (cytokine) storm | Inflammation |
| Elevated iron storage (ferritin) | Increased storage, transport of iron |
| Elevated C-Reactive Protein | Increased C-Reactive Protein |

He further writes:

Dr. James Robb, a pathologist who performed early experiments with coronaviruses back in the 1970s, claims that zinc lozenges are the “[silver bullet against coronavirus](#).” Zinc is required to [maintain thymus gland function to produce life-long antibodies from T-memory cells](#).

[Zinc supplementation in the elderly, the high-risk group of coronavirus Infections, lowers illness markedly](#). [Modern medicine needs to emphasize zinc therapy](#), especially during epidemics.

In summary, it looks like zinc might be the single most important preventive measure, possibly in combination with chloroquine, to **halt the spread of the coronavirus pandemic** and get the economies of the world back to work.

And that’s why the tech giants (Google, Twitter, Facebook, YouTube, etc.) as well as the corporate-run media will continue to censor all truth about zinc and chloroquine, because they actively hope to spread this pandemic and collapse the global economy. The best forms of zinc to consume as a dietary supplement are zinc gluconate, picolinate and acetate, by the way. Avoid zinc oxide, as it’s almost impossible to absorb. Beyond manufacturing medical masks and ventilators, we believe **President Trump should order emergency production of zinc supplementation**, making it widely available (perhaps at zero cost) to the entire population. This could substantially slow the spread of the virus and potentially save hundreds of thousands of lives in the USA alone.

Nebulizer Recommendation

For **lung infections** nebulize 100ppm Invive Mild Silver Protein directly into the lung fields for 3-4 minute intervals several times per day. If you want to make a 100ppm

solution (and you have a 5000ppm bottle) just divide 5000 by 100 to get: 50. So you would add 50 parts distilled water to 1 part 5000ppm to make a 100ppm solution.

Regarding nebulizer recommendations just research nebulizers on Amazon for the best ones, but this looks like a great one: https://www.amazon.com/Crane-Rechargeable-Allergies-Congestion-Irritations/dp/B07X6873BB/ref=sr_1_3?crid=2LAEU32MI4UN3&dchild=1&keywords=nebulizer&qid=1585971367&srefix=nebuli%2Caps%2C213&sr=8-3

Are Fevers Bad?

From: P

Subject: if you have the virus

Dr. Scott, Do you recommend taking Tylenol to break the fever (if the fever gets too high) along with colloidal silver? Some of the other doctors are recommending this. Thank you,

Scott Johnson's Reply: Yes I never advise this unless the fever is above 104 for an extended period of time. Fevers are a God given attribute of our immune systems designed to kill pathogens. Things like bacteria and viruses increasingly do not do well when we have an elevated body temperature. That is why we get fevers in order to "kill the bad guys" in our bodies. Also for the Covid-19 I did a report on the people that were dying in Italy and the UK, and they had almost all been taking ibuprofen prior to the virus overtaking them and them ending up in the hospital.

Calcium & Vitamin D-3 Is Vital For Your Immune System

Most people are not aware of the role that **calcium** plays in our immune system. It is actually one of the chief fuels upon which our immune system runs on. White blood cells are the main tool our immune systems use to destroy foreign infectious invaders. **White blood cells (WBC) use calcium as the main fuel to propel themselves and destroy these invaders through a process called Phagocytosis. If we don't have enough usable calcium in our body, our immune system cannot ramp up, get to and kill these foreign infectious invaders. It's like having a guided missile, with no way of getting it off the ground. Consequently, if you have a low amount of usable calcium in your system, forget about having a strong immune system. It won't happen because it can't happen. And calcium is not something that can be manufactured in the body unless we leach it from our own bones, which over time would lead to osteoporosis. One of the main signs we are deficient in Calcium during the throws of an infection, is a high body temperature or fever for an extended period of time.** A CONTROLLED fever potentiates all parts of WBC function, from formation of them, calling them out of the storage pool first and bone marrow second, to calling them to the site they need to be, it makes them move faster, it helps them to perform their function faster as well. This is well known fact.

One of the things that got me into the alternative health field was a poorly functioning immune system. I have found one of the main components in building a strong immune system is keeping calcium reserves high in the body.

On the Connection Between Graphene Oxide Found in "Covid Vaccines", Electromagnetic Fields, Blood Clots & Severe "Covid" Symptoms | How to Remove Graphene Oxide From the Body - Truth Comes to Light

Many are already aware of the work that the team of Spanish researchers that make up [La Quinta Columna](#) have been doing.

Pay attention to this finding: Graphene oxide inside the body causes thrombogenicity. Thrombogenicity refers to the tendency of a material in contact with the blood **to produce a thrombus, or clot**. It not only refers to fixed thrombi **but also to emboli, which are thrombi which have become detached and travel through the bloodstream**. Graphene oxide inside the body causes blood clotting. Graphene oxide inside the body causes post inflammatory syndrome or systemic or multi-organ inflammations. Graphene oxide inside the body when it is above the levels of glutathione —which is one of the body's natural reserves of antioxidants—, causes alteration of the immune system, collapse of the immune system and cytokine storm. Inhaled graphene oxide spreads evenly throughout the alveolar tract and causes bilateral pneumonias. Inhaled graphene oxide causes inflammation of the mucous membranes and thus loss of taste and smell, **possible loss of taste and smell: anosmia**.

In short, graphene oxide behaves exactly like the supposed SARS-CoV-2 of the official version, generating the same symptomatology of severe COVID-19. When installed at the neuronal level, it causes neurodegeneration or, in other words, neurological COVID-19.

So, from here we started to see what possible compounds, drugs and treatments could degrade graphene oxide. And look what we found: N-acetylcysteine or glutathione administered degrade it. Because what glutathione does is counteract free radicals and oxidants, all the toxins that can enter the body.

And we discovered that there were about 300 clinical studies where certain hospitals and certain universities were using N-acetylcysteine with incredible results. **For example, 100 patients with saturation levels below 50% practically dead —bluntly speaking—, with bilateral pneumonias, within an hour of intravenous glutathione or N-acetylcysteine administration they recovered. They were taken off ventilators and everything.**

Given that to date there is no scientific evidence of an actual sequencing and isolation of SARS-CoV-2, **we suspect with many credible indications that COVID-19 disease is actually the side effect of the introduction of graphene oxide into the body by different ways.**

And I say 'different ways' because, although they were withdrawn at the time, masks containing graphene oxide nanoparticles have been introduced and are still being marketed. These masks have been introduced and are still being marketed by companies such as Nanografi, so we have masks with graphene oxide, but also graphene oxide nanoparticles introduced in PCR tests; graphene oxide is also present in antigen tests; hydrogels also contain graphene oxide nanoparticles; intranasal vaccines also, since graphene oxide in aerosols is more potent, as is the supposed SARS-CoV-2. Intranasal vaccines are also prepared, for example, by Turkey. They are made by Nanografi for COVID-19 and influenza.

We know that, naturally, graphene oxide is eliminated by the levels of glutathione in the body, and that is why we suspect that they propose a second, third and even fourth dose every so often: so that you have your considerable dose of graphene oxide. In short, we are talking about the simultaneous and gradual mass poisoning of the entire world population.

We are talking about a crime against humanity with the complicity of governments or at least their participation.

When we study glutathione, we realize that it begins to fall from the age of 30 onwards, but above all it falls considerably from the age of 65 onwards. In fact, COVID-19 takes a heavier toll on older people, apart from those who are immunocompromised and have other pathologies. When we study glutathione, we realize that children have high glutathione reserves because of their youth, and the COVID-19 disease itself hardly has an impact on children. Similarly, glutathione is especially low in the obese population and we realize that it is precisely the obese who are most affected by COVID-19. We realize that glutathione is related to vitamin D. Low levels of glutathione contribute to low levels of vitamin D, and it is precisely patients with COVID-19 who have low levels of vitamin D.

Everything that we have subsequently studied only further increases and corroborates the hypothesis that the supposed SARS-CoV-2 of the official version is precisely the graphene oxide. And that all the elements of the supposed protection, that we have been given: masks, PCR tests, swabs, antigen tests and vaccine — are precisely all those elements that will potentially cause the disease to develop in the future.

And why do I say 'in the future'? When we studied the electromagnetic phenomenon we realized that graphene oxide has what is called an 'electronic absorption band'. The electronic excitation, its magnetic resonance is precisely in the third bandwidth of the 5G technology, the one that is being implemented right now and that has been with us throughout the scamdemic.

Incredibly, we are narrating a science fiction movie, but believe me, today nanoscience, neuroscience and biotechnology have advanced tremendously. Can a person be controlled or neurocontrolled remotely wirelessly? Yes, it can be done and it is probably being done in a disguised way, and that may explain some of the anomalous behavioral behavior of the population, especially those who have been inoculated or who have received doses of graphene oxide by different ways.

Subject: A friend of mine on facebook also had these magnets sticking to her chest - she is a nurse and did some research. **She found Fulvic Acid (I never heard of this)**

and she sent me a sample because within days the magnets stopped sticking to her chest. Just thought you'd like to know this. I'll let you know if it works for me. She, like me, had no covid tests and no kill shots. Once again, thank you for ALL your hard work and information and research. God bless you !!!!—Leslie

Subject: **Began drinking fulvic acid June 14th. Magnets still stick to my chest and coins also but not silverware and not that huge serving spoon.**

Also I have tons of energy and I had chapped lips that would not heal for YEARS!!!!!!!!!!!!!!!!!!!!!! nothing worked. Three days after drinking this stuff - smooth lips; no chapping. THANK YOU AGAIN! SO MUCH for all YOUR HARD WORK!

Scott Johnson's Response: Ok well that is a very important product I was planning on bring into my line so I am going to have this one in stock from now on: [Trace Minerals Liquid Ionic Fulvic Acid with ConcenTrace 2 oz. 20.00](#)

Product Description: Ionic Fulvic Acid is a rich, concentrated liquid dietary

supplement that provides 250mg of fulvic acid solution per serving, plus concentrated, 72 full-spectrum ionic trace minerals. Fulvic acid may help support and maintain healthy functions in the body, including the following: digestion, pH balance, energy production, hydration, cellular integrity, enzyme activity, muscle endurance and stamina. Non GMO, Certified Vegan, Gluten Free. Rated America's #1 Trace Mineral Brand.

3rd party tested to give you the highest quality products. We use the best manufacturing practices to keep you safe. With a degree in Biological Science I can testify to the extraordinary benefits of fulvic acid in plant and mammalian metabolic functions. This product is for my personal use. If you take vitamins or eat food you need fulvic acid for best absorption of the active ingredients. Fulvic acid is an organic chelating agent, which is a material that helps molecular nutrients (or drugs) move through cell walls better.

I notice about 15-20 minutes after taking one dose with a glass of water that I have more grounded energy. Takes time for you to feel that though, it has to build up in the system.

[Is pine needle tea the answer to covid vaccine shedding / transmission? Learn about suramin, shikimic acid and how to make your own extracts](#)

Word is spreading that pine needle tea may offer a solution against [covid vaccine "shedding" or transmission](#), which appears to be a phenomenon where vaccinated people are spreading harmful particles or substances to others around them. See [this article from a WordPress blog site called "Ambassador Love."](#)

That article states:

There is a potential antidote to the current spike protein contagion which is called Suramin. It's found in many forests around the world, in Pine needles. Suramin has inhibitory effects against components of the coagulation cascade and against the inappropriate replication and modification of RNA and DNA. Excessive coagulation causes blood clots, mini-clots, strokes, and unusually heavy menstrual cycles.

Pine needle tea is one of the most potent anti-oxidants there is and it's known to treat cancer, inflammation, stress and depression, pain and respiratory infections. Pine tea also kills parasites.

Below, find a full podcast and video that reveals two extraction methods, both of which are simple, low-tech, low-cost methods that can be used almost anywhere. Fresh pine needles from appropriate trees have been used for centuries as sources of vitamin C and other phytochemicals that Native Americans used to treat respiratory infections and other ailments. Vitamin C is a known cure for scurvy, as scurvy is a disease of vitamin C deficiency. Pine needles contain many other substances that appear to reduce platelet aggregation in the blood, potentially preventing blood clots that lead to strokes, heart attacks and pulmonary embolism diagnoses. (See published science sources below.)

Pine Needle Tea

You can make pine needle tea two ways. One is to pull three or four needles off a tree and stick them in a cup of hot water. Wait a few minutes then enjoy with or without sweetener.

Or collected a handful of pine needles. Needles nearest the trunk are higher in Vitamin C. Chop the needles and put them into a tea ball. Bring water to a boil. Take off the boil. Steep the pine needles for 3-5 minutes. The tea is delicate.
