NEWSLETTER – THURSDAY 23 NOVEMBER

FR. MATTHEW MOLONEY
COLLEGE CHAPLAIN

CONGRATULATIONS & FAREWELL

To all the Year 12 students who are finished school, congratulations on your achievement. There have been many speeches, laughter, tears and retelling of stories for you all over these last days of your school life. You have finished your subjects, sat your last school exams, handed in your last assignments, well done to you all.

To all the Year 6 students you are on the cusp of something exciting and new, high school, enjoy it. To the parents of these children and all children, take a moment to give thanks to God for your children, because before you know it they will be in grade 12 and off living life before you know it. Treasure them and love them now, this is the time.

To all the School Community well done on your achievements this year. Keep being challenged by the Gospel of life to live the very best you can. Make a difference to the world, one person at a time.

If I may give one piece of advice to you all: be kind. Be kind to those who you will encounter in your lives in the wider world. Be kind to your families and friends, they are important to you and hold you in times of need. Be kind to those who are not so easy to get along with, they will remember you for your kindnesses. If not now, they may later in their lives as they overcome the struggles which they endure.

Importantly, be kind to yourselves. In your joys and celebrations of achievement and success, be humble in your kindness in how you do this. It will be a mark of your success in how you share it with others and for others. In times of doubt, struggle, loss, or failure. Be kind to yourselves especially in these times. Reach out and call on those who love and care for you, the kindnesses which you have shared will hold you and give you strength to get up and take another step. Do not give up. It is not the end of the world. Things will get better.

In your kindness for others and yourselves, you will see the face of God that is within you and that is and can be shared with those around you. You will change the world by being kind and you will be the face of God in our world. Thank you for that gift, now go and share it with the world.

Finally, life throws up curve balls at times and it has again done it for me. It is with sadness that I say farewell as I have been appointed to the Capricorn Coast in 2018. It has been a short time with you all, but one that I will remember always. Thank you for your enthusiasm and commitment to sharing the journey of life. God bless you all.

Amen.

Fr Matthew Moloney

END OF YEAR PRAYER

Loving Father,
Holy Spirit,
Jesus who greets us on the
Emmaus Road,
we pray for all of our
departing students,
our Senior graduates and
others who have left us,
that they might walk in God's
light on the road ahead.
We pray that the school
holidays might be
a time of rest, peace and
recreation
for all staff and students, their
families and friends.
May God bless us and keep us
in the love that brought us
into existence.
Let us be inspired by the
Christmas story
to be generous, to welcome
strangers,
to show our love for others
and
to care for God's good
Creation,
of which we are a part.
Until we meet again,
may every one of us
be the hands, the feet, the
ears and the voice of Christ
in every place we gather
and with every person we
encounter.
Amen

CHRISTMAS AND HOLIDAYS

This is our final newsletter for the year. We wish all families in our community a blessed, safe and happy Christmas. Christmas is a time where we celebrate God coming into the world – Emmanuel. God comes to us in the form of a lowly and poor baby in a manger. It is a reminder to us all to remember those who are poor and those who are outsiders at Christmas. Finally I thank you all for your support of the college in 2017. My prayer for you all is that you have a safe and relaxing holiday with batteries fully recharged for a great year in 2018.

SECOND HAND CLOTHES SALE THIS SATURDAY

This Saturday 25th November there is a second hand uniform sale 11-1pm in the drama rooms. There will also be election booths in the hall so you can get uniforms and perform your civic duty in the one location.

FAREWELLS TO SENIORS

We gave our Year 12s a very fitting send off last week. We had our formal assembly in the college hall on Friday morning. Graduation mass at Holy Family Church on Friday night and the Graduation Walkthrough and Formal on Saturday night at the college. We wish them all the best and pray that they will be safe over this period of holidays as they prepare to venture out to the world at large.

A big thank you to all staff, parents and student volunteers who assisted with the logistics of these farewell celebrations.

THE MISSION AND MINISTRY TEAM OF EMMAUS COLLEGE

BLESSINGS FROM THE MISSION AND MINISTRY TEAM AND THANK YOU FOR WHATEVER YOU HAVE DONE TO LIVE GOD'S MISSION AT EMMAUS THIS YEAR.

Amongst the prayers, Masses, retreats, Lenten appeals, awareness raising, fundraising, Conversations, liturgies, discussions, wisdom, faith sharing, singing, committees, groups and many other activities that enhance and bring to life what underpins our journey in our Catholic college, we are grateful to all who listen to and encourage others in this sometimes difficult but empowering ministry.

Thank you for your support, witness and prayerful commitment to sharing faith and God so joyfully and enthusiastically. We invite you to continue to live fully the Gospel message in our college next year in whatever way you can.

As a team, we say farewell and thanks to 'Lochie' for the rich faith-filled leadership he has shown as AP Mission for the past fifteen and a half years.

Lochie, we are grateful for the wisdom and guidance you have always shown and your commitment and perseverance to keeping the language and mission of Jesus to the forefront of all that we do here at Emmaus. Your faith and knowledge has empowered many of us to continue bringing about the Good News in our community. Your leadership and willingness to share so passionately with staff, students and

the wider community has laid great foundational direction for what is to come built not only on the tradition of Emmaus but always forward thinking and wanting to learn much that is new. **Thank you for all of that and more.**

Our prayers are with you as you return to being a classroom teacher – our students are very lucky. Not that we 'lose' you of course as you will still be (we hope) as involved and committed to the Mission no matter what your position.

We also look forward to continuing to share the journey with Mrs Aine Toman as she moves into her new position as AP Mission.

We bid farewell too, to Fr Matthew who has been our College Chaplain and wish him the best in his new appointment. **Thank you for your guidance in faith this year.**

We welcome in 2018 our new Chaplain, Fr Marcel as he takes up his new appointment in the North Rockhampton Catholic Community.

Finally, many Christmas blessings to you all. We look forward to what the New Year will bring.

Maybe we will see you in a church somewhere during the Advent and Christmas season.

Blessings and prayers,
The Mission & Ministry Team at Emmaus

SEAMUS TOMAN

DIRECTOR OF CAMPUS
Middle School - Yaamba Road

"There are no secrets to success. It is the result of preparation, hard work, and learning from failure."

The quote above is from **Colin Powell** a four star general and American Politician. His professional career as a soldier and his climb from the streets of Harlem to the corridors of power in 1600 Pennsylvania Avenue resonate with the above statement. Next week your child will receive their report, in it there will be grades and comments. Now what do you do with this? Will you lambast your child for a mediocre performance? Will you celebrate with abandon? Will you tactically ignore the results, which you think could have been better?

You should, however ask your child these questions?

- Are these results reflective of your ability?
- Are these results reflective of your efforts?
- What did you do to get these marks?
- Is there anything you could do to improve them?

- What worked particularly well in 2017
- If you were to repeat the year, what would you do differently?
- Looking forward to 2018 what, can we learn from this year?

Why not write the responses down, and attach the paper to the fridge or Family noticeboard? When January comes around resurrect the paper and use it as a point of reference for the coming academic year. We now have a reference for 2018 and hopefully a motivating tool to improve or maintain good academic progress.

2017 has been a good year on Yaamba Road, we have seen the Year 7 cohort settle in, and have engaged with their teachers with purpose and passion. We have watched the refurbishment of the Hall and the construction of the new Fitness Precinct. Only this week we have watched Peter Anderson and the groundsman begin work for 2018 with the ovals being "dressed".

We continue to be very successful in the field of sport and Joseph thrilled the crowds at the Pilbeam Theatre. The production and the sports success do not just happen by accident. Academic success is no different.

As we review 2017 and look forward to 2018, consider the obstacles your child has overcome this year, think of the times they have demonstrated courage and resilience. Celebrate their successes and remind them that success comes from repeatedly going back to our reservoir of resources to overcome failure, dispel fear and turn failure into victory.

Have a great break and get rested and refreshed for 2018

MAKING JESUS REAL

It is hard to believe another year is almost over. Year 12 left with a wonderful outpouring of joy, hope and prayer last week and again a tremendous thank you to all those behind the scenes who made it happen.

As we come to the end of the year it is a good time to reflect on all that has happened, to be thankful for the opportunities and challenges that helped us grow along the way. The holidays allow us a chance to rejuvenate, refocus and look with hope to the year to come.

I was blessed this year to work with a wonderful group of juniors in the Cultural Group. I want to take this opportunity to thank them for all their support this year in organising and running many activities and for the dedication they have shown to serving our community. The group will finish the year sorting out the St Vincent de Paul Christmas donations on Friday. The support this year on the middle campus has been wonderful with a number of classes on their second boxes, well done. There is still time to get items in and I would encourage all students to take this opportunity to give generously at his time of year.

In Proverbs, we hear that, ***"A gift opens the way and ushers the giver into the presence of the great."*** Giving brings us closer to God. Jesus continually calls us to help the less fortunate. As Christians, we celebrate the Gift of Christ in our lives at Christmas, the ultimate gift given freely. In Luke's Gospel we are encouraged to ***"Give to others, and God will give to you. Indeed, you will receive a full measure, a generous helping, poured into your hands—all that you can hold."***

Thank you all for the gift you have been our community this year. May Christmas be truly a time of Joy, Hope and Family for you all. Enjoy the holidays together and look forward to next year and the opportunities it will bring.

God Bless,
Take Care.

LINDA MCKENZIE

HEAD OF FACULTY
Religious Education

WHY DO WE NEED TO STUDY RELIGION?

Studying religion gives students the opportunity to explore some of the deepest and most significant ideas and values that have emerged in human history.

Studying Religious Education, Study of Religion, and Religion and Ethics helps students to understand the teachings of world religions, how these teachings are applied, and how faith forms and informs contemporary society. Exploring the range of religious worldviews at work in the past and present is crucial for understanding what people do and why they do it. This is an increasingly globalised world so understanding the profound role that religion plays in human, social, cultural and political life becomes more important.

Students studying Religion at Emmaus College are taught to be critical thinkers about religious issues rather than being influenced by biased sources.

If you are interested in what students study in these subjects, please view the following two short videos.
