

# **Engage Readers. Achieve Common Core Success.**

### Scholastic: Why Are We Here?

#### Market leader in nonfiction content:

- 22 print magazines across the curriculum
- Avidly read by 25 million subscribers

#### **Experienced digital publishers:**

- Launched Scholastic News Interactive for web and IWB in 2010
- Offer 21 web sites with rich interactive content in addition to time-honored print versions

## Uniquely positioned to meet the needs of the Common Core:

- Highest-quality, curriculum-aligned informational text and fiction
- Titles have been fully Common Core-aligned for two years
- Scholastic has 92 years of expertise in designing instructional materials for extracting meaning from text

# Today's Need: Common Core Demands are Creating Instructional Shifts in the Classroom

To meet the demands of the Common Core State Standards, teachers are being required to teach:

- More informational text (50 percent)
- Increasingly complex text; students need to be able to navigate texts of varying complexity successfully
- Deeper, more evidence-based mastery of those texts using close-reading skills

Teachers need resources to successfully implement these instructional shifts, such as

- Access to a wide range of high-quality informational texts
- Support in creating assignments and lesson plans aligned to the Common Core
- Professional development in teaching nonfiction reading in the rigorous way demanded by the Common Core

## **Scholastic's Solution: Core Clicks**

Engaging Content Students Love to Read. Custom Built for the Common Core.

### What Is Core Clicks?

An engaging multimedia K - 5 reading program to build close reading skills for Common Core success

Core Clicks provides the robust support teachers need to achieve CCSS and ELA objectives:

- High-quality **informational texts** at varying levels of complexity
- Models best practices for teaching close reading and analysis of informational texts
- Easy to implement and requires no training
- Works on any web-enabled device: interactive whiteboards, tablets, and computers
- An elementary ELA solution, Core Clicks complements any ELA curriculum

### **Core Clicks - Custom Built for the Common Core**

- Multimedia instructional units provide quality informational texts along the "staircase of complexity" that the Common Core demands
- Multiple encounters with each text build close reading and analysis skills that are central to the Common Core
- "Spotlight Skills" help all readers reach proficiency in key skills
- Text-dependent questions prepare students for the types of questions they will encounter on PARCC and Smarter Balanced assessments.

### Why Teachers Love Core Clicks

1

**Content kids will want to read**. Core Clicks' exclusive content is developed by the expert nonfiction team that creates *Scholastic News* and *Weekly Reader*— exciting, relevant classroom magazines avidly read by 25 million students

2)

**Pedagogy teachers can trust**. Scholastic's editorial team worked with experts including Nell K. Duke, Ed.D., a nationally recognized expert in literacy development

3)

**Skill building for the new assessments.** Core Clicks lessons provide practice on the kinds of questions and tasks students will encounter on the PARC and Smarter Balanced assessments

4)

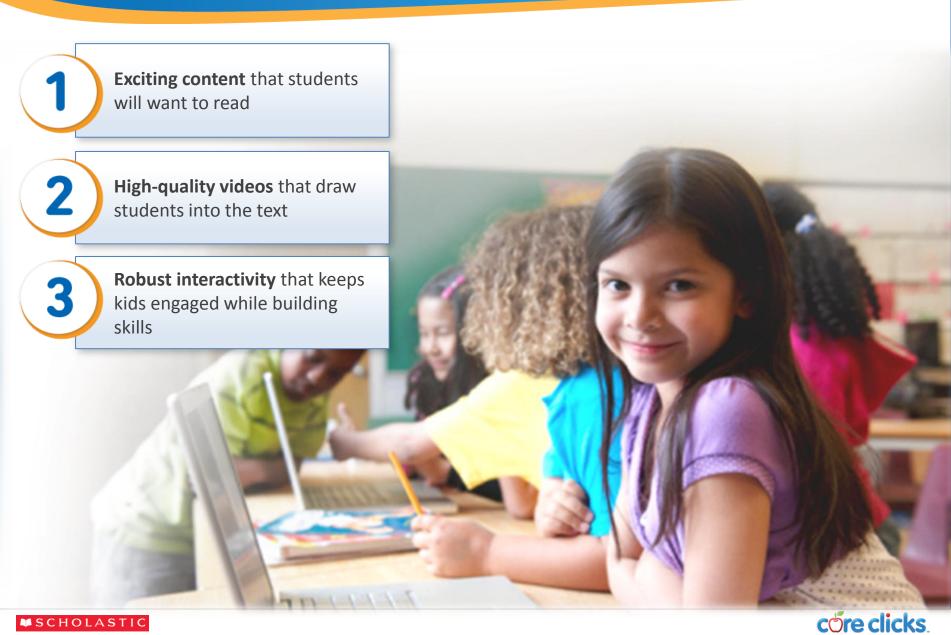

A wealth of content, appropriate for diverse learners. Teachers have access to instructional units in all K - 5 grade levels

**5**)

**Easy to use, plug-and-play on any device.** Teachers will spend time teaching content, not learning a new technology

### **Why Students Love Core Clicks**

### **Core Clicks in Your Classroom**

#### **Use Core Clicks to:**

- Supplement and enrich your ELA curriculum
- Extend or review science or social studies topics

#### **Core Clicks is designed for:**

- Whole group instruction
- Small group instruction
- Independent use

# Use Core Clicks on any web-enabled device:

- Interactive whiteboard
- Desktop or laptop computer
- Digital tablet or other handheld device

# **Core Clicks Overview**

Program Features and Pedagogy

### What You Get When Your School Buys Core Clicks

Reading Checkpoints

#### 108 Text Studies

(18 per grade level): multimedia instructional units, each based on a high-interest informational text, that take about 4 class periods to complete

#### **20 Skill Videos**

(10 for grades K-2, 10 for grades 3-5): Direct instruction on "Spotlight Skills," key skills tied to the Common Core

#### 33 Reading Checkpoints

(3 for K-2, 6 per grade level for grades 3-5): Students apply the skills they've developed on new texts for performance-based assessment

- Implementation and Teaching Support: Online implementation guide and lesson plans
- **Tracking and Reporting:** Digital locker technology supports reporting on individual and group performance

### **Text Studies: The Heart of the Program**

- Robust instructional units are built around multiple encounters with one high-interest, curriculum-connected text
- Three interactive reads each have a different learning objective, and guide students to deeper comprehension with each pass
- Fun multimedia and interactive elements engage and sustain reader interest

### **Integrating Core Clicks into Your ELA Instruction**

- Recommended implementation: completion of one text study every two weeks during time devoted to literacy, science, or social studies
- One text study takes approximately four class periods to complete

#### **Class Period 1**

 Objective: Build engagement and introduce the text with vocabulary support

#### **Class Period 2**

Objective: Build the text-dependent analysis skills students need to meet CCSS assessment goals

#### **Class Period 3**

 Objective: Encourage students to think deeply and critically about the text

# Wrap Up & Review: Skill Workout & Question Quest

#### **Class Period 4**

- Skill Workout A deep dive into the Spotlight Skill highlighted in the text study
- Question Quest: A light assessment consisting of five multiple-choice questions

### First Read: Read It

**Learning Objective**: Introduce the text and provide vocabulary support to lay the foundation for comprehension

- Students read the text with the teacher in a whole or small group with or without audio support
- Multimedia elements engage students and build excitement about reading
- "Word Workouts" provide thoughtful contextually-based vocabulary support

### **Second Read: Analyze It**

**Learning Objective**: Build the text-dependent analysis skills students need to meet Common Core assessment goals

- Students re-read the text and answer text-dependent questions that for mastery of concepts and content
- Skill-building interactive tasks on every slide include text marking, multiple choice, and fillin

### Third Read: Discuss It

**Learning Objective**: Encourage students to think deeply and critically about the text

- Students use this read to focus on higher-level thinking questions that will lead to true ownership of the text
- "Did you discuss" pop-ups summarize key discussion points

**Grade 1:**A Reason to Be Red!

### Wrap Up & Review: Skills Workout and Question Quest

◆ Spotlight Skill Workout: A deep dive into a key skill includes a video, activity, and printable worksheet

Question Quest: A light assessment consisting of five multiple-choice questions

### **Special Features: Spotlight Skills**

- 13 "Spotlight Skills" are key skills for reading comprehension tied to Common Core ELA standards
- Each Text Study focuses on one Spotlight Skill and includes a corresponding Skill Workout
- Each Spotlight Skill has a grade-appropriate Skill
   Video for direct instruction
- Core Clicks content is searchable by Spotlight Skill, as well as by reading level, text complexity, and standard

### **Special Features: Skill Videos**

A bank of entertaining videos provides direct instruction on Common Core "Spotlight Skills"

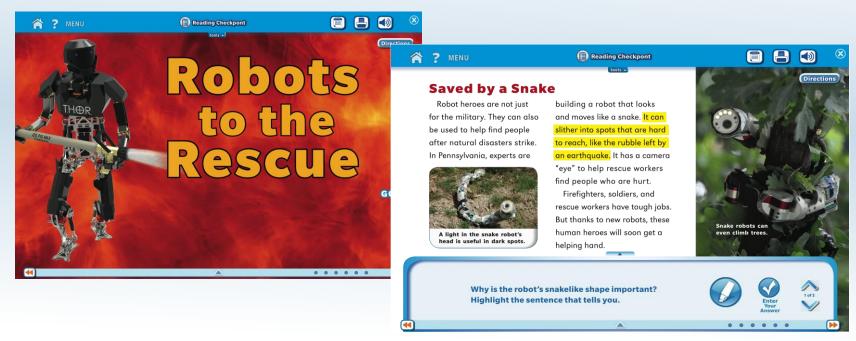

**Grade 3-5:** Cause & Effect

### **Special Features: Reading Checkpoints**

- → New texts give students an opportunity to apply the skills they've developed during the Text Studies
- ◆ Six reading checkpoints per grade level for grades 3-5 and three for K-2 offer periodic performance-based assessment or skills practice
- Embedded, interactive and trackable tasks provide individual practice with the types of questions students will encounter on PARCC and Smarter Balanced assessments
- Reading Checkpoints for younger students are completed with teacher support

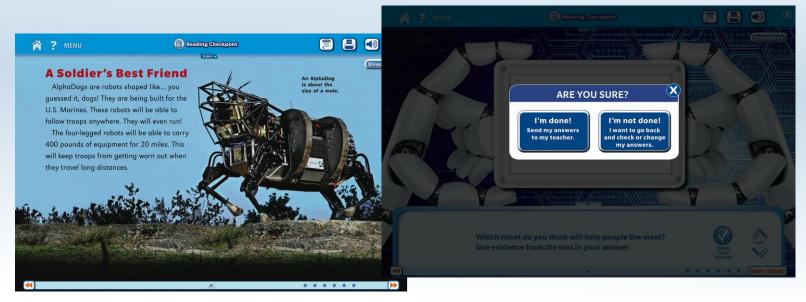

### **Special Features: Password-Protected Student View**

#### Teachers can assign any component of Core Clicks to individual students

- Students log in to complete assignments through a password-protected student view
- Digital locker technology provides tracking and reporting tools
- Question Quests (quizzes) and Reading Checkpoints (assessments) are trackable
- → For all other components (any "Read" of a Text Study, Skills Workouts, Skill Videos), the application records completion of assignments only

### **Online Teaching Support**

Online implementation guide

 Online lesson plans feature standards correlations, writing prompts, and extension activities

Lesson plans support struggling,

advanced, and ELL readers

### **Teacher Website – Teacher Space**

- Easy-to-use tools simplify program management
- Teachers effectively manage class reading groups, assign and view student work, manage student grades, and create reports

### **Just Log in to Get Started!**

- No technology implementation is required, simply log in and begin using
- It's an intuitive platform that's easy to use for both students and teachers
- Core Clicks can be used on any interactive whiteboard or webenabled device
