Don't just take our word for it

Lindsay + Nick Married on 11/17/19

"Nothing but Class! My wife and I were introduced to Cross Creek Ranch by a family member while looking for wedding venues. When the day came when we were finally able to tour the property, it was a done deal after 10 minutes. From then on, Cross Creek was with us every step of the way and made the pre-wedding day plans as simple as can be for mainly my wife but also for me and our family. The countless team members that took us through the wedding process were knowledgeable and communicated well every step of the way."

Brandy + Anthony Married on 10/18.19

"I can't put into words how happy I am that we chose CCR for our wedding venue. The staff and quality of service is hands down the best. There is little to no stress for your big day. Every detail I wanted for our wedding day was executed!!! I highly recommend this venue to everyone getting married."

Brittney + Eric Married on 11/15/19

"Everyone from our initial meeting to our wedding night was extremely helpful as well as professional. This place goes above and beyond to make sure every little detail is exactly what you want. We wanted from the start, to choose an all inclusive venue so that we could sit back and not stress over all of the many things that go into creating a perfect wedding. Thank you to each and every team member we had the pleasure to work with!!"

Our expectations are met, when yours are exceeded.
