Big Fun

Mario Herrera, Barbara Hojel

American English • 3 Levels • CYLET Starter

Big Fun for a big start in English

Watch them enjoy learning English and new skills.

Big Fun prepares students for a natural and positive experience with language.

- **Communication:** because young children like to express their interests and ideas
- **CLIL:** because young children are learning English and so much more
- **21st Century Skills:** because young children need to be prepared for the world that awaits them
- **Assessment for Learning:** because awareness and confidence lead to success

Big English Plus

Balanced development of language skills, CLIL lessons, Critical thinking about BIG ideas and Culture Connections are core to this course helping students build 21st century skills. Assessment for Learning encourages self-efficacy and develops learner confidence to think BIG.

Plus edition takes the proven methodological approach and features of BIG ENGLISH and enhances these with additional reading, grammar and exam preparation materials. It is a content-rich course with 6-10 hours of classroom teaching per week, which offers everything teachers need to prepare students for success in exams and everyday life:

- Content focused on the real world, academic and cultural (CLIL),
- Activities to develop essential life skills (21st Century Skills),
- Integrated and ongoing assessment to track performance and target remediation (Assessment for Learning),
- Exam preparation to build familiarity and confidence with test.

"For American Edition ISBNs please consult with Pearson representatives."

With Plus edition;

More authentic reading and activities based on variety of real world content,

More Grammar,

More exam preparation,

Teachers and Schools with intensive English language programs that aim to prepare students for external exams,

Parents with ambitions for their child to excel at English to optimize opportunities in future life,

Choices is an upper secondary course aimed at 15-19 year olds, covering the CEF levels A1-B2+. It gives teachers the flexibility to choose between different tasks within the core English learning skills and adjust the course to their students' individual needs.

DESIGNED TO MOTIVATE AND INSPIRE TEENAGERS

Selections of teenagers' favourite topics, such as video games, parties and eccentricities

Student-friendly and visually appealing format that makes English learning enjoyable, natural and exciting

Focus on autonomous learning: tasks that encourage students to take control over their knowledge and skills development

Great variety of teaching and learning elements from classic Students' and Teachers' Books to powerful Active Teach and MyEnglishLab online components

DIGITAL COMPONENTS

At Pearson we believe that technology improves learning, so we have designed a variety of digital tools to help teachers and learners stay ahead of the game.

- **Active Teach** - everything the teacher needs on one CD: audio, DVD, interactive activities and exercises, printable materials and assessment tools, including the Test Master tool for teacher-tailored versions of the tests.
- **eText Format** - students and teachers can access the course on any tablet device, wherever they are and whenever they want to.
- **MyEnglishLab** - the powerful online learning component that gives teachers better insight into student progress and greater control over class assignments.

Speakout

Antonia Clare, Frances Eales, Steve Oakes, JJ Wilson

British English • 6 Levels • CEF A1 – C1

Developed in association with BBC Worldwide and BBC Learning English, Speakout brings the real world into your classroom.

With its authentic material from the BBC, **Speakout** exposes students to language as it is really used, giving them confidence to communicate. Lessons cover all four skills, grammar and vocabulary. Each unit ends with a lesson based around an extract from a BBC programme which provides a springboard for speaking and writing tasks. Street interview videos filmed by the BBC also give students access to authentic English.

MyEnglishLab for **Speakout** is the online component designed to complement your course.

ActiveTeach, for IVBs is full of resources to use in class.

“Speakout instantly brings English into life through its role plays, podcasts and BBC programmes. Thanks for such a wide range of authentic context, my students can easily apply newly-learnt constructions into active daily use.”

TALK ABOUT CUTTING EDGE 3RD EDITION

It's a very exciting time to be involved on learning a language because there is just so much out there. The challenge is how to make sense of it.

People realise the internet is out there and there's lots of English on it but it's very, very difficult for a student to find their way through that information. So what we tried to do is guide them carefully, so that task becomes something manageable, do-able.

These are the kinds of skills people need nowadays and this is what people are doing – researching things on the internet, so the more we can connect the classroom material with the real world out there, the better.

New Total English

Diane Hall, Mark Foley, Araminta Crace, Rachael Roberts, Antonia Clare,
Richard Acklam, JJ Wilson, Jonathan Bygrave

British English • 6 Levels • CEF A1 – C1

In **New Total English**, the grammar syllabus has been thoroughly revised and there are more CEF **Can Do** objectives for clear learner outcomes. There's more emphasis on writing, with a **Writing Bank** that covers different text types and writing sub-skills. There's also a full pronunciation syllabus which is integrated throughout the course.

New Total English is also available as a blended learning programme with **MyEnglishLab** for levels Elementary to Upper Intermediate.

The fourth edition of this successful five-level series engages students through authentic and compelling content and empowers them to achieve their academic and personal goals.

Conceptualized to promote critical thinking, NorthStar Fourth edition infuses analysis, synthesis, evaluation, and application throughout every lesson, not just in a critical thinking section like in other series.

Blended approach with MyEnglishLab: NorthStar – Online activities offer support and expansion, fully blending the student book with MyEnglishLab for extra practice, in-depth analysis, ongoing assessment, and instant feedback.

New and updated content, with thought-provoking themes ranging from phobias to social media, students will connect to the most current content available. Inclusion of explicit language skills allows students to build their language proficiency. Presentation and practice in each unit raise student awareness of key academic skills.

Use the Teacher Resource eText* to access:

- A digital copy of the Student Book for whole-class instruction.
- Downloadable achievement and placement tests.
- Printable resources including lesson planners, videoscripts, and video activities.

Academic Connections

Betsy Cassriel, Marit ter Mate-Martinsen, David Hill, Julia Williams

American English • 4 Levels • CEF A2 – C2

Developed with the Educational Testing Service (ETS).

Academic Connections is based on extensive research into the English language demands of higher education. It is an integrated skills course perfect for students preparing for academic study and tests such as the TOEFL iBT®.

Step-by-step academic skills development helps students to organize information, make connections and think critically. Authentic tasks include: lectures, note-taking activities, debates, oral and written reports and essay writing.

The Student Book and teachers' notes are fully blended with a **MyEnglishLab** component.

“Have recently used – with amazing success – Academic Connections. Students' acceptance of these tests was highly gratifying. As preparatory tests for academic English, they are excellently written and produced. Extensive online materials for self-study and interaction.”

Bill Kerr, Koç Üniversitesi, Istanbul

“The online resources provide an opportunity to preview target vocabulary and content, engage students in blended learning activities and review or expand on the learning targets for more differentiated instruction - keys in the innovative program we are seeking to deliver.”

ON ACADEMIC CONNECTIONS

I very much enjoyed working on the Academic Connections series. With its innovative integrated task-based approach and high interest topics, it should engage a wide range of students heading for academic study in English. One of the most enjoyable aspects was searching for the authentic material that had to do two things: be sufficiently high interest to engage every student, and to be representative of the lectures and reading that students would have to do in their tertiary studies. These materials form the basis for tasks that integrate the skills and help students learn how to succeed in the assignments they will be set at university.

Pearson English Interactive

LEAP: Learning English for Academic Purposes

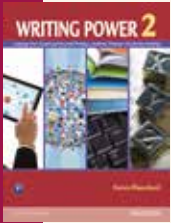

Julia Williams, Dr Ken Beatty

Available in two complementary strands: **Listening and Speaking** and **Reading and Writing**, these books offer a cross-curricular approach to teaching students the skills they need to thrive in a real-life academic context. Each chapter is built around warm-up and final assignments that help students progress towards greater autonomy, while challenging texts and tasks encourage students to reflect critically on the content and develop their academic vocabulary. Extra practice opportunities are provided online with the Companion Website Plus where teachers can track their students' progress.

Market Leader 3rd Edition

David Cotton, David Falvey and Simon Kent

5 Levels • CEF A1 – C2

The 3rd Edition of this ever-popular course combines the latest theories with the features that have made it a best seller. The course includes reading texts from the Financial Times® and case studies which enable your students to use English in authentic business situations. After completing the case studies students are motivated to view the case study commentaries on the DVD-ROM that provide opinions from successful consultants who work in the real world of business. New **Business Across Cultures** spreads also focus on the cultural issues that they need to be aware of to be successful in today's global business environment.

"We have been using **Market Leader...** for many years. Authentic business sources such as the Financial Times, informative interviews and interactive case studies make this course unique and enjoyable. In spring semester we started using **Business English ActiveTeach**, which provides software for interactive whiteboards. It has made the learning process much more exciting and student friendly."

Technical English

David Bonamy

4 Levels • CEF A1 – C1

Technical concepts are clearly explained and presented with informative illustrations in this four-level course. **Technical English** teaches the core language common to a number of specialisations and is ideal for vocational education or for company employees. The topics reflect the most recent developments in technology, keeping learners interested and motivated. The Teacher's Book provides full support including clear explanations of technical information.

“The Technical English series is challenging and rewarding. It provides students with, not only the language skills necessary to function effectively on technical courses or in the workplace, but also the everyday English needed in a variety of situations.”

Azar-Hagen Grammar Series

Betty S. Azar and Stacy A. Hagen

3 Levels • CEF A1 – C1

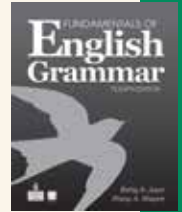

New – Basic English Grammar Fourth Edition.

The Azar-Hagen series has defined grammar teaching for decades. Clear, direct and comprehensive, this three-level course uses a grammar based teaching approach – blending grammar methodology and communicative methods – to optimize instruction.

New MyEnglishLab (Basic and Fundamentals)* offers online instruction through a dynamic combination of interactive exercises, animation, readings, audio and voice recordings with gradebook.

“The explanations of the grammar points are detailed and extremely clear. I love that my students have the opportunity to learn new words as they practice grammar. Students can use their books as a reference for years after their grammar class because of its completeness.”

SPEAKS GRAMMATICALLY

By teaching grammar, I don't mean teaching rigid "rules." I mean helping students see how English works and giving them lots of opportunities to experiment with their new language and gain confidence. A grammar base leads to interviews, round-robin stories, information sharing, games, small group discussions — the list goes on. Grammar becomes a springboard to successful communication experiences, the building blocks of second language acquisition.

It's important to note that grammar-based and communicative approaches are not mutually exclusive. Indeed, just the opposite is true. They fit hand in glove. A great deal of research shows that combining a grammar focus with communicative methods accelerates learning.”

Focus on Grammar

Irene E. Schoenberg, Jay Maurer, Majorie Fuchs, Margaret Bonner,
Miriam Westheimer

American English • 5 Levels • CEF A1 – C1

This contextualized and integrated 4 skills approach supports accuracy in grammar and fluency.

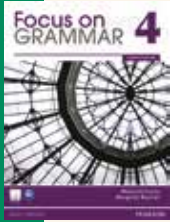

The 4th edition has updated Charts and Notes that have been streamlined for greater clarity and ease of instruction. More assessment, more skills development and updated readings bring more focus.

MyEnglishLab for Focus on Grammar, offers online homework and individualized instruction, anywhere, anytime.

“Focus on Grammar helps EFL students... to acquire grammar skills to put into use, instead of just answering test/exam questions. Also it helps students recognize knowing the rules is not the goal of learning grammar.”

TALKS ABOUT TEACHER DEVELOPMENT

“In the day-to-day reality of a teacher’s hard-pressed life, it’s sometimes difficult to remember what teaching is really for!”

I can still remember my first teaching practice in front of real students, it was terrifying! Like so many people I didn’t know even the basics, so where do you find that initial knowledge or develop your skills further?

Today teachers want books that are enjoyable, informative, fun and easy to read and we hope that’s what you’ll find here.

Just remember, even if you’re only half as good as most teachers are, something extraordinary will happen as you walk through the door and the teacher in you kicks in. It may not be the best lesson ever, nor the nicest group you’ve ever taught, but when the magic works, you suddenly know with a great sense of satisfaction exactly what teaching is for.

Essential Teacher Knowledge

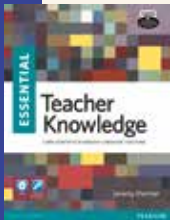

Jeremy Harmer

“This book takes topics that have been treated in an academic manner for years and turns them into hands-on classroom approaches, accessible to even very inexperienced teacher.” - Roger Hunt, Judge, Ben Warren Prize 2011

Essential theory, practical teaching advice and classroom ideas all presented across two page units, in full colour. Written in accessible English, **Essential Teacher Knowledge** is ideal preparation for TKT and other entry-level teacher qualifications or as a handbook for any EFL teacher.

Also included in the book are:

- DVD showing key teaching techniques and teachers from around the world sharing opinions and ideas about key issues for the global English teaching community
- PIN-coded access to extra online material

The Practice of English Language Teaching

Jeremy Harmer

“A cornerstone for all English language teachers and trainers.” ESU judges

Take a look at this award-winning book and see why so many courses highly recommend it and so many teachers highly rate this book. 24 chapters provide a storehouse of information and ideas. The DVD shows whole-lesson progression and management, including interviews with teachers about how they structured their class and why.

The brand new edition has a practical new design in full colour which helps you quickly find your way around the material, an updated DVD, plus extras material like lesson plans, printable activities, case studies and more, on the Teacher Training Professional Development Website.

The material addresses new topics such as the rise of CLIL, flipped classrooms, learner efficacy, the development of soft skills – critical thinking, intercultural competence, presentation skills, digital literacies and other ‘21st century skills’.

PENGUIN KIDS/CLIL

...are 'Worldly-Wise' kids!

But life is not all about the big-screen and multi-million dollar production. Real life exists outside of the fantasy so we bring you titles for balanced learning. Sticking with the highest quality design and the same stringent criteria for levelling and writing, we are thrilled to bring you the latest titles to join Penguin Kids!

NEW SHARKS

L2 *Izabella Hearn with Alex Hearn*

Book with CD-ROM and Audio – 9781447954316

Freddy lives on a Pacific Island. There, the fishermen – and Freddy's father – can only make good money from shark finning. Will sharks have to die so Freddy can go to college? Or can he and his friends bring money to the island and protect the sharks?

Please add the following under Sharks:

THE CONFESSION

L4 *John Grisham*

Book 9781408291290

Donté Drumm is four days away from execution for a murder that he didn't commit, when the real murderer decides to confess to the crime. But will the lawyers, judges, and politicians listen to his confession? Is it too late now to save the innocent man?

MIDDLEMARCH L5 George Eliot

Book 9781408291405

With Audio 9781447938095

In Middlemarch, in the heart of England, Dorothea wants to change the world and Dr Lydgate hopes to make great scientific discoveries. But after disastrous marriages, they both lose control of their lives. Can they ever achieve their dreams?

Middlemarch is generally considered to be one of the greatest novels in the English language.
