Cub Cadet

INTRODUCING THE CHALLENGER SERIES 550 AND 750

We built the Challenger Series on the principle of possibility. It's up to you to define its utility. Snow, sleet, mud or heat, there's nothing that can stop you from your next challenge. Take the trails less traveled, and if they don't exist, blaze them yourself. Own the land with a machine built to handle tough terrain. The Challenger Series conforms to your challenge, so you can give it purpose you could have never imagined.
