Title I

ESEA – Elementary and Secondary Education Act

What is Title I?

- ☞ Title I provides financial assistance to local educational agencies, public and charter, to meet the needs of educationally disadvantaged children at preschool, elementary, and secondary school levels.
- ☞ Title I is the largest source of federal funds to education. We receive Title I funds based on the number of low-income families that reside within the district as determined by the US Census.

What is Title I?

- ∞ The purpose of Title I programs is to help all students succeed in reading and mathematics.
- ∞ This is accomplished through supplemental programs that consist of instructional services, instructional support services, school wide reform efforts, and increased involvement of parents in their children's education.
- ∞ Supplanting Rule: Title Funds must be used for services above and beyond the typical services provided to every school. The district cannot replace an existing service with Title funding.

Two Title I Models

☞ Schoolwide Program

- ☞ *Over 40% of students receive free or reduced lunch*
- ☞ *Comprehensive plan designed to upgrade entire educational program.*

Gateway Pointe Elementary

☞ Targeted Assistance Program

- ☞ *Fewer than 40% of students receive free or reduced lunch.*
- ☞ *Focus on meeting the needs of identified students struggling in reading and/or math*
