The Girl Scout Leadership Experience (GSLE): Leadership Journeys + The Girl's Guide to Girl Scouting

The National Leadership Journeys and *The Girl's Guide to Girl Scouting* are the exciting program resources girls use as they become leaders in their lives and in the world. The Journeys are the **HEART** of Girl Scouting. When a girl goes on a Journey, she develops the skills she needs to take action and change the world. The National Proficiency badges in *The Girl's Guide to Girl Scouting* are complementary to the Journeys. Badges help girls build specific skills in particular topic areas. Think of the Journeys as the path to becoming a leader, and badges as one stop along the way! **For more about how the Girl Scout Leadership Experience fits together, visit:**
