# HOUSEKEEPING INTRODUCTION

## SETTING THE STANDARD

Making a good first impression is important, however this needs to be maintained throughout your guest's stay. Good housekeeping is an art, creating the atmosphere of a home away from home, making guests and residents feel comfortable and relaxed.

## MANAGE YOUR TASKS

Housekeeping involves the management of cleaning tasks within your environment. Establishing an effective work procedure can improve the efficiency of your housekeeping regime, especially the cleaning of communal areas and guests' and residents' rooms during and in-between stays.

## KEEPING THINGS CLEAN

Cleaning and disinfecting have vital roles to play in housekeeping. Removal of soils and sanitising surfaces helps to reduce the risk of cross contamination, ensures areas are clean, fresh and inviting and, most importantly, ensures the establishment maintains a good reputation.

## CHOOSING THE RIGHT PRODUCT

In an environment where cleanliness is important, it is essential that you choose the right product for the right task in the right area. This guide has been produced to help eliminate guesswork and to help you decide upon the best product for your task, avoiding wasted time and unnecessary impact on the environment.

## OUR CERTIFICATIONS

Evans Vanodine has a vast amount of experience in manufacturing safe and cost effective products. Our housekeeping products are part of an efficient range of cleaning and hygiene chemicals, all manufactured to exacting standards. Evans Vanodine is an **ISO 9001** and **ISO 14001** registered company and our Microbiological Laboratory is **UKAS** (United Kingdom Accreditation Service) accredited (Cert No. 1108). These certifications provide customers with confidence that we have set defined standards in research, manufacture and service.

## LOW-IMPACT ON THE ENVIRONMENT

Evans Vanodine has a unique system for identifying which products have a low-impact on the environment, called the Evans Greentick System. The products in this brochure which achieve this certification are marked with a Greentick logo. For further details please visit [www.evansgreentick.com](http://www.evansgreentick.com).

## HELP AND ASSISTANCE

This guide is one in a series which has been produced to help users of Evans Vanodine products attain the best possible results. We realise there are various situations and circumstances that determine which products are the most suitable and we hope this guide is of benefit to you and helps you to choose the best product and dispensing system. If you require any further assistance please contact your local Evans Distributor or our Sales Department.

## SAFETY INSTRUCTIONS AND GENERAL ADVICE

- Always read, understand and adhere to label instructions.
- Always position caution signs when cleaning floors and walls.
- Always wear personal protective equipment (PPE) when recommended.
- Always ensure adequate ventilation when using chemicals.
- Always ensure machinery is turned off or unplugged before cleaning it.
- Always check cables, plugs and machinery for damage.
- Always add chemicals to water when making up a solution.
- Always ensure made up solutions in trigger sprays are labelled correctly.
- Always replace cap on container and never leave chemicals unattended.
- Always keep chemicals out of the reach of children.

# ACCOMMODATION

## EXPECTATIONS

Cleanliness is an important part of any guest's or resident's experience. Staff providing this service may rarely interact with guests or residents directly but the quality of their work is crucial in order to achieve customer satisfaction.

Ensuring the quality and condition of the fixtures and fittings is vital. All surfaces should be clean and equipment should be in good working order and suitable for use.

Customers' expectations are now higher than ever and competition is never far away. The standard of your rooms could make a real difference in achieving good reviews and repeat business.

## L.S.P.

Furniture polish and cleaner

5l 750ml

- High-quality, multi-surface, liquid, furniture polish and cleaner.
- Efficiently removes dust, soils and finger marks from a variety of furniture and surfaces.
- Trigger spray delivers a fine mist across surfaces.
- Possesses antistatic properties.
- Leaves a deep, long-lasting shine.
- Contains a clean pleasant perfume.

## E.S.P.

Multi-surface polish

400ml

- Highly effective, multi-surface, aerosol, furniture polish and cleaner.
- Efficiently removes dust, soils and finger marks from a variety of furniture and surfaces.
- Contains a blend of top-quality silicone waxes.
- Leaves a deep, long-lasting shine.
- Provides a clean lemon fragrance.

## CLEAR™

Window and glass cleaner

5l 750ml

- High-strength, glass and stainless steel cleaner.
- Cleans quickly and effectively.
- Contains alcohol to help remove heavy grime and rapidly evaporates from surfaces.
- Ideal for use on mirrors and glass tables.
- Leaves a sparkling streak free finish.
- Unperfumed formulation.

## FRESH / FRESH AEROSOL

Air fresheners

5l 750ml

400ml

- Highly perfumed air fresheners and odour neutralisers:
- **Liquid** - available in 750 ml spray or 5 litre. Suitable for spraying into the air and wiping hard surfaces. Wild berry fragrance.
- **Aerosol** - available in 400 ml aerosol can. Dry formulation, for spraying into the air or on fabrics, curtains and upholstery. Choice of Green Apple or Wild Berry fragrance.

## ODOUR NEUTRALISER

Eliminates odours

5l 750ml

- Highly effective, fast-acting odour neutraliser.
- Eliminates offensive malodours including urine, vomit, smoke, perspiration and rancid food.
- Suitable for use on a variety of washable hard surfaces, carpets, upholstery and bins.
- Leaves a pleasant, deodorising perfume
- Low impact on the environment.

# BATHROOMS AND EN-SUITE

## CLEAN FAST

Heavy-duty washroom cleaner

- Fast-acting, foaming cleaner.
- Removes general and stubborn soiling from baths, washbasins, showers, toilets and tiles.
- Clean, long-lasting tangerine fragrance.
- Low-impact on the environment.

## FINAL TOUCH®

Washroom disinfectant cleaner

- Perfumed, bactericidal cleaner.
- Disinfects and deodorises.
- Removes general soiling from baths, washbasins, showers, toilets and tiles.
- Suitable washable hard surfaces.
- Kills bacteria; **passes EN 1276**.

## CYCLONE SPRAY

Spray with bleach

- Removes mould, mildew and general stains.
- High-strength formulation; for bathrooms and kitchens.
- Special blend of detergents and hypochlorite.
- Independently tested to prove suitable on a variety of surfaces.

## SINK & DRAIN CLEAR

Sink and shower waste unblocker

- Maintain sink and shower drains.
- Works quickly and efficiently to keep drains free flowing.
- Reduces build-ups and blockages, avoiding expensive call-out charges.
- Helps to overcome and control malodours.

## SKIN CARE COLLECTION

Hand, hair and body washes

- Range of high quality hand, hair and body washes.
- Neutral pH and added moisturisers; kind to skin and helps prevent dryness.
- Available in 500 ml, 1 litre dispenser cartridges or 5 litre for bulk refill.

**Pink Pearl** - Pearlescent liquid with rose, gardenia and cedar, floral fragrance.

**Ocean Blue** - Clear liquid with contemporary sea mineral fragrance.

**Luxury Silk** - Luxury pearlescent liquid with blend of rose and ylang ylang.

**Orchard Fresh** - Clear liquid with grapefruit, mandarin and apple fragrance.

**Citrus Foam** - Foaming hand wash with crisp, fresh, citrus fragrance.

## HAND LOTION

Moisturiser with shea butter

- High-grade hand lotion with shea butter.
- Fragrant blend of bergamot, lemon, jasmine and rose leaf, which absorbs easily into the skin.

## PROTECT

Disinfectant cleaner

- Perfumed detergent and disinfectant.
- Kills a wide range of bacteria, enveloped viruses and yeast including Coronavirus, MRSA, Legionella and Shigella.
- Passes EN 16777, EN 1276, EN 1650, EN 16615 and EN 14476.
- For use on all washable hard surfaces or wherever there is a risk of infection.

Single and twin stainless steel wall brackets are also available to hold the Evans 500 ml hand washes and lotion.

Order Code:  
Single - D021AEV  
Twin - D022AEV

## SHOWERHEAD CARE

Single product procedure for descaling and disinfecting showerheads:

### TO CLEAN SHOWERHEADS:

Dismantle the showerhead and place in a solution of 10 ml **Protect** to 1 litres of warm water. Leave to soak for 30 minutes. Agitation with a nylon scrubbing brush may be necessary to remove heavy soil and limescale.

### TO DISINFECT SHOWERHEADS:

To kill a range of bacteria including **Legionella pneumophila**: Soak in a solution of **Protect** at a dilution rate of 1:100 warm water for a minimum of 5 minutes. This procedure should be carried out every 3 months.

# TOILET CLEANING

## EVERFRESH™

Apple / pot pourri neutral toilet cleaners

5L 1L

- For daily cleaning of toilets, urinals and floors.
- Neutral pH.
- Suitable for use on porcelain, stainless steel, plastic, vitreous enamel, chrome and all washable hard surfaces.
- Apple or pot pourri perfume.
- Pot pourri has a low-impact on the environment.

## E-PHOS™

Phosphoric acid toilet cleaner and disinfectant

5L 1L

- Thickened multi-purpose, acidic cleaner.
- Removes limescale, body fat and general soil.
- Clings to surfaces for better cleaning action.
- Suitable for cleaning porcelain, stainless steel, sanitary ware, showers and tiled surfaces.
- Kills bacteria; **passes EN 1276**.

## TOILET CLEANER & DESCALER

Phosphoric acid toilet cleaner and descaler

1L

- For routine deep cleaning of toilets and urinals.
- Thickened liquid; clings to surfaces for better cleaning action.
- Removes limescale, body fat and general soil.
- Long lasting fresh, pine fragrance.
- Helps keep drains and outlets free of odour.
- For use on porcelain, stainless steel, chrome and all washable hard surfaces.

## EPIC POWER™

Sulphamic acid toilet cleaner and descaler

1L

- Perfumed, high-strength formulation.
- Rapidly removes limescale and general soiling from porcelain and stainless steel sanitary ware.
- Clings to vertical surfaces, allowing longer contact time for better cleaning.
- Low-impact on the environment.

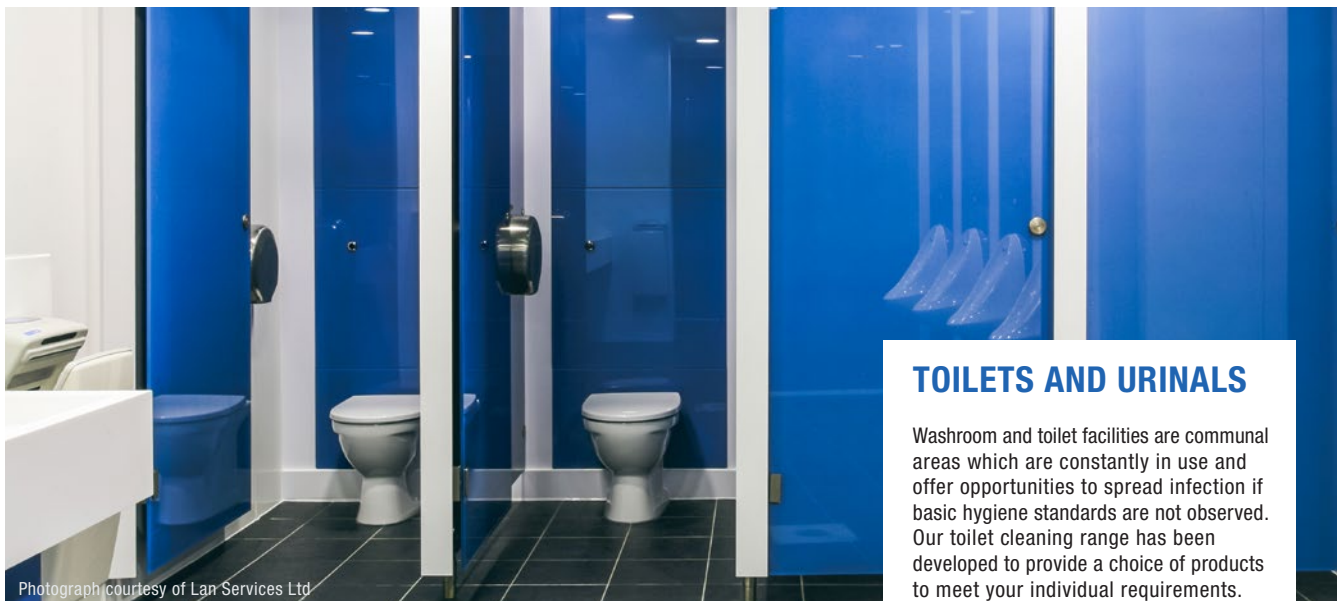

## HI-PHOS™

Phosphoric acid toilet cleaner and descaler

5L 1L

- Heavy-duty toilet and washroom cleaner with a clinical fragrance.
- Quick and effective action; removes heavy limescale, soil and body fat.
- Clings to vertical surfaces for better cleaning.
- Suitable on porcelain and stainless steel.

## TOILETS AND URINALS

Washroom and toilet facilities are communal areas which are constantly in use and offer opportunities to spread infection if basic hygiene standards are not observed. Our toilet cleaning range has been developed to provide a choice of products to meet your individual requirements.

Photograph courtesy of Lan Services Ltd

## VANOSOLVE™

Hydrochloric acid maintenance descaler

1l

- Powerful, unperfumed, heavy-duty, acid-based toilet maintenance descaler.
- For periodic maintenance and heavy descaling of porcelain toilets and urinals.
- Suitable for washrooms which have very heavy use or problem soils.

## 1066 CONQUEROR®

Deodorant toilet blocks - Non-PDCB

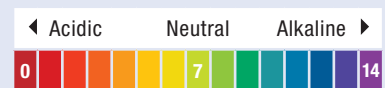

3kg

- Highly perfumed, detergent-based toilet blocks.
- For use in urinals and channels.
- Water soluble formulation.
- Citrus perfume lasts the life of the block.
- Each block weighs approximately 20 g.

## CHOOSING THE RIGHT TOILET CLEANER

Surface		Water		Usage			Benefits and Features	
Porcelain	Stainless Steel	Soft - Medium	Medium - Hard	Light	Medium	Heavy		
✓	✓	✓		✓			<ul style="list-style-type: none"> <li>■ Screen printed bottle; avoids label damage.</li> <li>■ Angled neck for cleaning under the rim.</li> <li>■ Finger grip recess for easier handling.</li> <li>■ Child resistant cap.</li> </ul>	
✓	✓	✓	✓	✓	✓		EVERFRESH™ APPLE / POT POURRI	pH 7
✓	✓	✓	✓	✓	✓		E-PHOS™	pH 2
✓	✓	✓	✓	✓	✓		TOILET CLEANER & DESCALER	pH 2
✓	✓	✓	✓		✓	✓	EPIC POWER™	pH 1
✓	✓		✓		✓	✓	HI-PHOS™	pH 1
✓			✓			✓	VANOSOLVE™	pH 1

## pH EXPLANATION

- pH is a measure, on a scale from 0 - 14, of the acidity or alkalinity of a solution.
- *Acidic* solutions have a pH less than 7 and *alkaline* solutions have a pH greater than 7.
- Toilet cleaning products are usually *acidic*, as they are required to dissolve limescale.
- Most hard surface cleaners are *alkaline*.
- Most washing up liquids are *neutral*.
- In general, cleaning products that are described as *neutral* are less hazardous.

# DISINFECTION

## SAFE ZONE™ PLUS

Virucidal disinfectant

5L 750ml

- Ready-to-use, virucidal, liquid disinfectant.
- Cleans, kills bacteria and viruses in one application.
- Ideal for disinfecting washable hard surfaces in patient contact areas, visitor rooms and schools, etc.
- Unperfumed, non-classified formulation.
- Supported under Biocidal Products Regulation.
- Passes **EN 1276**, **EN 13697**, **EN 14476** and more (see microbiological profile for full test details).

## PROTECT™

Disinfectant cleaner

5L 750ml

- Perfumed detergent and disinfectant cleaner.
- Kills a wide range of bacteria, enveloped viruses and yeast including **Voronavirus**, **MRSA**, **Legionella** and **Shigella**.
- Passes **EN 16777**, **EN 1276**, **EN 1650**, **EN 16615** and **EN 14476**.
- For use on all washable hard surfaces or wherever there is a risk of infection.

## LIME & E-PINE

Disinfectants

5L

- General-purpose disinfectants.
  - Formulations based on quaternary ammonium compounds.
  - Suitable for mopping and wiping a variety of washable hard surfaces.
- Lime** - Lime fragrance.  
**E-Pine** - Pine fragrance.

## TRIDENT

Tannin remover and sanitising powder

5kg 500g

- Multi-purpose blue sanitising powder.
- Removes stubborn stains from food preparation areas, kitchen equipment, floors and walls.
- Provides up to 10,000 ppm available chlorine for use in high risk areas.
- Also ideal for soaking mops and cloths.
- Available either in tub or shaker pack.

## CHLOR TABS

Effervescent chlorine tablets

200

- Convenient, quick dissolving and easy to use.
- Provides a disinfectant solution to kill bacteria, fungi, viruses and spores; **passes EN 1276**.
- Each tablet provides 1,000 ppm available chlorine when dissolved in 1 litre of water.
- NHS and FSA guidelines recommend a solution of 1,000 ppm for use when Norovirus is present.

## KETTLE DESCALER

For descaling kettles and showerheads

1L

- Concentrated acid-based formulation.
- Removes limescale build-up and general soiling.
- Safe to use on stainless steel.
- Concentrated: low-dosage, very economical in use.

## CLEANING AND DISINFECTION

A good cleaning and disinfection procedure is required to deal with many different and varied applications, from cleaning the tea and coffee crockery to removing mould and mildew (also see page 5) and cleaning up after someone has been ill to help prevent the spread of infection.

Whatever the reason, it is an important part of housekeeping which could prevent your guests from becoming ill.

# LAUNDRY CARE

## ONE3FIVE

Bio and Non-bio laundry powder

10kg

- Low-foam and phosphate free.
- Outstanding cleaning, removes stains even at low temperatures.
- Provides up to 135 washes.
- For use in all automatic and on-premise laundry machines.

## SEARCH®

Bio and Non-bio laundry powder

8.1kg

- Low-foam and phosphate-free.
- Brilliant cleaning action, removes heavy stains at low temperatures.
- Provides up to 100 washes.
- For use in all automatic and on-premise laundry machines.

## SEARCH®

Laundry liquid

5l

- High-strength and phosphate-free.
- Removes stains, soil and odours.
- Blended detergents and optical brighteners for brilliant results.
- For use in all automatic and on-premise laundry machines.

## SEARCH®

Fabric conditioner

5l

- Perfumed to make clothes, bed linen and towels even more pleasant to use.
- Reduces static and leaves cottons and polyester less creased and easier to iron.
- For use in all automatic and on-premise laundry machines.

## CRUSADER LAUNDRY LIQUID

20l 10l

- For industrial and professional use.
- Developed for use in on-premise laundry installations.
- Phosphate-free formulation.
- Contains a blend of detergents and optical brighteners.
- Outstanding washing ability at all temperatures and water conditions.

## CRUSADER FABRIC CONDITIONER

20l 10l

- For industrial and professional use.
- Developed for use in on-premise laundry installations.
- Leaves clothes, bed linen and towels soft and fresh.
- Reduces static cling.
- Leaves cottons and polyester less creased and easier to iron.

## CRUSADER OXY DESTAINER

20l 10l

- For industrial and professional use.
- Powerful peroxide destainer to provide a safe bleaching action.
- Maintains whiteness and colour brightness without damaging fabrics.
- Removes wine, fruit juice, coffee, tea and other stains.

## CRUSADER COLOURSAFE OXY POWDER

10kg

- For industrial and professional use.
- High-performance powder to add to the main wash cycle.
- Removes heavy stains from cotton, polycotton and synthetic fabrics.
- Suitable for white and coloured fabrics.
- Can also be used to pre-soak stained fabrics prior to washing.

### POINTS TO REMEMBER

- Ensure the dry weight of your laundry does not exceed the capacity stated on the rating plate of your appliance.
- Reduce the possibility of static by separating natural and synthetic fibres.
- Over drying fabrics can also cause static and lead to excess creasing.

### THERMAL DISINFECTION

The Department of Health recommends a wash cycle of 10 min at 65°C, or at least 3 min at 71°C to disinfect fabrics.

# LOUNGE AREAS

## HIGH CLASS™

Neutral hard surface cleaner

5l

- All-purpose hard surface cleaner with a fresh orange fragrance.
- Cleans surfaces without dulling the gloss.
- Ideal for vinyl, marble, terrazzo and polished floors.
- Also suitable for use on paintwork, plastic and glass.
- Low-impact on the environment.

## EST-EEM™

Cleaner sanitiser

5l

750ml

- Unperfumed cleaner and terminal disinfectant.
- For food contact surfaces, floors and equipment.
- Will clean and disinfect in one operation.
- Kills bacteria, viruses and yeast; **passes EN 16777, EN 1276, EN 1650, EN 16615 and EN 14476** for recommended contact time.
- Low-impact on the environment.

## CLEAR™

Window and glass cleaner

5l

750ml

- High-strength, glass and stainless steel cleaner.
- Cleans quickly and effectively.
- Contains alcohol to help remove heavy grime and rapidly evaporates from surfaces.
- Ideal for cleaning mirrors, sneeze plates and glass tables.
- Leaves a sparkling streak free finish.

## L.S.P. / E.S.P.

Multi-surface polishes

5l

750ml

400ml

- Highly effective, multi-surface, liquid and aerosol cleaners and polishes.
- Efficiently removes dust, soils and finger marks from a variety of furniture and surfaces.
- Leave a deep long-lasting shine.
- Possess anti-static properties.
- Choice of trigger spray or aerosol.

## FRESH / FRESH AEROSOL

Air fresheners

5l

750ml

400ml

- Highly perfumed air fresheners and odour neutralisers:
- **Liquid** - available in 750 ml spray or 5 litre. Suitable for spraying into the air and mopping floors. Wild berry fragrance.
- **Aerosol** - available in 400 ml aerosol cans. Dry formulation, for spraying into the air and spraying fabrics, curtains and upholstery. Choice of Apple or Wild Berries fragrance.

## LOUNGE AREA CLEANING

Always follow work practices provided by your employer.

- Sweep hard floors to remove loose debris.
- Mop floor with **High Class**.
- Allow to air dry.
- Wipe down tables with **Est-eem**, where food is served.
- Clean and polish other furniture with either **L.S.P.** or **E.S.P.**
- Clean windows, mirrors, pictures, lift surrounds and handles with **Clear**.
- Vacuum carpeted areas.
- Spray **Fresh** away from the eating area.
- Report any faulty, damaged or missing items to your supervisor.

# BAR AND CELLAR

## GLASSWASHING

For use in automatic glasswashing machines

- A choice of low-foaming glasswash detergents and rinse aids.
- Remove general soiling leaving glasses thoroughly clean and bright.
- Will not affect beer head retention.
- Effective in all water conditions.

## BEERLINE

Pipeline cleaner

- Effective, non-tainting, beer pipeline cleaner.
- Formulated using a concentrated blend of alkali and hypochlorite to rapidly remove yeast, protein and residue from the dispensing system.
- For use through hand pump systems or pressurised keg beer lines.

## Q'DET™

Unperfumed detergent and optic cleaner

- For the manual cleaning of glassware, crockery, beer tap nozzles, optics and speed pourers.
- Undyed and unperfumed; will not taint or affect beer head retention when used to clean drinking glasses.

## E.M.C.™ PLUS

All-purpose and safety floor cleaner

- Heavy-duty alkaline cleaner and degreaser.
- Rapidly removes grease, dirt and heavy soiling.
- Especially suitable for cleaning safety floors.
- Unperfumed; suitable where food is prepared or served.

## GLASSWASH RENOVATOR

Glass renovator and machine cleaner

- Low-foaming detergent to remove protein deposits, yeast and beer residue.
- Removes bloom and restores glassware to a clean and highly satisfactory condition.
- Concentrated formulation.
- Very economical in use.
