EXORDIUM 2020

Management Induction Program

Group A

20 Jul – 10 Aug 2020

EXORDIUM as a threshold to the management program is designed to orient the students towards professional culture and familiarize them with necessary skills required to become successful in the career path. This program is carried out just before the commencement of regular sessions.

During this program, renowned academicians, practitioners and experts from industry are invited for an effective learning session by sharing their views and experiences with the students, who are to be made familiar with the rudiments of management as a profession and its culture prior to the commencement of the course.
