# EXPORTER DIRECTORY 2018

## MESSAGE FROM JAMPRO PRESIDENT

The Jamaica Promotions Corporation (JAMPRO) is pleased to present the most recent and comprehensive database on registered exporters operating in our country. This Exporter Directory provides details on Jamaican-made products and services offered by companies interested in connecting with international buyers and distributors.

In order to keep track of the most reputable Jamaican exporters, JAMPRO has created this directory as a valuable repository of information on local exporters and decision makers. It includes their contact details, various product options and product categories.

Today, much of the world's economy is based on the ability of countries to import and export goods with each other. Our aim through this platform, is to provide the perfect starting point for international and local buyers, as well as traders and merchants looking to establish direct contacts with Jamaican businesses.

We are aware that the global economy is vital to allowing this exchange and relies on a network of importers and exporters to ensure that goods can flow freely and be available to meet the ever-growing demands of consumers.

We hope that you will find this information useful and encourage you to contact us directly if you require details of the products and services presented .

We look forward to your business!

**Diane Edwards**  
President, JAMPRO
