

SARDAR VALLABHBHAI PATEL EDUCATION SOCIETY

MANAGED

FACULTY OF ENGINEERING TECHNOLOGY AND RESEARCH
(Affiliated to Gujarat Technological University, Approved by AICTE, www.fetr.ac.in)

**A REPORT ON INAUGURATION OF
HANSABEN B. PUNAWALA VOCATIONAL TRAINING, POST GRADUATION AND
RESEARCH CENTRE (HPVTC)**

&

NAMING CEREMONY OF OUR INSTITUTE

R. N. G. PATEL INSTITUTE OF TECHNOLOGY (RNGPIT)

VENUE: F.E.T.R. AUDITORIUM, BARDOLI-NAVSARI ROAD, ISROLI (TAJPORE), DIST. SURAT.

DATE: 4TH JANUARY 2018

Shri. R. S. Patel

President, SVPES

Mr. N. N. Patel

Vice President, SVPES

Shri. B. V. Patel

Managing trustee, SVPES

Mr. M. H. Patel

Secretary, SVPES

Shri. M. L. Patel

Vice President, SVPES

Dr. L. B. Chaudhari

Principal, FETR

Sardar Vallabhbhai Patel Education Society (SVPES) managed Faculty of Engineering Technology and Research (FETR) is an Engineering institute established in 2010 catering five courses viz. Chemical Engg. (60 Seats), Computer Science & Engg. (60 Seats), Civil Engg. (60 Seats), Mechanical Engg. (120 Seats) & Electrical Engg. (120 Seats). FETR is approved by AICTE — New Delhi and Affiliated to GTU-Ahmedabad. The institute has emerged as forerunner in the field of imparting quality education by touching peak heights of result by falling under state level university ranking in top 10, professional training and development and good placements in multinational companies. FETR is committed to impart excellence in technical education both theoretically and practically. As a part of this process, FETR has recruited well qualified and experienced faculties as well as developed state of art laboratories.

SVPES has established Hansaben B. Punawala Vocational Training Post-Graduation & Research Centre (HPVTC) for economically weak rural youths to furnish them with employable skills to help them secure employment and grab entrepreneurship opportunities. Pradhan Mantri Kaushal Vikas Yojana (PMKVY-TI) of Government of India aims to impart Skill Training to youth of India. National Skill Development Corporation (NSDC) has designed the course as per the requirement of current trends in industries.

Inauguration of newly developed HANSABEN B. PUNAWALA VOCATIONAL TRAINING, POST GRADUATION & RESEARCH CENTRE was on 4th January 2018. The entire fund of this well planned centre of **30,000 sq.** feet area is donated by **Shri Sandipbhai Bhupendra Jariwala, USA** and it has been established in the honour of his mother late Smt. Hansaben B. Punawala.

Highlights of HPVTC:

- Courses registration is free of cost
- Courses taught by expert faculties and industrial experts
- Students get certificates after completion of examination
- Certificate approved by Skill India under Govt. of India

HPVTC Centre is equipped with various 14 research laboratories like,

Laboratory facilities at HPVTC:

1. Civil Material Testing Laboratory
2. Environmental Audit and Consultancy Laboratory
3. IIT, Bombay approved E-Yantra ROBOTICS Laboratory
4. IIT, Bombay Approved Virtual Practical Laboratory
5. Non Destructive Testing (NDT) Laboratory
6. Solar Energy Research Laboratory
7. Health & Safety Laboratory
8. The Cloud Station with IoT Laboratory
9. Soft Skill/Language Laboratory
10. Chilling Plant Technician Laboratory
11. Dehydration Technician Laboratory
12. Industrial Automation Laboratory
13. Assistant Electrician Laboratory
14. Europe Study Centre

Recently, AICTE has also approved 08 vocational courses under PMKVY-TI for our institute under various sectors, viz. (1) Solar PV Installer (Surya Mitra) under Green Jobs Sector, (2) Domestic Data Entry Operator under IT Sector, (3) Dehydration Technician under Food Processing Sector, (4) Waste Water Treatment Plant Technician under Green Jobs Sector, (5) Chilling Plant Technician under Agricultural Sector, (6) Soil and Water Testing Laboratory Assistant under Agriculture Sector, (7) Mason Concrete under Construction Sector and (8) Assistant Electrician under Construction Sector. All these courses will be conducted free of cost in this new vocational training centre with the help of Government of India.

The Naming ceremony and Inauguration of HPVTC accomplished with Prayer, Deep Pragatya, Floral welcome of guests, Felicitation of dignitaries followed by speech of dignitaries of management and invited guests. The Inauguration ceremony was successfully organized in presence of Prof. (Dr.) Navinchandra Sheth - Vice Chancellor of GTU, Donor of HPVTC Shri Sandip Jariwala (USA), Donor of FETR Shri Champakbhai Patel (USA), Senior Engineer and Research Fellow of HP - Sanfrancisco (USA) Shri Chandrakant Patel, President of SVPES and Chairman of Bardoli Sugar Factory Shri Ramanbhai Patel, Chairman of Surat District Bank Shri Nareshbhai Patel, President of Surat District Cooperative Union Shri Bhikhabhai Patel, Reformer of Social and Cooperative Sector Shri Dilipbhai Bhakta, President of Surat District Panchayat Shri Sureshbhai Patel, Managing Committee and Trustees of SVPES.

Deep Pragatya by invited guest and dignitaries

Shri Manharbhai Patel, Vice President of SVPES delivered introductory speech of the ceremony and welcomed the invited dignitaries and guests. Dr. Latish B. Chaudhari, Principal of FETR has given brief journey of this institute and achievements and shows thankfulness to all the donors that helpful in development of the institute and training centre.

**Introductory Speech by Shri Manharbhai Patel,
(Vice President of SVPES)**

**Institute Information by Dr. Latesh B. Chudhari
(Principal, FETR)**

The Virtual inauguration of HPVTC centre was done by Shri Sandip Jariwala (USA), donor of HPVTC. After the inauguration unveiling of Information brochure of HPVTC has done by Shri Dilipbhai Bhakta, Reformer of Social and Cooperative Sector. Vice Chancellor of GTU Dr. Navinchandra Seth successfully launched HPVTC website.

Virtual Inauguration of HPVTC by Shri Sandipbhai Jariwala (donor of HPVTC)

Audience present in Inauguration ceremony at FETR Auditorium

Unveiling of Information brochure of HPVTC by Shri Dilipbhai Bhakta and all dignitaries

Shri Sandip Jariwala (Donor of HPVTC) and his family facilitated with memento by Managing trustee of SVPES Shri Babubhai Patel.

Felicitation to Shri Sandipbhai Jariwala (donor of HPVTC) and his family by Shri Babubhai Patel, (Managing trustee of SVPES)

The Naming ceremony of our institute Faculty of Engineering Technology and Research as “R. N. G. Patel Institute of Technology” (RNGPIT) was accomplished by Shri Champakbhai Patel, donor of the FETR.

Audience present at Naming ceremony of FETR

Shri Champakbhai Patel (donor of FETR) and his family is facilitated with memento by President of SVPES Shri Ramanbhai Patel.

Felicitation to Shri Champakbhai Patel (donor of institute) and his family by Shri Ramanbhai Patel, (President of SVPES)

Felicitation of our President of SVPES Shri Ramanbhai S. Patel was done by Shri Dilipbhai Bhakta, Reformer of Social and Cooperative Sector for his valuable contribution and dedication for the development of the institutions.

Felicitation to Shri Ramanbhai Patel (President of SVPES) and his family by Shri Dilipbhai Bhakta, (Reformer of Social and Cooperative Sector)

Shri Sandipbhai Jariwala acknowledged and appreciated the efforts of the management, principal and faculties for the development of HPVTC. He also mentioned that students get skill based job opportunities by using HPVTC Laboratory facilities. Shri Chandrakantbhai Patel, Senior Engineer and Research Fellow of HP, San Francisco, USA delivered informative speech on Cyber physical Age. He has emphasized on Basic Engineering Fundamentals and also discussed about the current problems of the society with its solutions.

**Shri Sandipbhai Jariwala,
Donor of HPVTC**

**Shri Chandrakant Patel,
Senior Engg. & Research Fellow of HP, USA**

Shree Babubhai Patel, Managing Trustee of SVPES received a special letter of honour and memento for his exceptional and incredible services for the SVPES trust and for the institution. Shri Babubhai Patel showed gratitude towards management for such appreciation in his speech. Shri Babubhai said that this centre definitely bridge the gap between the academic institute and industry and also helpful for the students in their placement. He also motivated students for participation in such vocational courses offered by HPVTC.

Felicitation to Shri Babubhai Patel, Managing trustee of SVPES and his family by Shri Dilipbhai Bhakta, Reformer of Social and Cooperative Sector and Shri Ramanbhai Patel, President of SVPES

Shri Nanubhai J. Patel, architect of the HPVTC felicitated by President of SVPES Shri Ramanbhai Patel. Shri Pareshbhai Divecha, Contractor of HPVTC also felicitated by Vice president of SVPES Shri Manharbhai Patel.

Felicitations to Shri Nanubhai Patel and Shri Pareshbhai Divecha by Shri Ramanbhai Patel (President of SVPES) and Shri Manharbhai Patel (Vice President of SVPES)

Prof. (Dr.) Navinchandra Sheth, Vice Chancellor of GTU has given brief information of Gujarat Technological University. He said that GTU is a State University with 486 affiliated colleges and about 4,00,000 students enrolled in a large number of Diploma, Under Graduate and Post Graduate programs. He has also discussed about the practical oriented approach of GTU in engineering education. He discussed about importance of innovation and Patent drafting in the technical field. He added that total Patent facilitated by GTU and filed by students and faculty reaches to 356. He also congratulated the management for developing such wonderful and excellent training centre in the institute campus. He said, “**HPVTC is the first kind of centre in Gujarat which provides all the facilities for training, innovation and employment together**”. He also added that HPVTC will be marked as famous and prominent centre in entire country in the near future.

**Prof. (Dr.) Navinchandra Sheth
(Vice Chancellor, Gujarat Technological University)**

Shri Bhikhabhai Patel delivered speech for the next session. He congratulated all to avail such HPVTC facilities in institute campus. He also thankful to all the donators for providing donation for the noble work. He also appreciated the efforts of management for their incredible support and motivation for foundation of such institute and training centre.

Shri Bhikhabhai Patel, (President of Surat District Cooperative Union)

Dr. Latesh B. Chaudhari, (Principal of FETR) was facilitated by Shri Babubhai Patel, Managing trustee of SVPES for his determination and remarkable services for the institution. Dr. Bhavin G. Patel, Assistant Professor from Civil engg. Dept., FETR also felicitated by Shri Sandipbhai Jariwala for his continues efforts for the construction for the HPVTC.

Felicitation of Dr. Latesh B. Chaudhari (Principle of FETR) by Shri Babubhai Patel,(Managing trustee of SVPES)

Felicitation of Dr. Bahvin G. Patel (Asst. Prof. ,Civil Dept.) by Shri Sandip Jariwala

The last session was conducted by Chair of the ceremony Shri Dilipbhai Bhakta, Reformer of Social and Cooperative Sector. He started his speech with Artificial intelligence era and how technology evolves and continues. He congratulated the President and management for foundation of such latest training centre. He also congratulated the management for receiving the felicitation.

**Shri Dilipbhai Bhakta,
Reformer of Social and Cooperative Sector**

The vote of thanks was delivered by Dr. Parimal Patel (Vice-Principal & HOD of S&H Dept., N. G. Patel Polytechnic). The entire ceremony was hosted by Mr. Karan P. Bhatt (Asst. Prof. of CSE Dept., FETR) and Dr. Parimal Patel. The entire inauguration ceremony was ended with national anthem and followed by Inauguration of HPVTC and various Laboratories.

Inauguration of HPVTC by Shri Sandip Jariwala (Donor of HPVTC) with his family members

Inauguration of Civil Material Testing Laboratory by Dr. Navinchandra Sheth, Vice Chancellor of GTU

Inauguration of cloud station with IOT laboratory by Shri Chandrakant Patel (Senior Engineer and Research Fellow of HP, san francisco, USA)

Inauguration of Environmental Audit and Consultancy Laboratory by Dr. Jigna Oza, (Regional Officer , GPCB, Vapi)

Inauguration of Chilling Plant Technician Laboratory by Shri Babubhai Patel (Managing trustee of SVPES)

Inauguration of IIT, Bombay approved E-Yantra ROBOTICS Laboratory by Shri Bhikhabhai Patel, (President of Surat District Cooperative Union)

Inauguration of Industrial Automation Laboratory by Prof. (Dr.) P. A. Khatwani (Professor in Textile Technology, SCET, Surat)

Inauguration of Europe Study Centre by President of SVPES Shri Ramanbhai Patel

Inauguration of Health & Safety Laboratory by Shri Dipaknath Patil

Inauguration of Non Destructive Testing (NDT) Laboratory by Prof. Shailesh Vasavada, Joint coordinator, Anchor Institute, Dharmsinh Desai University, Nadiad.

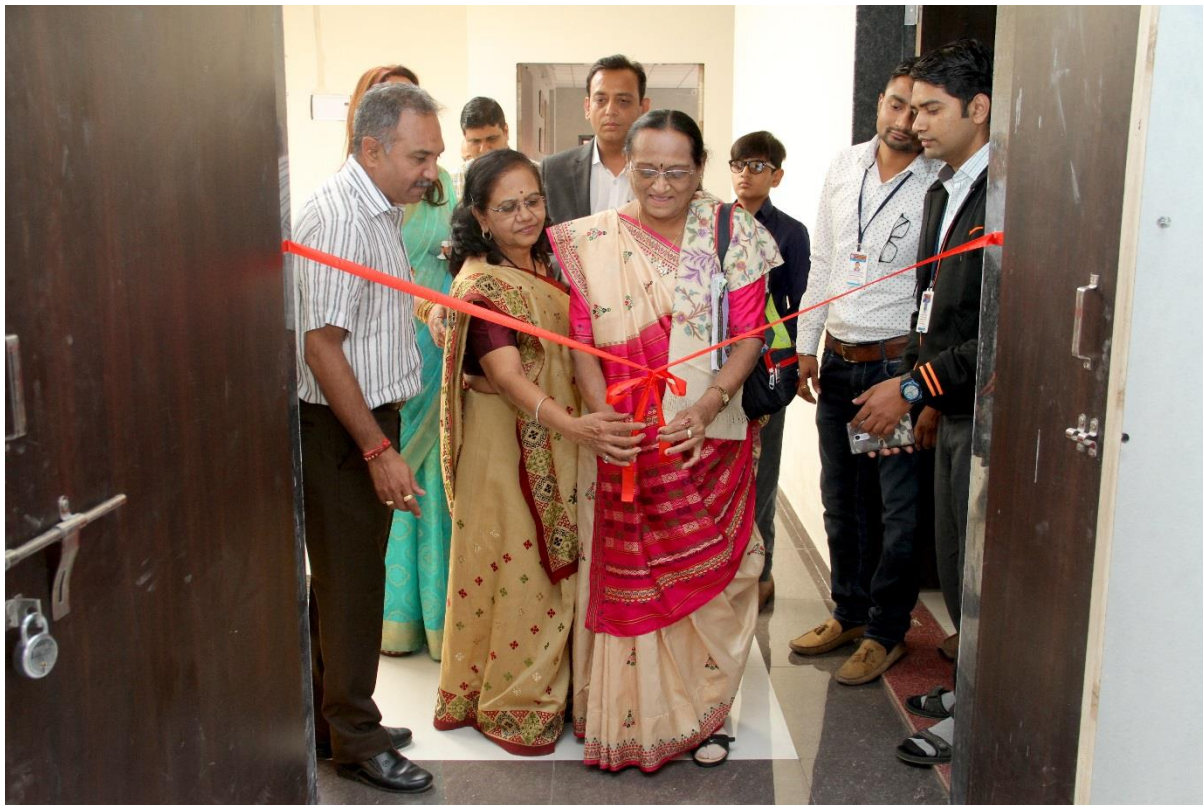

Inauguration of Solar Energy Research Laboratory by Shri Chintanbhai Punawala

Inauguration of Soft skill/ Language Laboratory by Shri Babubhai Patel, Varad

Inauguration of Assistant Electrician Laboratory by Shri Chintanbhai Punawala and family members

Inauguration of IIT, Bombay Approved Virtual Practical Laboratory by Smt. Rekhaben M. Patel

Inauguration of Dehydration Technician Laboratory by Shri Dilipbhai Bhakta, Reformer of Social and Cooperative Sector
