*"Fairmont Staff provided outstanding service to ensure our event ran smoothly without any glitches. Paige who was our designated event co-ordinator made sure I was happy with the planned service and went above and beyond to quickly organise a table and a few chairs at last minute for a clinical diagnostic demonstration. Venue and layout was perfect for our clinical meeting and food and beverage service was excellent. A very big thank you to Paige, AV team, Chefs and other staff behind the scene in providing a great experience at Fairmont Resort. If you are looking to host a dinner/conference event, I would definitely recommend using this venue."*

*"My initial contact with the Fairmont was with David Turner and he was most helpful. As you can imagine, there is quite a bit of back-and-forth initially over schedules, facilities, prices etc. David was fantastic at helping me sort through everything and come to a clear proposal and understanding of what the hotel could do.*

*Once confirmed, I was handed across to Simone Roberts. And I can't praise her efforts enough. Simone is amazing. Her organisational skills and professionalism are excellent, and her friendly approach feels natural and not forced. As I was adjusting on the fly, Simone was with me all the way and nothing was a hassle. Simply, Simone is a credit to your company.*

*I would also like to pass on my thanks to all members of staff who were on duty during our stay. From the chefs, housekeeping and those that we don't see.. all the way through to front of house and those who greeted us with a friendly smile and were able to have a chat. I appreciate the ease and friendliness in the staff, as it made my work so much easier. We have a number of staff who haven't stayed at the resort before and are now saying they will be back.*

*A big thank you to everyone at the Fairmont for making our stay most enjoyable."*
