

## FamilySearch

When you **sign into** FamilySearch, your own personalized home page will appear. This page will consistently change.

1. On the left, some may see the latest things that FamilySearch has created for you to try.
2. Also, on the left, shows the newest information that relatives have attached to family members on your tree. There may be pictures as shown here or documents of varying types.
3. The right side has “Recommended Tasks”. When you click on the arrow you will see ideas of what you can do on your tree.
4. The right side second option is “Recent People”. Click the arrow to show who you have viewed most recently.
5. The next is a “To-do list”. You can put a note here to tell you what you need to do the next time you get on FamilySearch or a reminder of what you need to look for.
6. The right bottom side shows you where you can find the closest Family History center near you.

If you want to get to your personalized home page, all you have to do is click on in the upper left-hand corner and this page will appear again.
