Famous Music Quotes for Cursive Copywork 2

These copywork pages, including personal response writing prompts are power-packed if you progress their application using these 3 Charlotte Mason methods:

1. Copywork 2. Transcription 3. Dictation

Gently moving from one stage to the next as the child is ready, you will very naturally teach beautiful handwriting, develop grammar and spelling, increase vocabulary, and seamlessly impart good writing style, as well as memorize famous quotes.

Copywork (Grades 1-2) is simply copying a passage with many excellent benefits ~

- ❖ Once a child has learnt to write each letter using my laminated handwriting charts, beginners begin to copy each sentence, done slowly with an emphasis on quality not quantity.
- ❖ Careful copywork gives a child the opportunity to practice beautiful **handwriting** in context.
- ❖ Copywork reinforces the **habits** of **observation**, **best effort**, and **attention**.
- ❖ Lessons are kept **short** (5–10 minutes) and the goal is beautiful work.

Copywork leads to Transcription. (Grades 2-3) copying from memory ~

- ❖ Once the student has mastered the mechanics of handwriting, he can start concentrating on the spelling of the passages he is copying.
- ❖ At this stage he **looks at/ studies** the word in the passage, then **writes it from memory**, and **double checking his spelling** right away.
- ❖ Rather than copying letter for letter, he begins to write whole words from memory, working his way through the passage.

Dictation (Grades 4–12) is an advanced skill of writing out the prepared passage as the parent or teacher dictates it to him. Focus is on spelling ~

- ❖ The child studies the passage ahead of time making sure he knows how to spell every word in it, taking note of the punctuation and capitalization.
- ❖ Parents dictate the passage phrase by phrase.
- ❖ Dictation cultivates the habit of looking at how words are spelled, reinforces correct punctuation and capitalization; sharpens listening comprehension; increases vocabulary through context; reinforces correct sentence structure; reinforces the habits of observation and attention.

I love Charlotte Mason's simple, yet highly effective approach!
Enjoy!
Blessings, Nadene
