Replacement for Connected Devices	Claims fulfilled with a replacement device and approved by 6 p.m. ET will be shipped and, in most cases, delivered the next day. Deliveries to Alaska, Hawaii, Puerto Rico and U.S. Virgin Islands cannot be shipped for next-day delivery. Claims may be fulfilled with new or AT&T Certified Restored equipment, which is previously opened, and/or used (which may be refurbished or remanufactured, and may contain original or non-original replacement parts) of the same model or other models of like kind and quality. See att.com/certifiedrestored for details on these devices. Colors, features and accessory compatibility are not guaranteed.
Screen Repair for Eligible Connected Devices	As soon as same-day repair may be available for eligible devices in select areas. Replacement equipment will be new or refurbished, and of like kind and quality to the claimed device. Colors, features and accessory compatibility are not guaranteed.

If the device make/model is currently or was previously sold by AT&T, the applicable replacement and screen repair deductible tier (based on the Deductible Tier Schedule) for that specific make/model applies for all approved claims. For a non-AT&T device make/model, Deductible Tier C applies. Replacement options will vary depending on deductible tier. Device must be in good working condition and may be subject to inspection prior to enrollment.				
Claim Limits	Multi-Device Protection Pack: Six shared claims within any consecutive 12 months with a maximum device value of \$1,500 per occurrence.
