19176 21st Avenue, Surrey BC V3Z 3M3
604-542-8881 • www.fasteel.ca

For 40 years Fasteel has helped organizations in the fabrication, manufacturing, construction, transportation, utilities, forestry and numerous other sectors operate more profitably and efficiently by providing leading steel sales and service.

Fasteel's team combines product knowledge, customer contact and a service focus to make our customer's operations run leaner.

Fasteel's customers get the steel they need, when they need it.

At Fasteel, our mission is to provide our customers with value and superior service, to invest in our community, and provide a progressive atmosphere for our valued employees to succeed and prosper.

Based in the Campbell Heights industrial park in Surrey, BC, Fasteel has grown with the times but one thing that's never changed is our #1 priority – our customers.

PROCESSING CAPABILITIES

• Saw Cutting •

Controlled highspeed band saws for Precision cutting.

Mitre cutting available on request.

• Profile Plate Burning •

• Shearing + Forming •

• Wheelabrating + Priming •

• Cut-To-Length •

EXPANDED METAL SHEETS (STEEL)

This material has advantages in savings in weight and metal, free passage of light and air and spilled liquids and a decorative effect.

Applications include machinery guards, walkways and catwalk gratings, shelving, partitions, grilles, screens, panels, etc.
