Be your "BEST" with Virtues!

WHAT ARE "VIRTUES"?

Virtues are the character strengths within everyone.

Virtues form and define character, empowering kids of all ages to flourish as human beings and be their "Best."

When kids understand virtues they activate an inner compass that guides them when faced with decisions between right and wrong, good from bad, or when they find themselves experiencing personal challenges and difficulties.

Virtues empower kids to:

- Overcome adversity and achieve their goals and dreams
- Rise above negative influences to stay healthy and wholesome
- Be kind, honest and trustworthy
- And much more!

"LOVE"

Everyone wants
to be loved.

Love is a special feeling that fills your heart. It is caring for someone special, wanting to be near him or her, and wanting to share with them.

Love is treating people, animals and things with special care and kindness because they mean so much to you.

You can show love in a smile, a pleasant way of speaking, a thoughtful act, or a hug.

Loving others begins with loving yourself.

Happy Valentine's Day!
