F2021-02

TO: All Fair CEOs & Accounting Staff
SUBJECT: 2020 STATEMENT OF OPERATIONS

We are pleased to present the 2020 Statement of Operations (STOP) instruction package. Please read the enclosed instructions prior to submitting your STOP. All documents are available on Fairs & Expositions' (F&E) website at www.cdfa.ca.gov/FairsAndExpositions.

The submission of an annual STOP maintains the fairs' eligibility to receive funds and is a requirement if the fair is utilizing state assets (B&P 19622). The information from the STOP is compiled in the annual STOP publication, which is a document that includes all STOP financial information by class size. Furthermore, the financial information in the STOP for the District Agricultural Associations (DAAs) is compiled into a set of financial statements and submitted to the State Controller's Office (SCO) for the annual Comprehensive Annual Financial Report (CAFR). The CAFR is a set of governmental financial statements comprising the financial report of the State of California.

Submittal Deadline

The STOP must be submitted to F&E by **Monday, May 3, 2021**.

Please note that due to ongoing operational disruptions caused by the COVID-19 pandemic, the deadline is being pushed further back into the year than the usual March deadline.

GASB 68 and GASB 75 Reporting Requirements

GASB 68 (Accounting and Financial Reporting for Pensions) and GASB 75 (Accounting and Financial Reporting for Postemployment Benefits Other Than Pension Plans / OPEB) are effective for fiscal years beginning after June 15, 2014 and June 15, 2017, respectively. If your fair has any reportable pension or OPEB liabilities, then they should be reported on the STOP.

For DAAs: In order to book GASB 68 and GASB 75 adjustments, DAAs require information provided by F&E. At the time of this writing, F&E has not yet distributed the information pertaining to GASB 68 nor GASB 75 adjustments with measurement date June 30, 2019. Due to these timing issues, DAAs will not be required to report GASB 68 nor GASB 75 figures on the STOP.

Please note that although the 2020 STOP will not require the GASB 68 nor GASB 75 adjustments pertaining to measurement date June 30, 2019, your auditor will most likely

recommend that these adjustments be made to your financial records when the relevant information is made available.

If you have any questions regarding this package, please contact Joji Kume by email at joji.kume@cdfa.ca.gov or by phone at 916-900-5367.

All STOPS should be **completed and submitted to Fairs & Expositions (F&E) no later than Monday, May 3, 2021**. Please mail a copy to F&E or email STOPS to joji.kume@cdfa.ca.gov. F&E's mailing information is as follows: CA Department of Food & Agriculture, Fairs & Expositions Branch 1220 N Street Sacramento, CA 95814.

Please note that the deadline is pushed back from the usual March deadline due to ongoing operational disruptions caused by the COVID-19 pandemic.

What to Submit

Fairs must submit to F&E signed and completed Statement of Operations with appropriate schedules and attachments. Also include a December 31, 2020 ***pre-closing trial balance*** (after all adjusting entries have been made, but prior to closing revenues and expenses) and a ***post-closing trial balance*** (after revenues and expenses have been closed out) ***preferably in excel***. For a detailed listing of what to submit, see the Statement of Operations checklist included in this package.

All necessary worksheets are available for immediate download on F&E's website at <https://www.cdfa.ca.gov/FairsAndExpositions/>.

SCHEDULES

The following schedules are part of the completed STOP package:

Schedule 1 - Statement of Financial Condition

The Statement of Financial Condition reflects all asset, liability and net resources (i.e., reserve) account balances after the revenue and expenditure accounts are closed for 2020. In other words, the details of the post-closing trial balance are summarized and recorded on this schedule.

Schedule 2 - FY 2019/2020 General Allocation

Class I-X to IV+ fairs are eligible for general allocation funding. If your fair received an allocation during calendar year 2020, please list all uses of general allocation funding monies with respective dollar amounts.

Schedule 3 - FY 2019/2020 Training Allocation

Class I-X to IV+ fairs are eligible for training allocation funding. If your fair received training reimbursements during calendar year 2020, please list all training uses with respective dollar amounts.

Schedule 4 - 2020 Fair Statistics

Please include all line item details requested, including free attendance breakdown and pass information. The total paid admission must agree with the amount reported on page 2, Account 41000. If necessary, attach and label additional pages and be sure to note "See attachments" and record totals on the schedule where indicated.

Schedule 6 - Permanent Positions on Payroll for 2020

Please provide the information requested, including account number, class title, number of months employed, pay rate, and compensated leave liability for each permanent position. District Agricultural Associations should use the exact civil service class title.

Schedule 7 - Property, Plant & Equipment Acquisitions & Dispositions

This form is designed to capture all property, plant & equipment (PP&E) acquisitions and dispositions during 2020, and provides the year-end amount of investment in capital assets. For step-by-step instructions on completing this form, please see Exhibit I to this preparation guide.

Note that “Construction in Progress” (CIP) is used to record capital expenditures for projects that are “in progress” and not yet complete. While CIP is an asset account and increases the Fair’s investment in capital assets, depreciation of the assets does not commence until the project is fully completed and CIP is reclassified to appropriate capital asset account.

Schedule 9 – Employer’s Share of Contributions towards Pension Plan (Only Required by DAAs)

This schedule is designed to identify the monthly contribution of the employer’s share of the contribution made towards the pension plan. The dates for the contributions are for 18 months starting on July 1, 2019 to December 31, 2020.
