A story about four people named Everybody, Somebody, Anybody, and Nobody.

ANYBODY could have told you that EVERYBODY knew, that this was something SOMEBODY would surely have to do.

NOBODY was unwilling, ANYBODY had the ability, but NOBODY thought he was supposed to be the one.

It seemed to be a job that ANYBODY could have done, If ANYBODY thought he was supposed to be the one.

But since EVERYBODY recognized that ANYBODY could, EVERYBODY took for granted that SOMEBODY would.

But NOBODY told ANYBODY that we are aware of, That he would be in charge of seeing it was taken care of.

And NOBODY took it on himself to follow through and DO, What EVERYBODY thought that SOMEBODY would do.

When what EVERYBODY needs so did not get done at all, EVERYBODY was complaining that SOMEBODY dropped the ball.

ANYBODY then could see it was an awful crying shame, And EVERYBODY looked around for SOMEBODY to blame.

SOMEBODY should have done the job and EVERYBODY would have, But in the end NOBODY did what ANYBODY could have.

PRESIDENTS CORNER

Hello Club Members and friends

My term as President ends soon and I thank all of the active Club members for their friendship and support.

My 2 year term as President has been rewarding and I have learned from the experience. I encourage all members to consider taking on an active role in the running of the Club.

Our annual Show has proven to be very popular with other Clubs and enthusiasts, and it will be a shame if it ceases to be run due to lack of support from our Club Members.

I wish you all a safe, healthy and prosperous new year, and I look forward to seeing you at the AGM on 4th February.

Warm regards
 David Gordon
 Club President

STANDARD OF EXCELLENCE AND CHRISTMAS PARTY - SUNDAY 7th DECEMBER 2014

Another enjoyable and social day—sunshine, a good turn out of beautiful vehicles and the pleasant surroundings at Summerland House With No Steps ensured a successful day. The buffet style lunch was excellent and plentiful. Thank you to Barb Hodgson and Marj Jensen for all your hard work organising the day. “Most Desirable” vehicle was the BMW JPS owned by Trevor Ball.

Trevor Ball receiving his trophy from President Dave Gordon

I was very surprised to receive the “Club member of the Year” award from Dave Gordon. Nepotism? He assures me that he had nothing to do with the decision! Thank you very much, I really appreciate the award but feel it should be shared with many others within the Club.

NORTH COAST STREET MACHINES ANNUAL SHOW N SHINE BALLINA— 10th January 2015

A few of our Members were able to attend this show and report that it was again a well organised and well supported event. A large crowd of visitors admired the beautifully presented vehicles and the quality of the vehicles was outstanding. Well done to North Coast Street Machines.

GREAT EASTERN FLY- IN AT EVANS HEAD—SUNDAY 11th January 2015

A lovely sunny day with some welcome cloud cover and a cooling breeze, a great turn out of beautiful vehicles plus aeroplanes and other aerial machines, and an excellent display of model aircraft and boats. We were entertained by some brilliant displays of flying and were grateful for the large areas of undercover seating provided at this well organised event. The museum, featuring the F111 fighter jet and the RAAF Lockheed Hudson engine salvaged from the ocean last year after 72 years, is very interesting and is well worth visiting.
