9:00 pm	Raffle Prize Drawing
9:45 pm	GRAND PRIZE DRAWING

2010 MAN OF THE YEAR AWARD

Reno A. (Jay) Reda Jr.

While growing up in the Youngstown area, Jay was blessed to have Mill Creek Park literally in his back yard. Though he was an inner city youth he could hike and play in one of the most beautiful parts of urban Mahoning County. With his dad and his Grandfather, Jay and his brother spent much time exploring the Park and developing a deep love for the outdoors that would direct his life's work in protection and conservation of all things outdoors.

In a natural progression, Jay joined the Ohio Division of Wildlife where he worked for 26 years, most of them as a wildlife officer; retiring in 2008. Never one to shy from innovation, he was the first officer in northern Ohio to have a cell phone and the only officer to have a fully

certified police K-9 partner. Early on, he saw the need to educate the public about the importance of using our natural resources wisely and not taking them for granted; a task which could only be accomplished by making people aware of the great resources available in their Ohio back yard. Bonds with the media and other Ohio agencies were developed to achieve that goal. Ultimately this led to working with Geauga County to fashion, from a 5 day fair, a year round facility where both local and inner city youth could learn the wonders of the outdoors. Jay's passion is contagious, he has managed to raise over \$750, 000 to build and expand the Natural Resources Area at The Great Geauga County Fair which he continues to manage in retirement.

He has also worked closely with the City of Cleveland to get natural resources related programs to the masses. He volunteers on several committees to highlight the tremendous bounty of Lake Erie and promote the huge financial benefit that natural resources related tourism can bring.

Jay is very proud to be one of the most decorated Wildlife Officers but he holds dearest the accolades bestowed by various public groups. Some of these include: Medal of Valor * Directors Merit Award * Turn in a Poacher's Officer of the Year * Ohio Bow Hunters Association Wildlife Officer of the Year 2008 * Ohio National Wild Turkey Federation's Outdoor Skills Officer of the Year * Weslaco Sportsmen Club President's Award * Dupont Survivors Award * Geauga County Agricultural Society's Person of the Year * East Geauga Kiwanis Big Heart Award 2008.

Most of Jay's friends know the hardest thing for him to do is relinquish a microphone! Since 2001 he has been co-host/host of WHK Radio's (AM 1420) Inside the Great Outdoors Sunday Morning show. This live talk radio is Ohio's only two-hour live outdoor radio show. This format keeps the importance of protecting our outdoor heritage in perspective for listeners throughout north-central Ohio. He also remains active as an instructor (primarily for youth and women) in firearms handling and self defense courses.

In retirement Jay along with his wife Michelle enjoy retriever training, hunting, fishing and trapping. He is seldom seen without Bruin & Grizz, his golden retrievers at his side while spreading the "gospel of the great outdoors."

Dad and Grandpa are gone. Too bad, they would be proud, not just of Jay but of the legacy they helped shape for others.

2010 PRESIDENT'S AWARD

Richard W. Deacon

Dick Deacon was born on Cleveland's eastside. After losing his father at age 4, Dick was forced to attend the "school of hard knocks" at an early age. He started his career as journeyman carpenter, but after doing a kitchen for a Shaker Heights car dealer at age 26, he decided to try his skills in the automobile business. At age 32, Dick and his twin brother Bob, with roughly \$4,000 in their combined savings, purchased a Chrysler dealership in Mayfield Village. Today, brothers Dick and Bob, along with sons, Tom and Jim, continue to run Deacon's Chrysler Jeep and are in their 47th year of business.

Throughout his career, Dick always had a passion for outdoors, with hunting and fishing being his favorite activities. Dick's hunting expeditions have included everything from hunting ducks from Canada to Mexico, to harvesting elk and mule deer in the Rockies, to pursuing quail in Georgia and pheasants in the heartland. His fishing expeditions have included fly fishing for Rainbows and Salmon in Alaska, to Perch and Walleye fishing on our famed Lake Erie along with trophy Pike fishing in Canada, to catching Snook in the backwaters of the Everglades. And Dick, being a very youthful 81, is still hunting ducks and quail and catching fish as exemplified by the photo of his 46-inch Northern Pike caught last September in Ontario.

Dick's membership in the Woods and Waters Club dates back to the early days of the Statler Hotel Banquets in downtown Cleveland. He has served on the Board of

Trustees, is a charter member of the Scholarship Committee and has served on the Activities Committee for many years organizing the Trap and Skeet Shoot at the A&A Shooting Club every August along with helping his son, Jim organize the Spring and Fall Deep Spring Trout Club outings. He is a former member of the Hawthorne Valley Skeet Club, a member of the NRA and a supporter of Ducks Unlimited.

Dick has volunteered his time at the Coonskin Hat Brigade sponsored by the Ohio Wildlife Federation, youth fishing programs and youth hunts. Most special was watching his grandson, Jeff, call in and harvest his first goose at an ODNR youth hunt. The Woods and Waters Club is thankful for members like Dick, who will continue to teach the youth of Ohio awareness of the great outdoors and the appreciation of our hunting and fishing heritage.

LIFETIME SERVICE AWARD

Ken Kuentz

Ken Kuentz was born and raised on Cleveland's west side. As a young boy and teenager, he worked in his father's meat market. In 1961, Ken joined the U.S. Army as a cook. After finishing his service, he attended Fenn College and graduated in 1966 as a member of the first class under the college's new name-Cleveland State University. Ken worked as a mechanical engineer for 43 years and owned his own firm for 38 of those years.

At a young age, Ken began fishing and hunting with the kids in his neighborhood. He has hunted and fished all across the United States, Canada and Mexico. It was a common sight to see Ken fly-fishing with his friends or family at Rockwell Springs Trout Club or getting in some shooting practice at W&R Hunt Club across the street. Ken has taken great pride and pleasure in passing along his love and knowledge of fishing and hunting to his children and grandchildren.

Ken Kuentz was first introduced to the Woods and Waters Club of Northern Ohio over 40 years ago and has been a loyal member ever since. He has served as Treasurer and on the Board of Trustees. Ken has also held the position of

President of the Scholarship Committee for 6 years. He has served on the Activities Committee and has held many events such as the Annual Clambake, fishing outings at Rockwell Springs and hunting expeditions at W& R Hunt Club.

COMMUNITY OUTREACH

The Woods and Waters Club of Northern Ohio through the Contributions Committee supports numerous organizations and activities to facilitate the outreach programs, funding and equipment was provided to the following:

Three Units of the Boy Scouts of America; Great Trail Council (Akron), Greater Cleveland Council,, and North Coast Ranger Council. St. Malachi Center, St. Augustine Rainbow Camp, Lake Erie Boating and Fishing Fest, The Cleveland Treatment Center, the Youth Outdoors Ohio 4-H Sea Camp and Cleveland MetroParks.

Your generous support of our fund-raising activities allows us to "give back" to our community in Northern Ohio and helps to build interest in the healthy outdoor activities we all enjoy.

The Woods And Waters Club

is pleased to salute the following companies and individuals as sponsors for our 2010 banquet.

In recognition of their contribution to this years banquet, sponsors will be entered in a special “*SPONSORS ONLY*” drawing.

Grand Prize !!!!! Grand Prize !!!!!

This year's Grand Prize is a Beautiful Winchester Model 101 Sporting Clays Over/Under 12ga. Shotgun.

This gun comes with a richly blued receiver and authentic engraving framed by high-gloss grade II/III walnut. This classically-inspired over and under includes a long list of high-performance features modern target shooters demand, like the Invector-Plus™ choke system with five Signature™ extended tubes included, for optimum shot patterns and an adjustable trigger for tuning length of pull. Lightweight ported barrels and a Pachmayr® Decelerator® sporting pad control recoil. A 10mm runway rib and white mid-bead, and TRUGLO® front sight round out this feature-packed shotgun

Attention Gun Winners

Winners of guns **MUST** report to the Back Bar Area to complete the forms necessary to receive their gun prize. The representative will be running an "instant background check" for gun winners tonight. Those winners who are cleared will receive their gun tonight. Any winner who is not cleared tonight for whatever reason must pick up their gun at the Gander Mountain Store in Sheffield Ohio. Winners may arrange to exchange/upgrade or trade guns for a gift card with the Gander Mountain Representative. We will attempt to clear all winners tonight.

In addition, availability of firearms described herein cannot be guaranteed. If any firearm is unavailable at the time of the Banquet, the Woods and Waters Club may substitute an equal firearm for that listed in this program. Your cooperation will be appreciated.
