World-class food

Amazing breakfasts to wake up the day in style are included with each stay. Dinner, Bed & Breakfast breaks include three-course dinners for the evening all served to the table. There really is no better reason to stay in to experience some truly great dining out.

Brand-new menus

Delicious plates of food are served direct to your table so you won't have to lift a finger.

Legendary breakfasts

We're proud of the quality and breadth of our great-tasting breakfasts. Start the day with made-to-order pancakes and omelettes, a hearty full English or continental, plus freshly squeezed juices and fruit.

À la carte evening meals

Our passionate chefs use only the freshest ingredients. From sharing platters to just-carved roasts and flavours from around the globe, there's something for all taste buds. Will it be a British classic you know and love, or a Middle Eastern or Italian recipe that may well become your new favourite?

A choice of two restaurants at Studley Castle

Studley is synonymous with great food and drink. The Market Kitchen in the Evesham Restaurant and The Arden Café Bar & Restaurant with a variety of bars and lounges mean you're always well-sated.

Lunch and light bites

For lunch and daytime snacks and drinks, traditional afternoon tea too, our coffee shops offer a tempting menu from 12pm–5pm. It's dedicated service to the table with the main restaurants providing additional seating if necessary.

And for drinks?

From signature cocktails and mocktails to liqueur coffee or a glass of fruity red with dinner, there's always a tippie to celebrate feeling a million miles from it all.

Bed & Breakfast at all Warner hotels and villages

Bed & Breakfast breaks extend the invitation to enjoy the hotel pools, leisure centres and activities on days of 'see where they take you' freedom. Evenings are then wide open to venture out for a bite at a local dining spot, maybe a show or glass of red in a local bar.

My Warner Stay 

Plan your break to perfection all with the click of a button

We're passionate about ensuring your journey with us is smooth, so we're excited to have a brand-new guest portal. Ultimately, My Warner Stay will give you ownership of what you want to do, when you want to do it.

In the first phase of the roll-out, we've focused on the dining experience – always a highlight of any stay. For the time being, there'll be plated à la carte service with a globetrotting menu instead of help-yourself buffets. Restaurants will also be open for longer. Via the portal, we'll invite you to book breakfast and evening dining times ahead of your stay to manage the space and flow of guests so everyone can feel at ease.
