DEL MAR

7302

2

Transitional Styling - Del Mar fills the void for tastes between traditional and contemporary styling. Its deep, Sunset Cherry finish is expertly accented with Sapele Pommele veneer, modest base and crown mouldings and curving lines suggestive of the Shaker style. Top surfaces throughout the Collection feature the Sunset Cherry finish with 1/4" inlay Sapele Pommele veneers set off by ebony borders and quartered cherry veneer bands.

Construction - The construction featured throughout the Collection consists of wood, wood veneers and select wood product, including solid wood bases. Cases feature mortise and tenon construction with wood cleats, glue, screws, staples and threaded inserts with bolts. Drawers feature dovetail engineering and are constructed with solid wood sides and backs with veneer and veneer banded fronts and 3-ply bottoms. Drawer interiors are sealed.

Function - All drawers are suspended on fully extending, metal, ball-bearing slides allowing easy access to the entire drawer. Box drawers have a 75 lb. load bearing rating. File drawers have a 150 lb. load bearing rating. File drawers are equipped with metal rods for side-to-side letter or front-to-back legal hanging files. All desks, credenzas and file cabinets have adjustable levelers. Cable grommets or other openings are strategically located on specific items to facilitate neat and easy cable management.

With its striking Sapele Pommele veneers, Sunset cherry finish and subtle Shaker influences, Del Mar is a handsome alternative to the customary traditional office environment. Its wood, wood veneer and select wood product construction will hold up to those demanding value and its deep assortment of office furnishings will provide solutions to a multitude of office needs.
