

Where Your Child Always Comes First

well hello, march

2021

Here's What We'll Be Up To...

Happy March Everyone! During the month of February, students had a blast learning about love, friendship and being equal. Students also learned lots about Black History Month. During this Month, teachers will be discussing Dr. Seuss, the Color green, SPRING, shamrocks and more!

Children will also be talking about the weather and seasons. What kind of changes will we begin to see? What season are we welcoming?

The most important thing of the month is that there has been a few changes. We have new teachers in most classrooms. Ms. Brenda and Ms. Vanessa are the Bumblebees Teachers. Ms. Jasmin and Ms. Daulat are the Chipmunks teachers. Ms. Carina and Ms. Suzy are the Butterflies teacher. Ms. Jaya continues to be the Sharks teacher.. This is an exciting change, and if you all have any questions, don't hesitate to contact us!

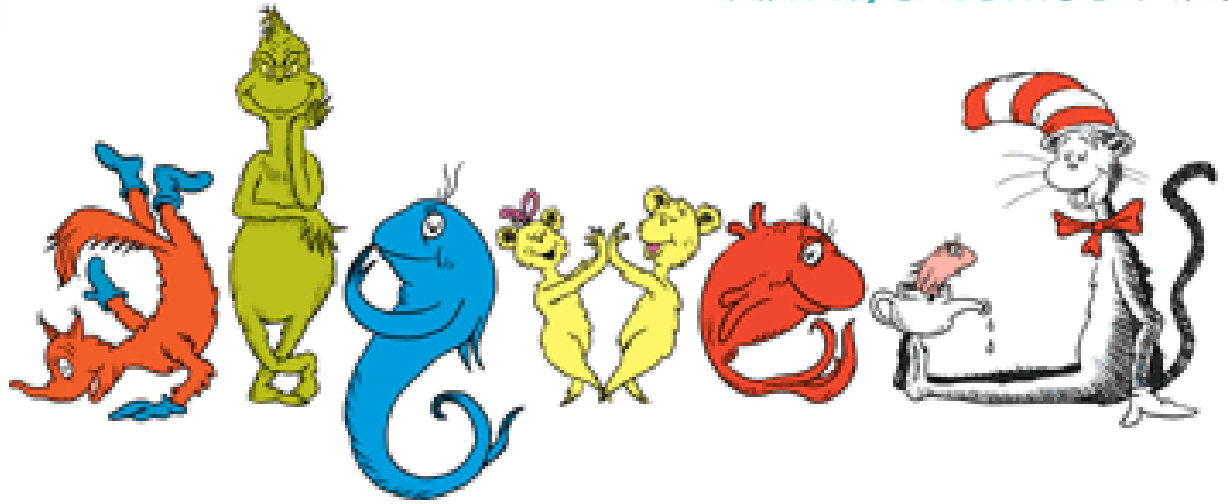

First day of Spring 03-20-21

Towards the end of the month, children will have a Dr. Seuss party, in celebration of Dr Seuss Birthday 03/02, and in celebration of what they have learned during the month in remembrance of Dr. Seuss and his amazing work!

BUTTERFLIES (4 Year Olds)

We welcome March with open arms and new opportunities! I (Ms. Carina) would like to start by saying how honored I am of being the new teacher in the Butterflies Classroom. It is my honor, and I am excited to work with your children.

We sure had fun last month promoting being kind to our loved ones. We created the cutest valentines to our friends and family. We also touched the subject of the importance of dental health and how eating nutritious food promotes a beautiful smile.

During the month of March, we will start off with honoring Dr. Seuss Birthday! We will celebrate his passion for children's literature by reading his whimsical books. I am asking the parents to bring your child in comfy pajamas to school on Monday, March the 1st. Each day we will read one of his famous books and incorporate math and literacy activities that reflect on his books. We will be learning rhymes, patterns, classification, and a lot more. At the end of the month, the classroom will celebrate Dr. Seuss with a classroom party. Please see teacher on how to help with our celebration. Thank you!
