Ben is a man consumed by his obsessions: movies, motorcycles, presidential trivia, and Diana Hotchkiss, a beautiful woman he knows he can never have.

When Diana is found dead outside her apartment, Ben's infatuation drives him on a hunt to find out what happened. He soon discovers that the woman he pined for was hiding a shocking double life. And now someone is out to stop Ben from uncovering the truth about Diana's illicit affairs.

JEFFERY DEAVER'S

latest Lincoln Rhyme thriller—now in premium size with a new cover!

It was a "million-dollar bullet," a sniper shot delivered from over a mile away. Its victim—a U.S. citizen, targeted by the United States government, and assassinated in the Bahamas.

Lincoln Rhyme and Amelia Sachs are drafted to investigate. But as details of the case emerge, not all is what it seems.

When a knife-wielding assassin begins systematically eliminating witnesses, Lincoln's investigation turns into a chilling battle of wits against a cold-blooded killer.

"This is Deaver at his very best and not to be missed by any thriller fan."

—Publishers Weekly (starred review)

"Deaver, who can't resist any opportunity for ingenuity... keeps mixing fastballs, curveballs and change-ups."

—Kirkus Reviews

"An ace thriller to keep readers guessing and gasping....The numerous twists and turns...are so fast and furious that by the novel's end, the reader will be dizzy—and clamoring for more."

—Associated Press

FBI agent Rachel Walling finally gets the call she's dreaded for years, the one that tells her the Poet has surfaced. She has never forgotten the serial killer who wove lines of poetry in his hideous crimes—and apparently he has not forgotten her.

Former LAPD detective Harry Bosch gets a call, too—from the widow of an old friend. Her husband's death seems natural, but his ties to the hunt for the Poet make Bosch dig deep. Bosch joins forces with Rachel. Now the two are at odds with the FBI...and squarely in the path of the Poet, who will lead them on a wicked ride out of the heat, through the narrows of evil, and into a darkness all his own....

Mike Taggart has always been willing to take a gamble. But these stakes are just way too high—there's no way he's prepared to become a legal guardian to his five-year-old niece. His only option is to head from Las Vegas to Last Chance to sort things out as quickly as possible. Problem is, he arrives to find an inconsolable little girl, her sick cat, and a gorgeous veterinarian he can't get out of his mind.

Charlene Polk has two talents: healing sick critters and falling in love with the wrong men. Mike has trouble written all over him, but she can't leave him in the lurch. And the more time she spends with the sexy high roller, the more she sees that this ready-made family is the best stroke of luck they've ever had.

FOREVER

Ferguson's troubles began with a kiss.

It feels like a lifetime ago that Alex Knight saved Fiona from certain doom... and stole a soul-shattering kiss for good measure. Wanting nothing more than to keep her safe, he left her in the care of her grandfather, the Marquess of Dourne.

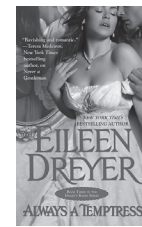

But Fiona was hardly safe. As soon as he could, the marquess cast her and her sister out on the streets with only her wits to keep them alive.

Alex has never forgotten that long-ago kiss. Now the dashing spy is desperate to make up for failing his duty once before. This time he will protect Fiona once and for all, from a deadly foe bent on taking revenge on the Ferguson line—and anyone who stands in the way.
