I have made this type of flower using many punches and dies including all of the Circle Punches and Dies and all of the Scallop Circle Punches and Dies sold by Stampin' Up! I hope you have fun experimenting with your favourite flower shapes. Below are two more flower examples.

Fun Flowers Bigz L Die

I used one each of the three different sized flowers on this die.

Floral Fusion Sizzlit

Again I used one each of the three different sized flowers on the sizzlit.
