

DIRECTORY OF SERVICES

FOR FAMILIES & CHILDREN OF TUSCARAWAS COUNTY

**TUSCARAWAS COUNTY
FAMILY & CHILDREN
FIRST COUNCIL**

Access Tuscarawas developed from concerns of people having a hard time finding their way in getting help. Whether an individual person or family member or friend is looking, they might not know where to turn for health concerns or resources. Local agencies came together to help the community navigate between resources and organizations.

It is our focus to improve access to care in our community.

Pippers

Ohio

PIPP PLUS

The Percentage of Income Payment Plan Plus (PIPP Plus) is for low income customers of regulated utilities, such as AEP, Dominion East Ohio Gas and Columbia Gas Customers. The new and improved Percentage of Income Payment Plan, PIPP Plus, makes monthly payments more affordable on a year-round basis. And, when a PIPP Plus household pays the monthly PIPP Plus payment on-time and in-full, some of their old debt and the rest of that month's bill goes away in the form of a credit on their utility account.

Natural gas: \$10 or 6 percent of your gross monthly household income each month, whichever is greater. Electric: \$10 or 6 percent of your gross monthly household income each month, whichever is greater. All-electric homes: \$10 or 10 percent of your gross monthly household income each month, whichever is greater.

You must report any change in your household income to your local community action agency, such as HARCATUS. If your household income has gone down, the amount you must pay each month will also go down. If your household income goes up, the amount that you must pay each month will also go up. If your household income goes up so much that you are no longer income-eligible, help is still available.

For more information, or to complete an application, call HARCATUS Family Support at 330-343-8770, 740-922-3600, 330-627-4101, or 740-942-8886.
