BULKHEADS

IN AN ACCIDENT, IT'S THE ONLY THING STANDING BETWEEN YOU AND AN AIRBORNE RECIPROCATING SAW. THE ONLY THING KEEPING SOME THUG FROM THOUSANDS OF DOLLARS WORTH OF TOOLS. THAT'S WHY WE NEVER STOP THINKING ABOUT HOW TO MAKE A BETTER BULKHEAD.

We use 16-gauge steel for durability, security, and accident protection. Our bulkheads are powder-coated white to keep the interior of your van brighter. In the last year, we've reduced the number of models to make choices simpler, installation faster, and instruction sheets easier to follow. Even the DOG HATCH™ door for long length material is made big enough for ease of use, but too small for an intruder to gain access.

weather guard

BULKHEADS

**NEW
DESIGN!**

Our Full-size van, Sprinter van and Minivan bulkheads allow you to separate the driver compartment from the cargo area for maximum protection against shifting loads. They're available in a variety of styles so you can choose the right one for your specific needs.

EASY INSTALLATION

with sidewall and roof mounting brackets.

16-GAUGE STEEL

is used for strength and durability.

NEW VERTICAL PANEL DESIGN

reduces ambient noise levels.

PROVIDES IMPROVED HEATING AND COOLING EFFICIENCY

in the passenger area.

EXCLUSIVE 9" x 12" DOG HATCH™ DOOR

allows easy loading of long materials by utilizing the floor space in front of the bulkhead.

UNIVERSAL FIT

among Full-size vans:
- GM '97 to current
- Ford '96 to current
- Dodge '02 and older

<p>Model Ship Wt. 86500-3-01 82 lbs.</p>	<p>SCREEN BULKHEAD FOR FULL-SIZE VANS</p>
<p>Offers extensive rear and side visibility while providing occupant protection and cargo security.</p>	

<p>Model Ship Wt. 86510-3-01 82 lbs.</p>	<p>LEXAN WINDOW BULKHEAD FOR FULL-SIZE VANS</p>
<p>Offers unobstructed visibility of the cargo area, side door and rear door. Delivers full driver and cargo protection and maximizes HVAC efficiency in the passenger area.</p>

SHELVING

WHY IS IT THAT EVERY TIME YOU OPEN THE DOORS OF YOUR VAN, IT LOOKS DIFFERENT? THAT THING THAT WAS OVER HERE YESTERDAY IS UP THERE TODAY. YOU CAN'T FIND WHAT YOU NEED AND THE CLOCK IS TICKING. IT'S TIME FOR A CUSTOMIZED SHELVING SYSTEM FOR YOUR VAN.

We offer an endless number of shelving configurations because we know how small a 4' x 8' space can feel. Built of heavy-gauge steel, our shelving is available in different heights, lengths and depths to make sure your van is configured for the way you work. Taller shelf units now have tapered end panels, so they fit closer to the wall and free up more of your precious floor space. Shelving from WEATHER GUARD® Van Solutions belongs in your van, because more organization and efficiency belong in your business.

WELDED E-Z CUBE SHELVING

**NEW
DESIGN!**

Our fully arc-welded shelving units are pre-assembled and ready to install, providing a heavy-duty storage solution. The tapered end panels allow the unit to sit snugly against the wall for maximum floor space. Constructed of 12, 17, 18 and 20-gauge steel these shelves are finished with our signature bright white powder coat for a durable, professional-looking appearance.

TAPERED END PANEL DESIGN

allows a close fit to the van wall and additional cargo space in the middle of the van.

FULLY ARC WELDED

for durable construction and no assembly.

BOTTOM SHELF IS PRE-PUNCHED

for E-Z installation of accessory cabinets on page 16.

MIDDLE TWO SHELVES ARE PRE-PUNCHED

for E-Z Bin Dividers.

HEMMED SHELVES

provide extra strength and a lip in front of the shelf for load retention.

BOTTOM RETAINER LIP

is made of 12-gauge steel and is pre-punched for the E-Z attachment of an accessory shelf door on page 12.

E-Z Bin Dividers mount to two middle shelves.

Designed to fit over the wheel well and provide a flat, sturdy foundation for Shelf Units, Parts Cabinets or Drawer Units.

KNOCKDOWN JUMBO SHELVING

**NEW
DESIGN!**

For the ultimate in flexibility, WEATHER GUARD® Knockdown Shelving lets you create a system designed specifically for the way you work. Constructed of 18-gauge steel and finished in our exclusive bright white powder coat, these shelves are easy to assemble and provide the perfect foundation for a customized van storage solution.

STEEL SHELF DIVIDERS

are included and adjustable on 3" centers.

3" LIPS

contain shelf contents during transportation.

EFFORTLESS CONFIGURATION

Interlocks with bayonet-type clips in the end panels allowing easy pre-assembly configuration before securing with nuts and bolts in pre-drilled holes.

SHELVING IS PRE-PUNCHED

for easy attachment of accessory shelf doors on page 12.

SHELVES

are available in 3 depths and 4 heights to create any configuration.

TAPERED END PANEL DESIGN

allows a close fit to the van wall and additional cargo space in the middle of the van (on certain units).

SPECIALTY STORAGE

EVERY TIME YOU LOSE FIVE MINUTES LOOKING FOR A TOOL. EVERY TIME THE GUY YOU SEND TO THE VAN FOR SOMETHING COMES BACK AND SAYS, "I CAN'T FIND IT." EVERY TIME YOU COME ACROSS DISORGANIZATION, WEATHER GUARD® VAN SOLUTIONS HAS THE ANSWER.

The WEATHER GUARD Van Solutions line is designed to customize and organize your van for efficiency. Drawer units and parts cabinets help you keep track of the loose tools and parts so essential to your job, every day. PACK RAT® Drawer Units and BED RAT® Sliding Platforms organize heavy inventory and preserve floor space for loose payload. No matter what your business, there is a custom van interior waiting to shave steps, minutes and cost off every job you take.

DRAWER UNITS

	Model	Drawers	Height	Width	Depth	Ship Wt.
①	8905-3	9	24"	12 1/2"	11 3/4"	46 lbs.
②	8914-3	4	24"	17"	18"	54 lbs.
③	8904-3	4	24"	17"	11 3/4"	48 lbs.
④	8903-3	3	18"	17"	11 3/4"	36 lbs.

PACK RAT® DRAWER UNITS

Have your equipment waiting for you as soon as you open the door. These heavy-duty pull-out drawer units can be mounted inside the side or rear doors. They offer easy access to hundreds of pounds of tools and supplies while leaving floor space open for hauling materials or moving in and out of the vehicle.

14-GAUGE STEEL

on top and sides allows for a 750 lb. load rating when evenly distributed on top of unit.

12-GAUGE STEEL SKIDS

and full width ribs underneath and inside the unit add extra strength.

ANTI-SKID STRIPS

provide traction for wet and muddy boots.

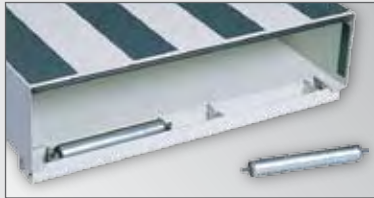

ONE-TOUCH PUSHBUTTON LATCH ASSEMBLY

allows for one hand operation.

Model 338-3

SMOOTH ROLLING DRAWER

Provides trouble-free operation and can carry up to 425 lbs. of equipment.

EASY MAINTENANCE

Drawers are completely removable.

ROOF RACKS

**IT DOESN'T FIT INSIDE
YOUR VAN. BUT YOU'VE
ABSOLUTELY GOT TO HAVE
IT ON THE JOB. IT HAS TO
GO ON TOP AND STAY
PUT. BUT IT NEEDS TO BE
EASY TO ACCESS. YOU
NEED A WEATHER GUARD®
ROOF RACK.**

WEATHER GUARD Van Solutions offers a variety of roof racks to address every trade, every business, every need. Our standard designs accommodate ladders and long material – all the oversized items you need to carry. Conduit and pipe carriers ensure the right stock is always available. Our premium aluminum Quick Clamp Racks make oversized work materials easy to handle. Make your life simpler. Make your choice WEATHER GUARD Van Solutions.

weather guard

THE EZ-GLIDE™ SYSTEM

The quickest, easiest and safest drop-down ladder rack system available. With just a twist of a lever, EZ-GLIDE System gently delivers your ladder to the right spot for back-saving loading and unloading. When the work is done, another twist is all it takes to have the ladder packed away and ready to roll.

LONG-LASTING DESIGN

with lightweight aluminum frame keeps rust at bay for a long-lasting, professional appearance. Rust-proof stainless steel fasteners and non-metallic bushings eliminate bi-metal corrosion.

WEATHER GUARD® VAN SOLUTIONS TRADEMARKED RED TIPS

show the world that you work with the highest quality equipment available.

STOW AND SECURE

interlocking ladder supports ensure ladders stay in place when stowed. Ladders can be padlocked for added security.

MULTI-USE DESIGN

will accommodate extension ladders and certain step ladders.

STEP LADDERS

Models 251, 252, 253, 255, 256, 257, 281, 283, 285, 287 will accept a 6' and 8' step ladder with a bottom width not exceeding 27". Repositioning of the ladder stops is required if the bottom width of the ladder is between 25" and 27". An accessory cross member may be required depending on the distance between the front and rear cross members.

EZ-GLIDE SYSTEM HYDRAULIC CYLINDER

provides a smooth, quiet and effortless descent. Zero-impact drop reduces noise and equipment wear.

ERGONOMIC DRIVE ARM

telescoping lever extends to fit your reach. Extra-strength handle, lever and hinge hardware provide maximum durability and ease of use.

EZ-GLIDE™ SYSTEM RACKS

FOR FULL-SIZE VANS

For 10' high Cube vans passenger side. Includes rear slide down system
284 75 lbs.
For 10' high Cube vans driver side. Includes rear slide down system

Model 282

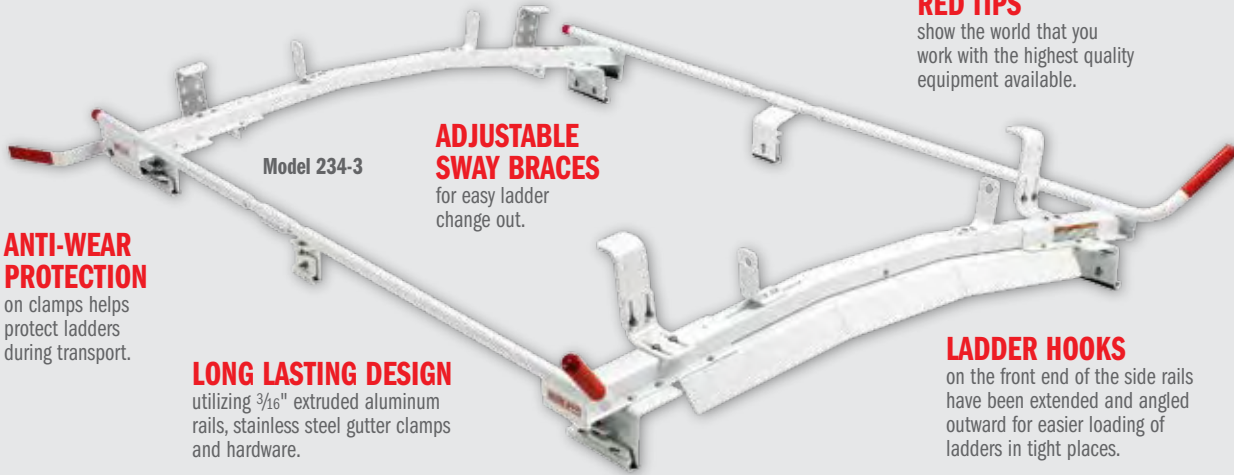

Engineered for 8' and 10' high Cube vans with flat roofs. These racks feature the same drop-down system that lowers the ladder to an easy to reach position for easy loading and unloading. An added slide down system on the 10' High Cube Racks lowers the ladder an additional 2 ft. after the drop-down rotation.

ALUMINUM QUICK CLAMP RACKS FOR FULL-SIZE VANS

Our Quick Clamp Racks are engineered to make loading and unloading your ladder an easy, one-person operation. Lean the front of the ladder against the front hook and swing the back up onto the rack. Close the gas spring assisted Quick Clamp and you're ready to roll.

**WEATHER GUARD®
VAN SOLUTIONS
TRADEMARKED
RED TIPS**

show the world that you work with the highest quality equipment available.

Model 234-3

**ADJUSTABLE
SWAY BRACES**
for easy ladder change out.

**ANTI-WEAR
PROTECTION**
on clamps helps protect ladders during transport.

LONG LASTING DESIGN
utilizing 3/4" extruded aluminum rails, stainless steel gutter clamps and hardware.

LADDER HOOKS
on the front end of the side rails have been extended and angled outward for easier loading of ladders in tight places.

GUTTER CLAMPS

Mounting leg attaches to the van with a stainless steel gutter clamp painted brite white.

QUICK CLAMP

Patented Quick Clamp Rack clamping mechanism can be locked with a padlock for security.

ADDITIONAL SUPPORT

Center mounting leg provides additional support and stability.

QUICK CLAMP RACKS FOR FULL-SIZE VANS

POWDER COATED STEEL RACK FOR ASTRO/SAFARI MINIVANS

Model	Description	Ship Wt.
220-3	2 Cross Member Rack	24 lbs.
221-3	Accessory Cross Member	11 lbs.

Model 220-3

This All-Purpose Rack features cross members made of 14-gauge steel tubing cross members and a specially designed mounting base for secure through-the-roof mounting.

SAFARI RACK FOR FULL-SIZE VANS

Excellent for hauling all types of materials, the Safari Rack easily accommodates 4-foot wide loads and distributes the weight evenly over eight cross members to protect the roof of the van. The OVAL RAIL DESIGN side rail is unique to WEATHER GUARD® Van Solutions.

VELCRO STRAPS

assist in securing your ladder for transport.

FRONT & REAR CROSS MEMBERS

extend over the ends of the van for protection when loading ladders and other long materials.

CROSS MEMBERS

are constructed of 13-gauge, 1 1/4" x 1 1/4" square steel tubing and spread the load evenly to protect long, fragile materials.

ANTI-WEAR PROTECTION

on cross members helps protect ladders and building materials during transport.

STAINLESS STEEL MOUNTING BRACKETS

are extra wide for superior attachment strength to the gutter.

AIR FOIL

eliminates wind noise and mounts to the front of the cross member.

CENTER LEG

Adjustable center mounting leg with bolt-on gutter clamp. Accommodates both Ford & GM vans and provides additional support and stability.

TIE DOWNS

Tie downs may be bolted on anywhere along the side rail where it is most convenient.

Model	Length	Width	Ship Wt.
210-3	150 3/4"	64"	205 lbs.

For Full-size vans only. Length from front to rear cross member is 140".

SLIDING LADDER RACK

Our new Sliding Ladder Rack provides quick and easy ladder storage inside your van, enclosed trailer or cube van. Rugged and durable, this rack fits 8-foot step, extension or multi-position ladders and can be mounted to the roof or side panel.

UNIVERSAL MOUNTING BRACKET
adjusts to different vehicles.

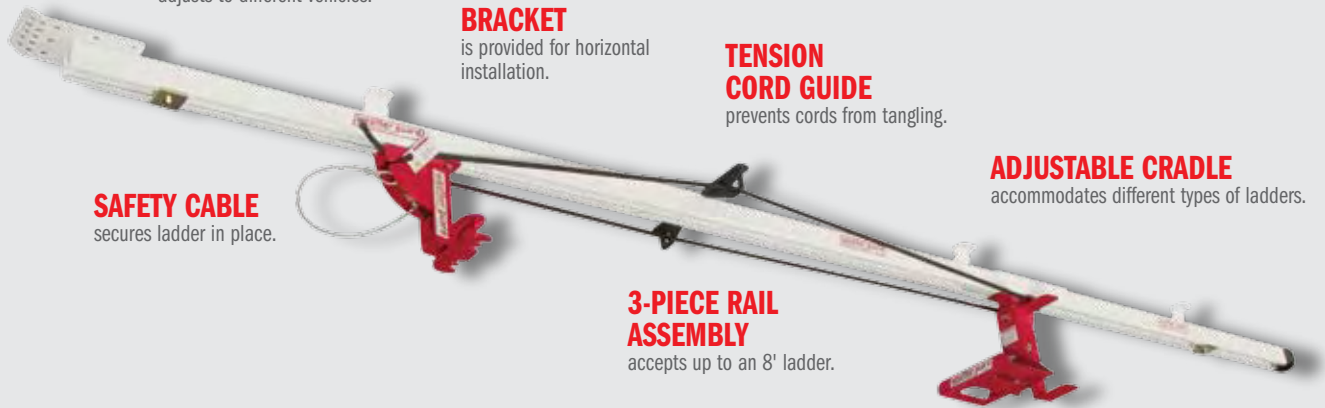

ROOF MOUNTING BRACKET
is provided for horizontal installation.

TENSION CORD GUIDE
prevents cords from tangling.

ADJUSTABLE CRADLE
accommodates different types of ladders.

SAFETY CABLE
secures ladder in place.

3-PIECE RAIL ASSEMBLY
accepts up to an 8' ladder.

MOUNTING BRACKETS

Roof mounting brackets for easy installation.

SIDE MOUNT

Includes side mounting capabilities.

Model	Ship Wt.
250	27 lbs.

ALUMINUM CONDUIT CARRIER

PLUMBER/HVAC

Our Plumber/HVAC packages cater to the wide range of equipment needed for your work. From small fittings to routers, there is a shelf, cabinet or drawer that will have it secured and ready to use. A window bulkhead provides full view of the cargo area while reducing noise in the driver's cab and retaining HVAC flow. All WEATHER GUARD Van Solutions packages are customizable and can be tailored to meet your specific storage needs with an extensive array of accessory components.

CONTRACTOR

We know that contractors need the flexibility to adjust their storage to fit the job. Our shelving units have the strength and durability to carry the heavy tools and supplies you need. They are also quickly adjustable to meet future work demands. The screen bulkhead combines full rear visibility with occupant protection. Since all WEATHER GUARD® Van Solutions packages are customizable, you can create a van solution with storage systems that your work requires now and in the future.

ELECTRICIAN

Our Electrician packages start with 45 individual drawers for all of your assorted hardware, and finish with a convenient hard hat holder. In between you'll find sectioned, open and enclosed shelf space to provide a home for all of the equipment you need to get your job done. WEATHER GUARD Van Solutions custom configurations also allow you to incorporate other specialty equipment you may need, such as Wire Spool Racks or roof-top Conduit Carriers.

FULL-SIZE VAN GM INTERIOR DIMENSIONS

The dimensions shown in this guide refer to the 2007 model year Full-size Chevy Express/GMC Savana. Dimensions printed in blue refer to the 135" wheel base vans, dimensions printed in red refer to the 155" wheel base vans. Dimensions printed in black are common to both. You should always measure your van carefully to make sure the equipment you choose will fit properly.

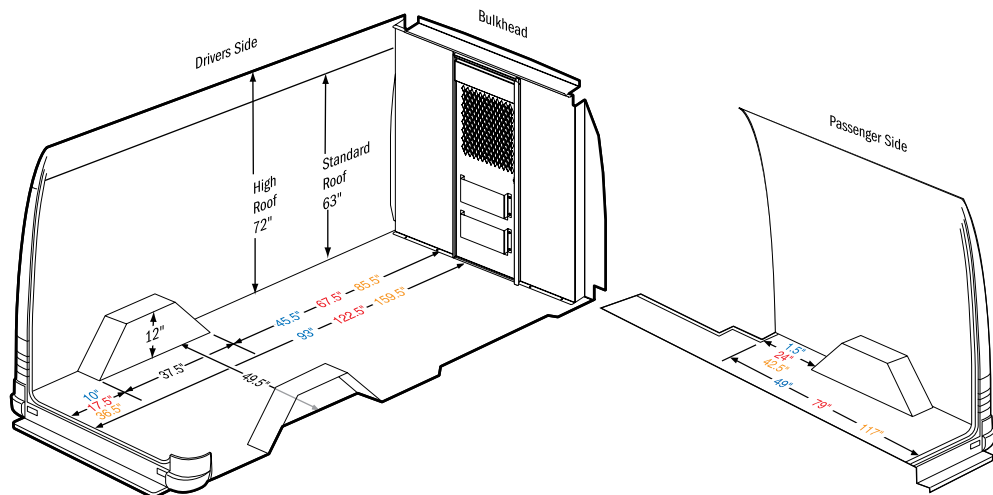

FULL-SIZE VAN FORD INTERIOR DIMENSIONS

The dimensions shown in this guide refer to the 2007 model year Full-size Ford Econoline vans. Dimensions printed in blue refer to standard wheel base vans, dimensions printed in red refer to extended wheel base vans. Dimensions printed in black are common to both. You should always measure your van carefully to make sure the equipment you choose will fit properly.

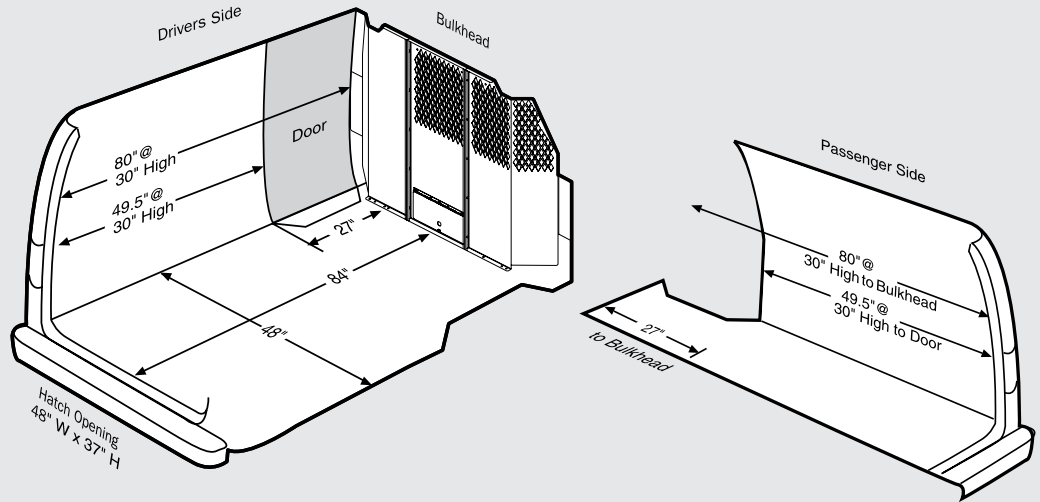

DODGE SPRINTER VAN INTERIOR DIMENSIONS

The dimensions shown in this guide refer to the 2006 model year Sprinter vans. Dimensions printed in blue refer to 118" wheel base vans, dimensions printed in red refer to the 140" wheel base vans and dimensions printed in orange refer to the 158" wheel base vans. Dimensions printed in black are common to all. You should always measure your van carefully to make sure the equipment you choose will fit properly.

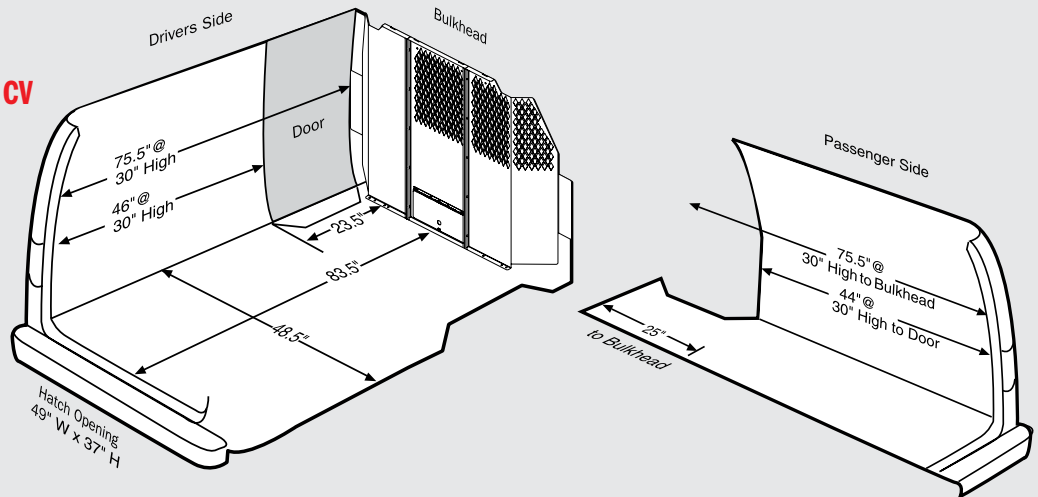

MINIVAN CHEVY UPLANDER INTERIOR DIMENSIONS

The dimensions shown in this guide refer to the 2006 Chevy Uplander. You should always measure your van carefully to make sure the equipment you choose will fit properly.

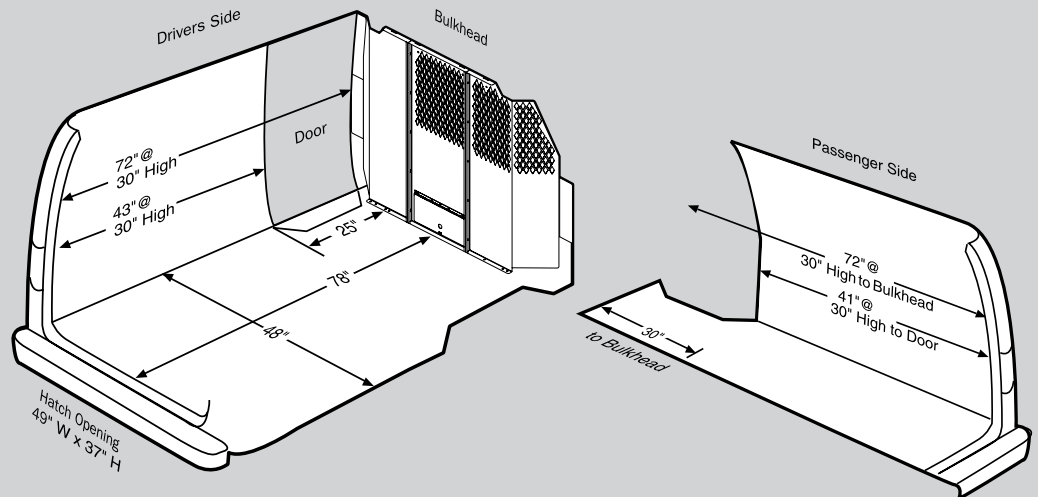

MINIVAN DODGE GRAND CARAVAN CV INTERIOR DIMENSIONS

The dimensions shown in this guide refer to the 2006 Dodge Grand Caravan CV. You should always measure your van carefully to make sure the equipment you choose will fit properly.

MINIVAN FORD FREESTAR INTERIOR DIMENSIONS

The dimensions shown in this guide refer to the 2006 Ford Freestar. You should always measure your van carefully to make sure the equipment you choose will fit properly.

YOUR VAN. YOUR PLAN.

TO HELP YOU PLAN YOUR MOBILE STORAGE, OUR EXCLUSIVE, INTERACTIVE VEHICLE SOLUTIONS™ SOFTWARE PUTS THE WORLD OF WEATHER GUARD® VAN SOLUTIONS AT YOUR FINGERTIPS.

Your van needs to reflect your own individual way of working. Now you can design a storage system around your business and working style with our WEATHER GUARD® VEHICLE SOLUTIONS software. It's easy, fast, and flexible. Here's how:

- Select from almost every make of van, back to the 2000 model year.
- Create a storage system unique to your needs with the simple, easy-to-use customization palette.
- Have total placement control of every feature you choose.
- Watch the software render your plan in 3D for easy evaluation.
- Save your design online and go back to it later if you change your mind or have a new idea.
- Submit a pricing request online, or print out a parts list and 3D drawings to take to your distributor.
- Easy-to-use interface with no measuring, product or advanced technical knowledge necessary.

Check out www.weatherguard.com/vs today

You spend all day in your van. So isn't it about time you design your van so it can be your best tool? Create unexpected efficiencies with WEATHER GUARD VEHICLE SOLUTIONS software.
