# Welcome to Health Net

# Simple steps for completing the form:

- 1. Review the materials enclosed in your enrollment packet. Be sure that you understand the coverage options that are available to you by your employer.
- 2a. **If you are** *declining* **coverage** for yourself and/or your dependents, section 7 is required. Do not fill out any other sections.
- 2b. If you are accepting coverage for yourself and/or your dependents, sections 1, 2, 3, 5, and 8 are required.

The Affordable Care Act (ACA) requires Health Net to provide to the IRS confirmation of health care coverage for yourself, as the subscriber, and your covered dependents. The IRS uses this information to confirm each member has minimum essential coverage and is not subject to the ACA's individual shared responsibility payment provision. Please ensure that the Social Security number (SSN) is accurate for yourself and each dependent you are enrolling. For more information about the individual shared responsibility payment provision, go to www.irs.gov/uac/Questions-and-Answers-on-the-Individual-Shared-Responsibility-Provision.

- 3. If you choose to enroll in the EPO or CommunityCare Network plans, you must select your primary care physician (PCP). Be sure to fill in the names and numbers as they appear in Health Net's online ProviderSearch tool.
  - Note: If you do not select a PCP, one will be selected for you.
- 4. If you choose to enroll in a PPO insurance plan, you are not required to select a PCP to enroll.
- 5. Make a copy of the completed application for your records. **If a correction is needed, cross out and initial each** correction. Please do not use a white-out product.
