RULE 9070-1**

MISC. NO. **5-04-mp-50010**
 (District Wide)

ORDER

IT IS HEREBY ORDERED that the Local Bankruptcy Rules are amended to modify the procedures regarding the presentation of electronic exhibits during a hearing or trial;

IT IS FURTHER ORDERED that Local Bankruptcy Rule 9070-1 is adopted as follows:

Rule 9070-1 *Exhibits.*

- (a) *Paper Exhibits.* A complete copy of the exhibits must be provided to all parties at least three (3) days prior to the trial or hearing, and to the court at the time of trial or hearing, unless otherwise ordered by the court. This requirement applies only to exhibits used in a party's case in chief and not to exhibits used for purposes of impeachment or rebuttal. Failure to timely exchange proposed exhibits in accordance with this rule may result in the court barring the admissions of any unexchanged exhibits. Whenever the number of exhibits in any case to be presented at hearing or trial by either party exceeds fifteen (15), the party intending to offer such exhibits must tab, number, and index them in a binder.

- (b) *Electronic Exhibits.* Any attorney or pro se party who wishes to electronically submit and display exhibits may do so by:
 - (1) completing the Courtroom Technology Request form available on the Court's website for each hearing/trial for which electronic evidence is to be used;

 - (2) pre-marking all electronic exhibits by using the file naming conventions specified in the Court's Electronic Evidence Presentation System Procedures (these are available on the Court's website at www.pamb.uscourts.gov);

 - (3) subject to the exceptions stated in this rule, the presiding judge's "Judicial Practices and Procedures" (which are available on the Court's website at www.pamb.uscourts.gov) or a showing of good cause, uploading all

electronic exhibits into the Cloud Evidence System ("CES") at least three (3) days before the hearing/trial;

- (4) sharing a copy of all electronic exhibits with opposing counsel/parties at least three days prior to the hearing/trial; and
- (5) complying with the technical requirements specified in the Electronic Evidence Presentation System Procedures, including completing training on use of the Court's Electronic Evidence Presentation System.

The requirement to upload and share exhibits three (3) days prior to hearing/trial applies only to exhibits used in a party's case in chief and not to exhibits used for purposes of impeachment or rebuttal. Failure to timely upload and/or exchange proposed exhibits in accordance with this rule may result in the court barring the admission of any such exhibits.

IT IS FURTHER ORDERED that L.B.R. 9070-1 is effective August 1, 2018.

Robert N. Opel, II, Chief Bankruptcy Judge (BI)

Appendix 2016-176

PART I
COMMENCEMENT OF CASE; PROCEEDINGS
RELATING TO PETITION AND ORDER FOR RELIEF

Rule 1001-1 *Local Rules - General.*

- (a) *Scope.* The Local Bankruptcy Rules and Local Bankruptcy Forms are adopted to govern the practice and procedure before the United States Bankruptcy Court for the Middle District of Pennsylvania.
- (b) *Short Title.* These rules may be cited and referred to as the Local Bankruptcy Rules (or "L.B.R.") and the forms as the [Local Bankruptcy Forms](#) (or "L.B.F.").

Rule 1002-1 *Petition - General.*

- (a) *Unsigned Petition.* The clerk must accept for filing any petition in bankruptcy. If a petition is not signed by either the petitioner or counsel, a signed document must be filed within seven (7) days or the petition may be dismissed. The clerk will notify the party of the deficiency and the deadline by which the deficiency must be cured.
- (b) *Petition Submitted by Facsimile.* A petition may not be filed by facsimile unless prior approval has been obtained from the court. The court will not approve a filing by facsimile except in an emergency, as determined by the court.

Rule 1006-1 *Fees - Installment Payments and Waiver.*

- (a) *Petitions.* If a petition is filed without the required fee, without an application to pay in installments ([Official Form B103A](#)), and without a request for waiver ([Official Form B103B](#)), it is considered deficient and may be dismissed after a hearing on notice pursuant to [F.R.B.P. 1017\(b\)\(1\)](#).
- (b) *Other Filings.* The clerk must accept all pleadings for filing regardless of whether the fee required by the bankruptcy court fee schedule is paid. If the required fee is not paid at the time the pleading is filed, the clerk will notify the filing party that the party has seven (7) days to pay the fee or the pleading may be stricken by the court. Current information regarding fees and the number of copies required by the clerk may be found on the court's website (www.pamb.uscourts.gov).

COMMENTS: *L.B.R. 1006-1 was amended effective December 1, 2017, to ensure compliance with [F.R.B.P. 1017\(b\)\(1\)](#) which requires a hearing on notice to the debtor and the trustee before a case may be dismissed for failure to pay any installment of the filing fee.*

Rule 1007-1 *Lists, Schedules, Statements, Plans, and Other Documents.*

- (a) *Motion.* A motion for an extension of time to file lists, schedules, statements, plans, or other required documents must be filed with the court within fourteen (14) days of the entry of an order for relief or before any previously granted extension expires. If the motion is untimely, the court may deny the motion and dismiss the case. The motion must state why the extension is needed and be served on the unsecured creditors' committee and any examiner, if one has been appointed.
- (b) *Objection to Extension.* An objection to an extension of time must be filed within seven (7) days of service of the motion requesting the extension.
- (c) *Certification of No Payment Advices.* If a debtor does not receive payment advices, he must file a certification ([L.B.F. 1007-1\(c\)](#)) within the time specified in [F.R.B.P. 1007\(c\)](#). Nothing in this rule is intended to create an exception to the requirements of [11 U.S.C. § 521](#) or [F.R.B.P. 1007](#).

Rule 1007-2 *Mailing List or Matrix.*

- (a) *Mailing Matrix Required.* Unless filed electronically through the ECF system, the debtor must file with the petition a master list of creditors and other parties in interest ("mailing matrix") in the form prescribed by the clerk. Failure to file the matrix may constitute cause for dismissal of the case.
- (b) *Form of Paper Mailing Matrix.*
 - (1) The mailing matrix must be filed with the petition in paper form as prescribed by the clerk.
 - (2) Mailing matrices must be prepared so that each address is contained within five (5) lines, with each line not exceeding forty (40) characters (including spaces).
- (c) *Electronically Filed Cases.* Electronic filers must comply with the instructions found on the court's website (www.pamb.uscourts.gov) when entering the matrix docket event and uploading creditors into the ECF system in lieu of filing a paper matrix.
- (d) *Accuracy of Mailing Matrix.* The debtor is responsible for the accuracy and completeness of the mailing matrix. If debtor's counsel or a pro se debtor is notified by the Bankruptcy Noticing Center (BNC) that a document was not served on a party because of an incomplete address, counsel or the pro se debtor must notify the clerk in writing of the correct address and must re-mail the notice to the affected party.

Rule 1007-3 *Summary of Your Assets and Liabilities and Certain Statistical Information.*

A debtor must timely complete and file the Summary of Your Assets and Liabilities and Certain Statistical Information ([Official Form 106Sum](#)).

Rule 1009-1 *Amendments to Voluntary Petitions, Lists, Schedules, and Statements.*

- (a) *Notice.* An amendment to a voluntary petition, schedule, or statement must be served on any official committee and any affected entity or creditor. The debtor must file a certification that service has been made on these parties.
- (b) *Requirements.* An amendment must contain:
 - (1) the caption of the case;
 - (2) the case number; and
 - (3) a title including the word "AMENDED" or "AMENDMENT."
- (c) *Form.* An amendment to a schedule or statement must be filed in a format similar to the original Official Form and include only the additions or deletions to the schedule or statement. The change must be prefaced by the statement: "ADD" or "DELETE." An entire set of statements and schedules should not be refiled.
- (d) *Electronically Filed Amendments.* Debtor's counsel must comply with the instructions found on the court's website (www.pamb.uscourts.gov) regarding uploading any new creditors into the ECF system.

Rule 1015-1 *Joint Administration/Consolidation.*

- (a) *Joint Administration.*
 - (1) *Motion.* A request for joint administration must be made by motion. For each case subject to the motion, movant must serve the motion and notice of the answer date on:
 - (A) the debtor;
 - (B) all secured creditors;
 - (C) all parties in interest who have filed a request to receive copies and notices; and
 - (D) any creditors' committee. If there is no creditors' committee, then the motion must be served as specified in [F.R.B.P. 1007\(d\)](#).

- (2) *Passive Notice.* Notice of the filing of a motion for joint administration must provide for a twenty-one (21) day objection period. If no objection is filed within twenty-one (21) days, the court may enter the order. A hearing will be set only upon filing of a timely objection to the motion.
- (b) *Substantive Consolidation.* A request for substantive consolidation must be filed using the self-scheduling procedures set forth in L.B.R. 9002-1. Unless service is made electronically through the ECF system, the movant must serve the motion and hearing required notice upon all parties in interest. The notice must provide for a twenty-one (21) day objection period.
- (c) *Severance or Deconsolidation.*
 - (1) A request to deconsolidate cases that have been substantively consolidated must be filed using the self-scheduling procedures set forth in L.B.R. 9002-1. Unless service is made electronically through the ECF system, the movant must serve the motion and hearing required notice upon all parties in interest.
 - (2) A request to sever jointly administered cases must be made by motion. Unless service is made electronically through the ECF system, the movant must serve the motion and passive notice on the debtor, all secured creditors, all parties who have specifically asked to receive copies and notices, and the creditors' committee. If there is no creditors' committee, then the motion must be served as specified in [F.R.B.P. 1007\(d\)](#). No hearing will be held on a motion to sever jointly administered cases unless an objection to the motion is filed within fourteen (14) days of service.

COMMENTS: *L.B.R. 1015-1 was amended effective October 15, 2010, to eliminate subparagraph (c)(3). The amendment reflects the present capability of CM/ECF to dismiss a debtor from a joint case without requiring case severance.*

Rule 1017-1 *Reinstatement of Dismissed Case.*

- (a) A motion to reinstate a dismissed case must be in writing. If the court sets a hearing on the motion, notice of the date by which objections must be filed and the hearing date must be served on the following:
 - (1) the debtor; and
 - (2) all parties previously notified of the dismissal under [F.R.B.P. 2002\(f\)\(2\)](#).
- (b) Any motion to reinstate a dismissed case may be granted summarily.

Rule 1019-1 *Final Reports in Cases Converted from Chapter 13 to Chapter 7.*

Pursuant to [F.R.B.P. 1019\(5\)\(B\)](#), the chapter 13 trustee must file a final report and account within sixty (60) days after conversion of the case.

Rule 1071-1 *District Boundaries and Divisional Offices.*

- (a) The Middle District of Pennsylvania is comprised of the following counties as set forth in [28 U.S.C. § 118\(b\)](#): Adams, Bradford, Cameron, Carbon, Centre, Clinton, Columbia, Cumberland, Dauphin, Franklin, Fulton, Huntingdon, Juniata, Lackawanna, Lebanon, Luzerne, Lycoming, Mifflin, Monroe, Montour, Northumberland, Perry, Pike, Potter, Schuylkill, Snyder, Sullivan, Susquehanna, Tioga, Union, Wayne, Wyoming, and York.
- (b) For the purpose of accepting bankruptcy petitions, conducting hearings, and all other court business, the Middle District is organized under geographical divisions of Wilkes-Barre, Harrisburg, and Williamsport. Subject to court discretion, the counties listed in subsection (a) above are assigned to these divisions, with specific county assignment posted on the court's website under the "County Maps" link. (www.pamb.uscourts.gov).

Rule 1071-2 *Assignment of Cases.*

- (a) Upon filing, the clerk will assign bankruptcy cases to a bankruptcy judge within this District by random blind draw so that no party, their attorneys, or the public at large is able to make a deliberate choice of a particular judge.
- (b) The provisions of L.B.R. 1071-2(a) do not apply to cases filed under chapter 9. These cases are assigned to a bankruptcy judge by the Chief Judge of the Third Circuit Court of Appeals pursuant to [11 U.S.C. § 921\(b\)](#).

PART II
OFFICERS AND ADMINISTRATION; NOTICES;
MEETINGS; EXAMINATIONS; ELECTIONS; ATTORNEYS
AND ACCOUNTANTS

Rule 2002-1 *Notice to Creditors and Other Interested Parties.*

- (a) *Passive Notice.* A notice served under [F.R.B.P. 2002\(a\)\(3\), \(6\), \(7\), or \(8\)](#) must provide that if no objections are filed by the objection deadline, the court may grant the relief requested. No hearing date will be included in the notice unless a written request is filed.
- (b) *Notice to Parties in Interest.* In a case filed under any chapter, a proponent must give notice to all parties in interest as required under [F.R.B.P. 2002\(a\)\(2\), \(4\), \(5\), and \(6\)](#). In a chapter 11 case, a proponent also must give the notice required by [F.R.B.P. 2002\(b\) and \(d\)](#).
- (c) *Notices by a Chapter 7, 11, 12, or 13 Trustee.* Generally, the clerk will provide any notice required to be served on all parties in interest by a chapter 7, 11, 12, or 13 trustee. Notwithstanding the above, a chapter 7 trustee pursuing assets is required to provide notice to all creditors and parties in interest, under these rules or under the Federal Rules of Bankruptcy Procedure, of the following:
- (1) a trustee's application for compensation;
 - (2) an attorney for trustee's application for compensation;
 - (3) any notice of sale;
 - (4) any notice of compromise or settlement pursuant to [F.R.B.P. 9019](#); and
 - (5) notice of a trustee's final report, if the net proceeds realized exceed \$1,500.00.
- (d) *Notice of § 341(a) Meeting.*
- (1) *General Rule.* The clerk must serve notice of a meeting under [11 U.S.C. § 341\(a\)](#) on all parties in interest listed on the mailing matrix.
 - (2) *Amended Mailing Matrix.* The debtor must serve notice of a meeting under [11 U.S.C. § 341\(a\)](#) on all parties in interest added to the mailing matrix after notice of the meeting has been served pursuant to L.B.R. 2002-1(d)(1).
 - (3) *Notice of Rescheduled Meeting.* If the meeting under [11 U.S.C. § 341\(a\)](#) is rescheduled before the meeting is called to order, notice of the rescheduled meeting must be given to all parties in interest by the party requesting the rescheduled meeting. When rescheduling is caused by inclement weather, Acts of God, sudden illness, or the debtor's failure to file required documents,

the clerk will provide notice of the rescheduled meeting. However, in each case for a pro se debtor, the clerk must provide notice of the rescheduled meeting to all parties in interest.

- (4) *Chapter 13 cases.* In a chapter 13 case, notice of the meeting under [11 U.S.C. § 341\(a\)](#) must include instructions on filing a proof of claim under L.B.R. 3001-1.
- (e) *Notice to Equity Security Holders.* The debtor must provide notice of the order for relief and any other notices required under [F.R.B.P. 2002\(d\)](#) to its equity security holders.
- (f) *Certificate of Service.* The certificate of service showing compliance with this rule must be filed with the clerk no later than seven (7) days following the date of service.

Rule 2003-1 *Meeting of Creditors and Equity Security Holders.*

- (a) *Date and Place.* Any request to deviate from the general requirement that a debtor personally appear at a meeting under [11 U.S.C. § 341\(a\)](#) must be made first to the United States trustee, or his designee. If the United States trustee denies the request, the debtor may file a motion with the court.
- (b) *Attendance.* Debtor's attorney should accompany debtor to a meeting under [11 U.S.C. § 341\(a\)](#). If a debtor's attorney is unable to attend, he or she must arrange for a partner, member, or regular associate of his or her firm to serve as counsel or for another attorney to attend, if permitted under the Pennsylvania Rules of Professional Conduct.
- (c) *Adjournment/Continuance.* If the meeting under [11 U.S.C. § 341\(a\)](#) has been called to order by the trustee, the trustee must orally announce the new date and time to the parties in attendance at the originally scheduled meeting. The requirement, pursuant to [F.R.B.P. 2003\(e\)](#), that the presiding official, the trustee, file a statement specifying the date and time to which a meeting of creditors is adjourned may be satisfied by using the continued feature within the trustee interface of the ECF system.

Rule 2004-1 *Depositions and Examinations.*

The court will consider a motion under [F.R.B.P. 2004\(a\)](#) fourteen (14) days after service on the respondent. If no objection or answer is filed within fourteen (14) days, an order may be entered by the court. The order may be entered immediately if the motion contains a certification that the respondent has agreed to submit to the examination.

Rule 2014-1 *Employment of Professionals.*

- (a) *Application to Employ Counsel or Other Professionals.* An application to employ counsel or other professionals must be filed with the clerk along with a verified statement of disinterestedness and a proposed order.

- (b) *Application to Employ Persons for the Sale or Lease of Estate Property.* An application for employment of an agent or broker for the sale or lease of estate property must be accompanied by a copy of the signed written contract employing the agent or broker. An application for employment of an auctioneer must be accompanied by a copy of the auctioneer's surety bond. A contract for employment must provide that it is effective only upon court approval. When an applicant seeks appointment as a real estate agent or broker, as an appraiser, or as an auctioneer, the applicant must state if he or she is seeking compensation at a flat rate or on a percentage basis. Under L.B.R. 6005-1(b), an applicant for compensation at a flat rate or on a percentage basis may request the court to approve the terms of compensation without filing a separate fee application, but if applicant later requests compensation on different terms, the court must approve compensation. An application for employment under this rule requires conformity with the notice requirements of [F.R.B.P. 2002\(a\)\(6\)](#).
- (c) *Objection by the United States Trustee.* Any objection to an application to employ must be filed by the United States trustee within seven (7) days from the date of service of the application unless the application is filed within fourteen (14) days of the filing of the petition. If the application is filed within fourteen (14) days of the filing of the petition, any objection must be filed within twenty-one (21) days of the filing of the petition.

Rule 2016-1 *Compensation of Professionals.*

This rule governs the procedure for professional applications for compensation. All professional fees paid from property of the estate are subject to court approval. Compensation of attorneys for chapter 13 debtors are also subject to the provisions of L.B.R. 2016-2.

- (a) *Fee Applications.* A fee application must include:
- (1) *Cover Sheet.* A fee application must include a cover sheet that provides the court with a summary of the fee application. The cover sheet must conform substantially to [L.B.F. 2016-1](#).
 - (2) the date of the order appointing the professional;
 - (3) a statement indicating whether the application is for final or interim compensation and expenses, the total amounts requested, and the time period for the services rendered;
 - (4) the date and amount of previous compensation, if any, including any retainers paid;
 - (5) a chronological listing of services performed. Whenever applicable, the listing should include:

- (A) an identification of the subject matter of any correspondence or phone call together with the party with whom that communication occurred;
 - (B) an identification of the subject matter of and parties involved in any hearing or trial, if the service involved is attendance at a hearing or trial;
 - (C) an identification of any pleading drafted; and
 - (D) the date the service or expense was incurred and the time expended, in tenths of hours, for the service rendered;
- (6) an itemization of the expenses for which reimbursement is requested;
- (7) an allegation that the professional is a disinterested person and has not represented or held an interest adverse to the interest of the estate on the matter on which he or she was employed in compliance with [11 U.S.C. § 327\(a\)](#);
- (8) for applications filed on behalf of attorneys, a history of the case in narrative form. The history should include, if applicable:
- (A) a description of the debtor's financial situation when the case was filed;
 - (B) a description of significant events that have occurred post-petition;
 - (C) a description of specific issues that the debtor is required to resolve before a plan can be confirmed or the case otherwise resolved (for example, liquidation of real estate or resolution of pre-petition litigation);
 - (D) the status of any specific issues and their resolution; and
 - (E) items that need to be completed before the case can be confirmed or otherwise brought to a conclusion;
- (9) a certification that the entity on whose behalf the applicant is employed has been given the opportunity to review the application and whether that entity has approved the requested amount;
- (10) the names and hourly rates of all applicant's professionals and paraprofessionals who billed time. This should be accompanied by an explanation of any changes in hourly rates from those previously billed; and
- (11) a proposed order of the court approving the application.

- (b) *Categorical Listing of Services.*
- (1) In a case under any chapter in which the total aggregate amount requested for compensation by a professional is in excess of \$100,000.00 the applicant must include a categorical listing of services. Appendix 2016-1 provides a non-exclusive list of suggested project categories.
 - (2) The description of each category must include the following information:
 - (A) a heading generally describing the services within the category;
 - (B) a narrative summary that:
 - (i) describes the project and its status, including all pending litigation for which compensation and reimbursement are requested; and
 - (ii) states the number of hours spent and the amount of compensation requested for each professional and paraprofessional on the project.
- (c) *Non-Attorney Professionals Compensated on Non-Hourly Basis.* If the court has previously entered an order approving the employment of a non-attorney who is customarily paid on a non-hourly basis and whose terms of compensation the court has approved as provided in L.B.R. 2014-1(b), then no application for compensation is required for such non-attorney.

Rule 2016-2 *Compensation of Debtors' Attorneys in Chapter 13 Cases.*

The provisions of this rule will apply to all chapter 13 cases filed on or after October 1, 2014.

- (a) *Rights and Responsibilities Agreement.* Unless otherwise ordered by the court, in all chapter 13 cases in which a debtor is represented by an attorney, the debtor and the attorney must execute the Rights and Responsibilities Agreement as set forth in [L.B.F. 2016-2\(a\)](#). Counsel must retain the original Agreement in the case file and provide a fully executed copy to the debtor.
- (b) *General Rule.* Except as provided in L.B.R. 2016-2(c), an attorney representing a debtor in a chapter 13 case must file an application for approval of compensation in order to be paid for all services rendered after the filing of the case. The fee application must comply with L.B.R. 2016-1, except the information required under (a)(1) and (a)(8) of that rule may be omitted. A model fee application form for use by attorneys representing a chapter 13 debtor is set forth in [L.B.F. 2016-2\(b\)](#) ("lodestar fee"). The attorney must also file a certification that a Rights and Responsibilities Agreement ([L.B.F. 2016-2\(a\)](#)) has been executed by the attorney and by the debtor. Filing of the certification may be accomplished by a virtual entry in the ECF system. After the

petition is filed, an attorney may not receive payment of fees except through the chapter 13 plan, unless payment is otherwise approved by the court.

- (c) *Presumptively Reasonable Fee.* When the Rights and Responsibilities Agreement provides for the payment of the presumptively reasonable fee, the attorney may receive compensation in the maximum amount of \$4000.00. Further, no fee application is required to be filed where the presumptively reasonable fee is agreed to. In such case, the attorney is only required to file [L.B.F. 2016-2\(c\)](#) - Request for Payment of Chapter 13 Compensation and Expenses, with parts A and C completed. If the chapter 13 trustee requires the debtor to file a business report, or if the debtor holds a controlling interest in a corporation or LLC operating a business, an attorney may receive additional compensation in the maximum amount of \$1000.00 without seeking approval from the court. An attorney representing a consumer debtor who proposes to make mortgage payments through a chapter 13 plan ("conduit plan") may receive additional compensation of \$500.00, without seeking approval from the court. When an attorney agrees to accept a presumptively reasonable fee, all covered legal services rendered by the attorney through confirmation of the plan must be included in the fee, except as provided in paragraph (e). Approval of the allowance of a presumptively reasonable fee will be considered by the court at confirmation and any approval will be given by virtue of the entry of the confirmation order. Consideration of the allowance of a fee for the preparation, filing, and defense of a modified plan will be given by virtue of the entry of the order granting or denying the motion to modify.
- (d) *Indication of Type of Fee in Plan.* The attorney for the debtor must indicate in section 3A of the model plan ([L.B.F. 3015-1](#)) whether the attorney seeks the presumptively reasonable fee or the lodestar fee.
- (e) *Additional Fees.* An attorney who has agreed to accept a presumptively reasonable fee may request additional fees under L.B.R. 2016-2(b) for services rendered after confirmation of the plan or in connection with adversary proceedings. In the event that an attorney determines that services required to be rendered before confirmation of plan exceed normal and customary services in a chapter 13 case, the attorney may seek approval of additional fees under L.B.R. 2016-2(b).
- (f) *Post-Confirmation Modification Plans.* An attorney who has agreed to payment of the presumptively reasonable fee may receive additional compensation of \$500.00 for each post-confirmation plan modification which is filed, without seeking approval from the court.
- (g) *Payment of Fees Through Plan.* An attorney who has agreed to be paid through a proposed plan must file a Request for Payment of Chapter 13 Compensation and Expenses ([L.B.F. 2016-2\(c\)](#)) ("Request for Payment") no later than seven (7) days before the confirmation hearing on the plan. Failure to timely file a Request for Payment may result in a delay of confirmation of the chapter 13 plan. In the event the confirmation hearing is continued, the Request for Payment is not required to be refiled, if no additional fees are requested. When additional fees are requested, a new

Request for Payment must be filed no later than seven (7) days before the continued confirmation hearing.

COMMENTS: *Effective September 1, 2015, former L.B.R. 2016-2(h) was repealed because it conflicted with the Supreme Court decision Harris v. Viegelahn, 135 S.Ct. 1829 (2015).*

L.B.R. 2016-2 is being adopted as of September 1, 2014, to provide for specific procedures for the approval of attorneys' fees in chapter 13 cases. The new rule will apply to chapter 13 cases which are filed on or after October 1, 2014. The general rule will be applicable to attorneys who have agreed to provide services using the lodestar approach. A fee application form is adopted as L.B.F. 2016-2(b). To provide a more efficient means of approving fees in chapter 13 cases, a presumptively reasonable fee is being adopted; this will enable attorneys to obtain approval for fees in certain amounts without filing a fee application. The rule also adopts a Rights and Responsibilities Agreement form to be completed by all represented debtors and their attorneys. The Agreement specifies the services an attorney will perform, if required under the circumstances of a particular case, as well as the responsibilities of the debtor to assist in the prosecution of the case. The Agreement also will specify the compensation arrangements agreed to by the debtor and the attorney. The rule also provides for a Request for Payment of Chapter 13 Compensation and Expenses to be filed prior to confirmation to allow the chapter 13 trustee to determine the amount of fees that will be paid through the plan. The rule also provides that when a case is converted or dismissed and the chapter 13 trustee is required to return payments made to the debtor, counsel may request the payment of outstanding attorneys' fees.

Rule 2090-1 *Attorneys - Admission to Practice.*

- (a) *General Admission.* Except as provided below, no attorney may appear on behalf of another unless first admitted to practice in the United States District Court for the Middle District of Pennsylvania.
- (b) *Admission Pro Hac Vice.* An attorney who is admitted to practice before any United States district court and the highest court of any state or the District of Columbia, and who is a member of the bar in good standing in every jurisdiction where admitted to practice, and who is not subject to pending disciplinary proceedings in any jurisdiction, may be admitted to practice before this court, but only for the purpose of a particular case and not generally under subdivision (a). A request for admission under this subdivision must be made by written motion of a member of the bar of this court or by the attorney intending to practice before this court. The court, in its discretion, may grant an oral motion for admission made in open court.

Rule 2090-2 *Attorneys - Discipline and Disbarment.*

- (a) *Suspension or Disbarment from Practice.* This court has the power and authority to govern, control, and discipline the conduct of attorneys appearing before it, including the power to suspend or disbar attorneys from practice before it.

- (b) *Failure to Appear.* An attorney who fails to appear without just cause, either on a matter before the court or as counsel for a debtor who fails to attend the debtor's § 341(a) meeting, may be subject to discipline by the court.
- (c) *Failure to Prepare.* An attorney who, without just cause, fails to adequately prepare for any pretrial conference, hearing, or trial may be subject to discipline by the court.

PART III
CLAIMS AND DISTRIBUTION TO CREDITORS AND
EQUITY INTEREST HOLDER; PLANS

Rule 3001-1 *Claims and Equity Security Interests - General.*

- (a) *Proof of Claim - Contents.* Any proof of claim filed must be substantially in compliance with the Proof of Claim ([Official Form 410](#)) and [F.R.B.P. 3001](#).
- (b) *Proof of Claim - Service.* In a chapter 7 asset case, a chapter 12 case, or a chapter 13 case, a claimant must serve a copy of its proof of claim, with all attachments, on a prose debtor.

COMMENTS: *L.B.R. 3001-1 was amended effective December 1, 2011, to avoid repetition of the provisions of [F.R.B.P. 3001](#) and to incorporate the requirements of [F.R.B.P. 3001\(c\)](#) for proofs of claim filed in individual debtor cases.*

Rule 3002-1 *Filing Proofs of Claim in Closed Cases.*

Unless filed electronically, any proof of claim received by the clerk in a closed case will be returned to the claimant and marked: "Not Filed, Case Closed."

Rule 3002.1-1 *Response to Notice of Final Cure Payments.*

In chapter 13 cases, a holder's response to a notice of final cure payment made pursuant to [F.R.B.P. 3002.1\(g\)](#) must be made by filing and serving the Response to Notice of Final Cure Payment ([Official Form 4100R](#)). Filing and service must be made in accordance with the provisions of [F.R.B.P. 3002.1\(g\)](#).

COMMENTS: *L.B.R. 3002.1-1 was amended effective June 1, 2016, to provide for the use of [Official Form 4100R](#) - Response to Notice of Final Cure Payment and to eliminate L.B.F. 3002.1-1.*

Rule 3003-1 *Filing Proofs of Claim in Chapter 11 Cases.*

In chapter 11 cases, notice of a deadline for proofs of claim must be given in the following manner:

- (a) *Party Request.* A party requesting the court to set a date within which claims must be filed must provide notice of the bar date and a form of proof of claim to all creditors.
- (b) *Sua Sponte.* If the court sua sponte sets a date within which claims must be filed, the clerk must provide notice of the bar date and a form of proof of claim to all creditors.

Rule 3004-1 *Filing of Proofs of Claim by Debtor or Trustee.*

A debtor or trustee filing a proof of claim in the name of a creditor under [F.R.B.P. 3004](#) must file an original and serve a copy on the creditor.

Rule 3005-1 *Filing of Proofs of Claim by Co-Debtor.*

A co-debtor filing a proof of claim in the name of a creditor under [F.R.B.P. 3005](#) must file an original and serve a copy on the creditor, any co-debtors, and the debtor.

Rule 3006-1 *Claims - Withdrawal.*

A request to withdraw a claim must state:

- (a) whether an objection to the claim was filed;
- (b) whether a complaint was filed against the claimant; and
- (c) whether the claimant has accepted or rejected a plan or otherwise participated significantly in the case.

Rule 3007-1 *Claims - Objection.*

- (a) *Contents.* An objection to the allowance of a claim must list in the caption or the pleading the claim number recorded on the claims register and state particular grounds for the objection, including, but not limited to:
 - (1) whether the claim should be disallowed in its entirety;
 - (2) whether the claim should be allowed in an amount different from that requested; or
 - (3) whether the classification of the claim (secured, priority unsecured, general unsecured) is incorrect.
- (b) *Separate Objection.* As set forth in subdivision (c) and (d) of this rule, a separate objection and notice that substantially conforms with [L.B.F. 3007-1](#) must be filed for each claim objected to, except for omnibus objections filed pursuant to [F.R.B.P. 3007\(d\)](#).
- (c) *Filing and Notice for ECF Filers.* The objecting party must serve the objection to claim and a notice of same using [L.B.F. 3007-1](#) (Notice of Objection to Claim and Deadline to Request Hearing) upon the persons specified under [F.R.B.P. 3007\(a\)\(2\)\(B\)](#). Unless otherwise ordered by the court, a hearing on the objection to claim will not be scheduled unless the claimant files a request for hearing or response to the objection no later than thirty (30) days from the date the notice is served. A certificate of service substantially conforming to L.B.R. 9013-2 must also be filed.

- (d) *Filing and Notice for Non-ECF Filers.* A non-ECF filer must file an objection to the allowance of a claim with the clerk's office. Within five (5) days after filing the objection, the non-ECF filer must mail a copy of the objection to the claimant as set forth in [F.R.B.P. 3007\(a\)\(2\)\(A\)](#). A certificate of service which complies with L.B.R. 9013-2 and demonstrates service as indicated above must then be filed with the clerk's office within five (5) days of service. After the certificate of service is filed, the clerk will issue and send a notice using [L.B.F. 3007-1](#) (Notice of Objection to Claim and Deadline to Request Hearing) to the persons specified [under F.R.B.P. 3007\(a\)\(2\)\(B\)](#). Unless otherwise ordered by the court, a hearing on the objection to claim will not be scheduled unless the claimant files a request for hearing or response to the objection no later than thirty (30) days from the date the notice is served.

COMMENTS: *L.B.R. 3007-1 was amended effective December 1, 2017, to conform to new [F.R.B.P. 3007](#), which became effective December 1, 2017. New [F.R.B.P. 3007\(a\)](#) was amended to specify the manner in which an objection to a claim and notice of the objection must be served. The new rule provides specific instruction in cases where the claimant is the "United States or any of its officers or agencies" or an "insured depository institution." Changes to subdivisions (c) and (d) of L.B.R. 3007-1 were necessary to incorporate these new provisions of [F.R.B.P. 3007](#). The burden of service established by prior L.B.R. 3007-1 has been preserved. Changes to subdivision (b) reflect the new requirement that any "notice of objection" must "substantially conform to the appropriate Official Form." Likewise, amendments to subdivision (e) of L.B.R. 3007-1 have been made to incorporate amendments to subdivision (a) of new [F.R.B.P. 3007](#), which no longer require that a hearing be scheduled or held on every objection. The rule now requires the objecting party to provide notice and an opportunity for hearing on the objection and requires the claimant to timely request a hearing or file a response in order to obtain a hearing. Amended [L.B.F. 3007-1](#), which must be served with a copy of the objection, informs the claimant of the actions that must be taken to request a hearing.*

Rule 3010-1 *Small Dividends in Chapter 13 Cases.*

The chapter 13 trustee may make payments of amounts less than \$15.00 to a creditor.

Rule 3015-1 *Chapter 13 - Model Plan.*

- (a) *Use of Plan Form.* In chapter 13 cases, the plan must conform with [L.B.F. 3015-1](#).
- (b) *Service.* If a chapter 13 plan includes either a request for determination of the amount of a secured claim or a request to avoid a lien or other transfer of property exempt under the Code, debtor must serve the plan upon all affected parties in the manner provided for in [F.R.B.P. 3012\(b\)](#) and [F.R.B.P. 4003\(d\)](#).

COMMENTS: *L.B.R. 3015-1 was amended effective December 1, 2017, to comply with amended [F.R.B.P. 3015\(c\)](#) and new [F.R.B.P. 3015.1](#). Subsection (a) formally adopts [L.B.F. 3015-1](#) as the local chapter 13 plan form to be used in lieu of Official Form 113 pursuant to [F.R.B.P. 3015\(c\)](#). Subsection (b) incorporates the heightened service requirements imposed*

upon chapter 13 plans that contain requests for determination of the amount of a secured claim and/or request to avoid liens or other transfers of property exempt under the Code as imposed by amended [F.R.B.P. 3012\(b\)](#) and [4003\(d\)](#).

Rule 3015-2 *Chapter 12 or Chapter 13 - Amendments to Plans.*

- (a) *Numbering.* Amended plans must be numbered sequentially beginning with "First Amended Plan."
- (b) *Amendments to the Chapter 12 or Chapter 13 Plan Prior to Confirmation.* Once a plan has been filed, any changes to the plan proposed by the debtor must be made by filing an amended plan and not by filing a stipulation between the affected parties.
- (c) *Filing and Service of Chapter 12 or Chapter 13 Amended Plan - Pre Confirmation by a CM/ECF Filer.* If an amended plan is filed after the clerk's office notices the initial confirmation hearing but prior to the confirmation of the plan, a CM/ECF filer may request a new confirmation hearing date by using the self-scheduling procedures as set forth in L.B.R. 9002-1. At the time the amended plan is filed, and subject to the service requirements set forth in L.B.R. 3015-1(b) and [F.R.B.P. 4003\(d\)](#), the CM/ECF filer must provide a copy of the amended plan and the notice setting confirmation objection and hearing dates for the pre confirmation amended plan to each party on the mailing matrix, either by U.S. mail or electronically through the CM/ECF system. The CM/ECF filer must also file a certificate of service which complies with L.B.R. 9013-2.
- (d) *Filing and Service of Chapter 12 or Chapter 13 Amended Plan - Pre Confirmation by a Pro Se Debtor.* A chapter 12 or chapter 13 debtor who represents him or herself must file the amended plan with the clerk's office. When the amended plan is filed, and subject to the service requirements set forth in L.B.R. 3015-1(b) and [F.R.B.P. 4003\(d\)](#), the pro se debtor must, within five (5) days, provide a copy of the amended plan to each party on the mailing matrix, either by U.S. mail or electronically through the CM/ECF system. The pro se debtor must also file a certificate of service which complies with L.B.R. 9013-2. After the certificate of service is filed, the clerk will then issue and send to creditors and parties in interest a notice setting confirmation objection and hearing dates for the pre confirmation amended plan.
- (e) *Modification of the Chapter 12 or Chapter 13 Plan After Confirmation by a CM/ECF Filer.* After a plan has been confirmed, a motion may be filed to modify the confirmed plan. The proposed modified plan and a proposed order must be attached to the motion to modify.
- (f) *Service of Chapter 13 Amended Plan After Confirmation by a CM/ECF Filer.* Subject to the service requirements set forth in L.B.R. 3015-1(b) and [F.R.B.P. 4003\(d\)](#), an amended post confirmation plan and a passive notice containing the objection date must be provided to each creditor and party in interest, either by U.S. mail or electronically through the CM/ECF system. If an amended plan is filed that alters the treatment of the claims of a limited number of creditors, the debtor may be excused

from serving the motion, notice, and amended plan on all creditors by filing [L.B.F. 3015-2\(a\)](#), certifying that service has been made on the affected creditors. Further, if an amended plan is filed to alter funding of the plan or to make technical amendments, but does not affect the payment of any creditor's claim, the debtor may be excused from serving the motion, notice, and amended plan on all creditors by filing [L.B.F. 3015-2\(b\)](#), certifying the limited changes to the confirmed plan.

- (g) *Service of Chapter 12 Amended Plan After Confirmation by a CM/ECF Filer.* Subject to the service requirements set forth in L.B.R. 3015-1(b) and [F.R.B.P. 4003\(d\)](#), an amended post confirmation plan and a passive notice containing the objection date must be provided to each creditor and party in interest, either by U.S. mail or electronically through the CM/ECF system. If an amended plan is filed that alters the treatment of the claims of a limited number of creditors, the debtor may be excused from serving the motion, notice, and amended plan on all creditors by filing [L.B.F. 3015-2\(c\)](#), certifying that service has been made on the affected creditors. Further, if an amended plan is filed to alter funding of the plan or to make technical amendments, but does not affect the payment of any creditor's claim, the debtor may be excused from serving the motion, notice, and amended plan on all creditors by filing [L.B.F. 3015-2\(d\)](#), certifying the limited changes to the confirmed plan.
- (h) *Filing and Service of Chapter 13 Amended Plan After Confirmation by Pro Se Debtor.* A pro se debtor who wishes to amend a confirmed plan must file a motion to modify the confirmed plan with the clerk's office. The proposed modified plan and a proposed order must be attached to the motion to modify. Subject to the service requirements set forth in L.B.R. 3015-1(b), the pro se debtor must, within five (5) days, mail a copy of the amended plan, the motion to modify, and a proposed order to each creditor and party in interest. The pro se debtor must also file a certificate of service, which complies with L.B.R. 9013-2. After the certificate of service is filed, the clerk will then issue and send to creditors and parties in interest a passive notice setting the objection date on the post confirmation amended plan.
- (i) *Filing and Service of Chapter 12 Amended Plan After Confirmation by Pro Se Debtor.* A pro se debtor who wishes to amend a confirmed plan must file a motion to modify the confirmed plan with the clerk's office. The proposed modified plan and a proposed order must be attached to the motion to modify. Subject to the service requirements set forth in L.B.R. 3015-1(b), the pro se debtor must, within five (5) days, mail a copy of the amended plan, the motion to modify, and a proposed order to each creditor and party in interest. The pro se debtor must also file a certificate of service, which complies with L.B.R. 9013-2. After the certificate of service is filed, the clerk will then issue and send to creditors and parties in interest a passive notice setting the objection date on the post confirmation amended plan.
- (j) *Waiver of Objections to Chapter 12 or Chapter 13 Plans.* The failure to file a timely objection, upon notice, is deemed a waiver of all objections to the amended plan and any prior plans, and the court may confirm the amended plan without further notice or hearing.

Rule 3015-3 *Chapter 12 or Chapter 13 - Confirmation Hearing.*

- (a) *Chapter 13 Pre-Confirmation Certifications.* Debtor must file with the clerk a Pre-Confirmation Certification in conformity with [L.B.F. 3015-3\(a\)](#) and submit to the Chapter 13 Trustee a Certification Regarding Domestic Support Obligation(s) in conformity with [L.B.F. 3015-3\(b\)](#), if applicable, at least twenty-four (24) hours prior to the time of the hearing.
- (b) *Chapter 12 Pre-Confirmation Certification.* Debtor must file with the clerk a Pre-Confirmation Certification in conformity with [L.B.F. 3015-3\(c\)](#) certifying compliance with [11 U.S.C. § 1225\(a\)\(7\)](#) at least twenty-four (24) hours prior to the time of the hearing.
- (c) *Appearances at Hearing.* Neither the debtor nor debtor's counsel need appear at the confirmation hearing if:
 - (1) No objections to the chapter 13 plan have been timely filed or any timely filed objections have been withdrawn; and
 - (2) The Pre-Confirmation Certifications have been filed in conformity with L.B.R. 3015-3(a).

If neither the debtor nor debtor's counsel appear at the hearing under this subsection and a party in interest appears and is permitted to lodge an untimely objection, the court will reschedule the hearing on confirmation. Otherwise, debtor and debtor's counsel must attend all scheduled confirmation hearings.

- (d) *Payment of Filing Fee.* The entire case filing fee must be paid prior to the confirmation of any chapter 13 plan. Provided, the requirements of this subparagraph may be waived by the court, upon motion for cause.

Rule 3015-4 *Chapter 13 - Adequate Protection Payments.*

For cases filed on or after October 17, 2005, the debtor must make pre-confirmation adequate protection payments as follows:

- (a) *Adequate Protection Payments to Lessors.* Adequate protection payments to a lessor of personal property must be made by the debtor directly to the lessor if the debtor's plan so provides. If the debtor's plan provides for the lease payments to be made by the trustee, the debtor's plan payments must be made timely so that the trustee may begin prompt distribution.
- (b) *Adequate Protection Payments to Secured Creditors.* Pre-confirmation adequate protection payments to a secured creditor must be made by the debtor directly to the secured creditor if the debtor's plan so provides. If the plan does not so provide, the adequate protection payments must be paid to the trustee and not directly to the

secured creditor. The adequate protection payments must be made timely so that the trustee may begin prompt distribution.

- (c) *Creditor Identification.* The debtor's plan must separately identify by creditor name, address, account number, and monthly payment amount each creditor entitled to receive adequate protection payments.
- (d) *Adequate Protection Payment Distribution.* The trustee will distribute pre-confirmation adequate protection payments to any creditor identified in the plan as receiving payments from trustee and for which a proof of claim has been filed, less the trustee's statutory compensation and expenses, as soon as practicable after receipt of said payment from the debtor.

Rule 3015-5 *Entry of Chapter 13 Discharge.*

A Chapter 13 discharge will not be entered unless the debtor has filed, after the completion of plan payments, the Chapter 13 Debtor's Certifications Regarding Domestic Support Obligations and Section 522(q) ([Official Form 2830](#)) and has completed an instructional course concerning personal financial management described in [11 U.S.C. § 111](#) and [§ 1328\(g\)\(1\)](#), and either the debtor or the course provider has filed a Certification About a Financial Management Course ([Official Form 423](#))).

COMMENTS: *L.B.R. 3015-5 was amended effective June 1, 2016, to provide for the use of [Official Form 423](#) - Certification About a Financial Management Course and to eliminate L.B.F. 3015-5.*

Rule 3015-6 *Chapter 12 - Individual Debtor Discharge.*

For all individual chapter 12 cases, a discharge will not be entered unless the debtor has filed, within seven (7) days after completion of plan payments, an Individual Chapter 12 Debtor's Certification Regarding Domestic Support Obligations ([L.B.F. 3015-6](#)), in conformity with the requirements of [11 U.S.C. § 1228\(a\) and \(f\)](#).

Rule 3016-1 *Disclosure Statement - General.*

- (a) *Contents.* Unless the court orders otherwise, any disclosure statement or amended disclosure statement must include the following information in addition to all other information required by applicable law:
 - (1) an introductory narrative summarizing the plan, which must include:
 - (A) an identification of each class of claims or interests;
 - (B) the composition of each class as to number and type of creditor or interest;

- (C) the amount of claims and interests (specifying any that are known to be disputed and how they will be treated under the plan);
 - (D) the amount (dollar and/or percentages) to be paid to each class and the timing of payments to be made under the plan; and
 - (E) all sources and amounts of funding in reasonable detail;
- (2) a summary exhibit setting forth a liquidation analysis as if assets of the debtor were to be liquidated under chapter 7; and
 - (3) a narrative summarizing the scheduled assets and liabilities as of the date of the order for relief:
 - (A) reciting the disposition of assets during the chapter 11 case;
 - (B) describing the process for handling initial and subsequent disbursements under the plan; and
 - (C) identifying persons responsible for making disbursements under the plan.
- (b) *Disclosure Statement Accompanying Reorganization Plan.* Unless a liquidating plan is proposed, each disclosure statement must also include a projected cash flow and budget, including plan payments over the shorter of the life of the plan or three fiscal years following confirmation, showing all anticipated income and expenses.

Rule 3017-1 *Disclosure Statement - Approval.*

The motion also must state with particularity why the later filing has been made in good faith.
- (b) *Service.* A motion that seeks to extend or impose the stay as to all creditors must be served upon all creditors. A motion that seeks to extend or impose the stay only as to particular creditors must be served upon those particular creditors.
- (c) *Affidavit.* The movant may file a verified affidavit setting forth the substantial changes in the financial or personal affairs of the debtor since the dismissal of the next most previous bankruptcy case. In the absence of timely filed objections, the court may enter an order extending the automatic stay without a hearing where a sufficient affidavit has been filed.

Rule 4001-6 *Service of Motions under [F.R.B.P 4001](#).*

In addition to the parties identified in [F.R.B.P. 4001](#), the following motions must also be served upon creditors listed on the schedules as holding claims secured by the asset(s) identified in the motion:

Rule 4006-1 *Closing Chapter 7 or Chapter 13 Cases Without Discharge.*

If the Certification About a Financial Management Course ([Official Form 423](#)) is not filed in accordance with [F.R.B.P. 1007\(b\)\(7\)](#) and [\(c\)](#) and the time limits contained therein, the clerk may close the case without the issuance of an order of discharge and notify creditors thereof.

Rule 4008-1 *Reaffirmation.*

- (a) *General Procedure.* A reaffirmation agreement must be substantially in compliance with [L.B.F. 4008-1\(a\)](#). A reaffirmation agreement must be accompanied by the Cover Sheet for Reaffirmation Agreement ([Official Form 427](#)). If the presumption arises that the reaffirmation agreement will impose an undue hardship on the debtor, and if the presumption is not rebutted to the satisfaction of the court by a statement on the reaffirmation agreement that identifies additional sources of funds to make the agreed payments, the court will set the matter for hearing.
- (b) *Hearings.* Hearings will be held on all reaffirmation agreements filed by pro se debtors and debtors whose counsel has not signed the certification page of the agreement. Hearing will be held on any agreement which, in the judgment of the court, may impose an undue hardship on the debtor.

COMMENTS: *L.B.R. 4008-1 was amended effective December 1, 2009, to provide for the filing of a reaffirmation cover sheet in accordance with [F.R.B.P. 4008](#) and to delete the former requirement for submission of a proposed order complying with L.B.F. 4008-1(b), which form was eliminated as part of the amendments.*

Rule 5004-1 *Disqualification.*

- (a) *Motion.* A request for disqualification of a judge must be made by written motion. If a hearing is set, the clerk will provide to the movant an order setting the hearing date. The movant must serve the order upon:
- (1) the debtor; and
 - (2) if disqualification from the entire case is not sought, all parties that are engaged in litigation before the court with regard to an adversary proceeding or contested matter from which the basis for disqualification arose unless service is made on such parties electronically through the ECF system.
- (b) *Oral Motion.* The motion may be made orally in open court if grounds for disqualification are first presented during proceedings before the judge.

Rule 5005-1 *Filing and Transmittal of Papers.*

- (a) *Electronic Filing and Signing.*
- (1) *By a Represented Entity.* An entity represented by an attorney must file, sign, and verify documents by electronic means in accordance with the [Administrative Procedures](#) available on the court's website (www.pamb.uscourts.gov). However, non-electronic filing may be allowed for good cause, or as otherwise provided for by these rules;
 - (2) *By an Unrepresented Individual.* An individual not represented by an attorney:
 - (A) may file electronically only if allowed by court order or through compliance with the conditions authorizing same as set forth in the [Administrative Procedures](#) adopted by this District; and
 - (B) may be required to file electronically only by court order or as otherwise provided for in the [Administrative Procedures](#) adopted by this District.
 - (3) *Signing.* An authorized filing through a personal electronic filing account, together with the person's name on the signature block, constitutes the person's signature for purposes of [F.R.B.P. 9011](#);

- (A) an electronic signature must be preceded by “s/”, e.g., “s/John Doe.”; and
 - (B) documents that are electronically filed and require original signatures or require verification under [F.R.B.P. 1008](#) or contain an unsworn declaration under [28 U.S.C. § 1746](#), must be maintained in paper form by the filing user as set forth in the [Administrative Procedures](#) adopted by this District.
- (4) *Same as a Written Paper.* A paper filed electronically is a written paper for purposes of these rules, the Federal Rules of Bankruptcy Procedure, and [Section 107](#) of the Code.
- (b) *Filing Proofs of Claim.* Notwithstanding the requirements of L.B.R. 5005-1(a), pursuant to [Miscellaneous Order 5:14-mp-00003](#), claims may be filed, amended, or withdrawn through the court’s Electronic Proof of Claim (ePOC) system without the need to register or login as a user in the court’s ECF system (CM/ECF). Any claim filed, amended, or withdrawn electronically through the ePOC system will constitute the filer’s approved signature and have the same force and effect as if the authorized individual signed a paper copy of the proof of claim form, amendment, or withdrawal.
 - (c) *Temporary Paper Filing.* An attorney who is not a registered CM/ECF filer may file initial papers in person, by facsimile, or by email after seeking permission from the court as set forth in [Miscellaneous Order 5:05-mp-50007](#). Registration may be completed through the court’s website: www.pamb.uscourts.gov using “Electronic Filing Registration” under the Court Info tab.
 - (d) *CM/ECF Filing Systems Failure.* A registered CM/ECF filer may file papers in person, by facsimile, or by email for up to seventy-two (72) hours when electronic filing is not possible due to a failure in the CM/ECF filer’s systems, including, without limitation, hardware, software, or internet connection. Any filing made by means other than CM/ECF must be accompanied by an affidavit stating why the document was not filed electronically.

COMMENTS: *L.B.R. 5005-1 was amended effective December 1, 2017, to formally adopt the electronic filing requirements set forth in the [Administrative Procedures](#) adopted by this District. Reasonable exceptions are recognized and paper filing is still allowed for good cause. Compelling pro se litigants to file electronically is unrealistic and may impede their access to the court. Therefore, filings by an individual not represented by an attorney are treated separately. Rather than mandate electronic filing, pro se litigants can only be required to file electronically by court order, or as otherwise provided for in the [Administrative Procedures](#) adopted by this District. L.B.R. 5005-1 tracks proposed changes to [F.R.B.P. 5005\(a\)\(2\)](#) which are designed to make the rule consistent with the proposed amendment to [Federal Rule of Civil Procedure 5\(d\)\(3\)](#).*

Rule 5005-2 *Filing Papers - Number of Copies; Time-Stamped Copies.*

In the event of a technical failure, as defined in L.B.R. 9001-1, an electronic filer may use any of the following filing methods:

- (a) file the documents as a PDF attachment to an email sent to the following address: [PAMB ECF Failure@pamb.uscourts.gov](mailto:PAMB_ECF_Failure@pamb.uscourts.gov);
- (b) file the documents in person by bringing the documents to the clerk’s office in paper, accompanied by an electronic storage format (i.e., flash drive, CD-ROM) that contains the document in PDF format without any password requirement;
- (c) file the documents via facsimile to: 570-829-0249 (Wilkes-Barre) or 717-901-2822 (Harrisburg); or
- (d) seek appropriate relief from the court or proceed pursuant to any generally applicable order that may have been entered addressing the technical failure.

Electronic filers are cautioned that the court’s ability to grant relief may be limited by [F.R.B.P. 9006\(b\)](#).

COMMENTS: L.B.R. 5005-3 was adopted effective June 1, 2016, to provide for filing alternatives in the event of a technical failure as now defined in L.B.R. 9001-1.

- (d) *Clerk's Procedures Concerning Facsimile Documents.* If the original document is not timely filed after the facsimile transmittal, the clerk will note that fact and the facsimile will have no force or effect. The clerk's office will not acknowledge the filing of a document or assign a case number or adversary number to a document unless the original is timely filed pursuant to the provisions of this rule. Upon timely receipt of the original document and any required fee, the clerk will stamp the following notation on the document: "This document is deemed filed on _____(date) pursuant to L.B.R. 5005-4 - Filing Papers After Hours." Documents filed in accordance with this rule will be deemed filed on the date and at the time printed on the document by the facsimile machine in the clerk's office which received the facsimile.

Rule 5010-1 *Reopening Cases.*

 - (2) whether withdrawal of the reference is permissive under [28 U.S.C. § 157\(d\)](#);
 - (3) whether withdrawal of the reference is mandatory under [28 U.S.C. § 157\(d\)](#).

- (c) *Notice of the Motion.* The movant must provide notice to all creditors and parties in interest if the motion requests withdrawal of the entire bankruptcy case or provide notice to the parties in the adversary proceeding if the motion requests withdrawal of an adversary proceeding or counts within the proceeding.
- (d) *Objections to the Motion.* Any party opposing the motion must file with the district court and serve on the movant and other interested parties an objection and brief within fourteen (14) days after service of the motion and a supporting brief.
- (e) *Bankruptcy Court Report and Recommendations.* After the time for filing objections has expired, the bankruptcy judge assigned to the bankruptcy case will file with the district court, within fourteen (14) days, a report and recommendation on the motion to withdraw the reference. All further requests for a continuance must be made by motion. Requests received by the court within twenty-four (24) hours of the hearing will not be considered except in emergency situations, and the request will be granted only in the court's discretion. A party who obtains a continuance must immediately notify other parties of the continuance by email, telephone, facsimile transmission, or first class mail, whichever method is necessary to ensure that notice is received no later than twenty-four (24) hours prior to the time set for the hearing.

COMMENTS: L.B.R. 9013-3 was amended effective December 1, 2009, to provide that a continuance request may be denied if concurrence has not been obtained from all interested parties.

Rule 9014-1 *Default and Summary Judgment.*

[F.R.B.P. 7055](#) and [7056](#) as well as L.B.R. 7055-1 and 7002-1 do not apply in contested matters except as otherwise provided in the Local Rules. If a response is required but none is filed, the court may, without hearing, grant the relief requested in the motion.

Rule 9015-1 *Jury Trials.*

The parties may consent to have a jury trial conducted by a bankruptcy judge under [28 U.S.C. § 157\(e\)](#) by jointly or separately filing a statement of consent no later than thirty (30) days after time of demand or designation, whichever last occurs, if right to a jury trial applies; a timely demand has been filed under [Fed. R. Civ. P. 38\(b\)](#); and the bankruptcy judge has been specially designated to conduct the jury trial.

Rule 9016-1 *Subpoena.*

A subpoena may be issued by an attorney as an officer of the court under [Fed. R. Civ. P. 45\(a\)\(3\)](#). The clerk must issue a subpoena signed, but otherwise blank, when requested by a pro se party.

Rule 9018-1 *Motions to Publicly File Redacted Documents and to File Unredacted Documents Under Seal.*

- (a) *Generally.* Unless otherwise required by these Local Rules, the Federal Rules of Bankruptcy Procedure, the Bankruptcy Code, or order of this court, requests to file under seal shall consist of two parts: (i) a motion to seal; and (ii) the documents to be sealed.
- (b) *Motion to Seal.* The motion to seal shall include:
 - (1) the grounds for sealing;
 - (2) the identity of any parties, other than the moving party, who will have access to the documents to be sealed;
 - (3) the duration of the seal;
 - (4) the time when the movant will either unseal the documents or retrieve the physical documents (if any) at the conclusion of the matter;
 - (5) a redacted copy of the documents sought to be sealed with only those redactions necessary to preserve confidentiality, made in good faith; and

- (6) a proposed order that contains language indicating the order is without prejudice to the rights of any party in interest, or the United States Trustee, to seek to unseal the documents, or any part thereof.
- (c) *Documents to be Sealed.* Upon filing the motion to seal, the moving party must electronically file a copy of the unredacted documents sought to be sealed with the clerk's office. The documents must be electronically filed using a special ECF docket entry conspicuously marked "DOCUMENTS FILED UNDER PENDING MOTION TO SEAL." Access to documents filed pursuant to this subparagraph shall be strictly limited to the clerk of court and his or her designees, as well as to the presiding judge and his or her chambers.

COMMENTS: *L.B.R. 9018-1 was amended effective December 1, 2017, to provide a uniform standard procedure for electronically filing a motion under seal. The rule distinguishes between the motion to seal, which should be filed publicly on the docket, and the documents to be sealed. The motion should include a redacted copy of the documents to be sealed. The time to file and serve the underlying motion for which purpose the motion to seal is being made should be in accordance with all applicable rules pertaining to service of the underlying motion.*

Rule 9019-1 *Settlements and Agreed Orders.*

- (a) *Settlement of Adversary Matters and Contested Matters.* In an adversary proceeding or contested matter, whenever the parties have reached a settlement, they must file a stipulation resolving the matter before the hearing date, submit a Request to Remove from the Hearing/Trial List ([L.B.F. 9019-1](#)), or announce the settlement at the hearing set on the matter. If a Request to Remove form is filed, within the time specified in the form, the moving party or plaintiff must file a stipulation or stipulated order and any requisite motion to compromise or settle. Failure to file a stipulation or stipulated order may result in the dismissal of the matter or proceeding. A motion to extend the time to comply with this rule or to re-list the matter for hearing may be filed within the period specified for filing a stipulation or stipulated order in the Request to Remove form, but the motion will be granted only upon cause shown.
- (b) *Hearing.* When a matter has been settled and a stipulation has been filed or is expected to be filed within a period not to exceed sixty (60) days, the hearing before the court may be stricken by filing a Request to Remove form ([L.B.F. 9019-1](#)). A Request to Remove form must be filed with the court no later than twenty-four (24) hours before the hearing.

Rule 9019-2 *Alternative Dispute Resolution.*

- (a) *Setting Mediation.* The court may set a case for mediation provided consideration is given to any reasons advanced by the parties as to why such mediation would not be in the best interest of justice. Once set for mediation, the matter can be removed from mediation by the court or on application by the mediator.

- (b) *Request for Mediation.* The parties may request a case be assigned by the court to mediation by completing and filing [L.B.F. 9019-2](#).
- (c) *Assigning Matters and Cases.* The court may assign to mediation any adversary proceeding or contested matter or any issue within such adversary proceeding or contested matter.
- (d) *Certification of Mediators.*
 - (1) The court may certify as many mediators as determined to be necessary under this rule.
 - (2) An individual may be certified to serve as a mediator if:
 - (A) he or she has been a member of the bar of the highest court of a state or the District of Columbia for a minimum of five (5) years;
 - (B) he or she is admitted to practice before this court;
 - (C) he or she has successfully completed a mediation training program established or recognized by the District Court or the Bankruptcy Court for the Middle District of Pennsylvania; and
 - (D) he or she has been determined by the appointing court to be competent to perform the duties of a mediator.
 - (3) The court will solicit qualified individuals to serve as mediators.
 - (4) Each individual certified as a mediator must take the oath or affirmation prescribed by [28 U.S.C. § 453](#) before serving as a mediator.
 - (5) The clerk must maintain a list of all persons certified as mediators.
 - (6) The appointing judge may remove anyone from the list of certified mediators for cause.
 - (7) Persons acting as mediators under this rule are assisting the court in performing its judicial function. They must be disqualified for bias or prejudice as provided by [28 U.S.C. § 144](#) and must disqualify themselves in any action in which they would be required under [28 U.S.C. § 455](#) to disqualify themselves if they were a justice or judge.
- (e) *Compensation and Expenses of Mediators.* A mediator who accepts a case for mediation initially volunteers the time expended to prepare for and conduct a mediation conference or conferences lasting up to a total of four (4) hours. After completion of four (4) hours service, the mediator may either:

- (1) continue to volunteer the mediator's time; or
 - (2) give the mediation parties the option to agree to pay the mediator his prevailing hourly rate for bankruptcy services for the additional time spent on the mediation. The parties must each pay a *pro rata* share of the mediator's compensation, unless they agree among themselves to a different allocation. A motion to enforce a party's obligation to compensate a mediator is governed by [F.R.B.P. 9014](#).
- (f) *Frequency of Service.* An individual certified as a mediator will not be called upon more than twice in a twelve (12) month period to serve as a mediator without the prior approval of the mediator.
- (g) *Scheduling Mediation Conference.*
- (1) Upon referral of a case to mediation, the court will serve the order of referral to the mediator, all counsel, and any unrepresented party directing the mediator to establish the date, place, and time of the mediation session. The order will include the address, telephone number, email address, and facsimile number of the mediator, counsel, and unrepresented parties. The date of the mediation session must be a date within thirty (30) days from the date of the order of referral.
 - (2) The appointment is effective unless the designee rejects the appointment within seven (7) days.
 - (3) Upon docketing of the order of referral to mediation, the clerk must transmit to the mediator, either by email or regular mail, a copy of the docket sheet that reflects all filings to date. The mediator may identify to the clerk those filed documents which the mediator wishes to review for the mediation. Unless otherwise ordered by the court, the clerk will provide the mediator with electronic or paper copies of the requested documents free of charge.
 - (4) A mediator may change the date and time for the mediation session if the session takes place within forty-five (45) days of the date of the order of referral. Any continuance of the session beyond forty-five (45) days must be approved by the court.
- (h) *The Mediation Process.*
- (1) Not later than seven (7) days before the initial conference, each party must deliver or send a facsimile or email to the mediator a mediation conference memorandum no longer than two (2) pages, summarizing the nature of the case and the party's position on:
 - (A) the major factual and legal issues affecting liability and damages;

- (B) the relief sought by each party; and
 - (C) the position of the parties relative to settlement.
- (2) The memoranda required by this subdivision are solely for use in the mediation process and are not to be filed with the clerk.
- (i) *The Mediation Session.*
- (1) The mediation session must take place on the date and at the time set forth by the mediator. The mediation session must take place at a neutral setting as designated by the mediator that may include the mediator's office. A party must not contact or forward any document to the mediator unless the mediator requests the information or unless as otherwise provided under these rules.
- (2) Counsel primarily responsible for the case and any unrepresented party must attend the mediation session. All parties or principals of parties with decision-making authority must attend the mediation session in person, unless attendance is excused by the mediator for good cause shown. Willful failure to attend the mediation conference must be reported to the court and may result in the imposition of sanctions. The participants must be prepared to discuss:
- (A) all liability issues;
 - (B) all damage issues;
 - (C) all equitable and declaratory remedies if such are requested; and
 - (D) the position of the parties relative to settlement.
- (3) Unless otherwise provided in this rule, and as may be necessary to the reporting of or the processing of complaints about unlawful or unethical conduct, nothing communicated during the mediation process - including any oral or written statement made by a party, attorney, or other participant, and any proposed settlement figure stated by the mediator or on behalf of any party - may be placed in evidence, made known to the trial court or jury, or construed for any purpose as an admission. No party may be bound by anything done or said during the mediation process except to enforce a settlement agreement or any other agreement achieved in that process.
- (4) In the event the mediator determines that no settlement is likely to result from the mediation session, the mediator must terminate the session and promptly send a report to the court that there has been compliance with the requirements of these paragraphs, but that no resolution has been reached. In the event that a settlement is achieved at the mediation session, the mediator must send a written report to the judge to whom the case is assigned stating that a settlement

has been achieved. The parties are responsible for the circulation of any required notice of settlement.

- (5) Notwithstanding the above paragraph, the mediator must submit a written report to the court advising the court of the status of the mediation within sixty (60) days after the order of appointment of the mediator.
 - (6) No one may have a recording or transcript made of the mediation session, including the mediator, unless otherwise agreed to by the parties.
 - (7) The mediator cannot be called as a witness at trial.
- (j) *Neutral Evaluator.* Anytime after an action or proceeding has been filed, the action may be referred to a neutral evaluator to be selected with the approval of the parties.
- (k) *Relationship to Other Procedures.* Nothing in this rule modifies the provisions of [Fed.R.Civ.P. 16](#) and [26](#), or L.B.R. 7016-1 or any order of court, nor does it preclude the use of any kind of mediation outside of the mediation process established by this rule or the use of any other means of alternative dispute resolution.

Rule 9019-3 *Mortgage Modification Mediation Program.*

- (a) *Program Description.* The Mortgage Modification Mediation Program (“MMM Program”) is available to any chapter 13 debtor seeking to modify a mortgage obligation with respect to his or her principal residence. In order to qualify for the MMM Program, debtor must meet the following criteria:
- (1) Debtor has regular, verifiable income and is the owner/occupant of a residential property used as debtor’s primary residence.
 - (2) Debtor has a mortgage balance of less than \$729,750.00, and the mortgage payment is unaffordable due to financial hardship.
 - (3) Debtor will make monthly post-petition mortgage payments of seventy-five percent (75%) of debtor’s current mortgage payment starting with the next monthly scheduled due date (plus any grace period, after the Motion to Participate is filed and granted). Debtor agrees that in the event debtor misses one of the modified mortgage payments, the lender and/or servicer for the mortgagee of record (“Mortgage Creditor”) may file a motion for relief from the automatic stay and seek removal of debtor from the MMM Program.
 - (4) Debtor has filed complete bankruptcy schedules and must supply Mortgage Creditor with the last two (2) years’ signed tax returns, last sixty (60) days’ payment advices, and any other document Mortgage Creditor requests. Failure to supply the documents within thirty (30) days of admission to the MMM Program is grounds for dismissal from the MMM Program.

- (5) If a mediator is used, debtor must pay a mediation fee of \$125.00 to the mediator. Mortgage Creditor must also pay \$125.00 to the mediator. Neither fee is refundable under any circumstances. Mediation is to be completed within sixty (60) days, unless otherwise extended consistent with the paragraphs contained herein.

(b) *Application to the MMM Program.*

- (1) *Motion.* To seek admission to the MMM Program, debtor must file a Motion to Participate in the Mortgage Modification Mediation Program (“Motion to Participate”), together with the Notice of Filing of Motion to Participate in Mortgage Modification Mediation Program, [L.B.F. 9019-3\(a\)](#), and serve copies of same on Mortgage Creditor and any counsel of record. In the Motion to Participate, debtor must state whether he wishes to utilize the DMM Portal, or such other portal as may be designated by the court, (the “Portal”) or to communicate directly with Mortgage Creditor and its counsel. Additional information related to the Portal is posted on the court’s website at <http://www.pamb.uscourts.gov> and may be updated from time to time by the court.
- (2) *Response.* Mortgage Creditor will have twenty-one (21) days to file a response to the Motion to Participate.
 - (A) *Acceptance.* If Mortgage Creditor agrees to participation, Mortgage Creditor will file a Consent to Participation in Mortgage Modification Mediation Program (“Creditor Consent Form”), [L.B.F. 9019-3\(b\)](#) and the court will enter an Order Granting Entry in MMM Program. Prior to filing the Creditor Consent Form, the parties will confer as to whether they wish to utilize the Portal or to communicate directly with one another outside the Portal for the modification process. The Creditor Consent Form will reflect the decision of the parties. Should the Creditor Consent Form not contain a designation as to whether or not the Portal will be used, the preference stated by debtor in the Motion to Participate will govern. Should both the Motion to Participate and the Creditor Consent Form fail to include a designation as to the Portal, the parties will be deemed to have opted not to use the Portal.
 - (B) *Objection.* If Mortgage Creditor objects to participation, a written response stating the basis for the objection must be filed with the court. Upon filed written objection, the Motion to Participate will be denied without prejudice to re-filing.
 - (C) *Failure to Respond.* If Mortgage Creditor fails to file either the Creditor Consent Form or an objection to participation within twenty-one (21) days, Mortgage Creditor will be deemed to have waived any objection and the court may enter an Order Granting Entry in MMM

Program (“Participation Order”) without further notice or hearing. The preference elected by debtor as to the Portal in the Motion to Participate will govern. Should the Motion to Participate fail to elect a preference, the parties will be deemed to have opted not to use the Portal.

(D) *Re-filing the Motion to Participate.* A Motion to Participate may be re-filed after an objection by Mortgage Creditor, only with written concurrence of Mortgage Creditor unless the motion includes information demonstrating a material change in debtor’s circumstances that either renders Mortgage Creditor’s prior objection moot or otherwise rebuts the objection. If Mortgage Creditor files an objection to the refiled Motion to Participate, the court may set a hearing thereon or rule on the refiled Motion to Participate without a hearing.

(c) *Proceeding in the MMM Program Using Portal.*

- (1) Within fourteen (14) days of entry of a Participation Order, unless not previously registered, Mortgage Creditor must, register with the Portal and post on the Portal the required loss mitigation application to be completed by debtor.
- (2) Debtor must upload and submit a completed loss mitigation application on the Portal within thirty (30) days after Mortgage Creditor registers with the Portal. If Mortgage Creditor is registered with the Portal at the time the Participation Order is entered, debtor will be required to upload and submit a completed loss mitigation application on the Portal within thirty (30) days after such Participation Order is entered. Failure to do so may result in debtor being removed from the MMM Program upon written motion of Mortgage Creditor.
- (3) Within fourteen (14) days after debtor’s submission of the loss mitigation application, Mortgage Creditor must designate, via the Portal, a specific individual who is the single point of contact for the loss mitigation process. The designated representative will be responsible for all communications in the Portal with debtor. Mortgage Creditor must provide the designated representative’s name, title, email address, and either a direct telephone number or direct extension. At the same time, Mortgage Creditor must acknowledge, via the Portal, receipt of debtor’s loss mitigation application and advise debtor of any additional or missing information required for Mortgage Creditor to proceed with its review.
- (4) Debtor must promptly submit any and all additional or missing information required for Mortgage Creditor to proceed with its review, but in no event may the documents be submitted more than twenty-one (21) days after the date they are requested by Mortgage Creditor. Mortgage Creditor must continue reviewing the loss mitigation application in good faith while awaiting submission of additional or missing information.

- (5) Once the parties have opted to utilize the Portal, all material communications between debtor and Mortgage Creditor must be conducted exclusively through the Portal.
 - (6) In the event that the loan being reviewed under the MMM Program becomes subject to a transfer or the service rights are scheduled to be assigned to a new servicer, then no less than fourteen (14) days prior to the scheduled transfer/assignment, Mortgage Creditor must file a Proposed Order Substituting MMM Servicer, [L.B.F. 9019-3\(c\)](#), and update the Portal to identify the successor creditor (“Substituted Creditor”). In addition to updating the Portal, Mortgage Creditor must forthwith provide Substituted Creditor with all loss mitigation notes, applications, and correspondence related to the pending loss mitigation review. Substituted Creditor is responsible for ensuring all such documents are received from Mortgage Creditor and must continue the loss mitigation review without requiring a new Motion to Participate or initial application from debtor. Within thirty (30) days of the service transfer, Substituted Creditor must designate a representative who is the single point of contact for the loss mitigation process on behalf of Substituted Creditor. The designated representative is responsible for all communications in the Portal with debtor. Substituted Creditor must provide the designated representative’s name, title, email address, and either a direct telephone number or direct extension. To the extent updated or additional documents are required by Substituted Creditor in order to complete the loss mitigation review, Substituted Creditor must request such information or documents contemporaneously with designating its single point of contact on the Portal.
- (d) *Proceeding in the MMM Program Outside the Portal.*
- (1) Upon entry of a Participation Order, Mortgage Creditor must provide debtor with the required loss mitigation package and document checklist within fourteen (14) days. Documents that may be requested include, but are not limited to, IRS Form 4506-T, utility bills, bank statements, payment advices, and federal tax returns.
 - (2) Within thirty (30) days of the entry of the Participation Order, debtor must provide the last two (2) years’ signed tax returns, last sixty (60) days’ payment advices, and any other document Mortgage Creditor requests. Failure to do so may result in debtor being removed from the MMM Program upon written motion of Mortgage Creditor.
 - (3) Within fourteen (14) days after debtor’s submission of the loss mitigation application, Mortgage Creditor must designate, via written notice to debtor and debtor’s counsel, a specific individual who is the single point of contact for the loss mitigation process. The designated representative is responsible for all communications with debtor with respect to the loss mitigation review. Mortgage Creditor must provide the designated representative’s name, title,

email address, and either a direct telephone number or direct extension. At the same time, Mortgage Creditor must acknowledge receipt of debtor's loss mitigation application and advise debtor of any additional or missing information required for Mortgage Creditor to proceed with its review.

- (4) Debtor must promptly submit all additional or missing information required for Mortgage Creditor to proceed with its review, but in no event may the documents be submitted more than twenty-one (21) days after the date they are requested by Mortgage Creditor. Mortgage Creditor must continue reviewing the loss mitigation application in good faith while awaiting submission of additional or missing information.
- (5) In the event that the loan being reviewed under the MMM Program becomes subject to a transfer or the service rights are scheduled to be assigned to a new servicer, then no less than fourteen (14) days prior to the scheduled transfer/assignment, Mortgage Creditor must file a Proposed Order Substituting MMM Servicer, [L.B.F. 9019-3\(c\)](#), identifying the successor creditor ("Substituted Creditor"). Mortgage Creditor must forthwith provide Substituted Creditor with all loss mitigation notes, applications, and correspondence related to the pending loss mitigation review. Substituted Creditor is responsible for ensuring all such documents are received from Mortgage Creditor and must continue the loss mitigation review without requiring a new Motion to Participate or initial application from debtor. Within thirty (30) days of the service transfer, Substituted Creditor must designate a representative who is the single point of contact for the loss mitigation process on behalf of Substituted Creditor and provide written notice thereof to debtor and debtor's counsel of record. The designated representative is responsible for all loss mitigation communications with debtor. Substituted Creditor must provide the designated representative's name, title, email address, and either a direct telephone number or direct extension. To the extent updated or additional documents are required by Substituted Creditor in order to complete the loss mitigation review, Substituted Creditor will request such information or documents contemporaneously with providing written notice of its single point of contact.

(e) *Request for Status Conference and/or Appointment of Mediator.*

- (1) Upon the motion of either party, the court may schedule a status conference concerning the loss mitigation process. Such motion must include the grounds for requesting said conference along with a description of the efforts made to resolve any differences prior to requesting the status conference. The motion must be served upon the other party and his counsel. The court may, on its own initiative, schedule a status conference.
- (2) At the time of the status conference, both parties must be prepared to provide the court with sufficient detail as to the status of the loss mitigation review so that the court can assess whether further two-party negotiations are likely to

be productive and/or whether the appointment of a mediator may be beneficial to the parties.

- (3) After the status conference, if the court determines that the appointment of a mediator may be beneficial, the court will issue an order of referral to the mediator, all counsel, and any unrepresented party, directing the mediator to establish the date, place, and time of the mediation session. The order will include the address, telephone number, email address, and facsimile number of the mediator, counsel, and unrepresented parties. The date of the mediation session will be a date within thirty (30) days from the date of the order of referral.
- (4) The appointment is effective unless the mediator rejects the appointment within seven (7) days of the date of the order of referral.
- (5) Upon docketing of the order of referral to mediation, the clerk must transmit to the mediator a copy of the docket sheet that reflects all filings to date. The mediator may specify those documents in the case that the mediator wishes to review for the mediation. Unless otherwise ordered by the court, the clerk will provide the mediator with electronic or paper copies of the requested documents.
- (6) Mediation must be completed within thirty (30) days, but the mediator may extend the time to complete the mediation for a period up to forty-five (45) days from the date of the order of referral. Any continuance of the session beyond forty-five (45) days must be approved by the court.
- (7) Debtor must pay a mediation fee of \$125.00 to the appointed mediator. Mortgage Creditor (or, if applicable, Substituted Creditor) must also pay \$125.00 to the appointed mediator. Neither fee is refundable under any circumstances.

(f) *The Mediation Process.*

- (1) Not later than seven (7) days before the scheduled mediation session, debtor and Mortgage Creditor (or, if applicable, Substituted Creditor) must each deliver or send by facsimile or email to the mediator and the opposing party a mediation conference memorandum no longer than two (2) pages, summarizing the status of the loss mitigation process.
- (2) The memoranda required by this subdivision are solely for use in the mediation process and are not to be filed with the clerk.

(g) *The Mediation Session.*

- (1) The mediation session must take place on the date and at the time set by the mediator. The mediation session must take place at a neutral setting as

designated by the mediator that may include the mediator's office. A party must not contact or forward any document to the mediator unless the mediator requests the information or unless as otherwise provided under these rules.

- (2) Debtor must appear in person at the mediation session with counsel, unless unrepresented. Counsel for Mortgage Creditor (or, if applicable, Substituted Creditor) who is primarily responsible for the case must appear in person. A representative of Mortgage Creditor (or, if applicable, Substituted Creditor) must be available by phone for the mediation session. The participants must be prepared to discuss:
 - (A) the status of the loss mitigation process; and
 - (B) the position of the parties relative to settlement.
- (3) Unless otherwise provided in this rule, and as may be necessary to the reporting or processing of complaints about unlawful or unethical conduct, nothing communicated during the mediation process - including any oral or written statement made by a party, attorney, or other participant, and any proposed settlement figure stated by the mediator or on behalf of any party - may be placed in evidence, made known to the trial court or jury, or construed for any purpose as an admission. No party may be bound by anything done or said during the mediation process except to enforce a settlement agreement or any other agreement achieved in that process.
- (4) In the event the mediator determines that no settlement is likely to result from the mediation session, the mediator must terminate the session and promptly send a report to the court that there has been compliance with the requirements of L.B.R. 9019-3(g), but that no resolution has been reached. In the event that a settlement is achieved at the mediation session, the mediator must send a written report to the court stating that a settlement has been reached.
- (5) Notwithstanding the above paragraph, the mediator must submit a written report to the court describing the status of the mediation no later than thirty (30) days after the completion of the mediation session.
- (6) No one may have a recording or transcript made of the mediation session, including the mediator, unless otherwise agreed to by the parties.
- (7) The mediator cannot be called as a witness at trial.
- (h) *Compensation and Expenses of Mediators.* A mediator who accepts a case for mediation initially will receive a total of \$250.00 from the parties for up three (3) hours' of actual mediation services for time expended to prepare and conduct a mediation conference or conferences. After completion of three (3) hours' service, the mediator may either

- (1) continue to volunteer the mediator's time; or
 - (2) give the mediation parties the option to agree to pay the mediator his prevailing hourly rate for bankruptcy services for the additional time spent on the mediation. The parties must each pay a pro rata share of the mediator's compensation, unless they agree among themselves to a different allocation. A motion to enforce a party's obligation to compensate a mediator is governed by [F.R.B.P. 9014](#).
- (i) *Frequency of Service.* An individual certified as a mediator will not be called upon more than four (4) times in a twelve (12) month period to serve as a mediator under the MMM Program without the prior approval of the mediator.
- (j) *MMM Program Results.*
- (1) If the MMM Program is successful, Mortgage Creditor (or, if applicable, Substituted Creditor) will file a motion to approve final modification with a copy of the modification agreement.
 - (2) When debtor's primary residence remains property of the estate, notice of the filing of the motion to approve final modification must be provided to creditors and parties in interest. Such notice must be provided by Mortgage Creditor (or, if applicable, Substituted Creditor). A passive notice, pursuant to L.B.R. 2002-1(a), is required allowing a twenty-one (21) day objection period. A certificate of mailing evidencing compliance with this notice provision must be filed within seven (7) days following the date of the notice.
 - (3) If the MMM Program is unsuccessful and no loan modification is agreed to by the parties, debtor must file an amended/modified chapter 13 plan within twenty-one (21) days to address the pre-petition mortgage arrears and any post-petition arrears that may have accrued as a result of the reduced monthly payments. If an amended/modified chapter 13 plan is not timely filed, Mortgage Creditor (or, if applicable, Substituted Creditor) may file a motion for relief from the automatic stay.
 - (4) If within one hundred and twenty (120) days from the entry of the Participation Order, neither a motion to approve loan modification nor an amended/modified chapter 13 plan to address Mortgage Creditor's lien has been filed, debtor must file and serve a Loss Mitigation Status Report with an attached printout of the current and complete account history from the Portal. If the parties opted not to use the Portal, the Loss Mitigation Status Report must include a history of the loss mitigation review process along with the outcome of same. Such Status Report is to be filed on the bankruptcy docket and, if applicable, in the Portal. The obligation to timely file a Loss Mitigation Status Report applies in all cases in the MMM Program unless the bankruptcy case has been dismissed or converted prior to the time for filing the Status Report, in which

case no report is required. Upon the motion of any party, or on its own initiative, the court may set a hearing on the Status Report.

- (k) *Relationship to Other Procedures.* Nothing in this rule modifies the provisions of [F.R.C.P. 16](#) and [26](#), or L.B.R. 7016-1 or any order of court, nor does it preclude the use of any kind of mediation outside of the mediation process established by this rule or the use of any other means of alternative dispute resolution.

COMMENTS: *L.B.R. 9019-3 was amended effective June 1, 2016, in part, to provide for optional use of a Portal to upload and exchange documents which will facilitate the mortgage modification process.*

Rule 9023-1 *Motions for Reconsideration.*

A motion for reconsideration must be filed within fourteen (14) days after the entry of the judgment, order, or decree concerned.

Rule 9023-2 *Post-Trial Motions.*

- (a) *Post-Trial Motions to be Written.* All motions after trial must be written and must contain a certification by counsel for the movant that he or she has sought concurrence in the motion from each party and that it has been either given or denied. In accordance with the procedures set forth in the [Miscellaneous Order 5:05-mp-50007](#) and the [Administrative Procedures](#) available on the court's website (www.pamb.uscourts.gov), every motion must be accompanied by a proposed order. (See L.B.R. 9013-1(b)).
- (b) *Documents Supporting Post-Trial Motions.* When allegations of fact not of record are relied upon in support of a motion, all pertinent affidavits, transcripts of depositions, and other documents must accompany the motion whenever practicable.
