MAJOR JOB/ SERVICES OFFERED

- 1. Self Leveled Epoxy Floor Topping:** 1.5- 3 mm thick topping to get dust proof hygienic, chemical, oil & abrasion resistant and aesthetics floor surface

2. **Abrasion / Chemical Resistant Epoxy Screed:** Providing screed lining of 3- 6 mm thickness into Chemical tanks and plants at the Industry.
3. **Anti skid Epoxy/PU Coating:** Providing anti skid epoxy flooring / coating for Helipad Construction and Car parking Deck

4. **Structural Repairing and Strengthening:** Providing different kinds of Polymer/ Epoxy repair mortars and injection grouting to repair and strengthen RCC structures and foundations.

- 5. Foundation Grouting / Bolt Anchoring:** Providing cementitious as well as epoxy/polyester resin grouts for industrial foundations, anchoring of bolts and rebaring.

Rebaring

- 6. Stitching technology for CC Road crack repairing.**

7. **Structural Protective coating:** Providing various Epoxy, PU and Tar based coatings to protect structural elements from environmental and weather effects for concrete and steel.

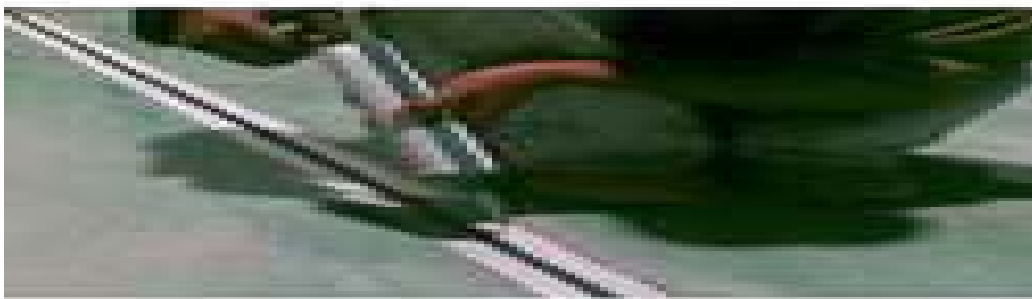

Anti Carbonation Coatings

8. **Groove Cutting :** Making concrete grooves as per the requirements

9. **Joint Sealants:** Providing and applying different types of joint sealants like Acrylic, Silicon, Polysulphide and Polyurethane based etc. for expansion and construction joints.

10. Water Proofing: Providing water proofing treatment by pressure grouting and various type of coating to the RCC component such as terrace slab, water tank and under ground structures etc.

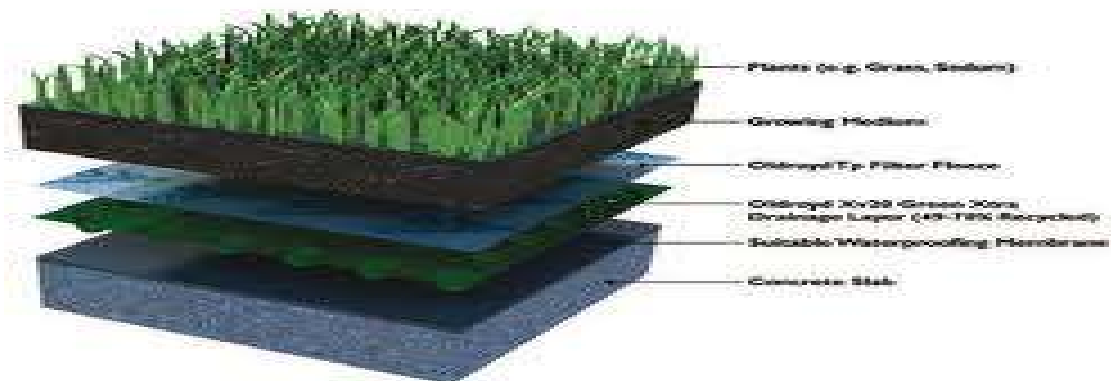

Chemical Waterproofing

APP/ SBS/ PVC MEMBRANE WATER PROOFING

TERRECE GARDEN WATERPROOFING

11. Chemical Resistant Epoxy Coating: Applying different type of Epoxy / PU based coating to industrial floor and wall surface for getting dust proof, aesthetic, chemical and abrasion resistant.

12. Vacuum Dewatering System : Providing Vacuum Dewatering System by using Tremix Flooring System For RCC floors and Roads

13. HILTI Fire Proof Mortar Application & Fire proof Cable coating

We providing Fire Proof Mortar Application & Fire proof Cable coating

14. Civil Construction/ maintenance: Civil Job
