Mass Intentions For The Week

Dear Parishioners,

More on the rapture [continued from last week from Fr. Tony Kadavil]: **"The Catechism on end times:** The definitive Catholic teaching on the end times is contained in the *Catechism of the Catholic Church* under the discussion of the article of the Creed, "*From thence He will come again to judge the living and the dead.*" [CCC #668-682]. As the Creed infallibly teaches, the Second Coming is associated with the end of the world and the Last Judgment. Therefore, it is NOT associated with any earlier time - such as the establishment of a "Millennium." The Catholic Church specifically condemns "millenarianism," according to which Jesus will establish a throne in this world and reign here for a thousand years [CCC #676]. She teaches instead that Jesus already reigns in eternity (1 Cor. 15:24-27, Rev. 4 & 5), and that in this world His reign, established as a seed, is found already in the Church [CCC #668-669]. This is the "thousand years," which is the Hebrew expression indicating an indefinite, long period of time - in this case, the time between the First and Second comings. This period of time is called the Era of the Church, or, in other words, the last days in the broadest sense. The Book of Revelation situates this era between the persecutions of the Roman antichrists of the first century and the final unleashing of evil at the end.

A summary of why the rapture theory is wrong and against Bible teaching:

1. It is a new theory without any basis in Church history.
2. It is a false theory and against Bible teaching
3. It is a distortion of bible teaching
4. It is the wrong method of interpreting Bible books
5. It is a modern and popular heresy
6. It is taking passages from apocalyptic books and leading to wrong conclusions (it is symbolic language not meant to be taken literally)
7. It is against the teaching of the Church
8. It is new theology underestimating God's mercy"

WORDS OF WISDOM

There are moments in life when you miss someone so much that you just want to pick them from your dreams and hug them for real.

Learned In Life

Positivity, Love and all things Good.

Protect against potential danger

Taking a few precautions can help children learn to protect themselves

against potential danger and ease parents' minds.

Teach children to memorize their full name, address, and phone number, so they can provide the information to an adult if they are separated from their parents or caregiver. Instruct children to look for a police officer or other "safe" adult (e.g., a store or park employee) if they need assistance. Teach them how and when to dial 9-1-1. For more tips, request the VIRTUS® article "7 Precautions to Take against Kidnapping," from vienna@la-archdiocese.org or call (213) 637-7227.

PARISH REGISTRATION UPDATE YOUR CONTACT INFORMATION

Having the most recent contact information in our database saves us on return mail postage for our church mailings. If you have changed your registration contact information, please update your phone, cell phone, marital status, children, home address, and email address by emailing the new information to cecilia@hfglendale.org or by calling the Parish Office at 818-247-2222 ext. 223. Why should you register?

A Catholic parish is the most important part of our Catholic Church. This is where we continue the mission of Jesus Christ through evangelization to our members and the community. In our parish, we publicly express our faith, joining together with others to give proof of our communion with God and with one another.

There are many reasons to register. The most important reason is that you desire a sense of belonging in your church community. You are making a commitment to practice your faith. This commitment should be a high priority in your life. You should be willing to give of your time, talent and treasure to your church community.

Benefits

- Membership in the parish gives one the correct access in receiving the sacraments.
- Membership provides letters for Godparents or Sponsors for confirmation.
- Membership provides priority for admittance to parish schools.
- Membership allows a lower rate for funeral and wedding donations.
- Membership makes you part of the parish, just like other organizations and groups.
- Membership entitles you to receive parish mailings, keep informed about events, changes and special announcements.
- Membership provides the parish staff basic information to best serve your pastoral needs.
- Membership provides fellowship.
