A Message from the Director

Quarter Million...that's a big number! Amazingly, that's the number of books Kate's Kart has given away since our beginning in June 2008. In 10 years, a quarter million books have brought joy, distraction and a smile to hospitalized children throughout Northeast Indiana.

In 2008, we gave away 2,200 books. Today, on average, 3,500 books are given away each month at 20 local hospitals. Around 80 trained volunteers gift books at Lutheran, Parkview Regional Medical Center and Dupont Hospital. In addition, hundreds of staff members give books on our behalf at community hospitals within 100 miles of Fort Wayne. The Northeast Indiana community has shown their overwhelming support through donations of books, money and time. A quarter million books definitely takes a team effort, and we are so grateful to all those who have joined in.

In 2018, our Board of Directors spent much of the year developing a strategic plan and identifying growth opportunities to ensure that Kate's Kart will continue to be able to distribute books for years to come.

We also secured reduced pricing direct from publishers and distributors that allow us to buy high quality books at up to 60% discount. That makes your dollar go twice as far and make an even greater impact.

We knew from the beginning that a book can provide that comforting diversion during a hospital stay, as we experienced with our journey with

Kate. We have heard from patients that a "Kate's Kart book" made our son smile for the first time in days or provided a bedtime story for a NICU family prior to leaving their baby for the night. We've heard kids stop crying prior to an IV because the perfect book took their mind off the impending procedure. We've seen the look of relief on a parent's face when their child received a book during a long ER stay. We've even witnessed teens put down their phones to read their new book.

But, over the years, we've been amazed and humbled by the impact these books **CONTINUE** to make on these kids and families.

"Seven years ago you gave our twins books in the NICU, tonight they read them to us."

"The book we received in the NICU is still his favorite book 3 years later."

"We continue to read our Kate's Kart books every night, they are some of our favorites."

Yes, even 10 years later, the books given during that scary hospital stay have instilled a love of reading into these kids and families. These books have built home libraries for kids as they learn to read. Even outside the hospital, these books are making a difference...an impact far greater than we ever imagined.

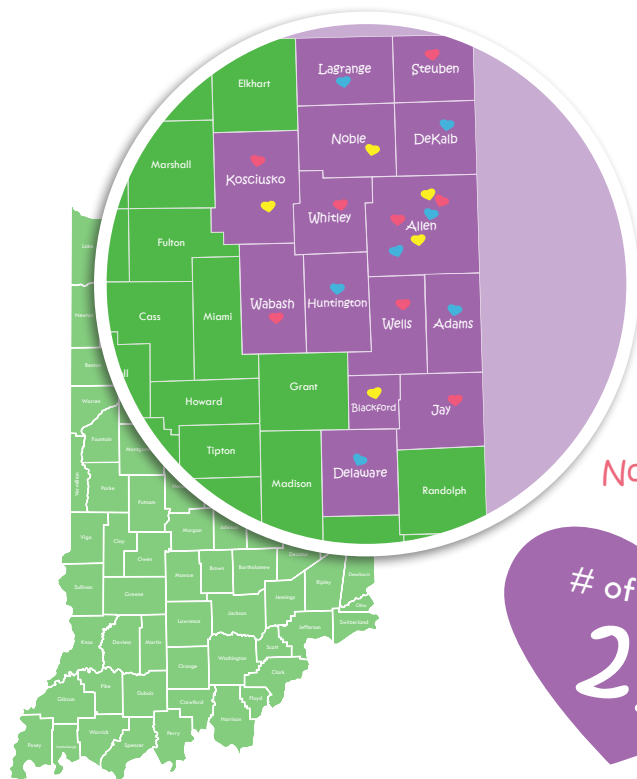

Thank you for being a part of our team...for sharing in this amazing journey...for giving of your time, talents or treasures. Your donation is making a lasting impact for these kids and families. We are so grateful to everyone who has continually funded our mission over the past 10 years. Know that you are appreciated by us, but even more important, by the children who receive the books.

Thank you for the past 10 years. Our hearts are fuller because of you.

Krista

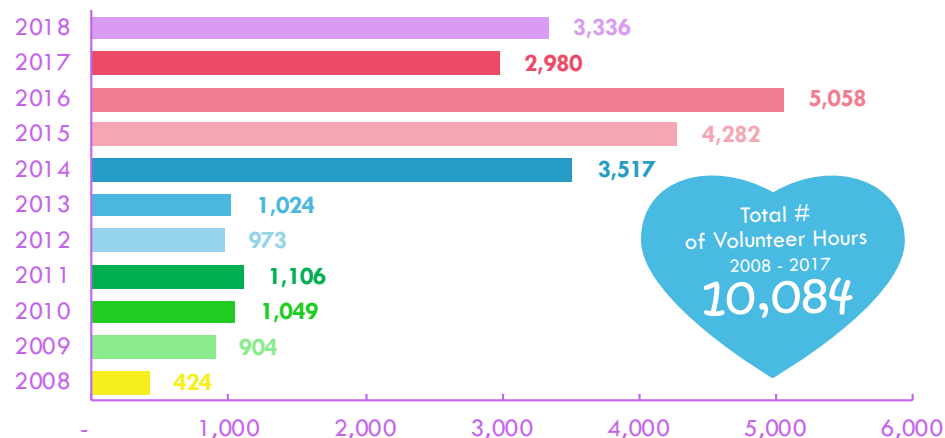

Krista Layman

Donate

Monetary donations are the most needed and most effective type of donation. With your cash, check, or credit/debit card donation, we can purchase the types of books that we currently need most. And as a non-profit organization, we have the power to purchase in bulk which makes your money go further! To donate online, visit kateskart.org/donate.

Of course we always need donations of brand new books too! Books with popular characters, best sellers, current movies and classic read-alouds are the types we need most. To see the current books we need most, visit kateskart.org/our-wish-list.

Additional Ways to Give Back

Holding a fundraiser or Book Drive to benefit Kate's Kart can be fun and rewarding! Challenge your group or organization to meet a pre-determined level. We're happy to come to your office or school and talk about what we do and why it is important to our community. We will also let you know what your Book Drive can do to help.
