INTRODUCTION

Learners embark on the journey to learn French for a bunch of reasons. Yet whether you are learning French for fun, travel or business, the ultimate objective is to be able to speak the language with confidence. The ability to speak French confidently takes motivation, concentration, and plenty of practice. This eBook will enable French learners of any level to learn new information, consolidate past knowledge, and enhance their vocabulary with the aim of improving their spoken French.

This phrasebook is perfect for tourist and Beginner – Intermediate learners. It covers all the main case scenario you can encounter in France from your arrival in the airport up to some unfortunate scenario (sickness for example).

Some Highlights:

- +1001 words / expressions in French/ English and English pronunciation (For E.G : Bonjour = bon·zhoor)
- A mini guide of cultural difference (take it as a bonus)

Who should buy it?

- Planning to visit France : Anyone who does not speak French plans to visit France. Recommendation 5/5
- Beginner – Intermediate learners : If you can speak a decent level of French, there is still some value in this ebook for some specific situations (for example If you got sick). It can also improve your confidence at speaking French and impress French people if you plan to visit here. Recommendation : 3/5 (for intermediate level) 4/5 (for beginners)

Chapter 1: Essentials / L'essential

This part will be the most useful for you and help you to get out of most difficult situations.
