WHAT OUR GUESTS LOVED...

“

“We had the best night ever at the Titanic... it was amazing from beginning to end! And a massive Thank you for giving us the best 2 tables in the house, the food was lovely and the entertainment, acrobatics, band and disco was the best!”

“We had a fabulous time last Saturday at the Fire and Ice event. The food and the service was very good and the room was decorated wonderfully. Whoever does that job is very good at the different themes. The staff had a great time and we will be booking for the 2018 night as soon as it is available.”

“Thank you and all of the staff at the Titanic Hotel. The service was completely outstanding and I can't compliment Kyle and the bar staff more on their customer service that night. They were just amazing. We had such a wonderful time and we won't be forgetting that one in a hurry.”
