***This would be subject to approval by Directors**

I heard guest lecture by Dr. Kavish Chouhan at ISHRS 2013 conference in san Francisco and came for 1 month FUE Hair transplant training in 2014 then again in 2015. It was an amazing experience. I have visited all well known hair transplant centers around the world and DERMACLINIX is undoubtedly the best.

Dr. Malek Menon
Plastic Surgeon
Barcelona, Spain

I am thankful to Dr. Amrendra and Dr. Kavish chouhan for immense learning experience . I witnessed some amazing transformation by hair transplantation. The center is state of art and they do 2-4 transplants daily. I would definitely come back to further refine my skill.
