1 Grandpa

I bought Lily a telescope for her tenth birthday. She loves it and watches animals from our balcony. I think Lily is a very brave girl because she's never afraid of the animals in the jungle. Also, she isn't afraid of the bat. It comes to our balcony at night. She calls it Charlie! Lily and I go to the town centre every Saturday and we love roller skating! After skating, we go to the shopping centre and have milkshakes. Lychee milkshake is my favourite and lychee is also my favourite fruit! Mmm!!!

2 Charlie

I like to visit Lily and her grandparents at night. I'm not afraid of the dark! I really love it because the light is not good for my eyes. When I go to Lily's house the best thing is I can hang upside down on the balcony. It's really great fun! Lily is a good friend and she gives me milkshakes to drink. Lychee is my favourite milkshake. It's Mmmm-mmm!!!

Tracks 07 / 08

I really LOVE weekends! On Friday mornings, I go to the bus station in Alexandria with my aunt and uncle and we take the bus to Cairo to see Azzizi. We have great fun every weekend. On Friday afternoons, we go water skiing on the River Nile and at 7 o'clock in the evening, we watch TV. On Saturday mornings, at 8 o'clock, Azzizi and I go to the pool at the sports centre. He's a brilliant swimmer! In the afternoons at 2 o'clock, we go to the cinema with the family. After that, we have a big picnic at 6 o'clock in the evening next to the River Nile. We eat lots of pancakes and drink milkshakes, they are our favourites! Weekends are THE BEST!

Read about Fred's day in town and number the places in order.

1. First, I took the bus to a very big shop that sells lots of different things like food, toys and sometimes clothes. I bought a birthday cake there to give to my sister. Second, I walked to one of my favourite places to read a book. I like it because it's very quiet. The next place I went wasn't quiet at all! There were lots of people there taking fun! I went on some exciting rides and I had an ice cream.

After that, I walked to the big square in the centre of town to buy some fruit. Farmers sell food there every day! Then I went for a swim and played table tennis with my friends. There's a great place where you can do that near the train station. In the evening, I saw my sister Amy because it was her birthday. We watched a film and ate birthday cake. It was a fun day!

I went to see my friend Alex in the afternoon. In this photo, he's making pancakes for us. He made dinner, too. Ugh! He's not very good at cooking.

My friend Sam likes doing dangerous things. Last Sunday he helped an alien! I saw him in the morning and I took this photo of him with the alien.

Look – here's a photo of Reem. She's learning to ride an elephant. I went to the circus last Sunday afternoon to watch her. She's really funny!

What did you and your friends do last weekend?
