

GC OPEN GIRL KO NETBALL TEAM DEFEAT HENLEY POWERHOUSE

Last Friday, the Gleeson Open Girls Netball Team met Henley High School in their first match of the Statewide Knockout Competition, held at the Golden Grove Recreation Centre.

We know Henley as a formidable opponent whom we have had some hard fought games against, and despite losing a valuable player in Paris Sinclair (11 FSCAM) to injury in recent weeks, we went into the game with great confidence and a strong team made up of girls in Years 10 -12.

With the experienced Darren Saul coaching, the girls got off to a great start. The mid court of Jess Saul (12 HSDAW), and Shelby Finlay (12 HSDAW) provided plenty of drive through the centre and we converted well through shooters Lauren Wright (12 MSSPI) in GA and Lucy Burford (10 HSFEL) at GS.

The game proved to be an exciting battle with little between both teams. The lead changed many times

throughout the game but it seemed Gleeson slowly gained the upper hand.

Rachel Gill (12 FSHOL) came on in centre and the girls worked tirelessly to press Henley defensively and work the ball down court to our shooters and convert opportunities presented.

Many may have thought Henley's height in the circle would prove be a problem, however, Gleeson defenders Brianna Gibbs (12 HSDAW), Sydney Wilson (12 HSRAN) and WD Madison Nenke (11 FSCAM), all played outstanding games and proved more than a match for their opponents. A big thank you also to Open KO Team

Member Karlee Turner (11 FSRUT) who supported the girls so well on the day.

Needless to say, Gleeson prevailed in a very tense, skilful, and fast-paced game, 43- 41! A Fantastic win against a quality opponent, and we move through to the next round full of confidence and enthusiasm.

Well done to all the girls and Coach Darren on an exceptional effort!

Mrs Peggy Busbridge,
Assistant Coach/Team Manager

WE ARE ALL CALLED TO DO THE SMALL THINGS

2017 Gleeson College Annual School Performance Report

All schools are required by the Federal government to report to their community each year. This report outlines a number of key achievements from 2017, and specifically reports the progress of the College against the goals outlined in our school strategic plan. Parents can access a copy of the report on the College website by following the link: <https://www.gleeson.sa.edu.au/annual-school-performance-report.html> or you may request a hard copy by contacting the front office. I would like to thank Executive Assistant, Mrs Emma Williamson, for her work in putting together such a comprehensive document that contains so much for our community to celebrate.

Work Ready

In a recent [article](#), Megan O'Connell the director of the Mitchell Institute at Victoria University, outlined the importance of post school qualifications for young people to enable them to be competitive in an increasingly demanding jobs market. O'Connell says; *"Almost all new jobs will require post-school qualifications, about half of all new jobs will require a vocational qualification, while about half will require a university*

qualification." Last week we held a highly successful Careers Expo where our students were able to avail themselves of the opportunity to speak to a number of providers of post school options including universities, TAFE and many other training organisations.

A student in the senior school has to make a number of informed choices about their subject selections and post school options, and I thank our Flexible Learning Coordinator, Mrs Lina Russo, and other staff for providing excellent support and information to our students to inform good choices.

Extra-Curricular

The past few weeks have been incredibly busy for our extra-curricular programs, in particular, performing arts and sports. When people ask me about the 'point of difference' for Gleeson College, I often point to the plethora of extra-curricular activities our students can be involved in. As with most things in life, the more people put in, the more they get in return; and this is very true with these activities.

The recent Creative Arts showcase was a brilliant example of the talent that exists in our College, and many of our sporting teams have progressed through various knockout competitions - the Open Girls Netball win against Henley High school was amazing! The true value of extra-curricular activities however lies not in the outcome, but

in the camaraderie and feeling of pride that being a part of this engenders in our students. I love that our students represent our school always in the right spirit - they are proud to be a part of our community and are proud to be called Gleeson College students. I also thank the staff and volunteers of our school that enable these activities to take place. Their contribution to the fabric of our school does not go unheralded.

Refugee Week

Sunday June 17 to Saturday June 23 is Refugee Week in Australia. This year's theme is #WithRefugees. As the Refugee Week website states; *"In Australia, it is the responsibility of our Government, and each one of us to ensure people forced to flee from their homes can live with dignity and hope."*

This week with my Year 7 RE Class we held a special liturgy acknowledging Refugee Week and I was struck by the solemn and dignified engagement of these students toward this issue.

I am always amazed at the capacity for empathy from our students and their ability to think of others. As Andrew Hamilton SJ describes, *"We are all called to do the small things toward change for refugees."* He says that *"in doing these things we dig the small channels that, when the season changes and the rain comes, will irrigate the parched fields."*

GC CONCERT CHOIR WINS 3RD + CREATIVE ARTS CONCERT 2018

Week 7 was an incredibly busy and successful week in The Arts at Gleeson College!

Tuesday 12 June saw the culmination of a semester's worth of work as Creative Arts and Performing Arts students performed and exhibited their summative pieces. This Concert evening was held in the Golden Grove Arts Theatre and there was a huge turnout of family and friends who were entertained and amazed. The works presented and exhibited included performances by our wonderful music ensembles, as well as student choreography, composition, photography, animation, visual art and filmmaking. It was fantastic to see how creative and talented the students are, and their work was very well received.

Congratulations to everyone on an excellent evening.

On Wednesday 13 June, the Gleeson College Concert Choir performed at the prestigious Adelaide Choral Eisteddfod in Elder Hall. It was an incredible opportunity for the choir to perform in one of Adelaide's most beautiful venues and compete against some of the top choirs from around the state. The division in which the Gleeson Choir competed was the hotly contested 'Open Choral' division, which included adult choirs and many

choirs from other schools, including the top music school in South Australian, Marryatville High School. The adjudicator was Mr Carl Crossin (OAM) who is a professor of Music at Adelaide University and is one of Australia's most experienced and awarded choral conductors. Marryatville entered two choirs in the division who placed 1st on 90 points and 2nd on 88 points, and Gleeson College placed 3rd, only 1 point behind on 87 points! What an incredible achievement for the Gleeson Concert Choir!

Congratulations to our Gleeson College Concert Choir >

CONGRATULATIONS TO OUR NEW YEAR 7 CLASS REPRESENTATIVES

At our recent College Assembly, we had an opportunity to announce and present our newly appointed Year 7 Class Representatives. Term 1 provided the chance for students to transition to Gleeson and nominations for Year 7 Student Leadership positions were called for at the end of the term. We shortlisted from a long line of applicants, and then interviewed students to further refine the list. Through this process, we congratulate the following Year 7 Class Representatives appointed:

- 7 BAR >** Charlotte Duncan
James Harding
- 7 HEW >** Zara Fergusson
Keegan Mitchell
- 7 PUT >** Jett Darmody
Jack Lindsay

Our youngest Student Leaders have hit the ground running, already involved with the TTG Regional Leaders forum, attending meetings and are now involved in planning events for Term 3 and transitioning our new students into the College. Their student biographies will be published in The Globe over the coming weeks.

Mr Shannon Bertram,
Assistant Principal - Student
Development

YEAR 7 HOME ECONOMICS

This term, Miss Curtis' Year 7 Home Economics Class has been putting their newly developed sewing skills to the test by constructing their own BBQ aprons.

This task required students to use a pattern to pin and cut out their material, before hemming it using the sewing machine. Students then attached a pocket and straps. Although some students came across challenges at times, the class demonstrated excellent teamwork to support one another, ensuring everyone successfully completed their aprons. The class did a wonderful job and are all proud of their final product!

Miss Ashlee Curtis,
Year 7 Home Ec Teacher

YEAR 7 + YEAR 8 JAPANESE > Restaurant Role Plays Extend Learning

Over the past few weeks, the Year 7 and Year 8 Japanese Classes have been researching Japanese food and restaurant culture. After learning some key vocabulary, watching some interesting and informative YouTube clips, and developing an understanding of some useful grammatical patterns, the students in each class were asked to form small groups and script a simple role play.

Students would be able to make use of self-introduction phrases, restaurant language, cultural expressions used when eating and salutations in the role play. To add to the authenticity of their presentation, some students also made a personalised menu that showed a connection to those found in Japan, making use of images of each dish, the name of each dish and a price detailed in Japanese yen. Most groups were able to create an informative script that lasted around two minutes and distributed roles evenly. Many employed inquisitorial language to enquire about the food they were selecting, offered opinions, conveyed excitement based on their orders and even incorporated humor, which is hard to convey when you have only been learning a language for about six months. The Japanese faculty also provided a number of props brought back from Japan to add further authenticity and engagement with the task, which many loved as it aided them to become their character and use challenging language with less inhibition.

With the current cohort of junior Japanese students making the transition to Italian next week, this assessment will remain a highlight of the semester's learning.

**Mr Josh Boden,
Japanese Teacher**

YEAR 8 RE CLASS MASSES > 'Equality', 'Friendship' + 'Doing Your Best'

"I learnt lots about how important friends are. I enjoyed the peacefulness. Monsignor Swann presented and explained the mass very well and I could easily understand everything."
- Paige

On Monday, Monsignor Swann joined our Year 8 students to help celebrate Class Masses at the College. The Year 8's have been working over the past few weeks in preparation for the masses, picking their own themes including, 'Equality', 'Friendship' and 'Doing Your Best'.

Students learnt the importance of Mass for our Catholic community, helped decide on readings, prayers and music and then ran the Mass with the assistance of Monsignor Swann and their teachers. It was wonderful to see the connection that Monsignor Swann made with the students in a more intimate setting of a Class Mass. Students were fully engaged in this valuable experience.

"Something I enjoyed was how Monsignor Swann asked people questions. That really engaged me in the mass. I also learnt the detailed meaning behind friends."
- Ngan

Thank you to Monsignor Swann, all Year 8 students and their teachers, Ms Helen Gillen, Mrs Tricia O'Boyle, Mr Peter Terminello and Youth Minister Miss Rachel Staffin.

**Mr Adam Cibich,
Assistant Principal - Religious Identity & Mission (APRIM)**

"I really enjoyed the mass because I liked being involved with the homily, and that doesn't normally happen during the school masses."
- Ryley

"I liked when we sang our school song because everyone joined in."
- Jack

YEAR 10 CHILD STUDIES > Creative Quilt Making for Kids

The Year 10 Child Studies Class are currently completing their final assignment, constructing a quilt suitable for a baby.

This task has allowed students to further develop a variety of different hand stitching techniques including running, back and satin stitch.

Students have thoroughly enjoyed this experience to be creative and to produce something that can be used in the future!

CONGRATULATIONS > FFSA SIP Selection for Year 7 World Footballers Zac, Daniel + Seb!

Congratulations to Year 7 World Football Program students Zac Fountaine (7 BAR), Daniel Borg (7 BAR) and Sebastian Ratcliffe (7 HEW) on their recent selection in Football Federation South Australian State Identification Programs (SIP).

Zac Fountaine

Daniel Borg

Sebastian Ratcliffe

Zac and Daniel were both selected in the Under 13 FFSA Boys SIP, while Sebastian earned a place in the Under 12 FFSA Boys SIP.

Well done Zac, Daniel and Seb on this excellent sporting achievement!

YEAR 11 FOOD + HOSPITALITY > French-Themed High Tea a Big Success!

On Thursday 7 June, the Year 11 Food and Hospitality Class prepared for, and catered, a French-themed 'High Tea' function for 36 special guests.

On the day the students served guests a selection of food on high tea stands; the bottom tier with cold savoury, including mini smoked salmon sandwiches, gouyeres (cheese puffs) and capsicum and spinach tarts. The middle tier served hot savoury consisting of quiche lorraine, pumpkin soup and tuna vol-au-vents. The top tier was made up of a range of traditional French sweets such as; chocolate eclairs, macarons, lemon curd tartlets and chocolate mousse cakes. All students' worked extremely well together to help ensure the smooth running of the event and they really enjoyed seeing their careful planning come together successfully.

The function enabled students to learn about the importance of teamwork as well as how to work under pressure. Students were responsible for creating individual time plans to follow on the day, to ensure all jobs were successfully completed, and in a timely manner. On the day of the function, students were split up into groups; front of house, back of house and drinks. All students worked very hard at their given job to create a great atmosphere for the customers.

****MORE PHOTOS ON NEXT PAGE****

All guests were well serviced, extremely happy with the delicious food served, and enjoyed the interpretation of the French-themed High Tea. Many guests happily took home copies of the recipes so they could recreate the dishes at home. Congratulations to the Year 11 Food and Hospitality Class for all their hard work and effort!

GC YEAR 7 FOOTBALL TEAM EQUAL RUNNERS UP @ TTG CARNIVAL

On Wednesday, 18 Year 7 boys ventured to Tea Tree Gully Football Club to participate in the TTG District SAPSASA Football Carnival. The team played five games on the day and represented the College with great pride.

The boys had a terrific carnival, winning four of their five games, including a 15-point win against joint carnival champions Highbury Primary School. 14 schools were represented on the day and Gleeson were joint runners up with St Francis Xavier's, Fairview Park Primary School and Ridgehaven Primary School. Golden Grove Primary School and Highbury were joint champions winning five games (Highbury played six games).

The entire side played excellent team footy. Liam Awramenko (7 PUT) had a terrific carnival playing the majority of his footy across half back. His reading of the play was sensational and he rebounded the ball well. Liam Isaacson (7 PUT) was his partner in crime! His intercept marking was outstanding and he rarely gave away a possession to his opponent. Jack Lindsay (7 PUT), Talan Cooper (7 PUT), Bailey Hume (7 HEW) and Tyson Hartmann (7 PUT) also had a terrific carnival.

YEAR 8&9 KO NETBALL > Gallant Round 1 Performance Away From Home

The Year 8&9 KO Netball Team made its way down to Cedar College for a tough first round pool of the Statewide Competition against St Peter's Girls College and Cedar last Wednesday.

Our first game saw us up against St Peter's Girls and the team, coached by Darren Saul and captained by Charlotte Nenke (9 FMTER), took to the court with enthusiasm, getting a quick start. Unfortunately, the girls found it challenging to restrict the opposition mid court intensity and offensive drive consistently throughout the game, and ended up recording a loss. However, the team was not prepared to lose both games, and with all girls getting a run on the court, Gleeson entered Game #2 against home-side Cedar with renewed energy. The girls played well, supported each other, and came away with a well-earned 10-goal victory.

Congratulations to all the girls involved as they fought hard and were unlucky to not progress through to Round 2. Thank you to Darren Saul and the parents that came along to support and encourage the team on the day.

Sports Development Coordinator

YEAR 10 KO NETBALL TEAM BOOK ROUND 2 BERTH AFTER HENLEY WIN

The first round of the Year 10 KO Netball Competition between Gleeson College, Parafield Gardens High School and Henley High School was contested last week on possibly the windiest day of the week!

Our Year 10 girls had big shoes to fill as last year's team took out the title as premiers, and they got off to a great start. Despite the outdoor conditions, the team commanded the lead from the first centre pass. Smooth transitioning at both ends of the court, seamless passing and some impressive turnovers saw Gleeson dominate in the first game against hosts Parafield Gardens HS, the final score 57-7.

The second game against our arch nemesis Henley HS was a slightly different story. Always a very tough opponent, Henley's height and equally smooth play meant our Gleeson girls needed to step it up another level. Tied after the first quarter at 6-6, the second quarter saw us take a small lead 10-13 going into the second half. Our shooters were hot (wind? what wind?), combining well in the circle with help from our mid court, and defensively the girls capitalised on Henley's stray throws. A solid third quarter piling on eight more goals saw Gleeson take the match overall 26 to Henley's 21. The team now progresses through to Round 2, and one step closer to the 2018 State Finals.

A big thank you to our Specialist Netball Program Coach Mr Darren Saul for once again for coaching our girls to a successful start, always so calm under pressure! I would also like to thank the parents who gave up time to come and support the girls on the day. Bring on Round 2!

Year 10 KO Netball Coach**

OPEN GIRLS KO BASKETBALLERS IMPRESS WITH COMFORTABLE RND 1 WIN

The Gleeson Open Girls Knockout Basketball Team put in a consistent 'away' performance to comfortably win their first round clash against Thomas More College at Thomas More on Thursday 14 June.

The team consisted of Jade Halfpenny (11 FSMIL), Jana Ivancic (10 HSRAN), Abby Lowman (10 MSCOD), Breanna Alford (10 MSCOD), Ella Dalton (11 HSPLL), Emily Carden (10 MSEL), Teagan Wilson (10 HSDAW), Isabella Convill (10 FSHOL) and Alicia Malatesta (10 DSHUT - unfortunately who was unwell on the day).

Boasting several players with district experience and confident in our ability, we applied a tight defensive structure early in the first quarter, which rattled Thomas More, and upset their offensive structure. Jade Halfpenny was unstoppable, scoring with ease and dominating the offensive end. She was well supported by Abby Lowman, whose presence close to the basket intimidated the opposition and provided second and third opportunities in attack.

The girls were consistent across all four quarters, which resulted in a convincing 20-point victory at final siren (56-36). We look forward to the next round of competition and building on an excellent opening performance.

Open Girls KO Basketball Coach

Gleeson 30th Year Anniversary Community Cookbook

When thinking about food, is there a family recipe that sparks a memory or gives you the warm fuzzies? Are you interested in having it published? If the answer is yes, we would love for you to share this recipe with our community by submitting it for publication in our Gleeson 30th Year Anniversary Community Cookbook!

To celebrate the College's 30th Year Anniversary we are putting together a Community Cookbook, with all profits from sales going directly to charity.

Why a cookbook?

Sharing a meal brings people together, as Jesus did when he shared the Eucharist with his Disciples at the Last Supper. You may have been involved in sharing a favourite meal with family and friends to celebrate an occasion such as Birthday's, Easter or Christmas.

"Food brings people together on many different levels. It's nourishment of the soul and body; it's truly love." - Giada Laurentiis

How can you contribute?

Share a favourite family recipe with us! We would also love to hear a little bit about the recipe's story. To submit please carefully follow the instructions on the video link and use the checklist below.

Video link: <https://youtu.be/Lldnnhe2daE>

- 1 x A4 page format per recipe
- Name of the recipe
- Include ingredients, method, serves
- IMAGE OF RECIPE > Actual photo for high quality printing (saved separately as a JPEG)
- If available, photo of family cooking/enjoying the recipe (saved separately as a JPEG)
- Family story > approx. 50 words including origin and tradition of the recipe
